GEORGE NESSMAN Head Coach 6th Season

George Nessman was appointed the San Jose State University men's basketball head coach in March 2005. As he heads into his sixth season, the program is positioned for near and long-term competitive and academic success.

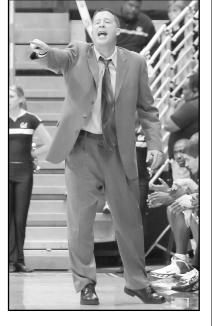

The accomplishments are numerous in his first five seasons. Prior to Nessman's arrival, single-digit season win totals were the norm. In each of the last three seasons, the Spartans notched at least 13 wins.

The 2009-10 team was the university's best playing at home in years with a 10-4 win-loss record. A seven-game home floor winning streak at The Event Center is the longest since the building opened in 1989 and the longest by a Spartan squad since the 1981 team won 10 in a row on a home court. The 2010 team set school records for most points scored (2,289) and free throw accuracy (72.8 percent) in a season.

The 2008-09 team's five road victories were the most by a Spartan team in eight seasons, part of a 13-17 record and helped San Jose State finish in a sixth place tie in the conference standings - the best WAC finish since 2000.

The 2007-08 team was one of the nation's most improved based on win totals. The Spartans captured the season-opening First Shot Exempt Tournament hosted by Middle Tennessee State. San Jose State picked up road wins against Big Sky Conference champion Portland State and topped cross-county rival Santa Clara for the first time since 2003.

The Spartans were the most successful WAC team in 2007-08 in games decided by four points or less with a 9-4 record. Wins in

The Event Center over Nevada and Utah State were part of San Jose State's first winning record at home since 2000-01. A Western Athletic Conference Tournament victory for the first time since 2002 capped the best San Jose State season in seven years.

His second season, 2006-07, clearly was one with a youth movement in place. With the third youngest team in the country based on previous major college playing experience, Nessman faced one of the nation's most

challenging schedules in 2006-07 according to the in-season Sagarin Ratings. Undaunted, his team doubled its conference win total from his first season at the helm.

Nessman is the first San Jose State men's basketball coach to successfully organize a summer overseas tour. The Spartans spent a week in the United Kingdom, experienced a different culture and won all its August 2007 games against teams from the English and British Basketball Leagues.

The United Kingdom trip is consistent with his philosophy of placing the program in the spotlight. The Spartans played at Duke, Texas Tech and Michigan State with Nessman facing legendary coaches Mike Kryzyewski, Bob Knight and Tom Izzo, respectively.

In his first season, the Spartans ended long road losing streaks both in conference and non-conference action. Home attendance increased by 20 percent. Away from the court, his student-athletes were much more involved in community activities. San Jose State's recruiting focused much more on studentathletes from the Bay Area and Northern California, but still attracted talented newcomers from Southern California and beyond. He became the first Spartan men's basketball coach in 21 years to sign a Bay Area high school senior to a National Letter-of-Intent.

In his first five seasons at San Jose State, his student-athletes earned five Western Athletic Conference All-Academic awards. Guard Adrian Oliver was a 2009-10 first-team All-WAC pick. Center C.J. Webster was named to the 2007-08 WAC All-Newcomer team.

Nessman took over the Spartans' position after one season as an assistant coach and recruiting coordinator at the University of California in 2004-05.

### **Coaching Staff**

Entering his 23rd season as a head coach, his teams at the high school, community college and major college levels have won 407 games, placed first in a league or conference nine times and won a state championship. He is 51-103 at San Jose State.

One of his most significant coaching accomplishments was directing Porterville College to a 33-4 win-loss record, a Central Valley Conference title and the school's first California Community College championship in 2000. Between January 2000 and February 2001, Porterville College

George Nessman's first game as San Jose State's head coach was against Texas Tech University and legendary coach Bob Knight.

won 40 consecutive games covering two seasons – one of the longest winning streaks in the California Community College system's history.

The 2000 California Community College Coach of the Year produced five 20-game winners in nine seasons and a 178-76 win-loss record. Before his arrival, Porterville had four consecutive losing seasons and did not have a plus-.500 winning percentage in 11 years. Nearly 90 percent of the sophomores he coached at Porterville and Bakersfield Colleges continued their college careers at four-year institutions.

