Dear Professor Gow:

After reviewing the Five-Year Interim Progress Report (IPR) submitted by the Bachelor of Architecture program (166 credit hours) at Southern California Institute of Architecture, the National Architectural Accrediting Board (NAAB) has accepted the IPR as having demonstrated satisfactory progress toward addressing deficiencies identified in the most recent Architectural Program Report and Visiting Team Report.

Your next accreditation visit is scheduled for **2027** and will be conducted under the Conditions and Procedures in effect at the time of the visit. The Architecture Program Report (APR) is due **September 7, 2026**.

Please note that Program Annual Reports are still due annually on or before **December 15**.

Please feel free to contact us with any questions at accreditation@naab.org.

Sincerely,

Stephen Schreiber, FAIA, NCARB, DPACSA
