STATEMENT OF RESPONSIBILITY

To the Ratepayers of the Rural Municipality of Spiritwood #496:

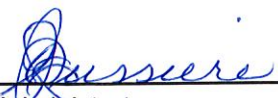

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements in accordance with Canadian public sector accounting standards (PSAS). The preparation of the statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management are required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting, budget, and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the consolidated financial statements.

The Council is composed of elected officials who are not employees of the Municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfills these responsibilities by reviewing the financial information prepared by administration and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the Municipality's external auditors.

Sensus Chartered Professional Accountants Ltd., an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and administration to discuss their audit findings.

Reeve

Administrator

INDEPENDENT AUDITOR'S REPORT

To the Reeve and Council of:
 Rural Municipality of Spiritwood #496
 Spiritwood, Saskatchewan

Qualified Opinion

We have audited the accompanying consolidated financial statements of the Rural Municipality of Spiritwood #496, which comprise the consolidated statement of financial position as at December 31, 2020 and the consolidated statement of operations, consolidated statement of changes in net financial assets, and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Rural Municipality of Spiritwood #496 as at December 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

The Municipality has control of a municipal reporting entity as noted in the significant account policies note whereby the Municipality's pro-rata share of each of the assets, liabilities, revenues, expenses and surplus are combined on a line-by-line basis in the consolidated financial statements of the Municipality. The financial statements and information to support the completeness, existence, accuracy and valuation of their financial data of the Shell Lake Regional Fire Department were not subject to audit in 2020 in accordance with Canadian public sector accounting standards. Accordingly, we were not able to determine whether any adjustments might be necessary to the financial data of the Shell Lake Regional Fire Department.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Rural Municipality of Spiritwood #496 in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Rural Municipality of Spiritwood #496's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Rural Municipality of Spiritwood #496 or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Rural Municipality of Spiritwood #496's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian auditing standards, we exercise our professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Rural Municipality of Spiritwood #496's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Rural Municipality of Spiritwood #496's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Rural Municipality of Spiritwood #496 to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Yorkton, Saskatchewan

RURAL MUNICIPALITY OF SPIRITWOOD #496

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the Municipality are prepared by management in accordance with Canadian public sector accounting standards (PSAS) as recommended by the Chartered Professional Accountants of Canada (CPA Canada). Significant aspects of the accounting policies are as follows:

Basis of Accounting

The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting recognizes revenue as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods and services and the creation of a legal obligation to pay.

Reporting Entity

The financial statements consolidate the assets, liabilities, and flow of resources of the Municipality. The entity is comprised of all of the organizations that are owned or controlled by the Municipality and are, therefore, accountable to Council for the administration of their financial affairs and resources. Entities included in these financial statements are as follows:

Shell Lake Regional Fire Department - 10%

All inter-organizational transactions and balances have been eliminated.

Collection of Funds for Other Authorities

Collection of funds by the Municipality for the school board, municipal hall, and conservation and development authorities are collected and remitted in accordance with relevant legislation. The amounts collected are disclosed in Note 2.

Government Transfers

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return. Government transfers are recognized as revenue in the period that the events giving rise to the transfer occur, providing:

- a) the transfers are authorized
- b) any eligibility criteria have been met; and
- c) reasonable estimates of the amounts can be made.

Unearned government transfer amounts received will be recorded as deferred revenue. Earned government transfer amounts not received will be recorded as an amount receivable.

Deferred Revenue

Certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred or services performed.

RURAL MUNICIPALITY OF SPIRITWOOD #496
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
 For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Local Improvement Charges

Local improvement projects financed by frontage taxes recognize any prepayment charges as revenue in the period assessed.

Net-Financial Assets

Net-financial assets at the end of the accounting period are the net amount of financial assets less liabilities outstanding. Financial assets represent items such as cash and those other assets on hand which could provide resources to discharge existing liabilities or finance future operations. These include realizable assets which are convertible to cash and not intended for consumption in the normal course of operations.

Non-Financial Assets

Tangible capital and other non-financial assets are accounted for as assets by the government because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the government unless they are sold.

