SDSU/NCAA Notes

* The Aztecs are making their fifth trip to the NCAA tournament in nine seasons and third over the past four seasons (San Diego State also played in the NCAA tournament in 2001, 2003, 2006 and 2008).

* SDSU is 7-8 all-time at the NCAA's, but three of the eight losses have come at the hands of UCLA. The Bruins, the tournament overall No. 2 seed, wouldn't play the Aztecs until at least the Women's College World Series.

* Senior All-American Erin Floros is the only Aztec in school history to play in three NCAA tournaments (2006, 2008-09). During her sophomore season (2007), Floros missed the final 30 games with a torn ACL in her knee.

* San Diego State has advanced to two NCAA regional finals (2001 and 2006) but has never made it to the NCAA Super Regionals.

* The Aztecs are 7-4 in the tournament when playing as a neutral team (0-4 as the road squad).

* Current SDSU players Erin Floros, Brittany Knudsen and Jessica Camello are among the program leaders in NCAA tournament games. Floros owns the best slugging percentage (.476) in San Diego State NCAA tournament history, while Knudsen leads in career batting average (.333) and Camello in on-base percentage (.429).

SDSU/NCAA History

2001 - SDSU earns the No. 4 seed of six teams in the NCAA Regional I in its first-ever bid to the tournament ... The Aztecs open with two victories, the first over third-seeded Cal State Northridge, 2-0, and the second against No. 5 Wisconsin, 1-0 ... SDSU suffers its first loss, a 3-1, decision to top-seeded and host UCLA before rallying for a 6-1 triumph over Wisconsin to advance to the regional final ... However, the Aztecs couldn't overcome a 14-hit day by UCLA in a 11-0, five-inning setback.

2003 - The Aztecs start as the No. 5 seed of eight teams and fall to fourth-seeded Louisiana-Lafayette, 6-0 ... SDSU bounces back later in the day to down eighth-seeded Rider, 2-1 ... It would be the only win for the Aztecs, however, as No. 3 Oregon held on to a 4-1 victory in an elimination game.

2006 - SDSU earns the No. 2 seed of the four teams at the Los Angeles Regional ... The Aztecs fall, 1-0, to third-seeded Long Beach State in the opener ... San Diego State comes back the next day to down No. 4 Missouri State, 1-0, in an elimination contest ... The following day SDSU extracts revenge against Long Beach State with a 3-1 victory to move on to Sunday's final ... No.1 UCLA, however, would prove to be too much in a 7-0 win on its home field to capture the regional and advance to the NCAA Super Regionals.

2008 - Like 2006, the Aztecs earn the No. 2 seed of four at the Fresno Regional ... Like 2006, however, SDSU drops its first game by a 4-1 margin to eventual region champion California after scoring in the first inning to take a 1-0 lead ... The next day in sweltering heat, C Megan McDonald homers and LHP Christina Ross and RHP Samantha Beasley combine to six-hit Sacramento State in a 7-1 San Diego State win ... However, the Aztecs could only muster four hits later on in the day against Fresno State LHP Morgan Melloh in a 2-0, 11-inning loss which ended SDSU's best season ever at 44-17.

A Look at Arizona State

Arizona State comes into this year's NCAA tournament as the defending national champion. The Sun Devils (40-16), who are ranked No. 9 and No. 12 in the USA Today/NFCA and ESPN.com/USA Today national polls, respectively, earned the No. 10 overall seed after finishing 10-11 (sixth place) in the competitive Pac-10.

Kaitlin Cochran leads the team in a host of categories, including batting average (.422), runs (59), home runs (20), total bases (125), slugging percentage (.977), walks (57), times hit by pitch (13), on-base percentage (.620) and stolen bases (14). Jessica Mapes (.394, 41 R, 65 H) and Katelyn Boyd (.333, 52 R, 15 2B, 9 HR, 54 RBI) have also been big contributers for a team that collectively has a .323 average and 83 home runs. Hillary Boyd (24-9, 3.23 ERA, 203.2 IP) leads the pitching staff.

SDSU trails the all-time series between the two schools, 27-8, including an eight-inning 3-1 loss in Tempe a year ago. In that game, current senior Tonye McCorkle accounted for the team's only run with a solo homer in the fourth.

Noting LSU

The Tigers own a 32-16-1 record after finishing 15-10-1 in the SEC for second in the West Division. LSU is ranked No. 23 in both polls and is the No. 2 seed in the Tempe Regional.

Kirsten Shortridge leads the team in batting average (.429), at-bats (175), hits (75), triples (2, tied), total bases (93), slugging percentage (.531), on-base percentage (.474) and stolen bases (25). Jazz Jackson (.323) and Rachel Mitchell (.321, 11 2B, 37 RBI, 30 BB) are also hitting above .300 for the .283-hitting Tigers. The Louisiana State pitching staff is led ERA wise by Casey Faile (6-3, 1.93 ERA, 2 SV, 50.2 IP). However, it is Cody Trahan (11-6, 2.31 ERA, 139.1 IP) and Brittany Mack (11-4, 2.36 ERA, 103.2 IP) who have done the bulk of the pitching in the circle.

SDSU and LSU have never met. This season, the Aztecs are 0-1 against teams from the SEC after falling to NCAAbound Kentucky, 6-4, on Feb. 20 in Lafayette, La. In Lafayette, San Diego State also dropped two games against the host Rajin' Cajuns that same weekend.

A Glance at Cal State Fullerton

The Titans earned an at-large selection into the NCAA tournament after going 29-19 overall and 17-4 in the Big West. Cal State Fullerton, which earned the No. 3 seed in the Tempe Regional, will be making its 25th NCAA appearance in 28 tries and will look to better its 0-2 mark in postseason play a year ago.

