Annual Consolidated Financial Statements

And Supporting Schedules

Village of Canwood

For The Year Ended December 31, 2020

The municipality's management is responsible for the preparation and presentation of the accompanying consolidated financial statements in accordance with Canadian public sector accounting standards (PSAS). The preparation of the statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management is required.

In discharging its responsibilities for the integrity and fair presentation of the consolidated financial statements, management designs and maintains the necessary accounting, budget and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the consolidated financial statements.

The Council is composed of elected officials who are not employees of the municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the municipality's external auditors.

PricewaterhouseCoopers LLP, an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

May 19, 2021

Mayor

Administrator

Independent auditor's report

To the Council of Village of Canwood

Our opinion

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Village of Canwood and its subsidiary (together, the Entity) as at December 31, 2020 and the results of its operations, changes in its net debt, its remeasurement gains and losses and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

What we have audited

The Entity's consolidated financial statements comprise:

- the consolidated statement of financial position as at December 31, 2020;
- the consolidated statement of operations for the year then ended;
- the consolidated statement of change in net financial assets for the year then ended;
- the consolidated statement of cash flow for the year then ended; and
- the notes to the consolidated financial statements, which include significant accounting policies and other explanatory information.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the consolidated financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control

as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Entity to express an opinion on the consolidated financial statements.
 We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes and schedules are an integral part of these statements.

1. Significant Accounting Policies

b)

The consolidated financial statements of the municipality have been prepared by management in accordance with Canadian public sector accounting standards (PSAS) as recommended by the Chartered Professional Accountants of Canada (CPA Canada). Significant aspects of the accounting policies adopted by the municipality are as follows:

Basis of Accounting: The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting requires revenues to be recognized as they become available and measurable and expenses are recognized as they are incurred and measurable as a result of the receipt of goods and services and the creation of a legal obligation to pay.

a) Reporting Entity: The consolidated financial statements consolidate the assets, liabilities and flow of resources of the municipality. The entity is comprised of all of the organizations that are owned or controlled by the municipality and are, therefore, accountable to the Council for the administration of their financial affairs and resources. Entities included in these consolidated financial statements are as follows:

Entity

Highway 55 Waste Management Corporation

All inter-organizational transactions and balances have been eliminated.

- Collection of funds for other authorities: Collection of funds by the municipality for school boards, municipal hail and conservation and development authorities are collected and remitted in accordance with relevant legislation.
- c) Government Transfers: Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return. Government transfers are recognized as revenue in the period that the events giving rise to the transfer occur, providing:
 - a) the transfers are authorized
 - b) any eligibility criteria have been met; and
 - c) reasonable estimates of the amounts can be made.

Unearned government transfer amounts received will be recorded as deferred revenue.

Earned government transfer amounts not received will be recorded as an amount receivable.

- d) Deferred Revenue Fees and charges: Certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred or services performed.
- Local Improvement Charges: Local improvement projects financed by frontage taxes recognize any prepayment charges as
 revenue in the period assessed.
- f) Net Financial Assets: Net Financial Assets at the end of an accounting period are the net amount of financial assets less liabilities outstanding. Financial assets represent items such as cash and those other assets on hand which could provide resources to discharge existing liabilities or finance future operations. These include realizable assets which are convertible to cash and not intended for consumption in the normal course of operations.
- g) Non-financial Assets: Tangible capital and other non-financial assets are accounted for as assets by the government because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the government unless they are sold.
- h) Appropriated Reserves: Reserves are established at the discretion of Council to designate surplus for future operating and capital transactions. Amounts so designated are described on Schedule 8.
- i) Property Tax Revenue: Property tax revenue is based on assessments determined in accordance with Saskatchewan Legislation and the formulas, principles, and rules in the Saskatchewan Assessment Manual. Tax mill rates are established annually by council following the guidance of the Government of Saskatchewan. Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred. Requisitions operate as a flow through and are excluded from municipal revenue.
- j) Investments: Portfolio investments are valued at the lower of cost, less any provisions for other than temporary impairment. Investments with terms longer than one year have been classified as other long-term investments concurrent with the nature of the investment. The long term investments in the Saskatchewan Association of Rural Municipalities - Self insurance fund are accounted for on the equity basis.

