SAN DIEGO STATE UNIVERSITY UNIVERSITY AZTEC BASKETBALL MEDIA GUIDE

From its modest beginning in 1897 as a teachers' school perched above a downtown drugstore, San Diego State University has evolved into a major research university and an integral partner of the community it serves.

It is difficult to imagine San Diego without San Diego State University. More community leaders within the San Diego region received their education at SDSU than at any other institution. In fact, about half of the university's 260,000 living alumni have chosen to put their knowledge and skills to work right here, invigorating nearly every facet of San Diego's professional and community life.

SDSU and its graduates continue to drive progress and innovation with ground-breaking scientific discoveries and region-specific public health and environmental research. SDSU faculty were awarded \$145 million in research funding last year – more than two University of California campuses. Students benefit from opportunities to engage in research alongside teacher/scholars who are at the leading edge of their fields.

SDSU's urban, cosmopolitan campus reflects the healthy diversity of our region – 52 percent of our undergraduates are students of color. Students from all walks of life and 125 nations contribute to SDSU's dynamic mix of ethnic, racial and social backgrounds.

Responding to the need to be globally competitive, SDSU has dramatically expanded its international programs. The university leverages its strategic location on the Pacific Rim and the border of Latin America to advance international study and research opportunities.

SDSU's commitment to serving the community is steadfast. The nationally recognized Compact for Success between SDSU and the Sweetwater Union High School District has increased Sweetwater's college-going population by 120 percent. Similarly, SDSU's leadership of the City Heights Educational Collaborative has improved the achievement of K-12 students while providing training and educational support for education professionals in three of San Diego's most challenged inner-city schools.

Indeed, SDSU is just as committed to improving quality of life and economic prosperity today as it was in 1897 when it became the first institution of higher education in San Diego.

Rankings and Distinctions

FOUR CONSECUTIVE NCAA TOURNAMENT APPEARANCES ▶ SEVEN-TIME MOUNTAIN WEST CHAMPIONS

Academics

- In the last 20 years, SDSU has conferred more than 145,000 undergraduate, graduate and doctoral degrees. That's 145,000 lives transformed by the power of an SDSU education.
- SDSU received more than 69,000 undergraduate applications for the fall 2012 semester, among the highest of any university in the country.
- More than 88 percent of all 2010 SDSU freshmen and 87.4 percent of 2010 freshmen of color enrolled for a second year, marking another solid gain in SDSU continuation rates, which are linked to graduation success.
- SDSU's joint doctoral programs in clinical psychology, biological sciences and chemistry, public affairs, social work and rehabilitation counseling are ranked among the top in the nation in *U.S. News and World Report's* "America's Best Graduate Schools."
- The fall 2012 freshman class (admitted students) had an average high school GPA of 3.79 and average SAT scores of 1146.

Community

- The Campaign for SDSU, a \$500-million fundraising initiative to fuel student success, is strengthening ties between SDSU and the San Diego region by providing scholarships, internships and academic instruction to prepare San Diego's future leaders.
- SDSU owns and operates KPBS, rated among the top-10 public broadcasting stations in the U.S., and employing the largest radio news team in San Diego County.
- SDSU and the Sweetwater Union High School District have partnered to create the Compact for Success program, a pioneering effort in educational civil rights that is designed to help the district's highly diverse student body better prepare for higher education. The program guarantees a place at SDSU for every student from the district's classes through 2017 who meets certain academic standards. The first class of Compact Scholars started at SDSU in fall 2006. Since then, the number of Compact Scholars has doubled.
- The City Heights Educational Collaborative involves more than 100 faculty members from 40 departments in supporting families and educating children in one of San Diego's most diverse neighborhoods. SDSU has also opened a Literacy Center in City Heights and played a leading role in the Digital Bridge project to improve computer literacy in the neighborhood.
- Decorated as a veteran-friendly university, SDSU educates more than 1,100 student veterans through a combination of classroom and online degree programs, while the campus' Joan and Art Barron Veterans Center assists them in applying for federal benefits.

Diversity

- SDSU ranks No. 11 in the nation and No. 4 in California for bachelor's degrees awarded to Hispanics; and is No. 28 in the nation for master's degrees awarded to Hispanics, according to *Hispanic Outlook in Higher Education*, May 2012.
- In 2011, more than 40 percent of undergraduate degrees and more than 25 percent of master's degrees were conferred on students of color. Additionally, SDSU's highly diverse, low-income EOP students are attending graduate school at higher rates than the general student body.
- SDSU was the first university in the country to establish a women's studies program in 1970, and among the first to launch Africana studies and Chicana/Chicano studies departments.

