SDSU/NCAA Notes

* SDSU is playing in its school-record fourth consecutive NCAA tournament. Never before this streak had San Diego State played in back-to-back tournaments.

* The Aztecs are making their seventh trip to the NCAA tournament in 11 seasons and fifth over the past six (San Diego State also played in the NCAA tournament in 2001, 2003, 2006, 2008, 2009 and 2010).

* SDSU is 8-12 all-time at the NCAA's, with one of the losses coming at the hands of Arizona State (2009). The Sun Devils are hosting San Diego State in the regional and the two teams could meet as early as Saturday.

* Seniors Taylor Sutton (Gilroy, Calif.), Samantha Beasley (San Diego/Steele Canyon HS), Jessica Camello (Temecula, Calif.) and Jen Wisneski (Riverside, Calif.) will be the only Aztecs in school history to be a part of four NCAA teams. All but Sutton have actually played in previous three tournaments. SDSU has three other seniors, but Lindsey Marquez (Tustin, Calif.) missed 2008, Brooke Petty (San Diego/Vista HS) missed 2009 and Eva Sahatdjian (Fresno, Calif.) transferred into San Diego State in 2010.

* The Aztecs have advanced to two NCAA regional finals (2001 and 2006) but have never made it to the NCAA Super Regionals.

* SDSU is 8-6 in the tournament when playing as a neutral team (0-6 as the road squad).

* San Diego State is 22-34 in Tempe, Ariz., since records have been kept (1980). Since Kathy Van Wyk has been the head coach (1997), however, the Aztecs are 11-7, including a 5-1 mark at the Kajikawa Classic in 2010.

* SDSU is 0-2 in Tempe, Ariz., all-time in the NCAA tournament after falling to Arizona State, 5-0, and Cal State Fullerton, 8-2, in the 2009 Tempe Regional.

* Camello is currently batting a team-high .381 (8-for-21) with a .476 slugging percentage and .458 on-base percentage over her career in NCAA tournament games. Marquez (.250, 3-for-12), junior Ashley Rose (Antioch, Calif.) (.222, 2-for-9) and junior Justeen Maeva (San Diego/Mira Mesa HS) (.222, 2-for-9) are the only other current San Diego State players with an average over .200.

* In the circle, junior Bailey Micetich (Woodland, Calif.) is 0-1 with a 3.58 ERA over 13 2/3 innings in three appearances in NCAA tournament games, while Beasley is 2-3 with a 4.85 ERA over 21 2/3 innings in six games.

SDSU/NCAA History

2001 - SDSU earns the No. 4 seed of six teams in the NCAA Regional I in its first-ever bid to the tournament ... The Aztecs open with two victories, the first over third-seeded Cal State Northridge, 2-0, and the second against No. 5 Wisconsin, 1-0 ... SDSU suffers its first loss, a 3-1, decision to top-seeded and host UCLA before rallying for a 6-1 triumph over Wisconsin to advance to the regional final ... However, the Aztecs couldn't overcome a 14-hit day by UCLA in a 11-0, five-inning setback.

2003 - The Aztecs start as the No. 5 seed of eight teams and fall to fourth-seeded Louisiana-Lafayette, 6-0 ... SDSU bounces back later in the day to down eighth-seeded Rider, 2-1 ... It would be the only win for the Aztecs, however, as No. 3 Oregon held on to a 4-1 victory in an elimination game.

2006 - SDSU earns the No. 2 seed of the four teams at the Los Angeles Regional ... The Aztecs fall, 1-0, to third-seeded Long Beach State in the opener ... San Diego State comes back the next day to down No. 4 Missouri State, 1-0, in an elimination contest ... The following day SDSU extracts revenge against Long Beach State with a 3-1 victory to move on to Sunday's final ... No.1 UCLA, however, would prove to be too much in a 7-0 win on its home field to capture the regional and advance to the NCAA Super Regionals.