Appropriated Reserves

Reserves are established at the discretion of Council to designate surplus for future operating and capital transactions. Amounts so designated are described on Schedule 8.

Property Tax Revenue

Property tax revenue is based on assessments determined in accordance with Saskatchewan Legislation and the formulas, principles, and rules in the Saskatchewan Assessment Manual. Tax mill rates are established annually by council following the guidance of the Government of Saskatchewan. Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred. Requisitions operate as a flow through and are excluded from municipal revenue.

Portfolio Investments

Portfolio investments are valued at the lower of cost and market value, less any provisions for other than temporary impairment. The long-term investments in the Saskatchewan Rural Municipalities - Self-Insurance Fund are accounted for on the equity basis.

Inventories

Inventories of materials and supplies expected to be used by the Municipality are valued at the lower of cost or replacement cost. Inventories of land, materials and supplies held for resale are value at the lower of cost or net realizable value. Cost is based on the actual cost of inventory. Net realizable value is the estimated selling price in the ordinary course of business.

RURAL MUNICIPALITY OF SPIRITWOOD #496
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
 For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tangible Capital Assets

All tangible capital asset acquisitions or betterment made throughout the year are recorded at their acquisition cost. Initial costs for tangible capital assets that were acquired prior to 2009 were obtained via historical cost information or using current fair market values discounted by a relevant inflation factor back to the point of acquisition. Donated tangible capital assets received are recorded at their fair market value at the date of contribution. The tangible capital assets that are recognized at a nominal value are disclosed on Schedule 6. The costs of these tangible capital assets less any residual value are amortized over the asset's useful life using the straight-line method of amortization. The Municipality's tangible capital asset useful lives are estimated as follows:

<u>Asset</u>	<u>Useful Life</u>
General Assets	
Land	Indefinite
Land improvements	5 to 20 years
Buildings	10 to 50 years
Vehicles and equipment	
Vehicles	5 to 10 years
Machinery and equipment	5 to 10 years
Infrastructure Assets	
Infrastructure assets	30 to 75 years
Water & sewer	25 years
Road network assets	20 to 40 years

Government Contributions

Government contributions for the acquisition of capital assets are reported as capital revenue and do not reduce the cost of the related asset.

Works of Art and Other Unrecognized Assets

Assets that have a historical or cultural significance, which include works of art, monuments and other cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of future benefits associated with this property cannot be made.

Capitalization of Interest

The Municipality does not capitalize interest incurred while a tangible capital asset is under construction.

RURAL MUNICIPALITY OF SPIRITWOOD #496
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

All leases are recorded on the consolidated financial statement as either a capital or operating lease. Any lease that transfers the majority of benefits and risk associated with the leased asset is classified as a capital lease. At the inception of a capital lease, an asset and a payment obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the asset's fair market value. Assets under capital leases are amortized on a straight-line basis, over their estimated useful lives (lease term). Any other lease not meeting the before mentioned criteria is classified as an operating lease and rental payments are expensed as incurred.

Landfill Liability

The Rural Municipality of Spiritwood #496 does not maintain a waste disposal site, therefore no amount has been recorded as an asset or liability.

Trust Funds

Funds held in trust for others, under a trust agreement or statute, are not included in the consolidated financial statements as they are not controlled by the Municipality.

Employee Benefit Plans

Contributions to the Municipality's defined benefit plans are expensed when contributions are made. Under the defined benefit multi-employer plan, the Municipality's obligations are limited to their contributions.

Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met:

- a) an environmental standard exists;
- b) contamination exceeds the environmental standard;
- c) The Municipality:
 - i. is directly responsible; or
 - ii. accepts responsibility;
- d) it is expected that future economic benefits will be given up; and
- e) a reasonable estimate of the amount can be made.

RURAL MUNICIPALITY OF SPIRITWOOD #496
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
 For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Measurement Uncertainty

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the period. Accounts receivable are stated after evaluation as to their collectibility and an appropriate allowance for doubtful accounts is provided where considered necessary.

