PARTY TO THE BONE

From service to selection, count on our butchers when you want the best including fresh ground beef and sausage made fresh in store. You'll find *Certified Angus Beef®* roasts and steaks. And, our very own spiral sliced ham!

HOME OF THE PORK STEAK

What would a summer barbecue be without pork steaks? Well, we'll never know thanks to Don and Ed Schnuck!

In the 1950's, Don and Ed wanted to offer a cut of meat for grilling that was inexpensive enough to fit every family's budget. True innovators, they cut a pork shoulder, one-half inch thick and grilled it. The pork steak was born!

**OH BABY,
HOW SWEET IT IS.**

Check out all 12 mouthwatering flavors of Schnucks brand BBQ sauce.

100% GRILL READY,
100% Fresh.

Just ask your butcher, "What should I serve?" You'll find marinated chicken breasts, stuffed chops, brats and kabobs.

LOADED BURGERS

We've done all the work for you. They're loaded up with the finest ingredients. Choose from 7 burgers loaded with flavor!

SAUSAGES

Our butchers grind meat in store, then hand mix it with spices using our own signature recipes for over 15 varieties.

Holiday FEAST!

Let our butchers help you deck your table with the best this holiday season. From fresh turkeys to *Certified Angus Beef®* roasts, build this year's feast around your main course.

Our butchers make it better with custom cuts, expert advice and dinner ideas.

HOLIDAY HELPER!

Keep Schnucks brand vegetables on hand for quick holiday sides.

SCHNUCKS SPIRAL SLICED HAM ▶

Schnucks spiral sliced ham, made for us with natural juices, is real hardwood smoked and sliced to the bone so it's trimmed just right. Plus, we include a honey and spice glaze packet.

BUILDING A BETTER Cheeseboard

Our experts recommend buying 1 oz. of each cheese per person – they suggest at least 3 cheeses of various flavors and textures. Build your cheeseboard in advance, refrigerate and then let it sit out for one hour as cheese is best served at room temperature. Make sure to talk to our Cheese Experts – they will be happy to help you build your own cheeseboard!
