

Rally 2025 FAQ

When is Rally?

Rally is July 16th- 18th at the Riverside campus from 6:30pm-9:45 pm.

What does my student need to bring with them?

- Each student should wear their wristband every day. These will be given out in your student packet they get at Remix the weekend before Rally, and each student will be given 3 different wristbands, one for each day!
- They should bring money. We will have a snack bar and multiple food trucks for students to purchase food and drinks. We will also have a booth to purchase merchandise from. Food trucks and merchandise will take cash or card but the snack bar will only take cash.
- They should bring their phone so they can post on social media and follow along with any updates we post!
- Your student can bring a bag/ backpack, although we will not have a designated bag-watching team, so if it gets lost, Sagebrush will not be held responsible. So we highly encourage students to not bring bags.

Where do I check in and check out my student?

Check-in will be held on the south side of the parking lot between the two main buildings. Each student will check in on an iPad, we will confirm they have the correct wristband on, and then they will be sent to their area for the start of the day. If your student is driving to Rally or will be driven by another student to Rally, make sure to specify that on their registration form! As well as, if your student will be driven to the event by a parent/ guardian, but you are okay with them checking themselves out from the event, specify that on their registration form! If you would like to pick up your student, and that is specified on their registration, we will not release your student until their parent/ guardian comes into the worship center to get them!

What grades can attend Rally?

If your student is currently (2024-2025 school year) a 6th-12th grader, they may attend Rally. Kids currently in 5th grade will attend XCamp.

Will there be parking for my students if they drive themselves?

Yes. Students can park in the south parking lot off of La Orilla Road.

What will my student be doing?

There will be several different activities that your student can participate in all over our campus. They can also purchase limited edition Rally merchandise, snacks, and food from multiple food trucks. This is followed by a service with games, giveaways, worship, and relevant teaching from our Student Team. Each day will have a big feature like an illusion show, water war and even a concert.

Where does my student get their Rally gear?

Students registered for Rally will receive their stickers and wristbands the weekend before Rally. Students will also receive a hat (boys) or tote bag (girls) and these will be given out the weekend before Rally or at the end of the first night of Rally. If your student cannot make it to Remix on the 12/13th they can get their wristbands at check in. There will also be a merch booth where students can purchase additional Rally items.

Any other questions can be emailed to students@sagebrush.church, or you can contact us by calling (505)922-9200. We can't wait to see your student at Rally 2025!
