## Management's Responsibility

---

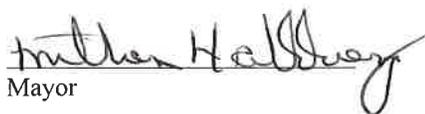

To the Ratepayers of the Village of Chaplin:

The municipality's management is responsible for the preparation and presentation of the accompanying financial statements in accordance with Canadian public sector accounting standards (PSAS). The preparation of the statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management is required.

In discharging its responsibilities for the integrity and fair presentation of the financial statements, management designs and maintains the necessary accounting, budget and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the financial statements.

The Council is composed of elected officials who are not employees of the municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the municipality's external auditors.

MNP LLP, an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

# Independent Auditor's Report

---

To the Mayor and Council of the Village of Chaplin:

## Qualified Opinion

We have audited the financial statements of the Village of Chaplin (the "Municipality"), which comprise the statement of financial position as at December 31, 2021, and the statements of operations, changes in net financial assets and cash flows for the year ended then ended, and schedules and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Municipality as at December 31, 2021, and the results of its operations, changes in its net financial assets and its cash flows for the year ended then ended in accordance with Canadian public sector accounting standards.

## Basis for Qualified Opinion

Public Sector Accounting Standards require a liability for the estimated closure and post-closure costs for landfills. Due to the lack of information available related to identification and measurement of landfills under operation by the Municipality, we were unable to obtain sufficient and appropriate audit evidence to determine the impact as required for sections relating to asset retirement obligations and contaminated sites. Estimates for site capacity, capacity used, and total site expenditures were unavailable and, as such, a liability for closure and post-closure care has not been recognized in these financial statements or the comparative figures.

Public Sector Accounting Standards require that controlled entities be consolidated into the financial statements of the Municipality, as they make up part of the Municipality's government reporting entity. As described in Note 1 (a), the Municipality has not consolidated the financial statements for the known entities it controls. Financial statements for these entities were not provided or unavailable at the time of the audit, resulting in the inability to obtain sufficient and appropriate audit evidence over the requirements to consolidate the financial statements for December 31, 2021 or the comparative figures.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

## Other Matter

The financial statement for the year ended December 31, 2020 were audited by another auditor who expressed a qualified opinion on those statements on June 21, 2021.

## **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes and schedules are an integral part of these statements.

Village of Chaplin  
Notes to the Financial Statements  
As at December 31, 2021

1. Significant Accounting Policies

The financial statements of the municipality have been prepared by management in accordance with Canadian public sector accounting standards (PSAS) as recommended by the Chartered Professional Accountants of Canada (CPA Canada). Significant aspects of the accounting policies adopted by the municipality are as follows:

**Basis of Accounting:** The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting requires revenues to be recognized as they become available and measurable and expenses are recognized as they are incurred and measurable as a result of the receipt of goods and services and the creation of a legal obligation to pay.

- a) **Reporting Entity:** The financial statements represent the assets, liabilities and flow of resources of the municipality. The following organizations are owned or controlled by the municipality and are, therefore, accountable to the Council for the administration of their financial affairs and resources. These organizations have not been consolidated into the entity's financial statements.

Entity

Chaplin Recreation Board  
Chaplin Swimming Pool  
Chaplin Community Centre  
Chaplin Memorial Civic Centre  
Chaplin Fire Department (proportionate)  
Chaplin Golf Course  
Chaplin Tourism Committee

- b) **Collection of funds for other authorities:** Collection of funds by the municipality for school boards, municipal hail and conservation and development authorities are collected and remitted in accordance with relevant legislation.
- c) **Government Transfers:** Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return. Government transfers are recognized as revenue in the period that the events giving rise to the transfer occur, providing:
- a) the transfers are authorized;
  - b) any eligibility criteria have been met; and
  - c) reasonable estimates of the amounts can be made.

Unearned government transfer amounts received will be recorded as deferred revenue.

Earned government transfer amounts not received will be recorded as an account receivable.

