SIMPLIFYING FOOD & BEVERAGE SOURCING for DISTRIBUTORS & RETAILERS

From Scattered Thai F&B Manufacturers

CHALLENGES IN PRODUCT AND SUPPLIER SELECTION

- Difficult to identify high-demand products across regions
- Supplier reliability, supply consistency, and compliance with industry standards remain key concerns

COMPLEX AND TIME-INTENSIVE SOURCING

- Managing multiple suppliers increases operational complexity
- Fragmented sourcing results in uncompetitive pricing

ORDER QUANTITY CONSTRAINTS

- MOQ often exceeds demand, leading to surplus inventory and higher costs

OVERCOMING EXPORT CHALLENGES for MANUFACTURERS

To Global Markets

LIMITED KNOWLEDGE OF EXPORT AND LOCAL REGULATIONS

- Creates challenges in labeling, documentation, and certification, increasing non-compliance risks across markets

LIMITED INSIGHTS INTO PARTNER DATA AND CONSUMER BEHAVIOR

- Weakened trusted partner discovery and lead to ineffective international growth strategies

OUR SOLUTIONS

PRODUCT SELECTION AND SUPPLIER VALIDATION

- Curated product selection tailored to regional market demands
- Verified suppliers ensuring adherence to global quality standards and a reliable supply

ONE-STOP SOURCING SOLUTION: BRINGING THAI FLAVORS TO GLOBAL MARKETS

- Simplify procurement with a centralized, extensive supplier network
- Volume consolidation to secure competitive pricing

FLEXIBLE ORDER QUANTITIES AND LOGISTICS OPTIMIZATION

- MOQ consolidation for greater purchasing flexibility
- Tailored logistics solutions to optimize cost and improve efficiency
- Full support with compliance and documentation

REGULATORY COMPLIANCE AND RISK MANAGEMENT

- Comprehensive support with international and local regulations
- Ensures shipments comply with global quality, safety, and labeling standards
- Assistance in documentation, certification, and cultural adaptations to facilitate seamless entry

GLOBAL REACH WITH LOCAL PRESENCE AND STRATEGY SUPPORT

- Our local presence across markets enables direct buyer access and accelerates market entry
- Comprehensive market insights and localized marketing services drive efficient stock planning, strengthen go-to-market strategies, and boost brand visibility

BRAND: SIAM SIGNATURE

SIAM SIGNATURE

Enhance your retail offering with Asian inspired delight. **SIAM SIGNATURE** brand offers a diverse selection of adaptively flavored and Asian products.

"Premium Asian Selections"

Shelf Design [Thai Section]

SCG International tailoring our services to each market and deliver exclusive solutions backed by precise demand forecasting, ensuring the right products perfectly match local consumer needs.

We provides demand sensing service through extensive market research, product surveys, interviews and focus groups, Making sure that the specific demographic is well - served with the products they truly need.

Collaborate with worldwide retailer under brand "SIAM SIGNATURE"

Why SCG International:

SCG International has been at the forefront of supporting local industries in Thailand for decades. Recently, SCG has turned its attention to fostering the growth and global expansion of Thai food manufacturers, especially small and medium-sized enterprises (SMEs) as well as well-known Thai food and beverage brands. By leveraging its deep industry expertise and vast distribution networks, SCG is helping these manufacturers enhance their product offerings, streamline operations, and reach international markets.

Objective: The core mission of SCG's initiative is to elevate the presence of Thai food on the global stage, enabling SMEs and iconic Thai food brands to grow beyond borders. SCG provides comprehensive support by offering a wide range of products and services. With over 200 SKUs spread across four major product groups, **Beverages /Ready to Eat/ Snack / Sauce & Seasoning.**