- In SDSU's 2012 freshman class (admitted students), 57 percent of students are from diverse ethnic and racial backgrounds.
- The McNair Scholars program identifies students from low-income backgrounds with potential to become university professors, provides them with mentors and supplies them with a \$2,800 stipend to conduct research.
- SDSU is one of the top-20 most LGBT-friendly campuses in the nation, according to a July 2012 ranking by CampusPride.org. The university introduced an interdisciplinary major in lesbian, gay, bisexual and transgender studies in 2012, the second university in the country to do so.
- Of SDSU's tenured/tenure track faculty, nearly 25 percent describe themselves as persons of color, and more than 40 percent are women.

International

- Since 2000, more than 12,000 SDSU students have studied abroad through one of 335 affiliated international education programs in 52 countries.
- SDSU is the first U.S. university to offer a transnational triple-degree program in international business. Students earn degrees from SDSU plus universities in Mexico and Canada or universities in Mexico and Chile.
- SDSU ranks No. 3 in California for the number students studying abroad as part of their college experience, according to the Institute of International Education.
- SDSU's international business program is among the largest of its kind and ranks within the top-15 international business programs in the nation.
- SDSU's Language Acquisition Resource Center was the first of three and is now one of only 15 sites funded by the U.S. Department of Education to serve as a National Language Resource Center.

Research

- SDSU faculty and staff have been awarded more than \$1.5 billion in external funding since 2000.
- In 2011, a team including SDSU, the Massachusetts Institute of Technology and the University of Washington was awarded an \$18.5-million National Science Foundation grant to develop robotic devices that interact seamlessly with the human body to restore or improve sensation and movement.
- SDSU researchers in the 30,000-square-foot Donald P. Shiley BioScience Center—the first of its kind in the CSU—study the critical nexus of infection, inflammation and cardiovascular disease. Their multidisciplinary approach provides opportunities for mentorship of post doctoral, graduate and undergraduate students.
- SDSU's MS in regulatory affairs – a key area of the biotech industry – is one of only two programs of its kind in the country and is considered the most comprehensive.
- SDSU's annual Student Research Symposium is a two-day event at which participants present original research, scholarship or creative activities. More than 400 undergraduate, graduate and doctoral students participated in 2012.
- Astronomy professor William Welsh is a participating scientist with NASA's Kepler Mission, which has discovered five new planets outside our solar system; and astronomy professor Jerome Orosz has calculated the mass of the notorious black hole Cygnus X-1, shedding new light on its origin.

Aztecs and SDSU

San Diego State University first adopted the Aztec name in the 1920s as a nickname for the college's sports teams. In 1925, the student newspaper followed suit, changing its name from *The Paper Lantern* to *The Aztec*. Since that time, San Diego State's celebration of Aztec heritage has permeated the campus. In 1936, a Donald Hord sculpture of Montezuma II, the last Aztec emperor, became a welcoming campus icon. With the passing years, Aztec themes echoed in the names, colors and architectural elements of new campus buildings. And Aztec culture became the subject of more than a dozen university courses.

In 1941, Monty Montezuma, a character based on Montezuma II, debuted at San Diego State athletic events as a symbolic personification of the Aztecs. Over time, the Montezuma character's look and activities have evolved from a sports mascot into a more dignified and accurate representation of the historical emperor. Montezuma now serves as the university's ambassador of Aztec culture, charged with the responsibility of informing and educating the San Diego community about Aztec civilization. SDSU continues to take pride in its affiliation with Aztec culture and to celebrate the Aztec virtues of strength, valor and intellectual achievement.

SDSU's Aztec Heritage

From the early decades of its history, San Diego State has identified itself with the Aztecs, one of the most sophisticated and distinctive societies in the history of the Western Hemisphere. A fitting choice for a university committed to internationalism and diversity, the Aztec identity evokes great pride in Mexico, as well as among many people in the United States, and certainly within the SDSU community. Consequently, San Diego State strives to honor the Aztec people by enhancing awareness, understanding and appreciation of Aztec culture and achievements.