2008 - Like 2006, the Aztecs earn the No. 2 seed of four at the Fresno Regional ... Like 2006, however, SDSU drops its first game by a 4-1 margin to eventual region champion California after scoring in the first inning to take a 1-0 lead ... The next day in sweltering heat, C Megan McDonald homers and LHP Christina Ross and RHP Samantha Beasley combine to six-hit Sacramento State in a 7-1 San Diego State win ... However, the Aztecs could only muster four hits later on in the day against Fresno State LHP Morgan Melloh in a 2-0, 11-inning loss which ended SDSU's best season ever at 44-17.

2009 - San Diego State enters the Tempe Regional as the No. 4 seed of four teams ... The Aztecs fell to host and defending national champion Arizona State, 5-0 ... SDSU was 0-for-8 with runners in scoring position and 0-for-14 with runners on base ... CF Brittany Knudsen and 1B Monica Alnes singled in the loss, while RHP Bailey Micetich took the loss ... San Diego State was eliminated the following day, surrendering a season-high five homers in a 8-2 loss to Cal State Fullerton ... Knudsen and LF Tonye McCorkle each had two hits, while RHP Samantha Beasley was tagged with the loss.

2010 - The Aztecs earn the No. 2 seed in the Los Angeles Regional ... SDSU wins its first game on the tourney, a 3-2 decision over No. 3 Fresno State, for the first time since 2001 ... C Eva Sahadjian hit a two-run homer and 3B Ashley Rose had an RBI single in the sixth inning as San Diego State downed the Bulldogs, 3-2 ... RHP Samantha Beasley picked up the win after stranding nine FS runners ... The next day, the Aztecs lost to UCLA, 4-3, on a walkoff single in the bottom of the seventh ... 2B Jessica Camello had three hits to pace the offense, while RHP Samantha Beasley took the loss ... SDSU would be eliminated later in the day by a 4-3 score to Fresno State ... SS Jen Wisneski homered, while Beasley took the loss (RHP Bailey Micetich retired the final 17 batters she faced in relief.

A Look at Long Beach State

The 49ers were selected to the NCAA tournament on Sunday with an at-large selection after finishing 15-6 in the Big West and one game behind Pacific (16-5). This is the 20th appearance in the NCAA tournament for LBSU (37-16) and first since 2009.

Freshman sensation Erin Jones-Wesley leads the team at the plate and in the circle. Jones-Wesley, the Big West Conference Pitcher of the Year and the Big West Freshman of the Year, went 22-6 with a 1.45 ERA in the regular season over 183 2/3 innings, while limiting the opposition to a .211 average. She also hit .364 (8-for-22) in limited time at the plate. Hannah DeGaetano and Sarah Carrasco lead the regulars with a .328 average, while Nalani St. Germain is tops on the team

in home runs (8) and RBIs (29).

Long Beach State is 47-24 all-time against San Diego State after the Aztecs defeated the 49ers, 3-0, on March 3 at the Campbell/Carter Classic at SDSU Softball Stadium. SDSU junior Justeen Maeva (San Diego/Mira Mesa HS) had two RBIs, while classmate Ashley Rose (Antioch, Calif.) added an RBI single. Junior Bailey Micetich (Woodland, Calif.) got the win after allowing four hits and two walks over four scoreless innings. Senior All-American Samantha Beasley (San Diego/Steele Canyon HS) gave up three hits over three scoreless innings of relief to pick up the save. The Aztecs are 5-1 against the Big West this year.

Scouting No. 1/1 Arizona State

The Sun Devils earned the No. 1 overall seed in this year's NCAA tournament after going 17-4 in the Pac-10 and 50-6 overall. ASU won all seven series in Pac-10 play, including three-game sweeps over Arizona, Oregon State and Washington.

Arizona State is fourth in the nation with a .343 batting average, led by Katelyn Boyd's .431 average, 15 home runs and 54 RBIs. Lacy Goodman (.408) is also hitting over .400, while Talor Haro (.386) and Kaylyn Castillo (.376, 7 HR) are each above .350. Dallas Escobedo leads the ASU pitching staff (1.88 ERA) with a 27-3 record and 1.40 ERA over 189 1/3 innings. Opponents are hitting just .170 against Escobedo, who has 250 strikeouts this year.

