### **Buffalo-San José State Postgame Notes**

San José State improved to 4-2 with the victory, the program's best record through six games since the 2013-14 season.

The 95-88 victory marked the team's third straight win, the program's longest winning streak since it won five straight on the 2015-16 campaign.

The win handed Buffalo its first loss of the season and marked the program's first defeat since the second round of the 2019 NCAA Tournament.

UConn and San José State are now the last teams to beat the Bulls.

The victory marked the program's first-ever win over a school from the MAC (entered 0-3).

The Spartans are now 3-0 at the Provident Credit Union Event Center this season.

Sophomore Ayzhiana Basallo tallied 18 points and 10 assists to record her second straight double-double. Basallo is the reigning Mountain West Player of the Week.

San José State players have combined to tally five double-doubles through six games. Forward Tyra Whitehead leads the team with three.
