# 2009-10 Outlook

Eight returning letter winners, four of them starters, along with nine new faces, make up San Jose State's 2009-10 Women's Basketball team. Head coach Pam DeCosta, now in her third season, believes she has her most talented squad since taking over the Spartans.

Four of the top six scorers from last season, guard Chasity Shavers (5-11, SR, 10.0 ppg., 3.1 rpg.), forward Shaunna Ridge (6-0, SR, 7.4 ppg., 6.3 rpg.), guard Sayja Sumler (5-9, JR, 7.1 ppg., 3.9 rpg.), and guard Ashley Brown (5-6, SR, 6.5 ppg., 2.6 rpg.) are the core group of returning players. Shavers was the second leading scorer last season and Ridge was the only Spartan to start in every game last season and was the team's top rebounder and shot blocker. Brown led the team with 95 assists.

"Sayja and Shaunna have really grown here in the program. They are incredible workers and have become quiet team leaders," says the San Jose State head coach who hopes to lead the program to its first winning record in five seasons.

No spot in the playing rotation is guaranteed at the start of the season. DeCosta believes any of the talented newcomers can step into the lineup and contribute, giving the team much needed depth at all positions on the court.

"I think everyone will make an imme-

diately impact this season," says DeCosta, who believes that an extra emphasis on perimeter defense and an injection of team speed should help the Spartans cut down on their opponents' field goal percentage, a stat that plagued the Spartans last season. The added size and offensive pop, along with a healthy mix of veteran talent leaves Coach DeCosta optimistic heading into the season. "If we can stay healthy, good things are going to happen," says DeCosta.

Should opponents move the ball inside, DeCosta feels her team is better equipped to compete in the post. The Spartans inside game got a tremendous boost in the form of 6-foot-3 center Samantha Marez. Marez, a transfer from the 2009 NJCAA champion Central Arizona College, offers the Spartans a versatile post player on both ends of the floor. She joins Aumornai Edinburgh (6-0, SR, 1.5 ppg., 1.3 rpg), Myesha Broaden (6-2, SO, 3.0 ppg., 3.1 rpg), and Dominique Hamilton (6-2, SO, 1.9 ppg., 1.8 rpg) in the trenches this season.

"Sam is a true back to the basket player who also has perimeter skills. She will help push Dominique and Myesha with their inside game," says DeCosta. A pair of 6-foot newcomers, Marnesha Hall, a transfer from Chipola College, and Danielle Keenan from Oakland's Bishop O'Dowd High, will also add interior depth.

Shooting was another concern heading into this season and the Spartans recruited quite a bit of pop. 5-foot-9 guard Rachel Finnegan from Turlock earned two time conference player of the year and Modesto Bee's player of the year honors in her high school career. Finnegan helped lead Turlock to back to back CCS titles and averaged 15.7 points, 8.5 rebounds, and 5.1 assists a year ago. 5-foot-8 Britney Bradley from the College of the Canyons will bring tremendous athleticism to the Spartans perimeter. 5-foot-11 Alisha Eckberg is a pure shooting guard from San Diego's Canyon Crest Academy who poured in over 1,000 points in her prep career and contributed 15.2 points a game last season.

5-foot-8 Palagi Atoe from Santa Rosa Junior College, 5-foot-2 Liz Johnson from Dublin High School and 5-foot-6 Addie Schivo from San Francisco's St. Ignatius

*Shaunna Ridge led the Spartans in blocked shots and rebounding in 2008-09. After one season, she ranks 10th among San Jose State career blocked shot leaders.*

College Prep round out the perimeter newcomers for the 2009-10 team. These youngsters will be competing with Brown, Sumler, Shavers and Monique Coble (5-9, SO, 1.4 ppg., 0.7 rpg) in the backcourt this season.