SDSU trails the all-time series between the two schools, 28-8, including a 5-0 loss in the Tempe Regional in 2009. In that game, San Diego State went 0-for-8 with runners in scoring position and 0-for-14 with runners on base. The Aztecs are 1-4 against the Pac-10 this season.

Previewing North Dakota State

The Bison earned an automatic bid into the NCAA tournament after winning the Summit League tournament last weekend in Macomb, Ill. NDSU is 3-4 in NCAA tournament (Division I) history, including a trip to the Super Regionals in 2009.

Katie Tamayo leads the .260-hitting North Dakota State team with a .363 average. Nicole Rivera is batting .332 with 41 runs and 21 stolen bases, while Taylor Mortensen has a .305 average with team highs of 10 home runs and 34 RBIs. Whitney Johnson leads the pitching staff (3.80 ERA) with a 23-11 record and 2.11 ERA over 209 1/3 innings. She has 225 strikeouts and 11 shutouts.

SDSU leads the all-time series between the two teams, 2-0, after winning 3-2 in the season opener for both teams on Feb. 11 at the Stacy Winsberg Memorial Tournament. Freshman Lorena Klopp (San Diego/Steele Canyon HS) had her first home run of a school-record 15, while senior All-American Samantha Beasley (San Diego/Steele Canyon HS) allowed one run on two hits and two walks over seven innings in the win. NDSU was the only Summit League team San Diego State plays this season.

SDSU's Hayley Miles Named MWC Freshman of the Year

San Diego State's Hayley Miles (Antelope, Calif.) has been named the Mountain West Conference Freshman of the Year, the league announced Tuesday. Miles also garnered all-MWC honors and was joined on the all-conference team by senior Jessica Camello (Temecula, Calif.) and junior Bailey Micetich (Woodland, Calif.).

Miles became the fifth Aztec to win the league's freshman of the year and the first since Micetich in 2009. Miles led SDSU in conference play with a .512 (21-for-41) average, .805 slugging percentage and .556 on-base percentage, to go along with 10 runs, four doubles, two home runs and a triple in 13 MWC games (three teams played 14 or 15). In Mountain West games only, the center fielder was second in the league on-base percentage and triples (tied), and third in hits, batting average, slugging percentage, doubles (tied), sacrifice bunts (tied, 3) and total bases (tied, 33).

Overall, Miles is hitting a team-high .352 (51-for-145) with a .524 slugging percentage and a .444 on-base percentage. She has 31 runs, 26 RBIs, 21 walks, 10 doubles, three home runs, three triples and a team-best nine stolen bases.

Camello, meanwhile, made her first all-conference team after hitting .455 (20-for-44) in MWC play with 11 runs, six RBIs and six walks. The right fielder ranked among the league's best in seven categories, including in the top five in hits (T-4th), batting average (T-4th), on-base percentage (.520, 5th) and sacrifice bunts (2, T-5th).

On the season overall, Camello is batting .340 (51-for-150) with a team-leading 36 runs. She has added 18 RBIs, 13 walks, six doubles and six stolen bases.

Micetich rounds out the San Diego State honorees after going 7-4 with a 1.94 ERA in league action. The right-hander struck out 51 against 13 walks and limited the opposition to a .214 batting average (tops in the MWC). Micetich, who picked up her second all-MWC selection (2009), also ranked second in ERA and wins, tied for second in appearances (13) and strikeouts, and third in innings pitched (57.2).

Overall, Micetich is 19-11 and leads the league with a 1.86 ERA. She has 161 strikeouts with 34 walks and 14 complete games, while keeping the opposition to a .240 batting average over 165 1/3 innings.

SDSU's Bailey Micetich Named MWC Pitcher of the Week

San Diego State junior Bailey Micetich (Woodland, Calif.) has been named the Mountain West Conference Pitcher of the Week, the league announced Tuesday. It is the right-hander's third weekly honor of the season and fifth of her career.

Last weekend, Micetich went 3-0 with a 0.64 ERA over 11 innings of work. She allowed just six hits (five singles) over the three games and limited the opposition to a .154 batting average. Micetich had 12 strikeouts without issuing a walk.