Courtney Martinez is the team's top batter with a .323 average (30-for-93), 20 runs and five home runs. Frances

SDSU's Bailey Micetich Named MWC Freshman of the Year

San Diego State^Ts Bailey Micetich (Woodland, Calif.) was named the Mountain West Conference Freshman of the Year, the league announced Monday morning. Micetich was joined on the all-MWC team by sophomore Samantha Beasley (San Diego/Steele Canyon HS), senior Erin Floros (San Diego/Mt. Carmel HS), senior Tonye McCorkle (Santa Ana Heights, Calif.) and junior Brittany Knudsen (San Diego/Escondido HS).

Micetich became the fourth Aztec to earn Freshman-of-the-Year honors in the conference's 10-year history and first since Floros picked up the award in 2006. In conference play, Micetich went 7-2 with a league-low 1.09 ERA in 57 2/3 innings. She also topped the MWC in wins, and was second in opposing batting average (.203) and innings pitched. On the season, Micetich is 19-6 with a 1.49 ERA over 173 2/3 innings. Micetich, who earlier this season set a school record with 15 consecutive victories, recorded 177 strikeouts to 34 walks for a 5.21 strikeout-to-walk ratio.

Beasley went 3-3 in league action with a 2.14 ERA over 49 innings while leading the league with 59 strikeouts. She also ranked among the top five in the conference in ERA, opposing batting average (.228), innings pitched, wins, saves and games started. Overall in 2009, Beasley is 14-12 with a 1.98 ERA (third in MWC) in 184.0 innings (third in MWC), while ranking first in the conference with 223 strikeouts (second in school history). Beasley, who has been named the MWC Pitcher of the Week four times this season, picked up her first all-MWC accolade of her career.

Floros, the first All-American in school history (2006), picked up her third all-MWC selection in three chances (missed 2007 MWC season with torn ACL) after batting .375 with two home runs and 15 RBI. She also had a perfect fielding percentage in a league-high 119 chances, while posting impressive marks in slugging percentage (.542) and on-base percentage (.446). On the season, Floros leads the team in batting average (.358), home runs (4), RBI (30), slugging percentage (.514), on-base percentage (.433) and fielding percentage (1.000).

McCorkle wrapped up her two-year MWC career in fine fashion with top-five marks in stolen bases (6, first), batting average (.438, third), on-base percentage (.481, third), hits (21, third) and triples (1, tie-third). Overall, McCorkle is hitting .312 and leads the squad in at-bats (157), hits (49), total bases (66), stolen bases (11, tied) and multi-hit games (14). It is the first all-MWC selection for McCorkle, who was named the Big East Co-Rookie of the Year in 2006 en route to garnering all-Big East accolades while at Syracuse.

Knudsen earned her second all-MWC honor after finishing the conference on a tear, hitting .432 with five doubles over her final 10 games. In MWC action, Knudsen hit .365 while tying for league lead with six doubles. She also scored nine times in 15 games and had seven walks for a .459 on-base percentage. Overall in 2009, Knudsen is batting .312 with team bests in runs (22), doubles (13), walks (27) and stolen bases (11, tied). Knudsen, the all-time school leader in walks (78), despite being a junior, has started the past 150 games at SDSU dating back to the 2007 season.

Three Former Aztecs Named to MWC 10th Anniversary Softball Team

Three former San Diego State softball players have been named to the Mountain West Conference 10th Anniversary Softball Team, the league announced on April 1. Sarah Hershman (San Diego, Calif./Mt. Carmel HS), Christina Ross (Santa Clarita, Calif./Valencia HS) and Celena Velasquez (Tucson, Ariz./University HS) were each picked for the team, giving the Aztecs three on the 11-player squad, which tied Brigham Young for most in the league.

The team was selected by a combined panel of media, institutional and conference personnel and online fan poll. In order to be eligible for consideration, candidates must have been an all-Mountain West selection at least once in their careers.

Hershman, who lettered four years at SDSU from 1999-2002, was a three-time selection (2000-02) on the all-MWC team as a second baseman and a two-time NFCA all-West Region second-team pick (2001-02). Hershman was named to the MWC all-tournament team in 2001 and was honored as the conference's player of the week on Feb. 26, 2002.

Hershman is ranked among all-time school leaders in games played (second, 235), games started (second, 229), atbats (third, 685), hits (third, 212), RBI (third, 97), total bases (third, 281), fielding chances (third, 1,061), runs (fourth, 102), stolen bases (fourth, 50), assists (fourth, 370), extra-base hits (fourth, 43), singles (fourth, 169), doubles (tied-fourth, 26), triples (tied-fourth, 8), putouts (seventh, 654), home runs (tied-seventh, 9), batting average (eighth, .309), OPS percentage (ninth, .768), stolen base percentage (ninth, .820), hardest to strike out (ninth, 1K/12.92 at-bats) and slugging percentage (10th, .410).

A three-year pitcher from 2006-08, Ross was a two-time MWC Pitcher of the Year (2006 and 2008) and three-time all-MWC selection (2006-08), while picking up NFCA all-West Region honors twice (2006 and 2008). Ross, who became the second All-American in school history when she was selected to the Easton-Bell Sports second team in 2008, set a league record with 12 career MWC Pitcher of the Week awards, including a conference record eight during the 2008 campaign. Ross also earned MWC all-tournament team honors during the final MWC postseason tournament in 2006.

Ross, who played for Kansas in 2005, holds three school records, including solo shutouts (since 1999) (23), total shutouts (28, tied with Sandra Durazo) and strikeouts (612). She is also ranked among the career leaders in wins (second, 70), win percentage (second, .660), games started (second, 96), complete games (second, 72), innings pitched (second, 691.2), saves (third, 6), strikeouts per seven innings (fourth, 6.19), strikeout-to-walk ratio (fourth, 3.97), appearances (tied-fourth, 129), lowest opponents batting average (fifth, .218), ERA (seventh, 1.50), fewest walks per seven innings (ninth, 1.56), and WHIP (BB +H/IP) (ninth, 1.04). Last year, Ross set Aztec single-season records in wins (30, tied with Durazo from 2001), appearances (52), total shutouts (14) and strikeouts (275).