The measurement of materials and supplies are based on estimates of volume and quality. The 'Opening Asset costs' of tangible capital assets have been estimated where actual costs were not available. Amortization is based on the estimated useful lives of tangible capital assets.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the periods in which they become known.

Basis of Segmentation/Segment Report

The Municipality has adopted the new Public Sector Accounting Board's recommendations requiring financial information to be provided on a segmented basis. Municipal services have been segmented by grouping activities that have similar service objectives (by function). Revenues that are directly attributable to the costs of the function have been attributed to each segment. Interest is allocated to functions based on the purpose of specific borrowings.

The segments (functions) are as follows:

General government: Provides administration of the Municipality.

Protective services: Is comprised of expenses for police and fire protection.

Transportation services: Is responsible for the delivery of public works services related to the development and maintenance of roadway systems and street lighting.

Environmental and public health: Environmental segment provides waste disposal and other environmental services and the public health segment provides for expenses related to public health services in the Municipality.

Planning and development: Provides for neighbourhood development and sustainability.

Recreation and culture: Provides for community services through provision of recreation and leisure services.

Utility: Provides for delivery of water, collecting and treating of wastewater and providing collection and disposal of solid waste.

Budget Information

Budget information is presented on a basis consistent with that used for the actual results. The budget was approved by Council on June 9, 2020.

RURAL MUNICIPALITY OF SPIRITWOOD #496
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
 For the year ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

New Standards and Amendments to Standards

Effective for Fiscal Years Beginning On or After April 1, 2022:

PS 1201 Financial Statement Presentation, replaces PS 1200 with revised general reporting principles and standards of presentation and disclosure in government financial statements. Requires a new statement of re-measurement gains and losses separate from the statement of operations arising from the re-measurement of financial instruments and items denominated in foreign currencies, as well as the government's proportionate share of other comprehensive income that arises when a government includes the results of government business enterprises and partnerships. Effective in the period PS 3450 and PS 2601 are adopted.

PS 2601 Foreign Currency Translation, replaces PS 2600 with revised guidance on the recognition, presentation and disclosure of transactions that are denominated in a foreign currency. Requires that monetary assets and liabilities denominated in a foreign currency and non-monetary items included in the fair value category, denominated in a foreign currency, be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses are to be presented in the statement of re-measurement gains and losses.

PS 3041 Portfolio Investments, replaces PS 3040 with revised guidance on accounting for, and presentation and disclosure of, portfolio investments. Removes the distinction between temporary and portfolio investments. Upon adoption of PS 3450 and PS 3041, PS 3030, Temporary Investments, will no longer apply. Effective in the period PS 3450, PS 2601, and PS 1201 are adopted.

PS 3450 Financial Instruments, a new standard establishing guidance on the recognition, measurement, presentation and disclosure of financial instruments, including derivatives. This standard requires fair value measurement of derivatives and equity instruments that are quoted in an active market; all other financial instruments can be measured at cost/amortized cost or fair value at the election of the government. Unrealized gains and losses are presented in a new statement of re-measurement gains and losses. There is the requirement to disclose the nature and extent of risks arising from financial instruments and clarification is given for the de-recognition of financial liabilities.

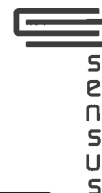

PS 3280 Asset Retirement Obligations, a new standard establishing guidance on the accounting and reporting of legal obligations associated with the retirement of tangible capital assets controlled by a government or a government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. As this standard includes solid waste landfill sites active and post-closing obligations, upon adoption of this new standard, existing Solid Waste Landfill Closure and Post-Closure Liability section PS 3270 will be withdrawn.

Effective On or After April 1, 2023:

PS 3400 Revenue, a new standard establishing guidance on how to account for and report on revenue. The standard provides a framework for recognizing, measuring, and reporting revenues that arise from transactions that include the performance obligations and transactions that do not have performance obligations. Performance obligations are enforceable promises to provide specific goods or services to a specific payer.

The extent of the impact on adoption of these future standards is not known at this time.

