STATEMENT OF RESPONSIBILITY

To the Ratepayers of the Town of Blaine Lake:

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements in accordance with Canadian public sector accounting standards (PSAS). The preparation of the statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management are required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting, budget, and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the consolidated financial statements.

The Council is composed of elected officials who are not employees of the Town. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfills these responsibilities by reviewing the financial information prepared by administration and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the Town's external auditors.

Sensus Chartered Professional Accountants Ltd., an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and administration to discuss their audit findings.

INDEPENDENT AUDITOR'S REPORT

To the Mayor and Council of: Town of Blaine Lake Blaine Lake, Saskatchewan

Qualified Opinion

We have audited the accompanying consolidated financial statements of the Town of Blaine Lake, which comprise the consolidated statement of financial position as at December 31, 2020 and the consolidated statement of operations, consolidated statement of changes in net financial assets and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements including a summary of significant accounting policies.

In our opinion, except for the matters described in the Basis for Qualified Opinion paragraph, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Town of Blaine Lake as at December 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

Prior to 2019, the Town of Blaine Lake did not maintain detailed records of individual tangible capital assets that make up the balance capitalized in these consolidated financial statements. We were, therefore, unable to obtain assurance over the tangible capital asset and amortization expense balances for the year ended December 31, 2020, as well as the comparative tangible capital asset and amortization expense balances for the year ended December 31, 2019. The effects of this departure, if any, from Canadian public sector accounting standards on the consolidated financial statements for the year ended December 31, 2020, have not been determined, as there is insufficient information available to do so.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Town of Blaine Lake in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Town of Blaine Lake's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town of Blaine Lake or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town of Blaine Lake's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian auditing standards, we exercise our professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Town of Blaine Lake's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town of Blaine Lake's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Town of Blaine Lake to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the Town are prepared by management in accordance with Canadian public sector accounting standards (PSAS) as recommended by the Chartered Professional Accountants of Canada (CPA Canada). Significant aspects of the accounting policies are as follows:

Basis of Accounting

The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting recognizes revenue as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods and services and the creation of a legal obligation to pay.

Reporting Entity

The financial statements consolidate the assets, liabilities, and flow of resources of the Town. The entity is comprised of all of the organizations that are owned or controlled by the Town and are, therefore, accountable to Council for the administration of their financial affairs and resources. Entities included in these financial statements are as follows:

16 to 43 Waste Management Corporation - 20%

All inter-organizational transactions and balances have been eliminated.

Collection of Funds for Other Authorities

Collection of funds by the Town for the school board, municipal hail, and conservation and development authorities are collected and remitted in accordance with relevant legislation. The amounts collected are disclosed in Note 3.

Government Transfers

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return. Government transfers are recognized as revenue in the period that the events giving rise to the transfer occur, providing:

- a) the transfers are authorized
- b) any eligibility criteria have been met; and
- c) reasonable estimates of the amounts can be made.

Unearned government transfer amounts received will be recorded as deferred revenue. Earned government transfer amounts not received will be recorded as an amount receivable.

Deferred Revenue and Deposits

Certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred or services performed.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Local Improvement Charges

Local improvement projects financed by frontage taxes recognize any prepayment charges as revenue in the period assessed.

Net-Financial Assets

Net-financial assets at the end of the accounting period are the net amount of financial assets less liabilities outstanding. Financial assets represent items such as cash and those other assets on hand which could provide resources to discharge existing liabilities or finance future operations. These include realizable assets which are convertible to cash and not intended for consumption in the normal course of operations.

Non-Financial Assets

Tangible capital and other non-financial assets are accounted for as assets by the government because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the government unless they are sold.

Appropriated Reserves

Reserves are established at the discretion of Council to designate surplus for future operating and capital transactions. Amounts so designated are described on Schedule 8.

Property Tax Revenue

Property tax revenue is based on assessments determined in accordance with Saskatchewan Legislation and the formulas, principles, and rules in the Saskatchewan Assessment Manual. Tax mill rates are established annually by council following the guidance of the Government of Saskatchewan. Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred. Requisitions operate as a flow through and are excluded from municipal revenue.

Portfolio Investments

Portfolio investments are valued at the lower of cost and market value, less any provisions for other than temporary impairment. The long-term investments in the Saskatchewan Rural Municipalities - Self-Insurance Fund are accounted for on the equity basis.