The only four-year all-conference selection in Aztec history, Velasquez (2003-06) also earned the MWC Pitcher of the Year award on two occasions (2003-04), while garnering academic all-MWC accolades from 2004-06. A two-time NFCA all-West Region second-team honoree (2003-04), Velasquez was named the MWC Pitcher of the Week 11 times, while being picked to the MWC all-tournament team in 2003.

Velasquez still holds three records at SDSU, including saves (12), fewest walks per seven innings (0.98) and strikeoutto-walk ratio (6.45). She is also among the program leaders in appearances (second, 138), solo shutouts (since 1999) (second, 20), wins (third, 55), win percentage (third, .647), strikeouts (third, 529), strikeouts per seven innings (third, 6.33), lowest opponents average (third, .211), total shutouts (third, 25), WHIP (BB + H/IP) (third, 0.92), games started (sixth, 82), innings pitched (sixth, 584.2), complete games (eighth, 46) and fewest hits allowed per seven innings (eighth, 5.46). Five of Velasquez' season records still stand, including win percentage (.762 in 2004), solo shutouts (since 1999) (10 in 2005),

saves (6 in 2005 - tied with Bre DeSanta (2002), strikeout-to-walk ratio (10.05 in 2005) and lowest opponents average (.174 in 2005).

Last Week With the Aztecs

The San Diego State softball team banged out 12 hits en route to a 7-1 victory over UNLV on May 9 at SDSU Softball Stadium. The Aztecs improved to 33-18 with the win and 10-5 in the Mountain West Conference, including a 3-0 record against the Rebels (31-19, 7-8 MWC) this season by a combined 14-2 margin.

Sophomore Jessica Camello (Temecula, Calif.) led the hit barrage with a 3-for-3 day at the plate, including a double, two runs and an RBI. Senior Tonye McCorkle (Santa Ana Heights, Calif.) added three hits and an RBI, while senior All-American Erin Floros (San Diego/Mt. Carmel HS) drove in three runs. Redshirt junior Monica Alnes (Rancho Palos Verdes, Calif.) (2-for-2, run, walk) and junior Brittany Knudsen (San Diego/Mt. Carmel HS) (2-for-4, two runs) also added two hits apiece for San Diego State.

Meanwhile, the Aztec pitching staff again came up with a good outing in the circle. Freshman Bailey Micetich (Woodland, Calif.) (19-6) was perfect through five innings and ended the game with one run and three hits allowed over six frames. She struck out three to lower her ERA to 1.49 on the season. Sophomore Samantha Beasley (San Diego/Steele Canyon HS) pitched a perfect seventh with one strikeout.

SDSU scored the first four runs of the game beginning with McCorkle's single in the bottom of the first inning that scored Camello.

San Diego State used a little bit of small ball in the third to get its second run across. Knudsen reached on a one-out infield single and moved to second on a sacrifice bunt by Camello. Floros followed with a single to left to score Knudsen, which proved to be the game-winning play.

The Aztecs tacked on two more scores in the fifth. The first came on a sacrifice bunt by Floros that scored Knudsen and the second came when Camello took advantage of one of four UNLV miscues and scored from third on a throwing error by catcher Laura Briones.

The Rebels answered in the sixth off a Marissa Nichols single that scored pinch runner Korin Cuico.

SDSU put the game out of reach, however, with a three-run sixth, highlighted by an RBI single by Camello and a sacrifice fly by Floros.

SDSU's Bailey Micetich Named MWC Pitcher of the Week

San Diego State's Bailey Micetich (Woodland, Calif./Pioneer HS) has been named the Mountain West Conference Pitcher of the Week, the league announced Tuesday. It is the third weekly honor for the freshman, $\frac{\mathbf{D}}{2l}$ seventh pitcher of the week accolade by an Aztec this season and ninth weekly award (pitcher or player of the week) by an SDSU player this year.

Micetich, who was named the MWC Freshman of the Year and to the 3/ all-conference team on Monday, got the win in San Diego State's only 3 game last weekend, a 7-1 victory over UNLV on Saturday. She limited a 3/ Rebel team who came into the game with a .307 batting average and 47 home runs to just three singles. Micetich, who was perfect through five $\frac{3}{4}$ innings, also struck out three in six innings of work without yielding a 4 walk.

On the season, the righthander is 19-6 with a 1.49 ERA over 173 2/3 4/ innings. Micetich, who earlier this season set a school record with 15 con- 5/ secutive victories, has recorded 177 strikeouts to 34 walks for a 5.21 5/ strikeout-to-walk ratio. Ξt

* Eight of SDSU's 18 losses have come against nationally ranked schools, including five against top-10 and Pac-10 teams. The nationally ranked losses have come at No. 4/4 UCLA (in extra innings), No. 20/18 Louisiana-Lafayette (twice) and No. 5/6 Stanford, and at home against No. 10/7 Washington, No. 8/8 Stanford, rv/No. 24 Long Beach State and the No. 4/3 Bruins once again. The other losses came against Cal Poly, a team it had beaten the day before and is currently ranked in both national polls, Kentucky, which earned a bid to the NCAA tournament and where SDSU committed three errors, Illinois State, where Aztec pitcher Samantha Beasley allowed just two hits in a 1-0 loss, Cal State Northridge, where SDSU was playing its seventh game in five days, Texas Tech, where the Aztes committed a season-high four errors, New Mexico, where San Diego State had three errors and managed just three singles against a 2-11, 6.22 ERA pitcher, at Colorado State, where the Aztecs left two runners in scoring position with no outs in the third that came back to haunt them in a 7-4 loss, and three two weekends ago against Utah and Brigham Young (twice), where SDSU left a combined 26 on base.