1. Significant Accounting Policies - continued

- k) Inventories: Inventories of materials and supplies expected to be used by the municipality are valued at the lower of cost or replacement cost. Inventories of land, materials and supplies held for resale are valued at the lower of cost or net realizable value. Cost is determined by the average cost method. Net realizable value is the estimated selling price in the ordinary course of business.
- 1) Tangible Capital Assets: All tangible capital asset acquisitions or betterments made throughout the year are recorded at their acquisition cost. Initial costs for tangible capital assets that were acquired and developed prior to 2009 were obtained via historical cost information or using current fair market values discounted by a relevant deflation factor back to the point of acquisition. Donated tangible capital assets received are recorded at their fair market value at the date of contribution. The cost of these tangible capital assets less any residual value are amortized over the asset's useful life using the straight-line method of amortization. Tangible capital assets that are recognized at a nominal value are disclosed on Schedule 6. The municipality's tangible capital asset useful lives are estimated as follows:

| <u>Asset</u> | <u>Useful Life</u> |
|-------------------------|--------------------|
| General Assets | |
| Land | Indefinite |
| Land Improvements | 5 to 20 Yrs |
| Buildings | 10 to 50 Yrs |
| Vehicles & Equipment | |
| Vehicles | 5 to 10 Yrs |
| Machinery and Equipment | 5 to 10 Yrs |
| Infrastructure Assets | |
| Infrastructure Assets | 30 to 75 Yrs |
| Water & Sewer | 31 to 75 Yrs |
| Road Network Assets | 32 to 75 Yrs |

Government Contributions: Government contributions for the acquisition of capital assets are reported as capital revenue and do not reduce the cost of the related asset.

Works of Art and Other Unrecognized Assets: Assets that have a historical or cultural significance, which include works of art, monuments and other cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of future benefits associated with this property cannot be made.

Capitalization of Interest: The municipality does not capitalize interest incurred while a tangible capital asset is under construction.

Leases: All leases are recorded on the consolidated financial statements as either a capital or operating lease. Any lease that transfers substantially all of the benefits and risk associated with the leased asset is classified as a capital leases and recorded as tangible capital assets. At the inception of a capital lease, an asset and a payment obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the asset's fair market value. Assets under capital leases are amortized on a straightline basis, over their estimated useful lives of the lease term. Any other lease not meeting the before mentioned criteria is classified as an operating lease and rental payments are expensed as incurred.

m) Landfill Liability:

The municipality maintains a waste disposal site. The annual provision is reported as an expense and the accumulated provision is reported on the Consolidated Statement of Financial Position. Recommended disclosure is provided in Note 10.

- n) Trust Funds: Funds held in trust for others, under a trust agreement or statute, are not included in the consolidated financial statements as they are not controlled by the municipality. Trust fund activities administered by the municipality are disclosed in Note 18.
- Employee Benefit Plans: Contributions to the municipality's defined benefit plans are expensed when contributions are made. Under the defined benefit plan, the municipality's obligations are limited to their contributions.
- p) Liability for Contaminated Sites: Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met:
 - a) an environmental standard exists;
 - b) contamination exceeds the environmental standard;
 - c) the municipality:
 - i. is directly responsible; or
 - ii. accepts responsibility;
 - d) it is expected that future economic benefits will be given up; and
 - e) a reasonable estimate of the amount can be made.

1. Significant Accounting Policies - continued

q) Measurement Uncertainty: The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the period. Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary.

The measurement of materials and supplies are based on estimates of volume and quality.

The 'Opening Asset costs' of tangible capital assets have been estimated where actual costs were not available. Amortization is based on the estimated useful lives of tangible capital assets.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the periods in which they become known.

r) Basis of Segmentation/Segment Report: The municipality follows the Public Sector Accounting Board's recommendations requiring financial information to be provided on a segmented basis. Municipal services have been segmented by grouping activities that have similar service objectives (by function). Revenues that are directly related to the costs of the function have been attributed to each segment. Interest is allocated to functions based on the purpose of specific borrowings.

The segments (functions) are as follows:

General Government: Provides for the administration of the municipality.

Protective Services: Comprised of expenses for Police and Fire protection.

Transportation Services: Responsible for the delivery of public works services related to the development and maintenance of roadway systems and street lighting.

Environmental and Public Health: The environmental segment provides waste disposal and other environmental services. The public health segment provides for expenses related to public health services in the municipality.

Planning and Development: Provides for neighbourhood development and sustainability.

Recreation and Culture: Provides for community services through the provision of recreation and leisure services.

Utility Services: Provides for delivery of water, collecting and treating of wastewater and providing collection and disposal of solid waste

s) Budget Information: Budget information is presented on a basis consistent with that used for actual results. The budget was approved by Council on May 27, 2020.