Inventories

Inventories of materials and supplies expected to be used by the Town are valued at the lower of cost or replacement cost. Inventories of land, materials and supplies held for resale are valued at the lower of cost or net realizable value. Cost is based on the actual cost of inventory. Net realizable value is the estimated selling price in the ordinary course of business.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tangible Capital Assets

All tangible capital asset acquisitions or betterment made throughout the year are recorded at their acquisition cost. Initial costs for tangible capital assets that were acquired prior to 2009 were obtained via historical cost information or using current fair market values discounted by a relevant inflation factor back to the point of acquisition. Donated tangible capital assets received are recorded at their fair market value at the date of contribution. The tangible capital assets that are recognized at a nominal value are disclosed on Schedule 6. The costs of these tangible capital assets less any residual value are amortized over the asset's useful life using the straight-line method of amortization. The Town's tangible capital asset useful lives are estimated as follows:

| Asset | <u>Useful Life</u> |
|-------------------------|--------------------|
| General Assets | |
| Land | Indefinite |
| Land improvements | 5 to 20 years |
| Buildings | 10 to 50 years |
| Vehicles and equipment | , |
| Vehicles | 5 to 10 years |
| Machinery and equipment | 5 to 10 years |
| Infrastructure Assets | |
| Infrastructure assets | 30 to 75 years |
| Water & sewer | 65 years |
| Road network assets | 35 years |

Government Contributions

Government contributions for the acquisition of capital assets are reported as capital revenue and do not reduce the cost of the related asset.

Works of Art and Other Unrecognized Assets

Assets that have a historical or cultural significance, which include works of art, monuments and other cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of future benefits associated with this property cannot be made.

Capitalization of Interest

The Town does not capitalize interest incurred while a tangible capital asset is under construction.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

All leases are recorded on the consolidated financial statement as either a capital or operating lease. Any lease that transfers the majority of benefits and risk associated with the leased asset is classified as a capital lease. At the inception of a capital lease, an asset and a payment obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the asset's fair market value. Assets under capital leases are amortized on a straight-line basis, over their estimated useful lives (lease term). Any other lease not meeting the before mentioned criteria is classified as an operating lease and rental payments are expensed as incurred.

Landfill Liability

The Town of Blaine Lake does not maintain a waste disposal site. Currently the Town of Blaine Lake uses 16 to 43 Waste Management Corporation for waste collection. 16 to 43 Waste Management Corporation has been able to estimate closure and post-closure costs; please see Note 10.

Trust Funds

Funds held in trust for others, under a trust agreement or statute, are not included in the consolidated financial statements as they are not controlled by the Town. Trust fund activities administered by the Town are disclosed in Note 11.

Employee Benefit Plans

Contributions to the Town's defined benefit plan are expensed when contributions are made. Under the defined benefit multi-employer plan, the Town's obligations are limited to their contributions.

Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met:

- a) an environmental standard exists:
- b) contamination exceeds the environmental standard;
- c) The Town:
 - i. is directly responsible; or
 - ii. accepts responsibility;
- d) it is expected that future economic benefits will be given up; and
- e) a reasonable estimate of the amount can be made.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Measurement Uncertainty

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenditures during the period. Accounts receivable are stated after evaluation as to their collectibility and an appropriate allowance for doubtful accounts is provided where considered necessary.

The measurement of materials and supplies are based on estimates of volume and quality. The 'Opening Asset costs' of tangible capital assets have been estimated where actual costs were not available. Amortization is based on the estimated useful lives of tangible capital assets.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the periods in which they become known.

Basis of Segmentation/Segment Report

The Town has adopted the new Public Sector Accounting Board's recommendations requiring financial information to be provided on a segmented basis. Municipal services have been segmented by grouping activities that have similar service objectives (by function). Revenues that are directly attributable to the costs of the function have been attributed to each segment. Interest is allocated to functions based on the purpose of specific borrowings.

The segments (functions) are as follows:

General government: Provides administration of the Town.

Protective services: Is comprised of expenses for police and fire protection.

Transportation services: Is responsible for the delivery of public works services related to the development and maintenance of roadway systems and street lighting.

Environmental and public health: Environmental segment provides waste disposal and other environmental services and the public health segment provides for expenses related to public health services in the Town.

Planning and development: Provides for neighbourhood development and sustainability.

Recreation and culture: Provides for community services through provision of recreation and leisure services.

Utility: Provides for delivery of water, collecting and treating of wastewater and providing collection and disposal of solid waste.

Budget Information

Budget information is presented on a basis consistent with that used for the actual results. The budget was approved by Council on May 12, 2020.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

New Standards and Amendments to Standards

Effective for Fiscal Years Beginning On or After April 1, 2022:

PS 1201 Financial Statement Presentation, replaces PS 1200 with revised general reporting principles and standards of presentation and disclosure in government financial statements. Requires a new statement of re-measurement gains and losses separate from the statement of operations arising from the re-measurement of financial instruments and items denominated in foreign currencies, as well as the government's proportionate share of other comprehensive income that arises when a government includes the results of government business enterprises and partnerships. Effective in the period PS 3450 and PS 2601 are adopted.