* Of those eight losses to nationally ranked squads, four have come against All-American pitchers. In fact, SDSU had to face three of those pitchers in consecutive games to end the Campbell/Cartier. The Aztecs lost to Washington's Danielle Lawrie (2008 Canadian National Team member and 2007 NFCA first-team All-American), Stanford's Missy Penna (2008 NFCA third-team All-American) and Long Beach State's Brooke Turner (2008 NFCA second-team All-American). Penna beat San Diego State once again on March 7 in Palo Alto, Calif.

* San Diego State has five losses against teams currently ranked in the top five - No. 2/2 UCLA (twice), No. 3/4 Washington and No. 5/5 Stanford (twice).

* In addition, two of the Aztecs' other losses (and one win) came against MWC champion Brigham Young, which is receiving votes (like SDSU) in both national polls and in the NCAA tournament.

* Of the 18 losses on the season, seven have come against pitchers who were named to the 2009 USA Softball Player of the Year Watch List. Besides Lawrie, Penna (twice) and Turner, SDSU also had to face UCLA's Megan Langenfeld (twice) and Louisiana-Lafayette's Ashley Brignac.

* Of the 18 losses on the season, four have come against teams who made the Women's College World Series a year ago (UCLA (twice) and Lousiana-Lafayette (twice)). SDSU plays national champion Arizona State on Friday to open NCAA's.

The Aztecs have also had two of their games canceled because of rain - the Feb. 6 opener against Indiana and Feb. 21 vs. Connecticut. Last year, SDSU one-hit Indiana in a 8-0 shutout and this year, San Diego State one-hit UConn in a 2-0 victory on Feb. 20. Both games would have been most likely won by the Aztecs.

Offensive Notes

After batting .192 over the first 14 games (6-8) of the season, and averaging just 2.36 runs per game, SDSU has batted .285 over its last 37 games (27-10) and have scored 4.30 runs per contest ... The team is collectively reaching base safely 37.8 percent of the time (131-for-347) when leading off an inning ... The Aztecs are 26-1 when outhitting their opponents this season (7-16 when outhit, 0-1 when tied) ... SDSU is 28-5 when scoring first and 8-2 when scoring in the first inning ... The Aztecs are 18-0 when scoring five or more runs, 22-2 when scoring four or more and 23-1 when leading after five innings ... To show how San Diego State's speed creates chaos on the basepaths, SDSU has reached base 54 times because of an error while its opponents have reached just 30 times ... Two Aztecs - CF Brittany Knudsen and SS Jen Wisneski - have started each game this season ... Knudsen has started the last 150 games, dating back to 2007, while Wisneski has 107 straight starts, dating back to the 2008 campaign ... Despite being a junior, Knudsen is the all-time school leader in walks (78) ... In SDSU single-season history, Knudsen has 27 walks and 13 doubles, one away from tying the school record in each category ... C Erin Floros is batting a remarkable .429 (27-for-63) with runners on base, while the rest of the team is 163-for-626 (.260) ... Despite missing 14 games, Floros leads the team with seven multi-RBI games ... LF Tonye McCorkle leads the squad with 14 multi-hit contests ... McCorkle (13 games from March 21-April 26) and 3B Taryin Casillas (10 games from April 5-26) each had the longest hitting streaks by an Aztec this season ... Knudsen (17-for-36, .472) and Floros (18-for-41, .439) have been the best on the team with two outs ... Floros (15) and RF Dani Sidoti (11) each lead the team in 2-out RBI ... The No. 8 position in the batting order has been the most consistent this season, posting a team-best (including pinch-hitters) .297 (38-for-128) average ... SDSU's best inning of hitting (.319) and scoring (37 runs) this season has been the fifth.

Defensive Notes

SDSU has a .970 fielding percentage, which leads the Mountain West Conference and is ranked 32nd in the nation ... The school record is .973, set during the 2001 season ... The Aztecs are also tied for 87th in the country with 0.29 double plays per game ... C Erin Floros, who owns SDSU's all-time best fielding percentage at .993, has a perfect fielding percentage this season in 272 chances, the most chances in the league with a 1.000 mark ... Other fielders who have yet to committ an error on San Diego State include C Sydney Fleming (90 chances), RF/1B Dani Sidoti (53), RHP Samantha Beasley (41), OF Katy Erickson (9) and OF Stefanie Quichocho-Rosario (3) ... SS Jen Wisneski's .949 mark is well above last year's .917 percentage ... Beasley owns a perfect 1.000 fielding percentage in 63 career chances (41 in 2009) ... 1B Monica Alnes owns a .976 career mark, which ranks 10th in school history.

Pitching Notes

RHP Samantha Beasley is tied for first in the nation with six saves ... The six saves are tied with Celena Velasquez (2005) and Bre DeSanta (2002) for the most in a season in program history ... RHP Bailey Micetich is 40th in the country with a 1.49 ERA ... The pitching staff ranks no worse than second in the MWC in any category, while leading the league in ERA (1.74), strikeouts (400, tied), fewest walks allowed (93) and WHIP (BB + H/IP) (1.07) ... After striking out seven over her first 15 innings (3.27-per-seven innings), Micetich has struck out 170 over her last 158 2/3 innings (7.50-per-seven innings) ... Beasley has shown similar improvement from 11 in her first 13 innings (5.92-per-seven innings) to 212 over her last 171 frames (8.68-per-seven innings) ... The staff also broke last year's school record with 400 strikeouts this year ... However, this year's staff has accomplished the feat in 51 games (7.84 per game), while last year's group had 394 in 64 games (6.16 per game) ... The duo has also done a much better job of keeping the ball in the park. In the first nine games of the season, the staff allowed nine home runs in 64 innings, or 0.98 homers every seven innings ... The worst part about the ball leaving the park is that only three were solo home runs (one grand slam, two three-run HR's and three two-run HR's) ... They have done much better the last 10 weeks, allowing just 11 (eight solo) over 293 2/3 innings of work (0.26-per-seven innings) ... Beasley has eight double-digit strikeout games this season, while Micetich has four ... Micetich's 15-game win-

ning streak from Feb. 27-April 25 was a school record ... Micetich has put together two impressive scoreless streaks (38.0

Pg. 6 • 2009 SAN DIEGO STATE SOFTBALL

from Feb. 27-March 13 and 32.1 from March 21-April 24).