On Thursday, Micetich earned the start against Colorado State and gave up one run on five hits, while striking out eight over seven innings in the 4-1 Aztec win. On Friday, Micetich picked up the win after yielding one hit over 1 2/3 innings of relief, while striking out two. On Saturday, Micetich once again earned the victory from relief after tossing a perfect 2 1/3 innings, striking out two of the seven batters she faced.

On the season, Micetich is 19-11 and leads the MWC with a 1.86 ERA. She has 161 strikeouts against 34 walks and has limited her opponents to a .240 average.

To Be the Best, You Have to Beat the Best

Once again head coach Kathy Van Wyk hasn't made it easy for this year's Aztecs.

This year, SDSU has played seven top-10 teams and six (seven games) (of eight) schools who made the 2010 Women's

College World Series, including the defending national champion UCLA twice. In addition, 19 of San Diego State's 51 contests have come against teams who made last year's NCAA tournament. Looking at this year's tournament field, which was announced on Sunday, 24 of the Aztecs' 51 opponents made the 2011 tourney.

San Diego State is ranked 43rd of 289 teams in the eighth edition of the Ratings Percentage Index (RPI), released May 17 by the NCAA. That is four spots worse than the week before. The Aztecs were 39th on May 11, 36th on May 4, 37th on April 27, 36th on April 20, 40th on April 13, 38th on April 6 and 42nd in the initial ranking on March 30. The last four times SDSU made the NCAA tournament, it was ranked 23rd (2010), 42nd (2009), 17th (2008) and 35th (2006) in the initial RPI.

The RPI is a mathematical calculation used to help determine each team's success, using a calculated strength of schedule and won-loss percentage. When determining the RPI for each team, 25 percent is based on winning percentage, 50 percent on opponents winning percentage and 25 percent on opponents' opponents' winning percentage. Although the NCAA publishes this basic formula, it does not release its bonus and penalty calculations that may sway the rankings a few spots either way.

According to the RPI, SDSU has three wins against the top-34, and is 5-15 versus the top-50, 6-3 against teams between 51 and 100, 14-1 versus teams between 101 and 200, and 7-0 against schools higher than 201.

San Diego State's No. 43 rating is second in the conference, trailing only MWC champion Brigham Young (No. 39). Utah was 97th, followed by UNLV (100), New Mexico (105) and Colorado State (213)

Kathy Van Wyk Wins 500th in Softball's 8-0 Victory at New Mexico

The San Diego State softball team run-ruled New Mexico, 8-0, in five innings for head coach Kathy Van Wyk's 500th career victory on April 8 in Albuquerque, N.M. The 11 SDSU hits and solid pitching gave 15th-year head coach Van Wyk a 500-343-1 record and .593 win percentage (now 504-348-1, .591).

The all-time winningest coach in San Diego State history and three-time MWC Coach of the Year (2002, 2006, 2008), Van Wyk has guided the Aztecs the six NCAA tournament appearances since 2001, including a school-record three straight from 2008-10. The others came in 2001, 2003 and 2006. Van Wyk has led SDSU to four MWC regular season titles (2002-03, 2006, 2008).

Van Wyk has coached three All-Americans, including Samantha Beasley's third-time selection last year and has mentored 46 all-conference selections, seven MWC Pitchers of the Year, four MWC Freshmen of the Year and 92 conference player/pitcher of the week winners.

Nuvelman Deniz Earns Coaching Assignments With USA Softball

San Diego State assistant head coach Stacey Nuvelman Deniz, who is in her third season with the Aztecs, has been named an assistant coach for four USA Softball Women's National Team events this coming summer, the sport's governing body announced on March 3.

Nuvelman Deniz will first serve as a coach at the Women's National Team Selection Camp in mid-June in Chula Vista, Calif. She will then be one of three assistants under head coach Ken Eriksen at the team's Plant City, Fla., Tour Stop on June 25, at the Canadian Open Fast Pitch Women's International Championship (July 9-17) and at the World Cup of Softball VI (July 21-25). The La Verne, Calif., native could also be tabbed to the staff for the Pan American Games, scheduled for Oct. 17-23, in Guadalajara, Mexico.