The Spartans are set to tackle an ambitious non-conference schedule that features games against NIT quarterfinalist Mississippi out of the SEC, and Cal, who reached the Sweet sixteen in the NCAA tournament. Bay Area rivalries will continue this year with matchups against Santa Clara and USF. Also featured in the non-conference portion of the schedule is a visit to Colorado from the Big 12 and a home matchup against Denver. A host of in-state opponents complete the pre-season with home tests against LMU, Pepperdine, Cal State Fullerton, and Cal State Northridge and road games against Sacramento State and Cal State Bakersfield. The conference portion also features two games against both of the Western Athletic Conference's two post season participants from a year ago, NCAA tournament participant Fresno State, and NIT second round participant Louisiana Tech.

# *Pam DeCosta*

*Head Coach*

San Jose State third-year head coach Pam DeCosta continues to change the mindset and attitude of the Spartan women's basketball program. She brings a winning attitude and perspective to San Jose State.

Already making a difference in the community, DeCosta's team and staff are involved in community service projects. The team works with BAWSI (Bay Area Women's Sports Initiative) on various projects. The players and staff also spend time volunteering at Valley Medical Center in the Children's Unit.

"We have four goals to achieve in building this program," said DeCosta. "First, we need to change the mentality of the community, the campus and the players that being status quo is not ok. Secondly, we have to think everyday that we are going to compete for the WAC Championship and play in the NCAA Tournament. Third, we are going to graduate from San Jose State and excel in the classroom. Finally, we need to make a difference in the community and let people know who we are."

DeCosta came to San Jose State after spending four seasons as the head coach at Lynn University in Boca Raton, Fla. She took a program that had only five wins her first year and produced double-digit wins each of the past three seasons. Her teams had a 100-percent graduation rate and one student-athlete,

Sarah Mahan, become just the third player in school history to be named to the ESPN the Magazine Academic All-District team as selected by CoSIDA.

DeCosta's 2006-07 team compiled a 17-11 overall record and a 9-7 mark in the Sunshine State Conference. The Fighting Knights recorded the second-best start in school history with a 10-2 run. They were undefeated in the month of December (6-0) and set a school record for most conference wins.

Her 2005-06 team finished with an 11-17 overall record and a 6-10 SSC mark. DeCosta became the first women's basketball coach in school history to defeat Tampa twice in a season and became the first coach to record wins against every Sunshine State Conference school.

Prior to being named head coach at Lynn, DeCosta was an assistant at the University of Kansas for a total of eight years (1993-96 and 1998-2003). She was responsible for all aspects of recruiting potential student-athletes as well as assisting in scouting opponents, daily practice and individual player development. During her time at Kansas, the Jayhawks won a Big Eight Championship and made five NCAA Tournament appearances, including advancing to the Sweet Sixteen in 1996.

A talented recruiter with strong California connections, DeCosta had success at Kansas recruiting top-notch student-athletes to the program. Her 2003 class ranked 10th in the country, while her 2002 and 2001 classes both ranked 13th nationally.

# Spartan Coaching Staff

In between her stints at Kansas, DeCosta was an assistant coach at the University of Oklahoma under current head coach Sherri Coale. DeCosta helped to sign two-time All-American, and current ESPN college basketball analyst, Stacey Dales.

Before her position at Kansas, DeCosta was the head varsity coach at Denver East High School for the 1992-93 season and led the team to a 5A District Championship and a final 5A state-ranking of ninth.

Following her 1991 graduation from Metropolitan State College (Denver, Colo.) with a bachelor's degree in parks and recreation administration, DeCosta began her collegiate coaching career at her alma mater, serving as an assistant coach and the recruiting coordinator. After two years of recruiting the state's top players, the team achieved its best season in school history.

DeCosta played her college ball at Mesa State College in Grand Junction, Colo. She was a 1986 NAIA Kodak All-American, a 1986 first team All-District Seven selection and a two-time All-Rocky Mountain Athletic Conference first team pick. DeCosta led the RMAC in scoring and rebounding during the 1984-85 season. She still ranks in the top-five among Mesa State career leaders in five categories including the season all-time leading rebounder with 1,012 boards. She also led the league in rebounding for the 1985-86 season with 16.8 boards per game. After her collegiate career, she played professionally in Germany.

In July 2007, DeCosta was honored by the RMAC as she was inducted into the conference's Hall of Fame.

DeCosta is a member of the Women's Basketball Coaches Association and the Black Coaches Association.