Backstop takes crack at coaching By Nicole Vargas San Diego Union Tribune Feb. 7, 2009 (Floros, Knudsen, Nuveman, Van Wyk)	Nuveman has appreciated that Van Wyk has allowed her to step into such a sig- nificant role in working with the offense.
Crouched behind home plate, playing catch with the best pitchers in the game on the world's grandest stage, Stacey Nuveman said she never saw the path leading toward coaching.	"When it comes to practice, she allows me to bring the knowledge I have and share what I know," said Nuveman, who takes as much pride in fine-tuning the skills of the starters as she does in molding the reserve players.
But as the twilight of her playing days approached, the three-time U.S. Olympic softball standout was warming up to idea of taking all that she had learned from playing at the highest level and sharing it with others.	With the start of the season coming this weekend at a tournament at UCLA, weather permitting, that knowledge is paying off.
Said Nuveman: "I wanted to show people I'm not just a player."	"I've been playing 14, 15 years and I could have sworn I've heard everything," Floros said. "We can already see our swing improve."
Before the 2008 Summer Games in Beijing, Nuveman applied for an open job at perennial powerhouse Arizona. On her application, the UCLA alumna listed Bruins Hall of Fame coach Sue Enquist as a reference.	And Nuveman is almost giddy about the season's start, especially considering it will come at her alma mater.
When Nuveman called to let her know, Enquist didn't let her off the phone with- out telling her about another job opening, this one at San Diego State.	"It's where I became me," Nuveman said. "To go back as a freshman coach, it's very apropos."
Enquist talked about how SDSU was a program on the rise, a place where a young coach could go in and immediately make an impact on a campus with top-	That, though, doesn't diminish her drive to coach the Aztecs to victory, whether it be at UCLA, in Mountain West play or in the NCAA Tournament. At about the same time on the campus of San Diego State, a handful of Aztecs players had been recruited to aid in the process of selecting an assistant on the staff of longtime head coach Van Wyk.	It's a chilly Thursday night and the San Diego State softball team has a 3-0 lead heading into the bottom of the eighth inning.
One candidate's name stood out above the rest: Stacey Nuveman.	Bailey Micetich has pitched a gem up to this point and the Utah State lineup has only been able to muster one hit.
"We all knew who she was," said Erin Floros, an All-American who, like Nuveman, played catcher. "We were in awe she would want to coach for us."	While many freshman athletes may be nervous in this kind of pressure situation, Micetich appears just as calm and confident as she was when she threw out the first pitch.
The athletes knew Nuveman would add instant credibility to the program, which has won Mountain West Conference titles four times in the past seven years.	"I flash back to games to remember how I pitched and how I felt," Micetich said.
And after seeing her program advance to the NCAA Tournament Regional multi- ple times only to fall short of a Super Regional time and again, Van Wyk saw the potential to fill an offensive void under the guidance of Nuveman.	"And just my mentality, I try to stay the same, keep the same pace through all the games." This concentration paid off for Micetich, as she stayed focused after a homerun
As a collegian, Nuveman set NCAA records for home runs (90), slugging percent- age (.945), walks (240) and intentional walks (81). All four of the records set by	by Utah State shortstop Jasmine Harris to record her first complete game along with a career-high 13 strikeouts.

"But it was awesome having a high school career like that and I want to be able to pursue something like that in college. I want to strive for that, I want to top that."
Added Van Wyk: "There's nobody better."	While Micetich has the talent to achieve that kind of success, it's not going to be as easy as it was in high school. Micetich will be facing the best hitters in the

Nonetheless, she doesn't lack determination and sees mental preparation as being key every time she steps into the circle.
Although Nuveman and her son, Chase, are living locally, her husband, Mark Deniz, a prosecutor with the Tulare County District Attorney's Office, has yet to find a job in San Diego.	"I just want to help my team, get my team as far as we can go," Micetich said. "Just do all I can do, do my part because I can't hit, so I got to do my part on the field and get my outs. By David Pope | The Daily Aztec "Our schedule is not as tough this year as it was last year, definitely, but I think Feb. 19, 2009 (Beasley, Van Wyk) that is by design a little bit because of our young pitching staff," Van Wyk said. SDSU copes with loss of star

By Beau Bearden | The Daily Aztec March 5, 2009 (Fleming, Floros, Van Wyk, Wolf)

Erin Floros wasn't feeling very good.

Was it food poisoning? The senior catcher thought. It can't be another injury keeping me out of the softball season, can it? She remembered thinking.

After seeking advice from her friends, she discovered what it was.

"I had a couple of friends who have had (appendicitis) before," Floros said. "So, they told me the symptoms and I was like, 'uh oh, I think I might have it."

Floros did have appendicitis and was forced to miss the San Diego State softball team's trip to the Mardi Gras Invitational in Lafayette, La. on Feb. 20 because of emergency appendectomy surgery.

While it may not have taken as much out of Floros as her ACL surgery two seasons ago, it still wasn't easy to cope with.

"I was kind of disappointed, especially because it's my senior year," Floros said. "And it always happens during season, nothing else happens at the off-season. So, it was just really frustrating and I'm just sick of dealing with it."