In addition to his coaching duties at Porterville, he served the school as its director of athletics from 1995 through 2001 and was the academic advisor for athletics in 2001-02.

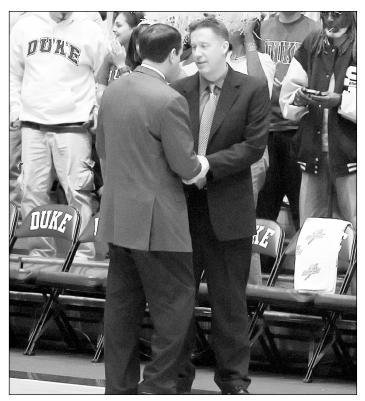

The 1981 University of California graduate started his coaching career at age 22 as the junior varsity and cross country coach at Salesian High School in Richmond, Calif.

After three seasons, he became the boys' varsity basketball assistant coach at Concord, California's De La Salle High School in 1984. Two seasons later, he took over the head coaching position at De La Salle and went on to produce a 155-48 win-loss record, five conference championships, one North Coast Section crown and four appearances in the Northern California Tournament of Champions. Two of his most prominent Spartans were future NBA players Jon and Brent Barry.

The 51-year-old native of Stamford, Conn., has two master's degrees – one in education from San Francisco State University in 1988 and a second in physical education and recreation from Saint Mary's College in 1993. Nessman is the only current coach in the Western Athletic Conference to earn two master's degrees. He and his wife, Nancy, have four children – Joshua, a student at San Jose State; Veronica, a student at the University of California; Peter and John.

"Our main goal for our team is to master our system so the system serves you as a player instead of you serving it. As you do that, the game slows down for you. It becomes easier for you. That's been a big emphasis for our guys. See and understand what you are looking at. That's a big teaching point." – Head coach George Nessman

Duke University coach Mike Krzyzewski greets George Nessman prior to the 2006 meeting between the two teams.

### **Brent Davis** Assistant Coach

**B** rent Davis joined the San Jose State University staff as an assistant coach in May 2005. Davis came to the Spartans after serving as the head coach at Bakersfield College.

He earned his bachelor's degree majoring in social science from San Diego State University. Davis went on to earn a master's degree in physical education from Azusa Pacific University in 2002.

Davis began his coaching career in 1997 as an assistant coach at Redwood High School in Visalia, Calif. After one

season, he moved to San Diego Mesa College where he served as an assistant coach for three seasons.

Davis, born on April 14, 1978, in Tulare, Calif., worked as an assistant coach for George Nessman at Bakersfield College during the 2003 and 2004 seasons before being named head coach.

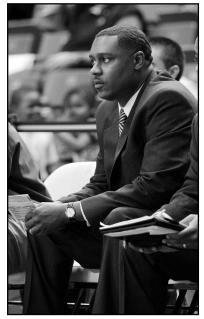

He and his wife, Aimee, live in San Jose. Aimee completed her doctoral program in physical therapy at the University of the Pacific in October 2007.

### Talvin Hester Assistant Coach

alvin Hester joined the San Jose State University men's basketball coaching staff in June 2010 as an assistant coach.

Hester spent five seasons (2006 through 2010) on the Prairie View A&M staff and earned promotions to the position of associate head coach. He helped the Panthers to winning records in 2009 and 2010. Prior to 2009, Prairie View suffered five consecutive losing seasons, failed to win at least 10 games in each of those seasons and did not have back-to-back winning records for a 50-year span.

The Panthers emerged as one of the top defensive teams in the Southwest Athletic Conference (SWAC) and in the country. In 2010, Prairie View ranked in the top-15 nationally in field goal percentage defense (14th ) and three-point field goal percentage defense (11th ) last season.

Hester broke into coaching in 2002 at North Lake College in Irving, Texas. His wide-ranging coaching resume includes stops with the Texas Rim Rockers of the United States Basketball League as an assistant coaching intern and the Dallas Mustangs AAU team for one season. He was an assistant coach at Texas College in Tyler, Texas for the 2005 season before going to Prairie View A&M.

A 2003 Texas Wesleyan University graduate, he majored in interdisciplinary studies. Hester played his college basketball at Dallas Christian College.

# Western Athletic Conference

In its 48th year, the Western Athletic Conference continues to evolve and features some of the nation's best intercollegiate competition. One thing that remains unchanged is the persistent nature of the schools in the WAC to advance their programs to contend at the top levels of the NCAA.