PS 2601 Foreign Currency Translation, replaces PS 2600 with revised guidance on the recognition, presentation and disclosure of transactions that are denominated in a foreign currency. Requires that monetary assets and liabilities denominated in a foreign currency and non-monetary items included in the fair value category, denominated in a foreign currency, be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses are to be presented in the statement of re-measurement gains and losses.

PS 3041 Portfolio Investments, replaces PS 3040 with revised guidance on accounting for, and presentation and disclosure of, portfolio investments. Removes the distinction between temporary and portfolio investments. Upon adoption of PS 3450 and PS 3041, PS 3030, Temporary Investments, will no longer apply. Effective in the period PS 3450, PS 2601, and PS 1201 are adopted.

PS 3450 Financial Instruments, a new standard establishing guidance on the recognition, measurement, presentation and disclosure of financial instruments, including derivatives. This standard requires fair value measurement of derivatives and equity instruments that are quoted in an active market; all other financial instruments can be measured at cost/amortized cost or fair value at the election of the government. Unrealized gains and losses are presented in a new statement of remeasurement gains and losses. There is the requirement to disclose the nature and extent of risks arising from financial instruments and clarification is given for the de-recognition of financial liabilities.

PS 3280 Asset Retirement Obligations, a new standard establishing guidance on the accounting and reporting of legal obligations associated with the retirement of tangible capital assets controlled by a government or a government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. As this standard includes solid waste landfill sites active and post-closing obligations, upon adoption of this new standard, existing Solid Waste Landfill Closure and Post-Closure Liability section PS 3270 will be withdrawn.

Effective On or After April 1, 2023:

PS 3400 Revenue, a new standard establishing guidance on how to account for and report on revenue. The standard provides a framework for recognizing, measuring, and reporting revenues that arise from transactions that include the performance obligations and transactions that do not have performance obligations. Performance obligations are enforceable promises to provide specific goods or services to a specific payer.

The extent of the impact on adoption of these future standards is not known at this time.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

2. CASH AND TEMPORARY INVESTMENTS

Cash and temporary investments are comprised of the following:

| | 2020 | 2019 |
|-------------------------------|---------------------------|--------------------------|
| Cash Temporary investments | \$ 62,985 2,153,530 | \$ 136,071 499,207 |
| | \$ 2,216,515 | \$ 635,278 |

Cash and temporary investments include balances with banks and guaranteed investment certificates (GIC's). Temporary investments represent investments in GIC's held at Affinity Credit Union Ltd. which earn interest at 0.5% - 2.0% (2019 - 1.0% - 2.5%) and have maturity dates ranging from March 2021 to April 2022.

| \$ 35,397 | \$ 35,459 |

6. BANK INDEBTEDNESS

The Town has consolidated in \$2,904 of bank indebtedness for the year (2019 - \$23,238) from 16 to 43 Waste Management Corporation. In the current year, the Town also has \$31,254 (2019 - \$NIL) in bank indebtedness with Affinity Credit Union Ltd. which is result of the timing of outstanding transactions on the bank reconciliation as the Town does not have an authorized overdraft limit.

7. DEFERRED REVENUE

| Maria de Français Fabracian de Proposition (NI-4-40) |
|--|
| Municipal Economic Enhancement Program (Note 12) |

|---------|----------------|-----------------------------|---|
| \$ | 2020 71,720 | \$ 2019 | |

8. PENSION PLAN

The Town is an employer member of the Municipal Employee Pension Plan (MEPP), which is a multiemployer defined benefit pension plan. The Commission of MEPP, representing plan member employers, is responsible for overseeing the management of the pension plan, including investment of assets and administration benefits. The Town's pension expense in 2020 was \$20,066 (2019 - \$14,890). The benefits accrued to the Town's employees from MEPP are calculated using the following: Pensionable Years of Service, Highest Average Salary, and the plan accrual rate. The costs of the retirement plan are not allocated to the individual entities within the related group. As a result, individual entities within the related group are not able to identify their share of the underlying assets and liabilities. Therefore, the plan is accounted for as a defined contribution plan in accordance with the requirements of the Chartered Professional Accountants of Canada Handbook Section PS3250.

