

Dear Visiting Football Athletic Trainer,

We would like to take this opportunity to welcome you to Snapdragon Stadium in San Diego, CA. We hope it will be an injury free contest for everyone involved.

Water and ice will be on site by Friday morning. If you will be practicing at the stadium on Friday/Saturday before the game please let us know what you may need and at what time you will be practicing.

For the game on Saturday we will have the following items located in your athletic training room for your use:

2 Treatment Tables
2 Taping Tables
Ice machines located in hallway, near x-ray
Hydrocollator with covers

On the field:

600 lbs. Ice
Water access on sideline
Portable treatment table - by request
We have x-ray and paramedics at the stadium should you need them

If you have any other specific requests, please feel free to contact me at any time and/or Bryce Jobson/ Jessica Reed who will be at the stadium on Saturday.

Sincerely,

Patrick Spieldenner MS, ATC
Sr Associate AD of Athletic Medicine
