The Mountain West

From its inception in 1999, the Mountain West (MW) has been committed to excellence in intercollegiate athletics, while promoting the academic missions of its member institutions. Progressive in its approach, the MW continues to cultivate opportunities for student-athletes to compete at the highest level, while fostering academic achievement and sportsmanship. Now in its 19th year, the MW has been assertive in its involvement in the NCAA governance structure and has taken a leadership role in the overall administration of intercollegiate athletics.

The Mountain West has marked several achievements during its first 18 years, most notably becoming the first to establish a sports television network dedicated solely to an intercollegiate athletic conference (The Mtn.). The Mountain West also was the first to experiment with the coaches' challenge in the college football instant replay system, and was the first non-automatic-qualifying BCS conference to participate in four BCS bowl games, winning three. In the inaugural year of the new College Football Playoff system, Boise State earned the automatic slot into a New Year's Six bowl game as the highest-ranked champion from the Group of Five 5 conferences. The Mountain West was among the first conferences to implement a league-wide state-of-the-art basketball instant replay system.

Additionally, the Mountain West was the first conference to have a member institution with No. 1 overall picks in both the NFL and NBA drafts in the same year (Utah's Alex Smith and Andrew Bogut, respectively in 2005). With UNLV's Anthony Bennett claiming the No. 1 pick in the 2013 NBA Draft, the Mountain West is one of three conferences to have multiple No. 1 NBA draft selections since 2000. Also, with San Diego State's Stephen Strasburg earning the No. 1 pick in the 2009 MLB Draft, the Mountain West is one of two conferences to have the No. 1 selection in each of the NFL, NBA and MLB drafts since the MW was founded in 1999.

The Mountain West is noted for its geographic diversity. Some of the most beautiful terrain and landscapes in the nation can be found within Mountain West boundaries, including the majestic Rocky Mountain range, which borders five MW institutions (Air Force, Boise State, Colorado State, New Mexico and Utah State). The high plains of Wyoming contrast with the desert cities of Las Vegas and Reno, home to UNLV and Nevada, respectively, while

Fresno State, San Diego State and San José State add a West Coast influence with their locations. The inclusion of the Hawai'i football program extends the Mountain West footprint to the beautiful islands in the Pacific Ocean.

ACADEMIC CONSORTIUM

From the outset, Mountain West member institutions have been committed to creating strong academic relationships, as well as athletic competition. To that end, the chief academic officers of each institution have explored academic exchange programs, library crossovers and shared research. In addition, the faculty athletics representatives routinely provide

academic assistance and test-taking services for student-athletes visiting from fellow member institutions for competition.

OPPORTUNITY

The Mountain West provides a first-class athletic and academic experience for more than 5,100 student-athletes each year. Over the past 14 years, 41 Mountain West student-athletes have earned NCAA Post-graduate Scholarships, and since the league's inception in 1999, an additional 28 student-athletes have been named MW Scholar-Athlete of the Year and

The Mountain West

awarded league-sponsored postgraduate scholarships. Three Mountain West student-athletes have earned distinction as Rhodes Scholars.

Conference student-athletes are also given a voice regarding pertinent issues within the MW and NCAA governance structure through representation on the Student-Athlete Advisory Committee (SAAC). The Mountain West SAAC consists of 23 representatives: two from each full member institution and one faculty athletics representative. The committee reviews and reacts to legislation and to other topics referred by the Conference constituent group or committees related to the student-athlete experience.

Wyoming won the MW's first WNIT championship in 2007 with a win over Wisconsin. In women's volleyball, the MW has had 42 NCAA bids with nine Sweet 16 berths and one Elite Eight appearance. Women's soccer has earned 31 NCAA bids since 1999, with two Sweet 16 berths and one Elite Eight appearance. MW men's golf has had at least three representatives in NCAA Men's Golf Regionals in each of its 17 years, while women's golf has had at least three teams participate in NCAA Regionals 15 of the last 18 years.

SPORTSMANSHIP

Named for Sports Ethics Fellow by the Institute for International Sport in 1998, Commissioner Craig Thompson has been a driving force for sportsmanship within intercollegiate athletics. As part of its continuing growth and development, the Mountain West implemented an extensive Sportsmanship Initiative, endorsed by both the MW Joint Council and MW Board of Directors. The program is made up of several elements, which are both practical and philosophical in nature. While the MW has significant penalties in place to deal with violations, the Sportsmanship Initiative is primarily promotional and educational in nature. The goal is to develop an environment that fosters appropriate behavior from all Conference constituencies.

ACHIEVEMENT

The MW has produced 1,059 All-America selections among its 18 sponsored sports (men's swimming was discontinued as a Conference sport following the 2010-11 season) in the last 18 years, including a league-record 103 All-America honorees in 2016-17. A total of 190 MW student-athletes have also earned Academic All-America accolades in that span. The Mountain West has sent at least 25 teams to NCAA postseason event in each of the past 18 years, capturing four team national championships in women's cross country and producing 43 individual national championships in the sports of men's golf, men's cross country, women's diving and men's and women's indoor track & field and outdoor track & field.

Mountain West members have participated in 84 bowl games, including four appearances in BCS games and one CFP game. The MW has earned 80 postseason bids in men's basketball, with five Sweet 16 appearances among 44 NCAA Tournament appearances and three NIT Final Four berths. MW women's basketball has tallied 75 postseason slots, including 36 NCAA bids, five Sweet 16 appearances and one Elite Eight berth since 2000.

2017 Review

On March 18, 2017, in an 8-0 victory over Nevada, Katelyn Linford tossed the 12th no-hitter in SJSU history and the program's first in 12 years.

The day prior, she threw a one-hitter against Nevada in a 2-0 win.

Linford is one of four Spartans to earn All-America honors.
