5% of your premium (excluding insurance premium tax) will go back to the third sector through SCVO when you arrange an Encompass insurance policy

“SCVO continues to recommend Keegan & Pennykid because of their commitment to providing impartial advice; along with their experience and comprehensive knowledge of meeting the complex insurance needs within the third sector.”

Established in 1968, Keegan & Pennykid is dedicated to providing its clients with professional and independent insurance and financial services advice.

Keegan & Pennykid and SCVO have worked together since 1997 when our Encompass Insurance policy for Charities and Voluntary Organisations was launched. It has since evolved to become one of the UK's leading insurance and financial services schemes for the third sector. We support the Gathering and other conferences each year, and provide free training workshops throughout the UK to facilitate insurance-related risk awareness in the sector.

Insurance with a heart!

5% of your premium (excluding insurance premium tax) will go back to the third sector through SCVO, when you arrange insurance for your village or community hall through Keegan & Pennykid's Encompass Scheme. **So far, since 1997, we have given back over £1.5m to the UK's third sector.**