Aztec History

Aztec civilization dates back to at least the 12th century A.D. The precise location is still debated by scholars, but tradition tells us of a place somewhere north of modern-day Mexico City known at that time as Aztlan, which meant "the place of the cranes" or "the place of the herons." The people who lived in this land were called Azteca meaning "those of Aztlan."

The Azteca eventually left their homeland and

became known as the Mexica. Native folklore attributes this name change to the instructions of the people's patron deity, Huitzilopochtli (Hummingbird on the Left).

Around 1325, the Mexica settled on an island in Lake Texcoco, an area that is now the heart of Mexico City, and named it Tenochtitlan or "the place of the fruit of the cactus." A century later, the Mexica and two other Nahuatl-speaking city-states, Texcoco and Tlacopan, combined to create an entity popularly known as the Aztec Empire.

Boasting a strong military force, this new alliance commanded a sphere of influence that stretched across much of present-day Mexico.

Tenochtitlan and its surrounding valley evolved into a highly sophisticated, multicultural and multilingual city-state of several million inhabitants. At this same time, major European cities numbered only 30,000 to 40,000 in population. A cradle of innovation, the Aztec Empire developed advanced systems of trade, science, politics, religion, education and agriculture. The Aztecs also enjoyed sports and built grand ballcourts to accommodate team events.

Dr. Elliot Hirshman

THREE STRAIGHT NCAA APPEARANCES ► BACK-TO-BACK MOUNTAIN WEST REGULAR-SEASON CHAMPIONS

Dr. Elliot Hirshman

Eighth President of SDSU

Elliot Hirshman serves as president of San Diego State University. He joined SDSU in July 2011, and is only the eighth president in SDSU's 117-year history. Building on a strong tradition, Dr. Hirshman leads a dynamic university community committed to addressing regional, national and global challenges and propelling California and our nation forward. With Dr. Hirshman at the helm, SDSU is advancing as a major public research university, emphasizing academic excellence, student success, community engagement, diversity, and internationalization.

As president, he oversees a talented community of SDSU faculty and staff who are nationally recognized for their research accomplishments, their mentoring of the next generation of leaders and their commitment to addressing our society's challenges. He is currently leading the university's first comprehensive fundraising campaign, a campaign designed to transform the university by supporting student scholarships,

research and innovation and community engagement. The campaign has raised more than \$320 million since 2007.

Dr. Hirshman's career has been distinguished by his dedication to excellence in teaching, research and service. Prior to joining SDSU, he served as provost and senior vice president for Academic Affairs at the University of Maryland, Baltimore County, where he was responsible for the delivery of the academic program, including instruction, research, and academic support services; enrollment management, including admissions and financial aid; and the intercollegiate athletics program.

He began his academic career at the University of North Carolina at Chapel Hill (1989-2000), where he served as assistant, associate, and ultimately full professor of psychology. While at Chapel Hill, Dr. Hirshman was nominated for the American Council on Education Fellows Program, in which he participated as a fellow in the provost's office at Arizona State University.

Subsequently, he served as special assistant to the provost at Chapel Hill.

Dr. Hirshman has a strong interdisciplinary background, having earned his undergraduate degree summa cum laude in economics and mathematics from Yale and his Ph.D. in cognitive psychology at UCLA. His research and teaching focus on the psychopharmacology of human cognition, exploring cognitive and quantitative models of memory, attention and visual perception, and the influence of individual drugs on specific cognitive processes. A fellow of the American Psychological Association, his interdisciplinary work involves collaboration among psychologists, medical doctors, and statisticians.

Dr. Hirshman is married to Jeri Hirshman. The Hirshmans' children Wendy and Nathan are both honors students. Wendy attends Muhlenberg College in Pennsylvania. Nathan attends the University of Virginia.

Jim Sterk enters his fourth season as the University's Director of Intercollegiate Athletics, having already left an indelible mark on San Diego State. He has overseen the most successful three seasons in San Diego State athletic history. In terms of on-the-field accomplishments, the Aztecs have won 17 conference team championships since the beginning of the 2011-12 academic year, and in the classroom, there have been a record number of scholar-athletes on The Mesa. In addition, Sterk oversaw SDSU's record-breaking fundraising campaign this past season.