New Standards and Amendments to Standards:

t) Effective for Fiscal Years Beginning On or After April 1, 2022:

PS 3450 Financial Instruments, a new standard establishing guidance on the recognition, measurement, presentation and disclosure of financial instruments, including derivatives. The standard requires fair value measurement of derivatives and equity instrument that are quoted in an active market; all other financial instruments can be measured at cost/amortized cost or fair value at the election of the government. Unrealized gains and losses are presented in a new statement of remeasurement gains and losses. There is the requirement to disclose the nature and extent of risks arising from financial instruments and clarification is given for the de-recognition of financial liabilities.

$Effective \ for \ Fiscal \ Years \ Beginning \ On \ or \ After \ April \ 1, 2023:$

PS 3400, Revenue, a new standard establishing guidance on how to account for and report on revenue. The standard provides a framework for recognizing, measuring and reporting revenues that arise from transactions that include performance obligations and transactions that do not have performance obligations. Performance obligations are enforceable promises to provide specific goods or services to a specific payer.

The extent of the impact on adoption of these future standards is not known at this time.

2. Cash and Temporary Investments 2020 2019 Cash 194,909 218,362 Temporary Investments Cash - Highway 55 Waste Management Corporation 88,909 99,456 Restricted Cash 126,806 108,522 **Total Cash and Temporary Investments** 410,624 426,340

Notes to the Consolidated Financial Statements

As at December 31, 2020

8. Bank Indebtedness

Credit Arrangements

At December 31, 2020, the Municipality had a line of credit totaling \$100,000 (2019 - \$100,000) at an interest rate of prime plus 1%, which at the end of the year totaled 3.45%, none of which was drawn. The following has been collateralized in connection with this line of credit:

- General security agreement;

9. Deferred Revenue

| | 2020 | 2019 |
|----------------------------|---------|---------|
| Highway 55 Deferred Income | 990 | 950 |
| Gas Tax Funding | - | 22,133 |
| Total Deferred Revenue | 990 | 23,083 |
| 10. Accrued Landfill Costs | | |
| | 2020 | 2019 |
| Environmental Liabilities | 119,723 | 102,907 |

Landfill closure and post-closure care requirements have been defined in accordance with The Environmental Management and Protection Act and include final covering and landscaping of the landfill, pumping of ground water, methane gas and leachate management, and ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions with respect to events extending over a 25-year period using the best information available to management. Future events may result in significant changes to the estimated total expense, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

In 2020, Highway 55 Waste Management Corporation has accrued an overall liability for environmental matters in the amount of \$598,616 (2019 – \$514,535), of which the Municipality is responsible for \$119,723(2019 – \$102,907), which represents management's best estimate of this liability. Estimated total expenditures represent the sum of the discounted future cash flows for closure and post-closure care activities discounted at the Corporation's average long-term borrowing rate of 3.49% (2019 – 4.45%) over a 25-year period. The total undiscounted costs are estimated to be \$918,162, of which the Municipality is responsible for \$183,632 and are to begin to be incurred in 2021. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.

| | 2020 |
|--------------------|---------|
| | |
| Opening balance | 102,907 |
| Accretion expense | 4,579 |
| Change in estimate | 12,237 |
| | |
| | 119,723 |

The Highway 55 Waste Management Corporation has a reserve set up to fund these costs, in which the balance at year-end is \$53,200, of which the Municipality is responsible for \$10,640. The remaining unfunded liability for the landfill will be paid for per the annual approved budget and future operations from an expansion of the landfill.

11. Liability for Contaminated Sites

The municipality recognizes and estimates a liability of \$nil (2019 - \$nil) for remediation of the properties where a contamination may exceed the environmental standards. The Municipality has not recorded a liability as its unknown if the sites contamination exceed environmental standards, there is no time table to any potential remediation nor are any future economic benefits expected to be given up.

12. Long-Term Debt

a) The debt limit of the municipality is \$710,704. The debt limit for a municipality is the total amount of the municipality's own source revenues for the preceding year (the *Municipalities Act* section 161(1)).

Debenture #1 is repayable at to Municipal Financing Corporation in Annual blended payments of \$14,892 bearing interst at 2.70%. The debenture matures in 2025 and is secured by a general security agreement.

Debenture # 2 is repayable at to Municipal Financing Corporation in Annual blended payments of \$35,269 bearing interst at 2.05%. The debenture matures in 2025 and is secured by a general security agreement.

