At Aether, we free pour all cocktails in accordance with the Weights & Measures Act 1985. All drinks with 3 or more liquids are cocktails.

This includes when we serve vodka, whiskey, gin and rum with two other. When we serve these spirits straight or just with a single mixer, they are served in 25ml or multiples thereof. Not all ingredients are listed as alchemy is complex. Our drinks may contain nuts or nut traces. We use raw whole egg in some cocktails.