- d) **Deferred Revenue - Fees and charges:** Certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred or services performed.
- e) **Local Improvement Charges:** Local improvement projects financed by frontage taxes recognize any prepayment charges as revenue in the period assessed.
- f) **Net Financial Assets:** Net Financial Assets at the end of an accounting period are the net amount of financial assets less liabilities outstanding. Financial assets represent items such as cash and those other assets on hand which could provide resources to discharge existing liabilities or finance future operations. These include realizable assets which are convertible to cash and not intended for consumption in the normal course of operations.
- g) **Non-financial Assets:** Tangible capital and other non-financial assets are accounted for as assets by the government because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the government unless they are sold.
- h) **Appropriated Reserves:** Reserves are established at the discretion of Council to designate surplus for future operating and capital transactions. Amounts so designated are described on Schedule 8.
- i) **Property Tax Revenue:** Property tax revenue is based on assessments determined in accordance with Saskatchewan Legislation and the formulas, principles, and rules in the Saskatchewan Assessment Manual. Tax mill rates are established annually by Council following the guidance of the Government of Saskatchewan. Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred. Requisitions operate as a flow through and are excluded from municipal revenue.
- j) **Investments:** Portfolio investments are valued at the lower of cost, less any provisions for other than temporary impairment. Investments with terms longer than one year have been classified as other long-term investments concurrent with the nature of the investment.

Village of Chaplin  
Notes to the Financial Statements  
As at December 31, 2021

1. Significant Accounting Policies - continued

- k) **Inventories:** Inventories of materials and supplies expected to be used by the municipality are valued at the lower of cost or replacement cost. Inventories of land, materials and supplies held for resale are valued at the lower of cost or net realizable value. Cost is determined by the average cost method. Net realizable value is the estimated selling price in the ordinary course of business.
- l) **Tangible Capital Assets:** All tangible capital asset acquisitions or betterments made throughout the year are recorded at their acquisition cost. Initial costs for tangible capital assets that were acquired and developed prior to 2009 were obtained via historical cost information or using current fair market values discounted by a relevant deflation factor back to the point of acquisition. Donated tangible capital assets received are recorded at their fair market value at the date of contribution. The cost of these tangible capital assets less any residual value are amortized over the asset's useful life using the straight-line method of amortization. Tangible capital assets that are recognized at a nominal value are disclosed on Schedule 6. The municipality's tangible capital asset useful lives are estimated as follows:

| <u>Asset</u>                    | <u>Useful Life</u> |
|---------------------------------|--------------------|
| <b>Land</b>                     | Indefinite         |
| <b>Land Improvements</b>        | 5 to 20 Yrs        |
| <b>Buildings</b>                | 10 to 50 Yrs       |
| <b>Vehicles &amp; Equipment</b> |                    |
| Vehicles                        | 5 to 10 Yrs        |
| Machinery and Equipment         | 5 to 10 Yrs        |
| <b>Infrastructure Assets</b>    |                    |
| <b>Infrastructure Assets</b>    | 30 to 75 Yrs       |
| <b>Water &amp; Sewer</b>        |                    |
| <b>Road Network Assets</b>      |                    |

**Government Contributions:** Government contributions for the acquisition of capital assets are reported as capital revenue and do not reduce the cost of the related asset.

**Works of Art and Other Unrecognized Assets:** Assets that have a historical or cultural significance, which include works of art, monuments and other cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of future benefits associated with this property cannot be made.

**Capitalization of Interest:** The municipality does not capitalize interest incurred while a tangible capital asset is under construction.

**Leases:** All leases are recorded on the financial statements as either a capital or operating lease. Any lease that transfers substantially all of the benefits and risk associated with the leased asset is classified as a capital lease and recorded as tangible capital assets. At the inception of a capital lease, an asset and a payment obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the asset's fair market value. Assets under capital leases are amortized on a straight-line basis, over their estimated useful lives. Any other lease not meeting the before mentioned criteria is classified as an operating lease and rental payments are expensed as incurred.