In terms of competitive success, San Diego State continues to set itself apart, compiling the second-highest combined winning percentage in the country in football and men's basketball since the beginning of the 2010-11 season at 75.7 percent (109-35). SDSU is one of only two schools in the state of California to advance to bowl games each of the last three years (Stanford) and was one of only 17 schools nationwide to have its men's basketball program advance to each of the last four NCAA tournaments.

The overall success of the program can best be demonstrated by the fact that a then school-record nine athletic teams advanced to postseason play and scored postseason points in NCAA competition in 2011-12. Two of those programs - men's golf and women's outdoor track & field - finished among the nation's top 10.

During the 2012-13 academic year, Aztec teams have won 12 conference titles, one year after winning five league titles.

In his tenure, Sterk has watched six different San Diego State sports finish in the top 25 at NCAA championships, including four sports which finished in the top 10 of their NCAA championship.

Since arriving at San Diego State in February 2010, Sterk, 57, has led the Aztec athletic department to fiscal

stability. Despite state cutbacks, he has ended each of his first three years at SDSU in the black, and athletic department fundraising is at an all-time high.

His impact has also been felt throughout the department, as he has hired or extended the contract of 15 current head coaches at San Diego State. The current collection of Aztec head coaches have combined to earn 33 conference coach-of-the-year honors.

Sterk's vision of a program that competes with the nation's best on the field, and one that takes a back seat to no one in the classroom, is well on its way to becoming a reality.

This past April, a school-record 305 individuals were honored as scholar student-athletes at the traditional year-end banquet, bettering the mark set in Sterk's second year on The Mesa.

Sterk came to SDSU from Washington State University, where he served as athletic director since 2000. Prior to his hiring at WSU, he was the AD at Portland State University from 1995 to 2000.

Sterk also has a solid reputation and the respect of his peers across the country. The NCAA recognized him in 2006 as the Division IA Athletic Directors' "Program of Excellence."

He oversaw a period of unparalleled success at Washington State

with historic accomplishments both on and off the field.

In his last three years at WSU, 13 Cougar teams competed in NCAA postseason tournaments, including back-to-back trips by the men's basketball team (2007 and 2008), while women's rowing earned five NCAA championship bids, including a fourth-place finish in 2006, the highest finish ever by a WSU women's team in NCAA competition.

Sterk graduated from Western Washington University in 1980, where he earned four letters in football and one in basketball. He was credited with a school-record 164 tackles during the 1977 season, garnering first-team NAIA District I all-star accolades. He was named team captain and MVP, helping the Vikings to the district championship game. On Feb. 6, 2010, Sterk was inducted into Western Washington's Athletics Hall of Fame for his success in football.

Sterk received his master's degree in sports administration from Ohio University. In addition to SDSU, Washington State and Portland State, his professional career has also included positions at North Carolina, Maine, Seattle Pacific and Tulane.

Sterk and his wife Debra have three children: Ashley (24), Amy (21), and Abby (18).

Media Credentials

Credentials for SDSU home games are issued to working media only and should be requested as early as possible and at least 48 hours prior to tipoff. Requests should be made in writing on company letterhead.

Game credentials will be granted only to daily newspapers and television/radio stations that cover Aztec Basketball on a regular basis. Credentials will be issued on a space-available basis.

Membership in a writers' association does not automatically qualify an individual or outlet for credentials.

There is a limited amount of press seating available at Viejas Arena. Media agencies who would like to cover a SDSU men's basketball game need to contact the media relations office to request media seating.

To confirm receipt of credential requests or to check the status of a credential request, please contact the San Diego State Media Relations Office. All requests for credentials should be emailed to the media relations office at mmay@mail.sdsu.edu.

San Diego State reserves the right to deny media credentials to any individual who is not affiliated with an official news gathering organization.

Non-Originating Radio

Individuals representing radio stations which are not originating the broadcast of the game will be considered on a space-available basis. Requests should be made through the SDSU Media Relations Office.

Scouting Tickets

Due to limited media seating at Viejas Arena, professional basketball scouts must purchase a ticket. Requests should be made to Mike May in the San Diego State Media Relations Office. Scouts are permitted access to the media work room for access to game notes and statistics.

Parking

On game day, media parking is located on the first level of Parking Structure 4 (PS 4), just north of the arena. Game credentials provide admittance to the structure. A parking pass is required and can be obtained through the media relations office.