The WAC provides its student-athletes the chance to travel to scenic destinations and gain exposure in some of the nation's most diverse markets. In addition, the WAC's student-athletes work to achieve the highest levels of success with the academic support of their respective institutions.

The WAC has experienced tremendous success. Since 2001, the WAC has sent 31 teams to bowl games. Hawai'i, in 2008, earning a Sugar Bowl bid followed Boise State's unforgettable 2007 Fiesta Bowl victory as WAC representatives in BCS games.

The WAC has sent at least two teams to the NCAA Men's Basketball Tournament in 24 of the past 27 seasons. Every current WAC school has competed in the NCAA Tournament since 1990. In baseball, the WAC boasts two national champions in the past seven years.

In 2001, the WAC partnered with ESPN for coverage of football and basketball. An extension was signed in 2008 that guarantees over 300 regular season WAC contests and 45 championship events will be aired on the ESPN networks through 2017. The WAC officially added WAC.tv in 2006 to give fans streaming internet access to many of its postseason championships.

The WAC is the sixth oldest among the nation's 11 Division I-A conferences. Its history traces back to July 27, 1962, when the original six-team league of Arizona, Arizona State, Brigham Young, New Mexico, Utah and Wyoming began competition.

Karl Benson WAC Commissioner

WESTERN ATHLETIC CONFERENCE

The first championship was held in November 1962, when Arizona won in men's cross country and New Mexico followed with the first WAC football title. Arizona State claimed the league's first NCAA title when the Sun Devils won the College World Series. Fresno State was the last WAC school to earn an NCAA team title when it won the College World Series in 2008.

Since 1962, changes have occurred. UTEP and Colorado State became members in September 1967. Arizona and Arizona State withdrew on June 30, 1978. The WAC then added San Diego State (1978), Hawai'i (1979) and Air Force (1980). Before 1990, the WAC sponsored championships only in men's sports. However, a merger with the High Country Athletic Conference formed a single conference under one administrative structure, and the 1990-91 athletic year was the first in which both men and women competed under the WAC name.

Fresno State was added in 1992, and then in 1996, the women's programs from Air Force and Hawai'i along with six new schools (UNLV, Rice, San Jose State, SMU, TCU and Tulsa) came into the WAC. Air Force, Brigham Young, Colorado State, UNLV, New Mexico, San Diego State, Utah and Wyoming withdrew on June 30, 1999. Nevada (2000),

Boise State (2001) and Louisiana Tech (2001) were added. TCU withdrew following the 2000-01 season. The current membership was established on July 1, 2005, when Idaho, New Mexico State and Utah State joined the WAC after Rice, SMU, UTEP and Tulsa withdrew.

Presently, the WAC crowns team and individual champions in 19 sports – eight men's and 11 women's. For the men, there are championships in baseball, basketball, cross country, football, golf, tennis, indoor track and field and outdoor track and field. Championships for women are held in basketball, cross country, golf, gymnastics, soccer, softball, swimming and diving, tennis, indoor track and field, outdoor track and field and volleyball. In the 2009-10 academic year, San Jose State won WAC championships in women's soccer and women's golf.

# **City of San Jose**

The skyline of downtown San Jose

Situated at the hub of Silicon Valley is San Jose – the third largest city in California and the 10th largest in the nation. San Jose, strategically located at the sunny, southern tip of the San Francisco Bay, is surrounded by rolling hills and striking mountains. San Jose's vibrant and growing downtown is the setting for San Jose State University and the focus for important financial, commercial and arts communities.

" San Jose is a confident and exciting city, full of optimism and opportunity. We treasure our past. We embrace our diversity. We nurture our future, in our children and through stewardship of our resources. People are proud to live here. Our city is committed to sustaining and improving the quality of life in every neighborhood, for every resident, now and in the future." – www.sanjoseca.gov

San Jose offers a neighborhood feel in a metropolitan environment.

Regional growth and stability are complemented by an active cultural life. San Jose is the home of the Silicon Valley High Technology the Children's and Discovery museums, the San Jose Museum of Art, San Jose Symphony, the Jose-Cleveland San Ballet, numerous galleries and arts centers, Opera San Jose, the Mystery Winchester House and other respected professional

Light rail and historic trolley lines, the 18,000-seat HP Pavilion at San Jose, convention facilities, shops and a diverse night scene add to the excitement. Reflecting the cultural richness of the community is a wide range of restaurants.