- m) **Landfill Liability:** The municipality maintains a waste disposal site. The municipality has not estimated the costs associated with closure and post closure of this site.
- n) **Trust Funds:** Funds held in trust for others, under a trust agreement or statute, are not included in the financial statements as they are not controlled by the municipality.
- o) **Employee Benefit Plans:** Contributions to the municipality's defined benefit plans are expensed when contributions are made. Under the defined benefit plan, the municipality's obligations are limited to their contributions.
- p) **Liability for Contaminated Sites:** Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met:
  - a) an environmental standard exists;
  - b) contamination exceeds the environmental standard;
  - c) the municipality:
    - i. is directly responsible; or
    - ii. accepts responsibility;
  - d) it is expected that future economic benefits will be given up; and
  - e) a reasonable estimate of the amount can be made.

Village of Chaplin  
Notes to the Financial Statements  
As at December 31, 2021

1. Significant Accounting Policies - continued

- q) **Measurement Uncertainty:** The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the period. Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary.

The measurement of materials and supplies are based on estimates of volume and quality.  
The 'Opening Asset costs' of tangible capital assets have been estimated where actual costs were not available.  
Amortization is based on the estimated useful lives of tangible capital assets.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the periods in which they become known.

- r) The segments (functions) are as follows:

General Government: Provides for the administration of the municipality.

Protective Services: Comprised of expenses for Police and Fire protection.

Transportation Services: Responsible for the delivery of public works services related to the development and maintenance of roadway systems and street lighting.

Environmental and Public Health: The environmental segment provides waste disposal and other environmental services. The public health segment provides for expenses related to public health services in the municipality.

Planning and Development: Provides for neighbourhood development and sustainability.

Recreation and Culture: Provides for community services through the provision of recreation and leisure services.

Utility Services: Provides for delivery of water, collecting and treating of wastewater and providing collection and disposal of solid waste.

- s) **Budget Information:** Budget information is presented on a basis consistent with that used for actual results. The budget was approved by Council on April 19, 2021.

- t) **New Standards and Amendments to Standards:  
Effective for Fiscal Years Beginning On or After April 1, 2022:**

**PS 1201 Financial Statement Presentation**, replaces PS 1200 with revised general reporting principles and standards of presentation and disclosure in government financial statements. Requires a new statement of re-measurement gains and losses separate from the statement of operations arising from the re-measurement of financial instruments and items denominated in foreign currencies, as well as the government's proportionate share of other comprehensive income that arises when a government includes the results of government business enterprises and partnerships. Effective in the period PS 3450 and PS 2601 are adopted.

**PS 2601 Foreign Currency Translation**, replaces PS 2600 with revised guidance on the recognition, presentation and disclosure of transactions that are denominated in a foreign currency. Requires that monetary assets and liabilities denominated in a foreign currency and non-monetary items included in the fair value category, denominated in a foreign currency, be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses are to be presented in the statement of re-measurement gains and losses.

**PS 3041 Portfolio Investments**, replaces PS 3040 with revised guidance on accounting for, and presentation and disclosure of portfolio investments. Removes the distinction between temporary and portfolio investments. Upon adoption of PS 3450 and PS 3041, PS 3030, Temporary Investments, will no longer apply. Effective in the period PS 3450, PS 2601 and PS 1201 are adopted.

**PS 3450 Financial Instruments**, a new standard establishing guidance on the recognition, measurement, presentation and disclosure of financial instruments, including derivatives. The standard requires fair value measurement of derivatives and equity instrument that are quoted in an active market; all other financial instruments can be measured at cost/amortized cost or fair value at the election of the government. Unrealized gains and losses are presented in a new statement of re-measurement gains and losses. There is the requirement to disclose the nature and extent of risks arising from financial instruments and clarification is given for the de-recognition of financial liabilities.

**PS 3280 Asset Retirement Obligations**, a new standard establishing guidance on the accounting and reporting of legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. As this standard includes solid waste landfill sites active and post-closing obligations, upon adoption of this new standard, existing Solid Waste Landfill Closure and Post-Closure Liability section PS 3270 will be withdrawn.