The former UCLA standout earned one of 24 spots in the Women's National Team coaching pool earlier this year. She will continue her role as SDSU's recruiting coordinator, while also working predominately with the team's hitters. Nuvelman Deniz has helped the Aztecs to two-straight NCAA Regional bids and a combined 67-36 (.650) record in her two previous seasons on The Mesa.

Nuvelman Deniz is a three-time Olympic medalist, winning gold in 2000 and 2004, and silver at the 2008 games in Beijing. She was a four-time first-team NFCA All-American and three-time Pac-10 Player of the Year as a catcher at UCLA, finishing her career with four NCAA records with 90 home runs, 299 RBI, .945 slugging percentage and 240 walks.

SDSU Softball Picked Second in 2010 MWC Preseason Poll

The San Diego State softball team has been picked to finish second in the 2011 Mountain West Conference regular season, the league announced Feb. 3. The preseason poll was voted on by the league's six head coaches.

The Aztecs, who went 34-16 last season and finished second in the MWC at 11-4, picked up 22 points, including two first-place votes. Brigham Young, which has won the league championship the past two years, is predicted to win the title again with 24 points, including the other four first-place votes. The last time a team other than SDSU or BYU won the regular season championship was 2004 (Colorado State). UNLV was picked third with 15 points, followed by Colorado State (13), Utah (11) and New Mexico (5).

San Diego State, which was also receiving votes in both the ESPN.com/USA Softball and USA Today/NFCA preseason polls, lost only two senior starters from last year's squad that advanced to the NCAA tournament for the third consecutive season, a first in program history. The Aztecs boast four former all-conference selections on the roster, including redshirt senior Lindsey Marquez (Tustin, Calif.), senior Samantha Beasley (San Diego/Steele Canyon HS), and juniors Justeen Maeva (San Diego/Mira Mesa HS) and Bailey Micetich (Woodland, Calif.).

SDSU returns a stellar pitching staff, led by Beasley, a 2010 third-team NFCA All-American, who finished last year ranked seventh in the nation with a 1.20 ERA, while recording a school-record 354 strikeouts. Despite her numbers, the right-hander was left off the 2011 USA Softball Player of the Year Watch List, which included 20 other pitchers.

Aztec Softball Featured on ESPN.com Once Again

The San Diego State softball team was featured in the "College Sports" section of ESPN.com in January. The writer of the article, Graham Hays, has the Aztecs ranked 20th in his preseason poll.

Talking about sophomore twin sisters Kameron May and Kristin May, Hays asks the question, "Can the Mays spark San Diego State?" The Corona, Calif., natives combined for five home runs and 31 RBIs in just 114 at-bats in their freshman campaign in 2010.

Can the Mays spark San Diego State?

By Graham Hays | ESPN.com

Jan. 17, 2011 (Van Wyk, Beasley, Ka. May, Kr. May)

No. 20 San Diego State

Last year: 34-16, lost in Los Angeles regional

Who returns: San Diego State returns seven starters from the lineup card coach Kathy Van Wyk handed in for the team's final game last season in the Los Angeles regional. That includes last season's leaders in batting average (Jessica Camello), slugging percentage (Justeen Maeva), stolen bases (Felicia Reifschneider) and, on the defensive side, assists (Jen Wisneski).

It also includes a much less diversified summation of every major pitching category's leader in the form of Samantha Beasley. At all of 5-foot-6, the senior ace is a big reason the Aztecs entertain sizable goals this season. Ranked No. 10 nationally among returning pitchers in strikeouts per seven innings, Beasley simplified her offerings to the basic drop, rise and change and baffled hitters in turn.

Van Wyk would like to spread the innings around a little more after Beasley accounted for 70 percent of the team's total last season, but that's only to make sure the ace is ready for the postseason.

"The confidence she gained last year -- I can't tell you how excited everybody is going into this season," Van Wyk said.