# The Event Center

## The Event Center “Home of the Spartans”

The Event Center, located on the corner of Seventh and San Carlos Streets is home to the San Jose State men’s and women’s basketball teams

The \$36-million facility, created by SJSU students and developed by the Student Union Board of Directors, is financed by student fees and facility usage. The Event Center and the Aquatics Center, directly across the street, comprise the complex. Over 30,000 students, 3,500 faculty and staff members, alumni and the surrounding communities use the facility.

Groundbreaking occurred October 1, 1986. The Aquatics Center opened in May 1988. Originally named the Recreation and Event Center, The Event Center opened in May 1989. The first intercollegiate athletic games played in The Event Center were the season openers for both basketball teams on Friday, November 24, 1989, as the women played Utah, and the men faced South Alabama.

Improvements at The Event Center were made over the summer. The Spartans have a new court to play on, while upgrades to the women’s basketball locker room make it a first-class facility for San Jose State.

The arena in The Event Center seats 5,000 for athletic events and 5,600 for concerts. The size of the arena is large enough to attract major performing artists, yet small enough to provide a personal experience for the audience.

In the recreation area of The Event Center are 10 racquetball courts, a large weight room, a mini-gym and an aerobics room.

# The Event Center

*Many improvements have been made to the women's basketball locker room over the past couple of years including new lockers and new paint this past summer and fall. Special thanks to Alex Gibson for his help painting in the locker room.*

# Koret Center

The Koret Athletic Training Center, opened in November 2001, is a state-of-the-art facility that encompasses over 10,000 square-feet of training space and is located adjacent to Spartan Stadium, the athletic locker rooms and the football practice field.

The Koret Athletic Training Center also contains a 1,000-square-foot rehabilitation and training room that services physical therapy and sports-specific rehabilitation. The facility enables the sports medicine staff of athletic trainers, doctors, and physical therapists to provide the best possible care to help prevent and rehabilitate injuries.

## ***“Our Philosophy”***

- We teach a hands-on approach where the student-athlete is expected to develop a comprehensive understanding of not only the How’s, but also the Why’s of our program.
- We teach correct movement patterns to optimize efficiency and performance.
- Our program design is centered on ground-based, free weight, multi-joint movements that will transfer to the playing field and keep our student-athletes out of our sports medicine facility.
- Our primary concern is the development of speed in all our sports.
- We develop speed and flexibility through strength.
- Our speed program consists of functional and straight-line speed training. Functional means acceleration, deceleration and change-of-direction work.
- We train through an entire range-of-motion in all lifts to enhance active flexibility, develop strength to prevent injury, and unlock joints with mobility issues.
- Olympic-based movements are utilized for speed of movement, active flexibility and dynamic stability.
- Squats and deadlifts have a permanent home in our program for developing hip strength and back stability. Single-leg variations are used to fix strength imbalance and lateral deficits.

***“The Koret Athletic Training Center is one of the ‘crown jewels’ of the San Jose State University athletics program. The sheer size of the facility stops you in your tracks. We have everything a strength and conditioning program could conceivably need at our fingertips. Our student-athletes and coaches are truly blessed to have such a beautiful facility.”***  
***- Chris Holder, San Jose State director of strength & conditioning***

# City of San José

Situated at the hub of Silicon Valley is San Jose – the third largest city in California and the 10th largest in the nation. San Jose, strategically located at the sunny, southern tip of the San Francisco Bay, is surrounded by rolling hills and striking mountains. San Jose’s vibrant and growing downtown is the setting for San Jose State University and the focus for important financial, commercial and arts communities.

Regional growth and stability are complemented by an active cultural life. San Jose is the home of the Silicon Valley High Technology and the Children’s Discovery museums, the San Jose Museum of Art, San Jose Symphony, the San Jose-Cleveland Ballet, numerous galleries and arts centers, Opera San Jose, the Winchester Mystery House and other respected professional and community group theater groups.

Light rail and historic trolley lines, the 18,000-seat HP Pavilion at San Jose, convention facilities, shops and a diverse night scene add to the excitement. Reflecting the cultural richness of the community is a wide range of restaurants.

