The Foundation for Ancient Research and Mormon Studies (FARMS) existed as a California non-profit corporation from 1979 until about 2006, when it was allowed to go into involuntary liquidation, at which time copyrights held by FARMS and its authors and/or editors reverted or may have reverted back to their original author and/or editors. Index B

CITATIONS

This is a book about Abraham; thus, references to Genesis 11 and 12 and to the Book of Abraham are ubiquitous. Furthermore, Index A, "Unique Elements of the Book of Abraham Supported by Extrabiblical Traditions," indexes most of the references to the Book of Abraham that are found throughout this volume. To avoid redundancy, we have only kept those scripture citations to the Book of Abraham that do not show up in Index A. We have also removed most of the citations of Genesis 11 and 12.
