

KTJ A Level Results: 2020-21

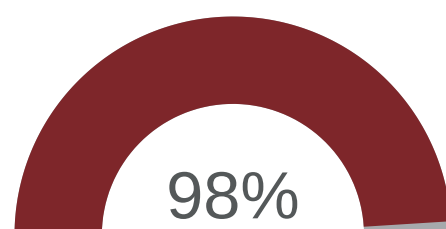

KTJ Sixth Form students received outstanding A Level results despite the continued disruption to education caused by the COVID-19 pandemic. 81% of entries were graded A* to A, compared with 43% in UK schools. On average, our students achieved more than half a grade higher than predicted by the baseline testing we carried out before they started their Sixth Form studies.

of entries received an A* grade.

of entries received an A*-B grade.

of entries by KTJ Scholars were graded A*-A.

40%

of A Level students received straight A*s in 3 or more subjects.

Our Top Subjects

Percentage of A*-B grades

History 100%

Biology 90%

Mathematics 95%

Literature in English 88%

Economics 93%

Chemistry 86%

Our A level students sat externally assessed CAIE examinations in all subjects, apart from Mathematics for which the examination board Pearson Edexcel accepted all of our Center Assessed Grades (CAGs).

Our average value added score of

0.6

from the Centre for Evaluation and Monitoring (CEM) places KTJ in the top 4% of schools in the world.

University Destinations

91% of UK-bound students received an offer from their firm choice university.

UK destinations included Cambridge, Edinburgh, Imperial, LSE and Warwick.

US destinations included Columbia, Harvard, Pennsylvania and Stanford.