**Effective for Fiscal Years Beginning On or After April 1, 2023:**

**PS 3400, Revenue**, a new standard establishing guidance on how to account for and report on revenue. The standard provides a framework for recognizing, measuring and reporting revenues that arise from transactions that include performance obligations and transactions that do not have performance obligations. Performance obligations are enforceable promises to provide specific goods or services to a specific payer.

The extent of the impact on adoption of these future standards is not known at this time.

Village of Chaplin  
Notes to the Financial Statements  
As at December 31, 2021

2. Cash and Temporary Investments

|   | 2021           | 2020           |
|---|----------------|----------------|
| Cash  | 332,425        | 238,947        |
| Temporary Investments                       | -              | -              |
| Restricted Cash                             | -              | -              |
| <b>Total Cash and Temporary Investments</b> | <b>332,425</b> | <b>238,947</b> |

Cash and temporary investments include balances with banks, term deposits, marketable securities and short-term investments with term of three months or less.

3. Taxes Receivable - Municipal

|  | 2021            | 2020           |

**5. Land for Resale**

|                                       | 2021     | 2020     |
|---------------------------------------|----------|----------|
| Tax Title Property                    | 47,787   | 67,837   |
| Allowance for market value adjustment | (47,787) | (67,837) |
| Net Tax Title Property                | -        | -        |
| Other Land                            | -        | 6,951    |
| Allowance for market value adjustment | -        | (6,951)  |
| Net Other Land                        | -        | -        |
| <b>Total Land for Resale</b>          | <b>-</b> | <b>-</b> |

**6. Long-Term Investments**

|   | 2021           | 2020           |
|---|----------------|----------------|
| Term deposits held for long term purposes with maturity dates ranging from February 2022 to February 2024 bearing interest ranging from 0.75% - 5.20% | 379,412        | 368,536        |
| <b>Other (Specify)</b>  | <b>-</b>       | <b>-</b>       |
| <b>Total Long-Term Investments</b>  | <b>379,412</b> | <b>368,536</b> |

The term deposits are value at cost.

**7. Debt Charges Recoverable**

The municipality has no debt charges recoverable at December 31, 2021.

**Village of Chaplin**

**Notes to the Financial Statements**

**As at December 31, 2021**

**8. Bank Indebtedness**

The municipality does not have any bank indebtedness at December 31, 2021.

**9. Deferred Revenue**

|                               | 2021         | 2020         |
|-------------------------------|--------------|--------------|
| Utility revenue               | 1,457        | 809          |
| Municipal property tax        | 1,314        | 2,701        |
| Deferred grant revenue        | 2,500        | -            |
| <b>Total Deferred Revenue</b> | <b>5,271</b> | <b>3,510</b> |

**10. Accrued Landfill Costs**

The municipality operates a landfill site but it is unable to estimate future closure and post closure care costs. Accordingly, no accrual has been made.

**11. Liability for Contaminated Sites**

The municipality has no contaminated sites and accordingly there is no significant accrued liability relating to estimated future clean up costs for such a site.

**Village of Chaplin**  
**Notes to the Financial Statements**  
**As at December 31, 2021**

**12. Long-Term Debt**

a) The debt limit of the municipality is \$389,725. The debt limit for a municipality is the total amount of the municipality's own source revenues for the preceding year (the *Municipalities Act* section 161(1)).

Debenture debt of \$185,403 is repayable in annual instalments of \$42,351, including interest at 4.60%, with payments ending in 2026.

Kubota loan of \$63,122 is repayable in monthly instalments of \$1,035, bearing no interest, with payments ending in 2027.