Although the experience was tough, it has helped Floros see the progress her team has made. In particular, she's been pleased with what redshirt junior catcher Sydney Fleming has done in her absence.

Head coach Kathy Van Wyk shared those feelings, saying Fleming has done very well. In five starts this season, Fleming is hitting .364 and plated the game-winning RBI in a 1-0 win against USD on Feb. 25.

"It's just really exciting to be able to step up because Erin has huge shoes to fill and it's nice to actually do something to help the team," Fleming said. "So, I'm excited. I have been waiting a long time to play, it kind of sucks that it happened this way, but I stepped up and I'm ready to take some people on."

Fleming hasn't been the only one filling in for the injured former all-American though; Traci Wolf has also been in the mix. The sophomore has a .280 average in 15 games and is starting to make an impact.

"I would like to say I'm proud of myself that I could come into a situation like this and still succeed, even though I wouldn't consider myself a starter or a set-position," Wolf said. "So, I'm glad I was able to come into this situation and be successful for our team."

And with Floros expected to be out for two more weeks, Fleming and Wolf will need to continue their success to keep the team on track.

"Right now, we're just taking it one inning at a time; we're not even going one game at a time," Van Wyk said. "We're going one inning at a time, we've got set goals we want to work on and that has been working for us. So, we're going to just continue with the focus on that and keep (going with) very small steps and (with) those things put together, we'll be just fine."

New to the Aztecs, Wolf has no problem fitting in

By Beau Bearden | The Daily Aztec March 11, 2009 (Wolf)

Traci Wolf has only been a part of the San Diego State softball team since mid-January.

Though, if you ask the sophomore catcher, the transition to SDSU was "surprisingly, not difficult at all." With a look at her numbers, it's no wonder why Wolf didn't have trouble adjusting.

At Antelope Valley College in Lancaster, Wolf led the Marauders to a 14-0 record in league play behind team-highs in runs, triples, walks and stolen bases.

If there is one thing Wolf did have to get used to, it didn't come on game day.

"The practices and workouts are definitely a lot harder," Wolf said. "You can't compare what I was doing at AVC to what I'm doing now."

Currently, Wolf is hitting .265 in 13 starts for the Aztecs, and has batted in three runs on the season. In head coach Kathy Van Wyk's mind, Wolf has been swinging the bat well and has started to settle in.

"I still feel that I'm a little behind, (but) I've only been here since mid-January. So I still have a lot of catching up to do," Wolf said. "Only hard work and time can take care of that. And I feel that I've come a long way since I've been here."

While SDSU (12-11) prepares for seven games throughout the next five days, Wolf's progress is sure to play a role in the team's success.

The Aztecs begin action with a single game against South Dakota State tonight at 6 p.m. before opening against Miami (Ohio) in the San Diego Classic II tomorrow at 7 p.m.

SDSU will look to Brittany Knudsen to continue her recent success at the plate, as the junior outfielder leads the team with .242 average in 23 starts this season.

After a good performance in last year's Classic, Knudsen is going to keep it simple.

"I just think I need to go out there and just do what I know how to do," Knudsen said. "And it will get done."

Freshman pitcher Bailey Micetich will also be looking to build on her strong start. Micetich has pitched 28 scoreless innings and looks to extend the streak on Thursday against the RedHawks. And with league play right around the corner, the momentum that the team gains over the next few weeks could go a long way in helping the Aztecs repeat as MWC champs.

"(In) the South Dakota State game, I think we're just going to go in and give people a chance to get some more at-bats and settle in," Van Wyk said. "And maybe, hopefully, help the stats out a little bit and build the confidence because that's the point right now."

Camello blossoms into everyday player

By Beau Bearden | The Daily Aztec April 9, 2009 (Camello)

Out on the softball diamond, Jessica Camello enjoys the game just like the rest of her teammates on the San Diego State softball team.

However, this was not the case when the sophomore second baseman first stepped onto the field at SDSU.

"I was nervous because I was playing with a whole new group of girls and most of them had been playing at the college level," Camello said. "It took a while for me to feel comfortable, but the girls were so accepting and made me feel welcome."

While this may have been the case, Camello still found success in her first game against UC Davis on Feb. 9, last year, when she scored a run in an 8-2 victory.

The following day against Portland State, Camello made her first career start and went 3-for-3 with two runs scored in a 6-0 win. She continued to find early success with her first stolen base against Indiana in the Campbell/Cartier Classic the following weekend.

Camello would finish the season playing in 26 games with a .257 batting average along with eight runs scored.

Her freshman campaign may have been over, but Camello kept working.

With the help of assistant coach Stacey Nuveman, she improved immensely at the plate. So much so, that head coach Kathy Van Wyk put Camello in the starting lineup in the Aztecs' first game against Pacific on Feb. 7 this season.

Camello continued to gain confidence in her starting role and demonstrated it in

However, Camello began to struggle at the plate on March 7 against UC Davis and was unable to get a hit in her next 26 at-bats. "I was very frustrated, but I just had April 23, 2009 (Casillas) to work through it. Would she shut down and give up the game she loved or persevere and break through the 0-for-26 slump with a 2-for-3 performance against USD on April play softball again? 1. The choice she made, however, would affect more than just her future. Camello's success couldn't come at a better time for SDSU, as it has a slate of MWC games this weekend. Casillas was in the midst of raising a newborn daughter and wondered if playing for the San Diego State softball team would be the best thing for her baby, "(We need to) just continue to play the way we have been," Camello said. "The Taryina. pitchers have been doing great and the team has been hitting really well." "If I'm going to be gone for five hours a day, I want to make it worth my while," On Tuesday night at the SDSU Softball Stadium, freshman Bailey Micetich and Casillas said. "I don't want to leave my daughter for three days while I'm out of sophomore Samantha Beasley combined to pitch a three-hitter to lead the Aztecs town and play crappy. So I had to force myself to look at the positives." The offense, however, has started to come together as of late and head coach Kathy Van Wyk sees this being key for SDSU. Life didn't get any easier for Alnes, as the injury took away a significant part of her daily routine. Before hurting her back she was running, lifting weights and practicing softball. But seven months later, she couldn't even jog. "(Last weekend against Utah), we slowed ourselves down, we stayed back and we were able to go to the opposite field," Van Wyk said. was just as successful, as she hit .369 in 160 at-bats and earned Big East Co-Rookie of the Year honors.