A reason the South Bay has grown so dramatically is its quality of life. The mild climate encourages an active and casual lifestyle. There are more than 100,000 acres of land for biking, rollerblading and other outdoor activities. Boasting nearly 300 days of sunshine and an average summer temperature of 74 degrees, San Jose symbolizes the best California has to offer. The region’s 1.6-million residents enjoy recreational and entertainment opportunities year-round. Within a short drive are San Francisco, beaches from Santa Cruz to Carmel, the California coastal redwoods, Lake Tahoe and Yosemite National Park.

In women's sports, Fresno State softball has compete in every NCAA Tournament held, while Louisiana Tech basketball has played in all but three.

Current WAC alums have made their presence felt as well. David Carr (Fresno State) was the first player selected in the 2002 NFL Draft. Cheryl Ford (Louisiana Tech) was named the WNBA Rookie of the Year and helped the Detroit Chock win

the league's championship in 2003. Natasha Kei (Hawaii) helped the United States to a gold medal in soccer at the 2008 Summer Olympics in Beijing.

The WAC is the sixth oldest among the nation's 11 Division I-A conferences. Its history traces back to July 27, 1962, when the original six-team league of Arizona, Arizona State, Brigham Young, New Mexico, Utah and Wyoming began competition. The current membership was established on July 1, 2005, when Idaho, New Mexico State and Utah State joined the WAC.

# Those who are great don't have an offseason.

Greatness is achieved through hours in the weight room and on the court.

Greatness is never settling for the status quo and going beyond what is expected of you.

Greatness is the new standard of excellence we have set for our schools, for our student-athletes, and for ourselves.