For the year ended December 31, 2020

9. LONG-TERM DEBT

The debt limit of the Town is \$1,002,149. The debt limit for a Town is the total amount of the Town's own source revenues for the preceding year (the *Municipalities Act* Section 161(1)).

| The Municipal Financina Comparation of Spekatahawan appuits | 2020 | 2019 | |

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

2040

2020

10. ACCRUED LANDFILL COSTS

| | | 2020 | 2019 |
|---------------------------|----|--------|------|
| Environmental liabilities | \$ | 86,849 | \$ |
| | | | |

In 2020, the Town has accrued an overall liability for environmental matters in the amount of \$86,849 (2019 - \$NIL) which represents 16 to 43 Waste Management Corporation management's best estimate of this liability. By their nature, these estimates are subject to measurement uncertainty and the effect on the consolidated financial statements of changes in such estimates in future periods could be significant.

Included in environmental liabilities is \$86,849 (2019 - \$NIL) of the estimated total landfill closure and post-closure care expenses. The estimated liability for these expenses is recognized as the landfill site's capacity is used. Estimated total expenses represent the sum of discounted future cash flows for closure and post-closure care activities discounted at 16 to 43 Waste Management Corporation's expected inflation rate of 2%.

Landfill closure and post-closure care requirements have been defined in accordance with the Environmental Act and include final covering and landscaping of the landfill, pumping of ground, methane gas and leachate management, and ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions with respect to events extending over a 15-year period using the best information available to management. Future events may result in significant changes to the estimated total expense, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

11. TRUSTS ADMINISTERED BY THE TOWN

A summary of trust fund activity by the Town during the year is as follows:

| | | 20 | 20 | | | | 2019 |
|---|-------------------------|---------------------|------------------------------|----|--------|-----------|----------------|
| | aine Lake inic Trust | Centennial Trust | Blaine Lake Library Trust | | Total | | Total |

| REVENUES | | | | | | | |
| EXPENDITURES Distribution to beneficiaries | | | | _ | | _ | 4,000 4,000 |
| BALANCE, END OF YEAR | \$ 27,356 | 8,916 | 4,310 | \$ | 40,582 | <u>\$</u> | 40,582 |

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

12. PRIOR YEAR'S FIGURES

The prior year's figures have been restated as it was identified a prior year accounts payable for dust control paid was not properly recorded. In addition, there was an adjustment to long-term debt of 16 to 43 Waste Management Corporation. The effect of these adjustments is a decrease to accumulated surplus as follows:

| Opening fund holonogy | 2020 | 2019 |
|---|------------------|--------------|
| Opening fund balance: Accumulated surplus | \$ 10,529,062 | \$10,478,587 |
| Adjustments: 16 to 43 Waste Management Corporation long-term debt | | (11,000) |
| Opening accumulated surplus, restated | 10,529,062 | 10,467,587 |
| Annual surplus, previously stated | 843,083 | 77,926 |
| Adjustments: Accounts payable | | (16,451) |
| Annual surplus, restated | 843,083 | 61,475 |
| Accumulated surplus, end of year | \$ 11,372,145 | \$10,529,062 |

13. GOVERNMENT ASSISTANCE

In response to the pandemic, the Provincial and Federal governments have provided funds to municipalities in order to stimulate economic recovery and enhance infection protection and control measures in their operations. Through the Municipal Economic Enhancement Program (MEEP), the Town received funds of \$71,720 which was approved to be spent on office renewal and repair, and an electronic message centre for the Town of Blaine Lake sign. Both projects are expected to be started and completed in 2021. As these projects have not been started as of December 31, 2020, the entire \$71,720 has been deferred to 2021. In addition, the Safe Restart Program provided \$29,767 in unconditional funding to the Town.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

14. COMMITMENTS

The Town has committed to a Town office renewal project with total anticipated project costs of \$60,000 as well as installation of an electronic message centre at the Town of Blaine Lake sign with total anticipated project costs of \$11,720. Both of these projects were approved with the Municipal Economic Enhancement Program (MEEP) contributing \$71,720 from the Provincial government. As of the year-end date, these projects have not been started, and the MEEP funding for the projects has been deferred to 2021.

The Town has also committed to the building of a new water treatment plant with revised anticipated project costs of \$4.5 million. This project was approved with the New Building Canada Fund - Provincial-Territorial Infrastructure Component, with the Federal and Provincial government each providing one-third of the total cost up to \$1,858,333. As of the year-end date, \$1,415,018 has been spent on this project and capitalized as an asset under construction, and this project is expected to be completed in 2021.

15. OTHER MATTERS

On March 11, 2020, the World Health Organization declared the COVID-19 outbreak a worldwide pandemic. Subsequently, on March 18, 2020, the Province of Saskatchewan declared a province-wide state of emergency to help reduce the spread of COVID-19. The Town has not suffered any significant disruptions throughout the year as a result from the outbreak.

While the disruption is currently expected to be temporary, there is considerable uncertainty about the duration of this disruption. As a result, the related financial impact and duration cannot be reasonably estimated at this time.