McCorkle continued to be consistent the following year and ended the season with a .303 batting average in 152 at-bats. But Syracuse was headed in another direction when a new coaching staff arrived during McCorkle's sophomore year.

"They wanted to start their own team," McCorkle said. "So, about six of us left and I had to make a decision to either stay out of California or come home where my family and friends were."

McCorkle wanted to be near people she trusted, and home definitely provided that.

So she returned to Southern California to attend San Diego State and play softball for head coach Kathy Van Wyk. It wasn't a particularly smooth transition, though, as McCorkle had to get acquainted with a new softball system and a new way of thinking.

While this may have tested her character, she didn't show any signs of struggle in her first season on Montezuma Mesa posting a .310 batting average. This year, McCorkle continues to step up for SDSU and her guidance is a significant part of the team.

"I've been more of a verbal leader this year than I have in the past," McCorkle said. "So, I try to do the best I can and my goal is to do what I do best and hope-fully that will transpire to other people."

And with the Aztecs squaring off against Utah tonight, and three straight games against BYU throughout the weekend, McCorkle will be depended on even more as SDSU (31-15, 8-2 in the Mountain West Conference play) looks to gain ground on the first place Cougars (34-14, 7-0 in MWC play).

"Our team has played better teams than BYU," McCorkle said. "It's just depending on how we come out fighting and how much we fight through each game, that's the bottom line."

Aztecs' postseason hopes hinge on final homestand

By Nicole Vargas | San Diego Union Tribune April 30, 2009 (Beasley, Floros, Van Wyk)

As a freshman on the San Diego State softball team, Samantha Beasley had the luxury of learning the ropes at the college level behind the best pitcher in the Mountain West Conference.

As All-America Christina Ross was engineering one of the best seasons ever by an Aztecs player, Beasley was building the foundation for her own success, finishing off her freshman campaign with an 8-2 record and a 1.94 ERA in just more than 75 innings.

"Sam has a very unique approach," head coach Kathy Van Wyk said of the Steel Canyon High grad. "She is as goofy as they come. But when it comes down to it, there's nobody more competitive."

A season later, Ross was gone, and left on the roster were Beasley and true freshman Bailey Micetich.

Expectations, though, weren't any lower, with SDSU the early favorite to once again win the league behind its rookie-turned-veteran.

"I have only been here one year, but because I have been here one year, I have to step up," said Beasley, who admitted that her new role has forced the fun-loving sophomore to mature quickly.

"You have to be the leader and carry the team and go with the mentality that you are going to do the best you can no matter how old you are."

Still, some questioned whether the Aztecs' young pair of pitchers could lead SDSU to their third regular-season title in four years.

"Going into this year, I think all of us were a little bit nervous about how they would end up doing," senior catcher Erin Floros said. "But I see them improve every day, especially Sam. If she keeps improving as much as she has from last year to now, she's going to be amazing her senior year. I'm really proud of them."

Added Van Wyk: "You can't tell me there is a more improved pitching staff in the country."

Over the course of the season, Beasley has settled into her role as a leader,

notching a 14-11 record and adding six saves.

She's looking to add to the win column in what might be the biggest homestand of the season.

"Our offense has been stepping up for us," Beasley said. "This weekend can be a great weekend for us to have pitching and hitting as one."

The Aztecs close out the regular season with a five-game homestand that Van Wyk believes is packed with must-win games.

After a game against Utah today, SDSU (31-15, 8-2) hosts first-place BYU (34-14, 7-0) at 6 p.m. tomorrow and again in a doubleheader on Saturday afternoon. First pitch is scheduled for 1.

"We couldn't be in a better spot," said Van Wyk, whose team has a 17-7 record at home. "I'm sure BYU is hating the fact that they have to come here."

Although the Aztecs would much rather be on top of the conference standings at this point in the season, Van Wyk said her team is developing the kind of balance it needs to be successful, due in large part to athletes recruited locally.

"I love that we have so many kids from San Diego contributing like this," said Van Wyk, who in addition to Beasley and Floros (Mt. Carmel), has six more San Diego products on her roster.

"We're really building a fan base (now) that goes beyond family."

And that support means that much more considering exactly what is at stake.

"Bottom line is, we have to win out," said Van Wyk, who believes the league will struggle to get more than a single team into the postseason. "I don't want to have to worry about who's going to beat who at the end. I want to just take care of our own business."

BYU takes MWC softball title

By Nicole Vargas | San Diego Union Tribune May 3, 2009 (Van Wyk)

Entering the final homestand of the regular season, the SDSU softball team knew it had to sweep a three-game series against Mountain West Conference-leading BYU to have a shot at repeating as league champions.

But even with the conference's toughest pitching duo leading the way, the Aztecs couldn't overcome the Cougars' timely hitting nor their own uncharacteristic defensive errors in a pair of games at SDSU Softball Stadium yesterday.

The Aztecs (32-18, 9-5) fell 2-1 in nine innings before dropping a 2-0 decision in the doubleheader, opening the door for the Cougars (37-15, 10-1) to clinch their first conference title since 2007.