A reason the South Bay has grown so dramatically is its quality of life. The mild climate encourages an active and casual lifestyle. There are more than 100,000

 International airports – San Jose, San Francisco and Oakland

mer temperature of 74 degrees, San Jose symbolizes the best California has to offer. The region's 1.6-million residents enjoy recreational and entertainment opportunities year-round. Within a short drive are San Francisco, beaches from Santa Cruz to Carmel, the California coastal redwoods, Lake Tahoe and Yosemite National Park.

Since 1997, San Jose State University was the host school for three NCAA Division I Men's Basketball Championship events at the 18,200-seat HP Pavilion in downtown San Jose.

#### San Jose State University

an José State provides a comprehensive university education, granting bachelor's and master's degrees in 134 areas of study. From its beginnings as a normal school to train teachers for the developing frontier, SJSU has matured into a metropolitan university. Quality teaching and small classes are a priority at SJSU, where tenured professors teach introductory as well as advanced courses. One of the 200 top research

universities in the nation, SJSU offers rigorous course work and research opportunities to more than 30,000 undergraduate and graduate students in eight colleges.

Located in the heart of the Silicon Valley, this university has aided the development of the computer industry and the resulting technological advances in our nation by providing the largest source of engineering, science and business graduates to Silicon Valley companies.

Graduating about 7,000 students annually, San Jose State University also provides the professional infrastructure for the region – from teachers to social workers to artists to law enforcement officers to nurses. The terms, 'leaders and professionals,' describe not just the types of graduates who earn their degrees at San Jose State, but also the roles they assume in their communities and in their fields of endeavor.

One strength of the academic program is the broad general education curriculum that brings common elements -- critical thinking, writing and communication skills, and cultural pluralism -- to diverse studies. Academic strength also is seen in the university's nationally-recognized programs.

In each discipline, quality teaching remains a priority. Tenured faculty teach introductory as well as advanced courses with an emphasis on small classes. Learning facilities include computer-equipped classrooms, the Western world's only undergraduate nuclear science facility and North America's largest Beethoven Center. Focusing on applied research, faculty receive a growing number of contracts and grants each year. From Moss Landing Marine Research Laboratory to the NASA Ames Research Center, faculty are exploring everything from the depths of the ocean to the surface of Mars.

San Jose State University also finds strength in its diversity. For first-generation students, it is a gateway to economic independence and social mobility. It is also an incubator of cultural and intellectual development and an opportunity for lifelong learning. Students range in age from first-time freshmen to college transfers to professionals seeking additional education. Student demographics – with ethnic pluralism – provide the benefits of multiple cultures and diverse student interests and activities.

#### Don W. Kassing Interim President

on W. Kassing, who retired as San Jose State University President in 2008, graciously agreed to return on an interim basis for 2010-2011. During his term, the California State University chancellor will conduct a national search for a permanent replacement.

As president from 2005 to 2008, Kassing moved the university forward in several key areas. The campus engaged in a university-wide strategic planning process, and made great strides in private fundraising with \$35 million in gifts leading to the naming of the Donald and Sally Lucas Graduate School of Business, the Charles W. Davidson College of Engineering and the Connie L. Lurie College of Education. He also appointed Athletics Director Tom Bowen.

As president and vice president for administration and finance, Kassing led the development of two campus landmarks: the award-winning Dr. Martin Luther King, Jr. Library, based on a unique and highly successful partnership with the city of San José, and Campus Village, a state-of-the-art residential complex for students, faculty and staff that is among the largest such CSU projects, and the focus of a renewed sense of community on campus.

Kassing's 18 years of experience in higher education includes vice president for university relations and administrative services at Murray State University in Kentucky and vice president for development and public affairs at Western State College in Colorado. At Belleville Area College in Illinois from 1975 to 1986, Kassing taught management and marketing and served as department chair. He was also president of the Granite City campus for two years.

In addition to his career in higher education, Kassing worked for 11 years in private industry, including eight years in corporate finance and operations management for Brown Group Inc. and three years with General Motors Corporation.