Future principal and interest payments are as follows:

| <b>Year</b>    | <b>Principal</b> | <b>Interest</b> | <b>Current Year Total</b> | <b>Prior Year Total</b> |
|----------------|------------------|-----------------|---------------------------|-------------------------|
| 2022           | 46,240           | 8,529           | 54,769                    | 42,351                  |
| 2023           | 47,796           | 6,973           | 54,769                    | 42,351                  |
| 2024           | 49,423           | 5,345           | 54,768                    | 42,351                  |
| 2025           | 51,125           | 3,643           | 54,768                    | 42,351                  |
| 2026           | 52,906           | 1,862           | 54,768                    | 42,351                  |
| Thereafter     | 1,035            | -               | 1,035                     | 42,350                  |
| <b>Balance</b> | <b>248,525</b>   | <b>26,352</b>   | <b>274,877</b>            | <b>254,105</b>          |

**13. Lease Obligations**

The municipality has no lease obligations at December 31, 2021.

**Village of Chaplin**  
**Notes to the Financial Statements**  
**As at December 31, 2021**

**14. Other Non-financial Assets**

The municipality has no other significant non-financial assets at December 31, 2021.

**15. Contingent Liabilities**

The municipality has no significant contingent liabilities at December 31, 2021.

**16. Pension Plan**

The municipality is an employer member of the Municipal Employee Pension Plan (MEPP), which is a multiemployer defined benefit pension plan. The Commission of MEPP, representing plan member employers, is responsible for overseeing the management of the pension plan, including investment of assets and administration of benefits. The municipality's pension expense in 2021 was \$22,347. The benefits accrued to the municipality's employees from MEPP are calculated using the following: Pensionable Years of Service, Highest Average Salary, and the plan accrual rate.

**17. Comparative Figures**

Prior year comparative figures have been restated to conform to the current year's presentation.

**18. Trusts Administered by the Municipality**

The municipality did not administer any trusts as at December 31, 2021.

Village of Chaplin  
Notes to the Financial Statements  
As at December 31, 2021

19. Related Parties

The financial statements include no transactions with related parties.

20. Contingent Assets

The municipality has no contingent assets.

21. Contractual Rights

Contractual rights are rights to economic resources arising from contracts or agreements that will result in an asset and revenue in the future. The municipality has no significant contractual rights.

22. Contractual Obligations and Commitments

The municipality has entered into multiple-year contracts as described below. These contractual obligations will become liabilities in the future when the terms of the contracts are met. Significant contractual obligations and commitments of the municipality include:

| Contractual Rights Type        | Describe Nature Time and Extent  | 2021          | 2022          | 2023         | 2024         | 2025         | Thereafter | No Fixed Maturity Date | Current Year Total | Prior Year Total |
|--------------------------------|--|---------------|---------------|--------------|--------------|--------------|------------|------------------------|--------------------|------------------|
| Chaplin Fire Department Grant  | The municipality has approved a grant to the fire department in the amount of \$6,000 on an ongoing basis. Additionally, they have approved a purchase of a fire truck by contributing grant funding for five years starting in 2018 in the amount of \$5,000 per year.  | 11,000        | 11,000        | 6,000        | 6,000        | 6,000        | -          | -                      | 40,000             | 45,000           |
| Triways Disposal Services Ltd. | The municipality signed a 5-year agreement with Triways at a monthly rate of \$10.23 for waste and recycling, effective January 1, 2021. The agreement guarantees no rate increases for two full years. The committed amount is based on this rate, multiplied by quantities noted on the agreement (139 waste, 126 recycling), which may fluctuate from year to year. | 2,813         | 2,813         | 2,813        | 2,813        | 2,813        | -          | -                      | 14,065             | 14,066           |

**23. Restructuring Transactions**

The municipality does not have any reportable restructuring transactions as of December 31, 2021.

**24. Significant Event**

Since March of 2020, the global outbreak of COVID-19 (coronavirus) has had a significant impact on businesses through the restrictions put in place by the Canadian, provincial, and municipal governments regarding travel, business operations, and isolation/quarantine orders. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the municipality as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including travel restrictions, business closures or disruptions, and isolation/quarantine measures that are currently, or may be put, in place by Canada and other countries to fight the virus.