"We were in the game with them the whole way," said SDSU head coach Kathy Van Wyk. "There is such a mutual respect between the two teams and the coaching staffs. It's a chess match."

The losses were the first back-to-back for the Aztecs since mid-March, and the first pair dropped at home since SDSU hosted its own Campbell-Cartier Classic against a trio of nationally ranked teams a month earlier.

Now, with just a single game against UNLV left on the regular-season schedule, the Aztecs' best chance at a postseason bid will have to be an at-large invitation when the NCAA selections are announced tonight.

Despite leaving a season-high 13 runners on base and having the bases loaded three times in the first game, SDSU's defense kept the score tied at 1-1 through nine innings in the opening game.

After the first game ended on an error at first base, a miscue in the same place allowed BYU to kick off a two-out rally that yielded both of its runs in the second game.

"That's not us," Van Wyk said of the defensive errors she saw on the field. "But these losses wouldn't mean a darn thing if we hadn't lost to New Mexico and Colorado State (earlier in conference play). Those are the ones that hurt. You expect to lose now and again to teams like this. You expect that you are going to have some close games and both teams are going to pull some out. But that's where we as a team all year have gone awry."

Though painful, Sidoti's injury 'worked out' By Beau Bearden | The Daily Aztec

May 6, 2009 (Sidoti)

When Dani Sidoti arrived at San Diego State as a freshman, her career plans were still up in the air.

She was a biology major and had aspirations to become a physician's assistant. She even considered studying nursing as a possible profession.

But it wasn't until Sidoti was advised to join a summer softball squad by head coach Kathy Van Wyk, when she found her true ambition.

During just the second practice, she tore her ACL in the outfield and was forced to miss her entire sophomore year, leading to her epiphany.

"It kind of worked out because I got five years here," the redshirt senior outfielder said. "I got to change my major (to kinesiology) and do what I really want to get into. So, it worked out in a good way."

The injury still proved to be a challenge for Sidoti. The SDSU softball team won the Mountain West Conference Championship during her redshirt season and she found it hard not being on the field with her Aztec teammates.

"I think my mental game improved more because I had a lot of time to think," Sidoti said. "So, I just got more confident and went out there with a lot more confidence than before. I just started having more fun."

And this progress was evident in her first season back. Sidoti improved in every offensive category from her freshman year at SDSU, finishing her redshirt sophomore campaign with 37 starts and a .296 batting average in 108 at-bats.

Last season, Sidoti's role on the team increased substantially when she was named a tri-captain along with former ace Christina Ross and senior catcher Erin Floros. She liked the combination because it provided two kinds of leadership. Ross was the "in-your-face" type of leader and Sidoti and Floros were more silent leader types.

It proved to be the right formula, as the Aztecs went on to have a successful season, winning their fourth MWC Championship.

This year, Sidoti returned as tri-captain along with Floros and redshirt junior first baseman Monica Alnes. It is similar to last season, but with Alnes replacing Ross as the "in-your-face" leader.

"I think it's just a good balance," Sidoti said. "Because you need people to lead by example and you need people to get in your face sometimes. It works out pretty good."

SDSU will play its final regular season contest on Saturday at the SDSU Softball Stadium and Sidoti's leadership is sure to play a role in the team's success against UNLV. No matter the outcome, the Aztecs' post-season hopes rest in getting an at-large bid when the NCAA Tournament selections are announced at 7 p.m. this Sunday on ESPNU.

"We want to finish on a high note," Sidoti said. "(Last Saturday was) a tough day, but we still got to go out strong. We'll see what happens; we're not going to give up."

Seniors shine in final game of the season against UNLV

By Beau Bearden | The Daily Aztec May 11, 2009 (Floros, McCorkle, Van Wyk)

On a sunny Saturday afternoon, the San Diego State softball team honored its five seniors with a postgame ceremony.

It was an emotional time for many and it gave head coach Kathy Van Wyk an opportunity to reflect on the group.

"These five have been with us the longest," Van Wyk said. "(Senior outfielder) Tonye (McCorkle) is the only one who has been (here for) just two years. It's amazing how much growing up I've watched. We have more games to play this year, but we're certainly going to miss them next year." All five seniors started the game and made an impact in one way or another.

McCorkle found success at the plate, going 3-for-4 with an RBI to lead SDSU to a 7-1 victory against UNLV at the SDSU Softball Stadium.

"It was just the icing on the cake," McCorkle said. "I had to come out and do what I did best (to) have a good game. I was in a good mood and everything was in line."

Senior catcher Erin Floros also played a big role for the Aztecs picking up three RBI. She ended the regular season leading SDSU with a .358 batting average.

"She has had such an amazing career," Van Wyk said of Floros. "She has had such a huge effect on this program in so many ways. She is an amazing young lady and the most responsible and likeable in every way, academically and off the field. (She is) a great representative of the program."

The remaining three seniors may not have had the biggest impact on Saturday's game, but their contributions throughout the past four or five years wasn't overlooked.

Van Wyk was proud of how redshirt senior Taryin Casillas progressed from her freshman campaign. Casillas started 157 games throughout her career and ended the regular season on Montezuma Mesa hitting .258 in 49 contests.

Senior third baseman Christine Kulick and redshirt senior outfielder Dani Sidoti have also been a big part of the Aztecs' past success and both finished the season batting .214 and .209, respectively.

On a day dedicated to the seniors, freshman pitcher Bailey Micetich sent them off in grand fashion. Micetich pitched five perfect innings against UNLV before allowing the lone Rebel run in the sixth. SDSU's offense came out with 12 hits to provide plenty of run support.

After the game, with the Aztecs' postseason hopes still in limbo, Floros reflected on her time as an SDSU player.

"I love these girls," Floros said. "It's all about being around them, it's like family. I'm a big competitor, so I'm going to miss that a lot. But we're not done yet, so I'm not saying goodbye to that yet."