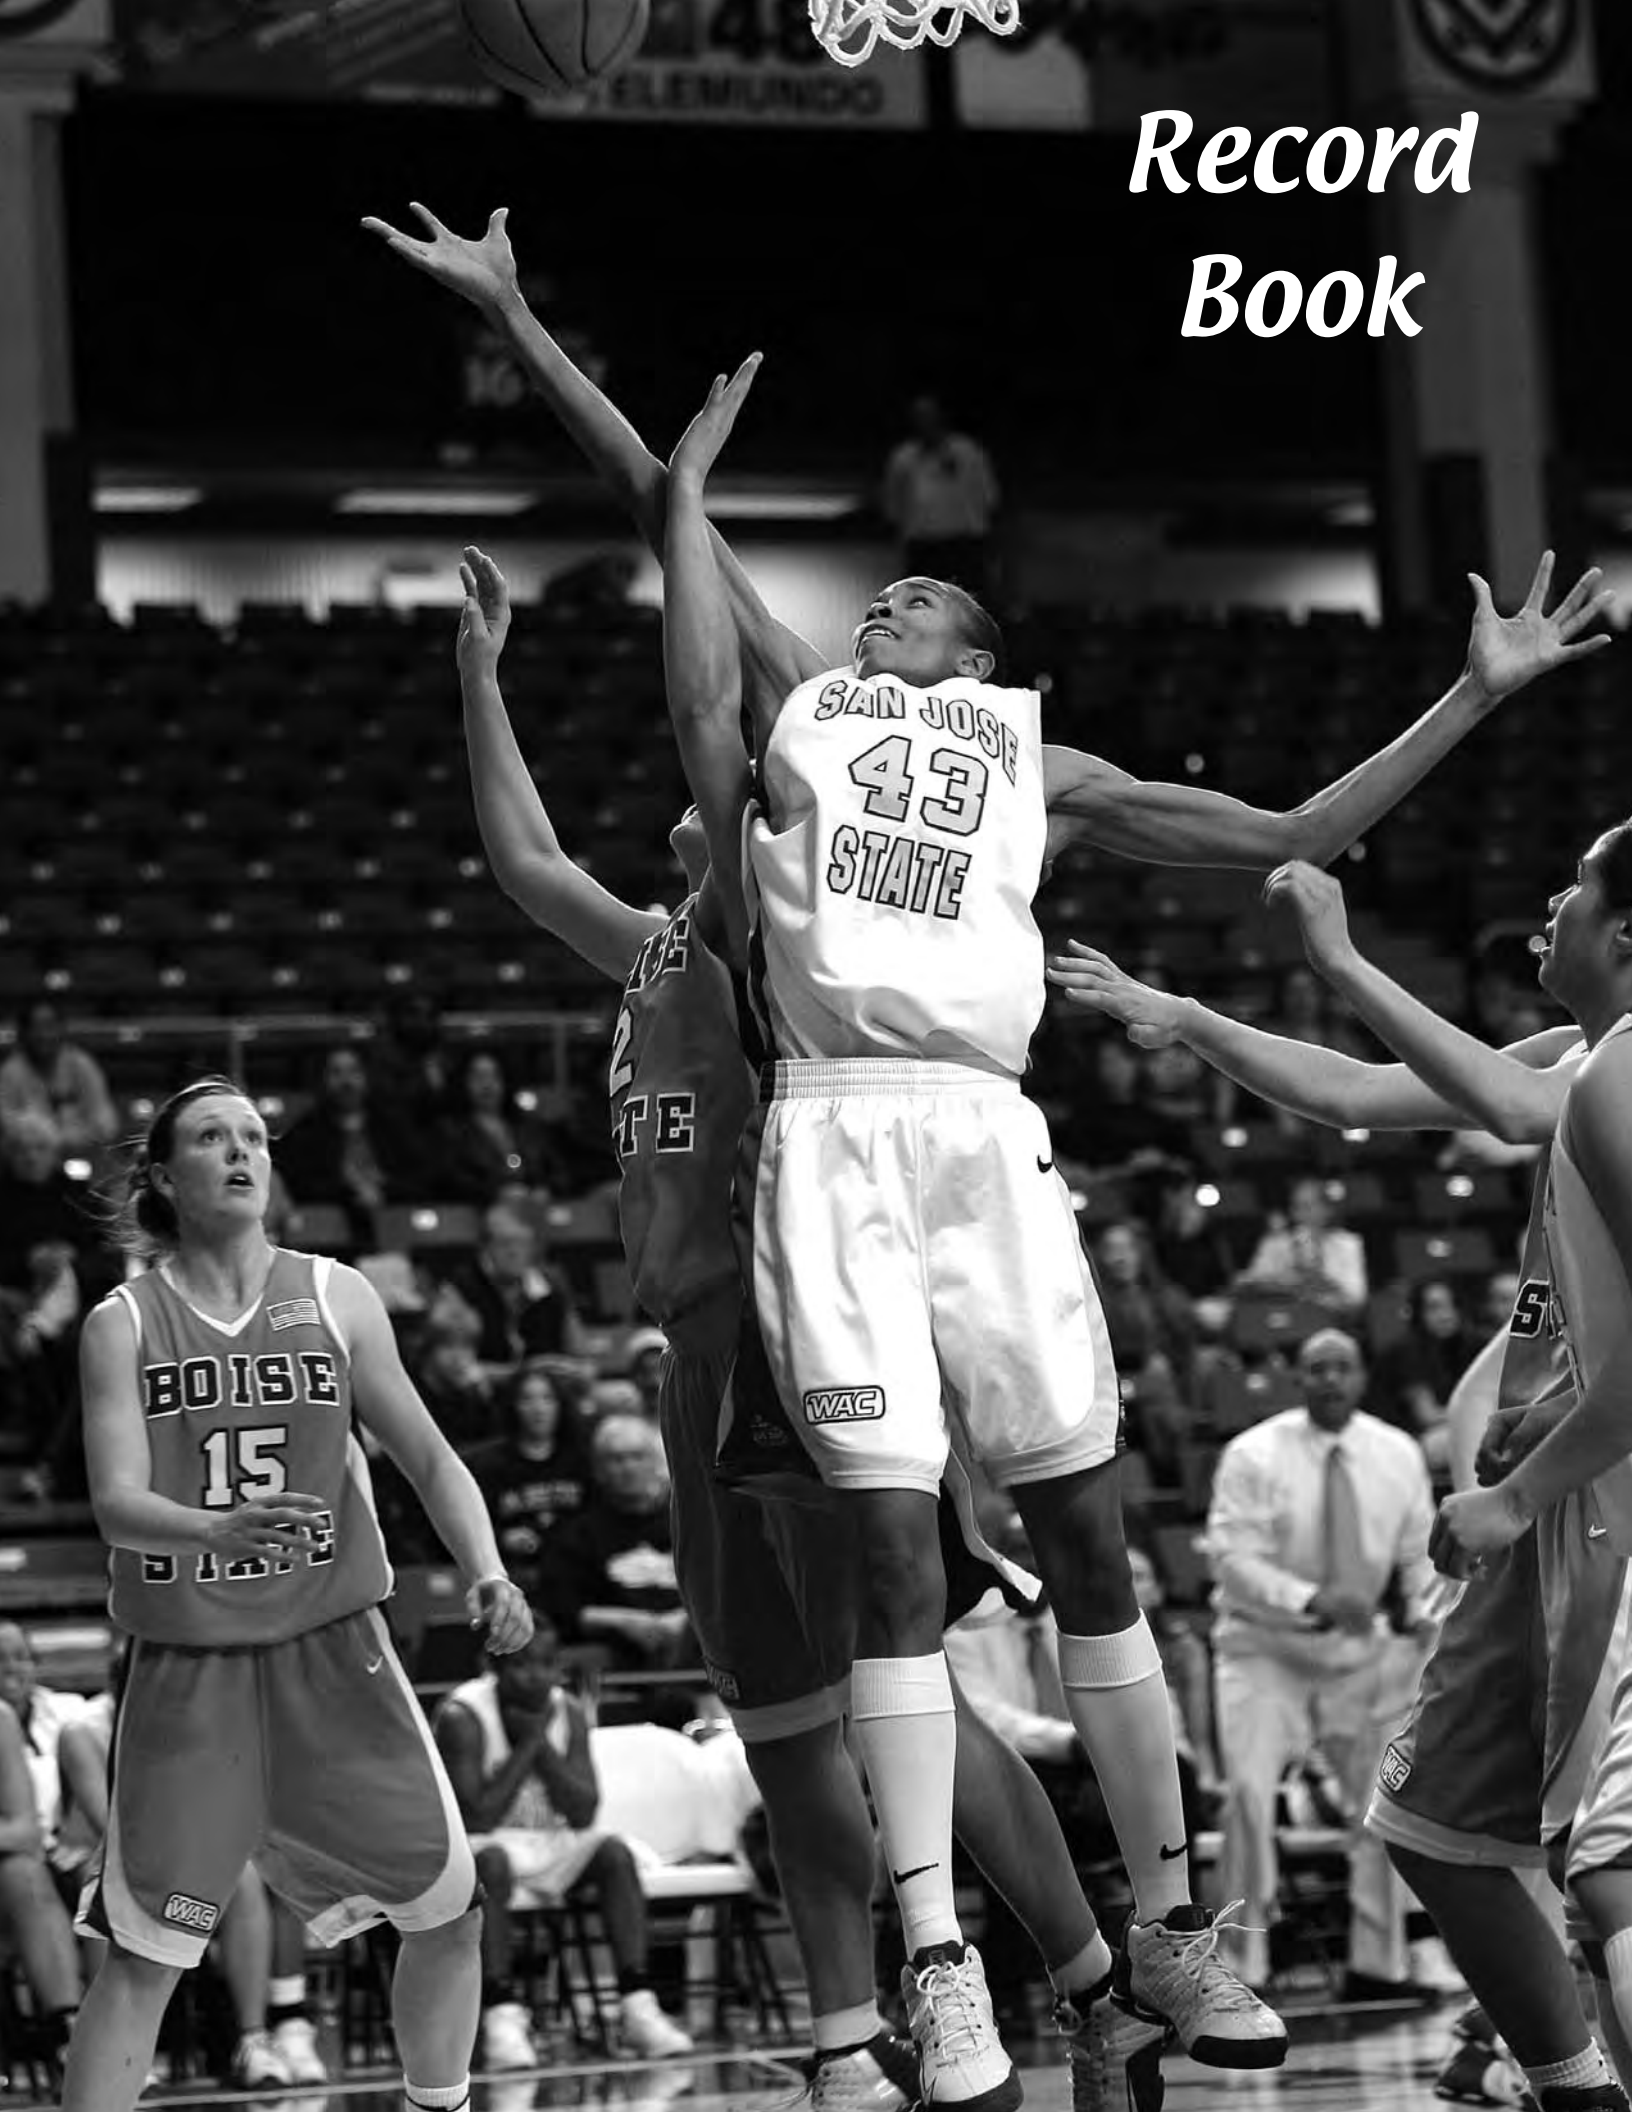

## Be Great. Play Up.

# Athletics Administration

**Tom Bowen**  
**Athletics Director**

Tom Bowen was named San Jose State University's director of intercollegiate athletics on December 20, 2004. Under his leadership and with his vision for the department, San Jose State has established itself as a viable Division I-A intercollegiate athletics program with proven athletics and academic successes and financial advancements to his credit.

## CULTURE OF CHAMPIONS

At the core of Bowen's mission for San Jose State University athletics is building a "Culture of Champions" academically, athletically and in the community. To that end, the Notre Dame alum has overhauled the department's infrastructure; invested resources both in external and internal operations; initiated an enhanced website presence; and expanded marketing, promotions and advertising opportunities locally, regionally and nationally with the creation of Spartan Sports Properties.

Bowen has led the Spartan Foundation - the department's fundraising component - through cyclical economic conditions to unprecedented development heights at the university. The Spartans have produced annual budget surpluses under his direction and have re-invested their gains back into their student-athletes and teams.