Do not park in the tunnel entrance lot (Lot L) at any point on game days. Violators will be towed.

Will Call/Media Entrance

Members of the media must enter through the loading dock doors of Viejas Arena located through the L Lot. This also serves as the media will call location.

Media Room

The media room and all postgame activities will be conducted in rooms located underneath the arena seating. Media should exit the tunnel located beneath gate N.

Photographers

Photographers are restricted to either designated areas along the baseline and are not permitted along court-side during the game.

Media Seating

Media will be assigned seats along press row tables located behind the visitor's bench. Please check the media seating chart posted in the media work room.

Seating is extremely limited and a credential does not guarantee a seat in the press area.

Postgame Interviews

Home Games - The San Diego State men's basketball locker room is closed

to the media.

SDSU players and head coach Steve Fisher, following a short postgame radio session, will be available to the media in the postgame interview area on the mezzanine level of Viejas Arena. Typically, players are available between five and 10 minutes following the departure of the team off the court, followed by Coach Fisher.

Only the television network broadcasting the game live may request coaches and players on the court following the game. Those requests must be made through Associate Athletic Director Mike May.

Opponent Interviews at Viejas Arena - Typically, interviews of opposing players/coaches take place outside the visitor locker room. Contact the visiting sports information director for his or her policy prior to the game.

Road Games - The SDSU locker room is closed. Following a brief cooling off period, Aztec players are available for interviews. Fisher will meet with the media upon completion of his postgame radio interview.