8. PENSION PLAN

The Municipality is an employer member of the Municipal Employee Pension Plan (MEPP), which is a multiemployer defined benefit pension plan. The Commission of MEPP, representing plan member employers, is responsible for overseeing the management of the pension plan, including investment of assets and administration benefits. The Municipality's pension expense in 2020 was \$56,520 (2019 - \$52,455). The benefits accrued to the Municipality's employees from MEPP are calculated using the following: Pensionable Years of Service, Highest Average Salary, and the plan accrual rate. The costs of the retirement plan are not allocated to the individual entities within the related group. As a result, individual entities within the related group are not able to identify their share of the underlying assets and liabilities. Therefore, the plan is accounted for as a defined contribution plan in accordance with the requirements of the Chartered Professional Accountants of Canada Handbook Section PS3250.

RURAL MUNICIPALITY OF SPIRITWOOD #496

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2020

9. PRIOR YEAR'S FIGURES

The prior year's figures have been restated due to amounts received from and paid to the Provincial Disaster Assistance Program (PDAP) not being set up as accounts receivable and payable when they pertained to years prior to 2019. The effect of these adjustments is an increase to accumulated surplus as follows:

	2020	2019
Opening fund balance:		
Accumulated surplus	\$ 10,162,010	\$10,083,138
Adjustments:		
PDAP receivable		20,321
PDAP payable		(118,429)
Opening accumulated surplus, restated	10,162,010	9,985,030
Annual surplus	480,030	176,980
Accumulated surplus, end of year	\$ 10,642,040	\$10,162,010

10. CONTINGENCIES

There are currently two outstanding claims against the Rural Municipality. The first claim is for compensatory damages for alleged breach of duty of fairness, negligence, and malfeasance in public office in 2018 and 2019. The second claim is for compensatory damages for the cost of flood-proofing improvements which were built below safe building elevation for the property. The Rural Municipalities lawyer feels that both claims are unlikely to be settled. If liability was found, the exposure would be limited to the Rural Municipalities deductible under the SARM Liability Self-Insurance Plan. Due to the uncertainty of the results of the claims, damages cannot be estimated at this time and no liability has been accrued.

11. RELATED PARTIES

During the year the Municipality had transactions with businesses owned by Council members which are considered to be related parties. Included in expenditures of the Municipality were transactions totaling \$23,661 (2019 - \$69,083). These transactions are in the normal course of operations and are measured at the exchange value (the amount of consideration established and agreed to by the related parties), which approximates the arm's length equivalent value.

12. COMMITMENTS

The Rural Municipality has committed to the construction of a new public works building with total anticipated project costs of \$450,000. This project was approved with the Municipal Economic Enhancement Program (MEEP) contributing \$175,780 from the Provincial Government. The remainder of the project costs will be covered by the Rural Municipality with further grants or bank loans applied for if necessary. As of the year-end date, \$17,043 has been spent on this project and it is expected to be complete by the end of 2021.

RURAL MUNICIPALITY OF SPIRITWOOD #496
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2020

13. GOVERNMENT ASSISTANCE

In response to the pandemic, the Provincial and Federal governments have provided funds to municipalities in order to stimulate economic recovery and enhance infection protection and control measures in their operations. Through the Municipal Economic Enhancement Program (MEEP), the Rural Municipality received funds of \$175,780 which was approved to be spent on construction of a new public works building which was started in 2020 and is expected to be completed in 2021. \$17,043 has been spent on this project as of December 31, 2020 and the remaining \$158,737 has been deferred to 2021. In addition, the Safe Restart Program provided \$72,957 in unconditional funding to the Rural Municipality.

14. OTHER MATTERS

On March 11, 2020, the World Health Organization declared the COVID-19 outbreak a worldwide pandemic. Subsequently, on March 18, 2020, the Province of Saskatchewan declared a province-wide state of emergency to help reduce the spread of COVID-19. The Rural Municipality has not suffered any significant disruptions throughout the year as a result from the outbreak.

While the disruption is currently expected to be temporary, there is considerable uncertainty about the duration of this disruption. As a result, the related financial impact and duration cannot be reasonably estimated at this time.