An integral member of the University's presidential staff, he has created new short and long-term revenue streams for intercollegiate athletics and other campus extra-curricular activities. His initiatives and leadership foster energy department and university-wide. Athletics' increased visibility has coincided with record donations coming to the university, particularly in 2006-07.

Since taking over, San Jose State has more football wins in the latest three-year period than any similar span since 1990-92. The 2006, 2007 and 2008 Spartans are the first three Spartan teams to post consecutive .500 or better records in the Western Athletic Conference football standings. In 2006, football capped its finest season in nearly two decades, posting a 9-4 overall record and capturing the New Mexico Bowl championship.

Athletics success extends beyond football in this 16-sports intercollegiate program. Baseball and women's golf, last spring, are the most recent teams to win a conference championship. Women's water polo is a consistent top-10 national program and had its best season in 2009. Women's swimming finished the 2008-09 season with the longest dual meet winning streak in Division I. Women's gymnastics is entrenched as a NCAA Regional Championship qualifying team. Men's basketball and

men's soccer have produced measurable gains the last four years, particularly in conference competition.

Individually, Spartans have earned All-America honors in football, women's golf and women's water polo. San Jose State had its first women's gymnastics individual NCAA Regional champion in 2009. Twelve student-athletes were honored nationally and nearly another hundred at the conference level for academic achievements in 2008-09.

Bowen's vision for student-athlete success and excellence led to the creation of a Student Success Services component. Academic Progress Rate (APR) scores, as measured by the NCAA, have risen steadily under his watch and were at a university best in the 2009 report.

He has appointed new head coaches in football, men's basketball, women's basketball, men's golf, women's golf, women's swimming and diving, softball, women's softball, women's cross country and women's volleyball. Since 2005, coaches in baseball, women's golf, water polo and softball have received conference Coach of the Year recognition.

In 2008, San Jose State was named as one of 12 Division I universities cited for Overall Excellence in Diversity in the most recent national study by Texas A&M on behalf of the NCAA.

## A VALUED PROFESSIONAL

Bowen's proven record at San Jose State has resulted in meaningful national appointments in college athletics. He is one of eight Football Bowl Subdivision directors of athletics serving on the 24-member NCAA Division I Football Issues Committee. In 2009, he was one of 12 named to serve as a mentor to aspiring women and ethnic minority athletics administrators in the NCAA Fellows Leadership Program.