Active in the community and region, Kassing served on the following boards:

- \* San José Sports Authority
- \* United Way Silicon Valley
- \* San Jose Chamber of Commerce
- \* Silicon Valley Leadership Group
- \* Joint Venture Silicon Valley
- \* Silicon Valley Higher Education Roundtable
- \* Western Athletic Conference

#### The Campus Village

In the fall of 2005, San Jose State University opened the doors of Campus Village to more than 2,279 students, faculty and staff. Positioned on Tenth Street between San Carlos and San Salvador on the southeast corner of the main campus, the Campus Village will be a gateway to incredible academic resources and campus activities, the excitement of downtown San Jose, the opportunities of Silicon Valley, and some of the world's greatest recreational areas.

The Campus Village will include three buildings featuring apartment and suite-style living accommodations and a typical college dormitory experience. Campus Village will include recreational and study areas, a full-service computer

lab, wireless internet access, an interactive gaming center, laundry facilities, meeting rooms, retail stores and underground parking for 700 vehicles.

The Campus Village anchors the southeast corner of the university's skyline.

Fully equipped nearby recreational facilities offer residents space to work out, swim, play basketball, volleyball, ping-pong or pool.

Hassle-free access to the main campus is another asset to the Campus Village. Walking to the Student Union or to The Event Center, home for the San Jose State University men's and women's basketball and women's volleyball teams, will be five minutes or less. Residents also can walk or bicycle to the Dr. Martin Luther King Jr. Library without crossing any streets.

#### The Dr.Martin Luther King, Jr., Library

The Dr. Martin Luther King, Jr., Library, located on the main campus of San Jose State University opened in August 2003. A first-of-its-kind collaboration between a city and a university, the \$177-million, 475,000 squarefoot library provides a center for life-long learning. Students, faculty and the community have access to the information they will need for educational and personal growth throughout their lives.

The 10-floor library features:

#### **The Event Center**

The Event Center, located in the heart of the San Jose State University campus on the corner of Seventh and San Carlos streets, is the home of the Spartan basketball teams.

The \$36-million facility is comprised of The Event Center and an Aquatics Center. Students, faculty and staff members, alumni and the surrounding communities use the facility.

Groundbreaking occurred October 1, 1986. The Aquatics Center opened in May, 1988. Originally named the Recreation and Events Center, The Event Center opened in May, 1989. The first intercollegiate athletic contests in The Event Center were the Spartan basketball season openers on November 24, 1989.

The arena can seat 5,000 for athletics events and 5,600 for concerts. The arena is large enough to attract major performing artists, yet small enough to provide a personal experience for everyone. In December 2003, The Event Center playing surface was renamed Walt McPherson Court in honor of San Jose State University's most successful men's basketball coach. New locker facilities also were part of a comprehensive SJSU Athletics capital campaign project. In 17 seasons under McPherson from 1941 through 1960, the Spartans won 264 games, won three conference championships, played twice in the NAIA Tournament and made the school's first NCAA Tournament appearance in 1951.

om Bowen was named San Jose State University's director of intercollegiate athletics on December 20, 2004. Under his leadership, San Jose State is a viable Division I-A intercollegiate athletics program with proven athletics and academic successes and financial advancements to his credit.

#### "CULTURE OF CHAMPIONS"

At the core of Bowen's mission for San Jose State University athlet-

ics is building a "Culture of Champions" academically, athletically and in the community. To reach that end, the Notre Dame alum has instilled a greater sense of purpose, commitment and execution from student-athletes, coaches, staff, alumni and friends. He has invested resources both in external and internal operations; enhanced the department's internet and social media presence; and expanded marketing, promotions and advertising opportunities locally, regionally and nationally through the creation of Spartan Sports Properties.

Tom Bowen and head coach George Nessman prior to the 2006 game at Duke University.

Bowen has led the Spartan Foundation - the department's fund-raising component - through consistently challenging and uncertain economic conditions to unprecedented fiscal heights at the university. The Spartans have produced annual budget surpluses four straight years under his direction and have re-invested their gains back into their student-athletes and teams.

An integral member of the University's presidential staff, he has created and implemented short and long-term revenue streams for intercollegiate athletics and other campus extra-curricular activities. His initiatives and leadership foster energy universi-

ty-wide. Athletics' increased visibility has coincided with major and significant donations coming to the University.

Since taking over, San Jose State has more football wins in the latest four-year period than any similar span since 1990-93. The 2006 through 2008 Spartans are the first three Spartan teams to post consecutive .500 or better records in the Western Athletic Conference football standings. The 2006 Spartans capped their finest season in many years, posting a 9-4 overall record and capturing the New Mexico Bowl championship.

