***LOU
TULLY***
Head Coach

Lou Tully is in his 14th season as San Jose State University's women's water polo head coach. As the Spartans' only head coach, he has taken a program from infancy to perennial national power.

Playing in the Mountain Pacific Sports Federation (MPSF), the nation's most competitive conference, Tully has led the Spartans to top-10 national finishes in each of the last four years and nine overall.

The 2009 season was one of the team's best under extenuating circumstances. In August 2008, Tully was diagnosed with multiple myeloma – a cancer of the plasma cell. Following effective treatments and proper care, Tully coached team practices and was on the deck for most local matches. The Spartans won 20 matches for just the second time, defeated nine top-10 teams in the process, set a single-season school record scoring 377 goals and finished sixth in the final national coaches' poll. Tully was named the 2009 MPSF Coach of the Year.

His Spartans have earned 13 All-America honors and All-Mountain Pacific Sports Federation recognition on 19 occasions. Since 2002, the Spartans also have earned 34 MPSF All-Academic Awards. His head coaching record is 181-194, not counting the 2009 season.

Tully joined San Jose State in 1996 after coaching the boys and girls teams at Leland High School in San Jose.

He began his coaching career in 1966 at Menlo College, where he coached water polo and swimming. Tully also coached at various local high schools, winning league championships at Mt. Pleasant High School in 1977 and at Leland in 1997. His top high school players included All-Americans Mike Castaneda, Steve Lynn, Norman Villanueva, Tres Threatt and Brent Vanderkam.

Besides coaching the Spartans, Tully has overseen and coached the San Jose Splash, a club team he started for local junior women's players.

An experienced official, Tully has officiated at every level, including the Junior Olympic Nationals, U. S. Senior Men's and Women's National Championships, community college state championships and NCAA Division I men's and women's matches.

The 1967 San Jose State graduate majored in physical education and played four seasons of collegiate water polo. He went on to earn his master's degree in physical education from San Jose State in 1972. Tully also holds a California Life Teaching Credential. He and his wife, Susan, have two adult children, Megan and Ian. The Tullys reside in San Jose.