Bowen came to San Jose State after serving three years as the Director of Community Affairs for the San Francisco 49ers of the National Football League. He directed all of the team's fundraising activities and was responsible for alumni and current player participation in the community. Also serving as the executive director of the 49ers Foundation, San Francisco was the first NFL franchise to implement an annual giving program.

# Athletics Administration

His Division I experience at the collegiate level includes athletics administration positions at the University of California and Saint Mary's College in Moraga, Calif. As an assistant and associate director of athletics at the University of California from July 2000 through September 2002, he was responsible for athletics fund-raising. Bowen was credited with developing the first comprehensive planned giving program for the Golden Bears.

At Saint Mary's College, he was the Director of Foundations and Corporate Relations from May 1995 to January 1997 before being appointed to an associate director of athletics position by the president of the college. His grant proposal acumen helped raise \$6.1-million in academic funding for the institution. From January 1997 through April 2000, he managed the athletics department's budget, directed a corporate sponsorship program and interacted with the academic senate, faculty and university personnel on student-athlete issues.

His first professional leadership appointment in athletics was at De La Salle High School in Concord, Calif. From 1987 through 1995, he held the positions of athletics director and assistant football coach.

## EDUCATION & COMMUNITY

He is a Level 2 certified member of the College Athletic Business Management Association (CABMA) and has memberships in the National Association of Collegiate Directors of Athletics (NACDA) and the National Society of Fund Raising Executives.

The 1983 graduate of the University of Notre Dame majored in theology/sociology and spent six years studying for the priesthood with the Holy Cross Fathers. Bowen went on to earn a master's degree in administration/education from the University of San Francisco in 1990.

An active member of the Bay Area community, he was named to the 2008 San Jose Mercury News' Top-25 Most Powerful Sports Figures in the Bay Area. He serves on the board of the San Jose Sports Authority. He is an adjunct professor at the University of San Francisco School of Sports Management and at San Jose State University's Department of Kinesiology where he teaches sports management classes. Bowen is a frequent guest lecturer at several Bay Area university campuses and continues to speak before major corporations headquartered locally on the topics of leadership, management and motivation.

The Denver, Colo., native and his wife, Mia, are the parents of three children: sons, Andrew and Peter, and, daughter, McKenna.

**Stacy Martin**  
**Senior Associate**  
**Athletics Director**

A San Jose State alumna, Stacy Martin was promoted to the position of Senior Associate Athletics Director/Chief Operating Officer in June 2008. Martin also is the department's Senior Woman Administrator.

Having served the university in increasingly progressive and vital administrative roles, she previously was the Associate Athletics Director for Business and Finance. For three full years and part of a fourth, Martin had fiscal oversight for the department's \$20-million annual budget that includes 16 sports, 32 departments and 125 employees. Her business savvy resulted in San Jose State finishing each of the last four academic years with a budget surplus – a university first.

Martin oversees future football scheduling and serves as a sports supervisor for baseball, softball, women's basketball, women's gymnastics and volleyball. In 2009, she was named the West Region Administrator of the Year by the women's gymnastics coaches in the Pacific and Mountain Time zones.

Her professional career started as a San Jose State ticket office employee in 2002. She moved to the business office in January 2003, promoted to Athletics Business Manager in 2004 named an associate athletics director in 2006.

Nationally respected, she is the second vice-president of CABMA (College Athletic Business Management Association) for 2009-10. She holds memberships in NACDA, Beta Gamma Sigma, WISC (Women In Sports Careers), NACWAA (National Association Of Collegiate Women Athletic Administrators) and the Golden Key International Honor Society.

At the conference level, Martin is San Jose State's representative on the WAC finance, championships, gender equity and code book committees.

A four-time letterwinner and captain of the Spartan women's gymnastics team, Martin earned bachelors and master's degrees from San Jose State. The 2002 graduate majored in business administration and corporate financial management. She earned an M.B.A. in finance in 2005. While an undergraduate, Martin was recognized by "Who's Who Among Students" for her scholarship, leadership and service to the campus and community.

Additionally, Martin is a graduate of the Sports Management Institute – a collaboration of the Universities of Southern California, Texas, Michigan, Notre Dame and North Carolina. The Sports Management Institute provides a specialized executive management program for sports professionals.
