UC Davis-San José State Post-Match Notes

With his 21st minute goal, senior Willy Miranda became the first Spartan in 20 years to score in each of San José State's first three matches to start a season (Lars Lyssand, 2001 vs. Cal State Monterey Bay, Saint Mary's and UC Riverside).

SJSU's nine goals in its first three matches of the season is the program's most since the 2003 campaign (also scored nine, opened against Notre Dame de Namur, UC Santa Barbara and UC Irvine).

Sunday's match marked the program's first contest with five different goalscorers (Ryota Nakashima, Willy Miranda, Finlay Wood, Jamal Adam, Max Allen) since defeating Grand Canyon 6-0 on Oct. 11, 2015 (Rory Knibbs, Jonathan Colunga, Jonathan Partida, Zach Penner, Kyler McLaughlin).

In total, SJSU has now earned a result in nine of its last 10 matches.

San José State now leads its all-time series with UC Davis 13-10-2.
