# PARTY TO THE BONE

From service to selection, count on our butchers when you want the best including fresh ground beef and sausage made fresh in store. You'll find Certified Angus Beef® roasts and steaks. And, our very own spiral sliced ham!

What would a summer barbecue be without pork steaks? Well, we'll never know thanks to Don and Ed Schnuck!

In the 1950's,
Don and Ed wanted
to offer a cut of
meat for grilling
that was inexpensive
enough to fit every
family's budget.
True innovators,
they cut a pork
shoulder, one-half
inch thick and
grilled it. The pork
steak was born!