Recent athletics accomplishments add to his Culture of Champions. Women's soccer, women's golf and baseball are the latest teams to win a Western Athletic Conference championship. Women's water polo is a consistent top-10 national program. Women's swimming finished 2008-09 with the longest dual meet winning streak in Division I. Women's gymnastics is entrenched as a NCAA Regional Championship qualifying team. Men's basketball, men's soccer and men's golf have produced measurable gains, particularly in conference competition.

Spartans have earned All-America honors in football, women's golf, baseball and women's water polo. San Jose State had its first women's gymnastics individual NCAA Regional champion in 2009. Twelve student-athletes were honored nationally and more than 100 at the conference level for academic achievements in 2009-10.

Bowen's vision for student-athlete success and excellence led to the creation of a Student Success Services component. Academic Progress Rate (APR) scores, as measured by the NCAA, have risen steadily and strikingly under his watch and were at a then university-best in 2009 and were surpassed in the 2010 report.

He has appointed new head coaches in football, men's basketball, women's basketball, men's golf, women's golf, women's swimming and diving, softball, women's softball, women's cross country and women's volleyball. Since 2005, coaches in women's soccer, baseball, women's golf, water polo and softball have received conference Coach of the Year recognition.

In 2008, San Jose State was named as one of 12 Division I universities cited for Overall Excellence in Diversity in the most recent national study by Texas A&M University on behalf of the NCAA.

## **Student-Athlete Success**

oday's Spartan student-athlete has more opportunities to succeed academically than ever before. Located in the Simpkins Stadium Center, the Scott Gadway Academic Center was dedicated in January 2003. Here, student-athletes have a place to study, work with tutors, utilize computers, seek academic advice and achieve their academic goals.

The Scott Gadway Academic Center is a gift from alums Stan and Marilyn Gadway, to honor their late son, Scott, a 1991 San Jose State graduate who majored in aeronautics. He died in a 1996 skydiving accident.

The facility's spirit is echoed at its entrance:

"May all students who use this room share Scott's love and lust for life and his desire to be the very best that one could be in every pursuit."

### The Koret Athletic Training Center

The Koret Athletic Training Center, opened in November 2001, is a state-of-the-art facility that encompasses over 10,000 square-feet of training space and is located adjacent to Spartan Stadium, the athletic locker rooms and the football practice field.

The Koret Athletic Training Center also contains a 1,000-square-foot rehabilitation and training room that services physical therapy and sports-specific rehabilitation. The facility enables the sports medicine staff of athletic trainers, doctors, and physical therapists to provide the best possible care to help prevent and rehabilitate injuries.

### "Our Philosophy"

• We teach a hands-on approach where the studentathlete is expected to develop a comprehensive understanding of not only the How's, but also the Why's of our program.

• We teach correct movement patterns to optimize efficiency and performance.

• Our program design is centered on ground-based, free weight, multi-joint movements that will transfer to the playing field and keep our student-athletes out of our sports medicine facility.

• Our primary concern is the development of speed in all our sports.

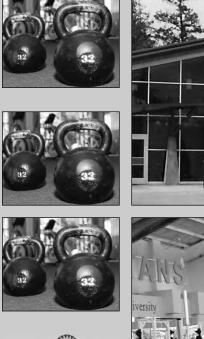

• We develop speed and flexibility through strength.

• Our speed program consists of functional and straight-line speed training. Functional means acceleration, deceleration and change-of-direction work.

• We train through an entire range-of-motion in all lifts to enhance active flexibility, develop strength to prevent injury, and unlock joints with mobility issues.

• Olympic-based movements are utilized for speed of movement, active flexibility and dynamic stability.

• Squats and deadlifts have a permanent home in our program for developing hip strength and back stability. Single-leg variations are used to fix strength imbalance and lateral deficits.

KORET ATHLETIC TRAINING CENTER

"The Koret Athletic Training Center is one of the 'crown jewels' of the San Jose State University athletics program. The sheer size of the facility stops you in your tracks. We have everything a strength and conditioning program could conceivably need at our fingertips. Our student-athletes and coaches are truly blessed to have such a beautiful facility." – Chris Holder, San Jose State director of strength & conditioning