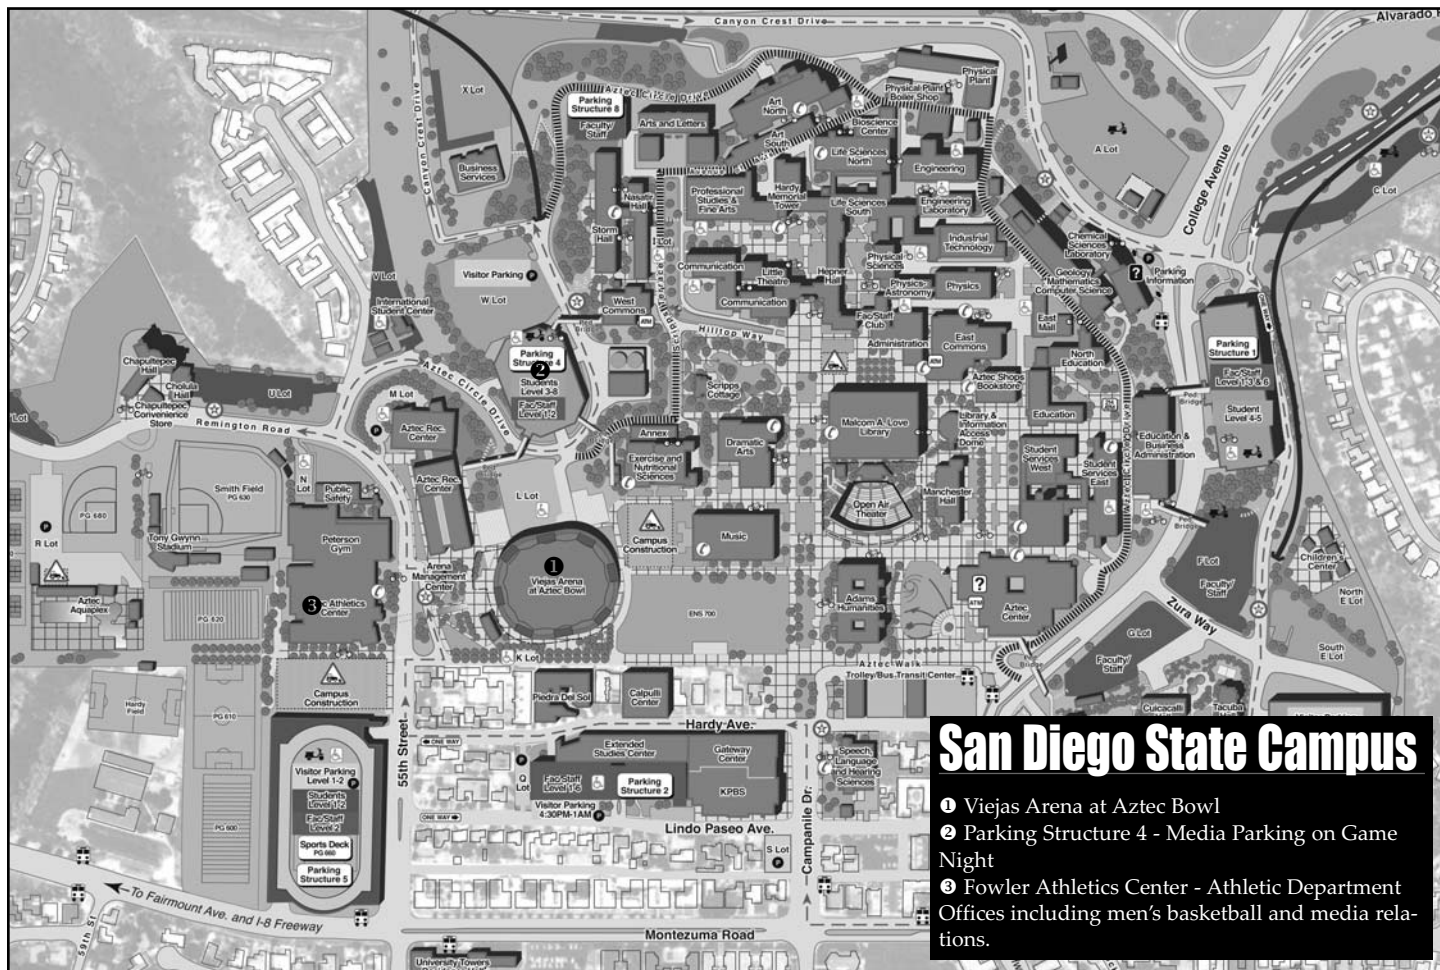

Telephones/Internet

The media relations office provides several charge-a-call phones in the press room off the arena floor. The phones are available on a first-come, first-served basis. For court-side phone service, call Viejas Arena at (619) 594-

Free wireless internet is available inside Viejas Arena and the press room.

Weekly Interviews

All interview requests for Aztec players, coaches and administrators should be directed to the media relations office at least one day prior to the interview.

This season, head coach Steve Fisher and selected players will be available at a weekly news conference to be held in Viejas Arena. Please contact the media relations office for specific dates and times.

Players and coaches are generally available after practices, although media are asked to confirm this through the media relations office the day prior to the interview.

On game days, no Aztec players will be available until the postgame media sessions.

Media Releases

Note packages will be available at least one day prior to each game and in many instances, much earlier.

The game notes will be e-mailed to local and national outlets and posted on San Diego State's official athletic web site, www.GoAztecs.com. If you wish to be added to the distribution list, please e-mail Mike May at mmay@mail.sdsu.edu or call (619) 594-5547.

Pregame packets, including notes and statistics, will be available prior to tip-off. Timeout, halftime and final statistics, plus a running play-by-play, postgame notes and postgame quotes will be provided. Media stat monitors will allow broadcasters access to updated information. Soft drinks will be provided during pregame.

Aztec Access

The official website of San Diego State athletics, www.GoAztecs.com, includes rosters, schedules, statistics, player bios, press releases and game notes. The website is updated daily.

Each game, San Diego State press releases, game notes and statistics are e-mailed to a large contingent of media locally, regionally and nationally. If you would like to be added to the list, please contact Mike May at mmay@mail.sdsu.edu.

Television Partners

The Mountain West has exclusive national television rights agreements with CBS Sports Network and ESPN, Inc. CBS Sports Network is the primary rights holder and 2013 will be the network's eighth year broadcasting Mountain West football games.

On March 20, 2013, the Mountain West and ESPN, Inc. announced a long-term agreement, establishing the network as the second national television partner for Conference-controlled 2013 football and men's basketball games.

Between the two networks, at least 44 football games will be televised annually on their various platforms. The CBS Sports Network and ESPN agreements are scheduled to run concurrently through 2019-20.

ABOUT CBS SPORTS NETWORK

CBS Sports Network televises more than 300 live games and over 2,000 hours of original programming every year. The network telecasts Professional Bull Riding (PBR), live football, basketball and more from the Mountain West, Conference USA, Atlantic 10, as well as Army, Navy and the Patriot League.

