WOLVERINE™

SMALL, BUT MIGHTY

Same features of New Way's best-selling Sidewinder XTR™, in a smaller package.

NEW FOR 2022: **WOLVERINE™ BY NEW WAY**

The New Way® Wolverine™ is the latest innovation from New Way Trucks and joins the largest and most diverse family of refuse equipment in the solid waste industry. The Wolverine has all the great features of its big brother the New Way Sidewinder™, just in a smaller package.

- ✓ Class 6 automated side loader
- ✓ Available in under CDL packages: easier to find and train new drivers
- ✓ Ideal for parks, resorts, campuses and weight-restricted routes
- ✓ 10, 12 and 14 cubic yard models available