Future principal and interest payments are as follows:

| Year | Principal | Interest | Current Year Total | Prior Year Total |
|------------|-----------|----------|--------------------|------------------|
| 2021 | 45,554 | 4,607 | 50,162 | 50,161 |
| 2022 | 46,573 | 3,588 | 50,162 | 50,161 |
| 2023 | 47,615 | 2,547 | 50,162 | 50,161 |
| 2024 | 48,680 | 1,481 | 50,162 | 50,161 |
| 2025 | 14,501 | 392 | 14,892 | 50,161 |
| Thereafter | | | - | 14,892 |
| Balance | 202,923 | 12,615 | 215,538 | 265,697 |

Muncipality's proportionate share of Highway 55 Waste Management Corporation (the "Corporation") loans. Currently, the Corporation holds three active loans with total monthly blended payments of \$35,269 bearing interest at 2.05%. One of the loans has no security, while the other t wo are secured by a general security agreement over specific pieces of equipment with a carrying value of 465,986. Future prinicpal repayments are estiamted as follows:

Future principal repayments are estimated as follows:

| Year | Principal | Interest | Current Year Total | Prior Year Total |
|---------|-----------|----------|--------------------|------------------|
| 2021 | 23,033 | 4,923 | 27,957 | 27,413 |
| 2022 | 17,680 | 3,565 | 21,245 | 28,079 |
| 2023 | 12,341 | 1,968 | 14,309 | 11,935 |
| 2024 | 13,176 | 1,194 | 14,370 | - |
| 2025 | 1,181 | 468 | 1,650 | - |
| Balance | 67,412 | 12,118 | 79,530 | 67,427 |

13. Lease Obligations

Future minimum lease payments under the capital leases together with the balance of the obligation due under the capital leases are as follows:

| Year | Payment Amount |
|--------------|--------------------------|
| 2021 | - |
| 2022 | - |
| 2023 | - |
| 2024 | - |
| 2025 | - |

| 14. Other Non-financial Assets | 2020 | 2019 |
|--------------------------------|------|------|
| | | |
| | - | - |

15. Contingent Liabilities

The municipality is contingently liable under terms of the Saskatchewan Association of Rural Municipalities Self-Insurance Plan for its proportionate share of claims and future claims in excess of the Plan's reserve fund.

16. Pension Plan

The municipality is an employer member of the Municipal Employee Pension Plan (MEPP), which is a multiemployer defined benefit pension plan. The Commission of MEPP, representing plan member employers, is responsible for overseeing the management of the pension plan, including investment of assets and administration of benefits. The municipality's pension expense in 2020 was \$11,923 (2019 - \$10,743). The benefits accrued to the municipality's employees from MEPP are calculated using the following: Pensionable Years of Service, Highest Average Salary, and the plan accrual rate.

17. Comparative Figures

Prior year comparative figures have been restated to conform to the current year's presentation.

18. Trusts Administered by the Municipality

A summary of trust fund activity by the municipality during the year is as follows:

| Current Year Total | Prior Year Total |
|--------------------|--------------------|
| | |
| | |
| | |
| | |
| - | - |
| | Current Year Total |

19. Related Parties

The consolidated financial statements include transactions with related parties. The municipality is related to Highway 55 Waste Management Corporation under the common control of the Council.

Transactions with these related parties are in the normal course of operations and are settled on normal trade terms.

20. Contingent

Assets

The municipality has no contingent asset(s) for which the probability of future event that would result in the asset occurring is likely, resulting in no contingent asset.

Contingent assets are not recorded in the financial statements.

21. Contractual Rights

Contractual rights are rights to economic resources arising from contracts or agreements that will result in an asset and revenue in the future. Significant contractual rights of the municipality are as follows:

| Contractual Rights | Describe Nature Time and Extent | 2020 | 2021 | 2022 | 2023 | 2024 | Thereafter | No Fixed Maturity Date | Current Year Total | Prior Year Total |
|----------------------|---------------------------------|------|------|------|------|------|------------|------------------------------|-----------------------|---------------------|
| Contractual Rights 1 | | | | | | | | | - | |
| Contractual Rights 2 | | | | | | | | | - | |
| Contractual Rights 3 | | | | | | | | | - | |
| | | | | | | | | | - | |
| Total | | - | - | - | - | - | - | - | - | - |

22. Contractual Obligations and Commitments

The municipality has entered into multiple-year contracts for the delivery of services and the construction of tangible capital assets [identify those that apply]. These contractual obligations will become liabilities in the future when the terms of the contracts are met. Significant contractual obligations and commitments of the municipality include:

| Contractual Obligations and Commitments Type ¹ | Describe Nature Time and Extent | 2020 | 2021 | 2022 | 2023 | 2024 | Thereafter | No Fixed Maturity Date | Current Year Total | Prior Year Total |
|---|---------------------------------|------|------|------|------|------|------------|------------------------------|-----------------------|---------------------|
| Contractual Rights 1 | | | | | | | | | - | |