CBS Sports Network also delivers exclusive coverage of SEC football, live NCAA® Tournament studio analysis, award-winning original productions and much more. CBS Sports Network is the home of both the National Lacrosse League (NLL) and Major League Lacrosse (MLL).

Throughout the year, the network also telecasts a full slate of original programming such as behind-the-scenes series, documentaries and studio coverage featuring expert analysis, predictions, in-depth interviews and more.

ABOUT ESPN

ESPN, Inc., is the world's leading multinational, multimedia sports entertainment company featuring a portfolio of more than 50 multimedia sports assets. The company is comprised of eight U.S. 24-hour television networks (ESPN, ESPN2, ESPNEWS, ESPNU, ESPN Classic, ESPN Deportes, ESPN 3D and Longhorn Network) and five HD simulcast services (ESPN, ESPN2, ESPNU, ESPNEWS and ESPN Deportes). Other businesses include ESPN Regional Television, ESPN International (35 networks, syndication, radio, digital), ESPN Radio (broadcast, satellite, digital, a growing category led by ScoreCenter), ESPN.com (plus a variety of sport-, college-, and market-specific sites), ESPN The Magazine, ESPN Enterprises and espnW. Multi-screen offerings include WatchESPN (access to several ESPN networks online and via an app), ESPN3 (live multi-screen network available online, on the go and via Xbox LIVE) and ESPN Mobile (mobile Web, mobile TV and video, apps, alerts and messaging). Based in Bristol, Conn., ESPN is 80 percent owned by ABC, Inc., which is an indirect subsidiary of The Walt Disney Company. The Hearst Corporation holds a 20 percent interest in ESPN.

ABOUT MOUNTAIN WEST DIGITAL NETWORK

The Mountain West Conference, in collaboration with Campus Insiders and Volar Video, will greatly expand the video content and reach of its digital network starting in the fall of 2013. Under this unique alliance, the Mountain West will livestream hundreds of its men's and women's sporting events, add branded studio programming, develop sponsorship opportunities and grow distribution on multiple platforms and devices.

Since its launch in October of 2012, the Mountain West Digital Network has provided fans over 500 on-demand videos, while also live-streaming its 2013 women's basketball, baseball and swimming and diving championships. The enhanced network, powered by Campus Insiders and utilizing Volar Video's revolutionary production solution, will continue to provide on-demand video content, as well as live-stream an unprecedented number of events from the league's 18 sports.

Volar Video's proprietary platform features production software that allows for seamless multi-camera switching, full-custom graphics and a high-definition embeddable video stream into custom or existing websites. Mountain West Digital Network content will be free to users and support-

ed by sponsorship and advertising that enables geotargeted commercials through the deployment of mid-roll insertions. The network offers marketers a unique opportunity to reach a targeted audience both regionally and across the country.

All Mountain West programming will be available through CampusInsiders.com, the online destination and leading digital content syndication source for college sports. Campus Insiders, a partnership between Silver Chalice Ventures and IMG College, goes beyond the traditional sports media experience, giving dedicated fans an insider's perspective that

includes behind-the-scenes content, original video programming (including hosts Bonnie Bernstein and Seth Davis), and live streaming events.

The Mighty 1090

San Diego State Athletics and its exclusive multimedia rights holder, Aztec Sports Properties, announced that a four-year agreement has been reached between the San Diego-based BCA Radio and its stations The Mighty 1090 AM, 105.7 FM The Walrus and 1700 AM ESPN Radio.

Beginning with the 2013-14 athletic season, terms of the agreement call for The Mighty 1090 to air all football, men's basketball, select women's basketball and baseball games, and one-hour seasonal coaches' shows. Additionally, 105.7 The Walrus will air all nighttime games and any Aztec game that conflicts with the San Diego Padres. Various broadcasts dedicated to SDSU Athletics and increased promotional opportunities for SDSU Athletics are other highlights of the deal. Aztec Sports Properties, a property of Learfield Sports, oversees all aspects of the Aztec Sports Network.

"We appreciate the opportunity to return to The Mighty 1090 and create a new partnership with 105.7 The Walrus and BCA Radio," said San Diego State Director of Athletics Jim Sterk. "They have outstanding coverage and programming to follow."

"We're happy that The Mighty 1090 and 105.7 The Walrus will serve as our new radio home for the Aztec Sports Network in San Diego," said Aztec Sports Properties' General Manager Jeff Bolitho. "The Mighty 1090 is a 50,000-watt AM station with a sports format. It will be a great fit for Aztec fans and alumni."

BCA Radio's Vice President, Market Manager Norm Feuer commented, "As San Diego's sports leader, we are ecstatic to be the NEW broadcast home of the San Diego State Aztecs. Local sports truly means something in San Diego, and now our community can follow every Aztec pass, basket, and touchdown on our AM and FM stations. We are proud and honored to be their partners. Go Aztecs!"

In addition to San Diego State, Learfield Sports manages multimedia rights and sponsorship for more than 50 collegiate institutions and associations and titles the Learfield Sports Directors' Cup. The company also provides exclusive sports programming to more than 1,100 radio stations throughout the country. For learn more about Learfield's 40-year history and complete collegiate portfolio, visit learfieldsports.com.

Broadcast Company of the Americas (BCA) operates the Mighty 1090-AM Sports, 105.7-FM "The Walrus", ESPN 1700-AM and is the also the flagship broadcaster of the San Diego Padres. BCA and- Compass Radio of San Diego (KPRI-FM) represent the stations to the advertising community, under the umbrella name, "Radio San Diego". The Mighty 1090-AM's 50,000 watt signal effectively reaches all of Southern California.

Viejas Arena at Aztec Bowl

FOUR CONSECUTIVE NCAA TOURNAMENT APPEARANCES ► SEVEN-TIME MOUNTAIN WEST CHAMPIONS

Prior to the 2012-13 season, San Diego State sold out its entire home slate and entering 2013-14, the Aztecs have played in front of 22 straight sell-out crowds. After averaging 12,414 fans in 2012-13, SDSU led the state of California in attendance for the third straight year.

One of the premier on-campus basketball arenas in all of America, Viejas Arena at Aztec Bowl provides a 12,414-seat, state-of-the-art venue while keeping fans close to the floor and part of the action.

Opened in 1997, the facility is the home of San Diego State basketball and provides a venue for university functions, cultural events, concerts and other special-event programming. It features a unique open-air concourse design that allows fans to enjoy the excellent San Diego climate and adds a new experience to attending arena-type events.

The arena is built on the site of the old Aztec Bowl stadium which hosted San Diego State football games as well as other athletic, entertainment and cultural events from the time of its construction in 1936 until 1967.

Built directly into a canyon hillside, Viejas Arena encloses one end of the old horseshoe-shaped Aztec Bowl. Two sections of the stadium's original concrete bleachers and cobblestone walls frame each side of the arena's north entrance. In addition, the university's 10-ton

granite boulder, a California landmark commemorating President John F. Kennedy's 1963 commencement address at Aztec Bowl, has also been placed in this area.

In addition to Aztec basketball contests, Viejas Arena has played host to concerts by such artists as Cher, Eric Clapton, Britney Spears, No Doubt, Barry Manilow and Aerosmith. In spring of 2001, Billy Joel and Elton John opened their world tour with a sold-out show at Viejas Arena.

Viejas Arena seats 12,414 for sporting events. The seating includes the top nine rows consisting of bench seats with the remaining areas as chairbacks. The total seating is approximately 3,935 bench seats and 8,065 chairs. In the special event/concert configuration there are approximately 11,500 seats. All seating configurations are flexible and can be adjusted.

The facility features a state-of-the-art videoboard with video-replay capabilities. The board also includes up-to-the-minute statistical information on individual players.

The facility is equipped with seven locker rooms, two of which are complete with team rooms, equipment rooms, and a shared training

room.

The men's team lounge was recently renovated and now includes three large-screen television sets, individual leather recliners and track lighting.

The Mezzanine Level houses a VIP Room for banquets, pre- and post-game functions, and other formal and informal gatherings. The room consists of a 2,200 square-foot space that can be divided into two rooms of 800 and 1,400 square feet. The 800-square foot area can also serve as an interview room for sporting events.

After serving as host to the first and second rounds of the NCAA men's basketball championship in 2001, the venue was the home of the 2001 NCAA women's volleyball national championship. In 2006, it played host to the NCAA men's basketball first and second rounds, along with the McDonald's All-American High School basketball games. Then in 2009, Viejas Arena was the site for the first and second rounds of the NCAA women's basketball tournament.

This March, the NCAA men's basketball second and third rounds return to Montezuma Mesa.