Who departs: Centerfielder Brittany Knudsen was one of the team's most productive hitters in all four of her seasons, leading all Aztecs in on-base percentage and OPS last season, and one of the better defensive outfielders in college softball. First baseman Monica Alnes didn't post big numbers but was a steady presence at first base. Sophomore outfielder Patrice Jackson also won't be available this season after breaking her leg during fall competition.

Who arrives: Lorena Klopp and Hayley Miles could contribute right away for the Aztecs. Klopp will get a chance to earn innings in the circle, but her bat may earn her the most playing time in the early going, either in left field or as part of a logjam at first base replacing Alnes. Van Wyk singles out Miles as a player who may surprise, potentially taking over for Knudsen in center.

Statistically speaking: A .404 slugging percentage might not sound like much, but it was close to the single-season program record of .410 set in 2006 and a noticeable improvement on more recent seasons. Even with Beasley, .400 is probably a necessity to compete at a national level.

Preseason question: Will the May sisters spark a May run for the Aztecs?

San Diego State makes the top 20 because it returns so many talented players who filled significant roles for a good team last season. Yet the Aztecs may have a chance to rise still higher depending on the development of two other players whose roles last season were as much about promise as production.

High-profile products of the Corona Angels travel team, twin sisters Kameron and Kristin May combined for 114 at-bats and 26 starts last season (Kameron also pitched 10.1 innings). Kristin offered a glimpse of what could be with a walk-off home run in her first college game, and even in limited at-bats, finished tied for second on the team in home runs and third in RBIs.

"Both of them are excellent hitters," Van Wyk said. "It's pretty sure they're going to find themselves in the lineup. We need their bats. Kristin's been working out both at catcher and at third base, so that possibility exists. Kameron's been working out both as a pitcher and at first base. So we've got options with them, ways to get their bats in the lineup."

And if good things come to those who wait, the Mays could make a familiar-sounding month a kind one to the Aztecs.

"The two of them are pretty much just 'go out there and have fun' kind of players," Van Wyk said. "But they take it more seriously than people think."

SDSU ready to kick off the season in LA

By Miranda Valenzuela | The Daily Aztec
Feb. 10, 2011 (Nuveman Deniz, Ka. May)

The San Diego State softball team finished last season with a decent 34-16 overall record, but it failed to follow through in big games and finish strong — or "finish it," as team members say.

This year, SDSU is determined to change that.

The Aztecs have made it their goal to win big games, and they won't have to wait

long to get the opportunity to achieve it.

SDSU will begin pre-conference play in the Stacy Winsberg Memorial Tournament this weekend in Los Angeles, and will face North Dakota State, Utah State, Central Florida and the defending National Champion, UCLA.

Last year, the Aztecs lost 4-3 to the Bruins in their second-to-last game of the season and look to avenge their loss on Sunday when they take on the Bruins at 2 p.m. in their first "big game" of the year.

"Last year we fell short of our goals, but at the same time we accomplished some moral victories," assistant coach Stacey Nuveman said. "Our team now believes that we can and should beat teams like UCLA. We have to perform in those big games and follow through."

After long hours of practice and preparation, the softball team is finally ready to face opponents.

"I'm excited to get out there and play in the tournament and to see what happens," sophomore pitcher Kameron May said. "I know we have the talent. Everyone is really good this year. We are prepared."

The Aztecs have their team goals in mind, but have also decided to focus on each game as it presents itself. This year, the team hopes to perform well in pre-conference play, win the Mountain West Conference title for the first time since 2008, get past the first round of NCAA Regionals and to make an appearance in the World Series.

"We're shooting for the best," May said.

SDSU hopes the change in mentality will make an enormous difference this season. In previous years, the team has had the physical strength, but it has not been able to balance that with its mental strength and belief. Confidence will prove to be key this year.

"Physically we can compete with anybody," Nuveman said. "We've got the offense, we've got the pitching, we've got the defense and all the key elements to the game of softball, but it has to be deep down inside your heart that you belong in the top. We really do believe and that's going to make all the difference this season."

Aztecs win four out of five in tournament

By Miranda Valenzuela | The Daily Aztec
Feb. 15, 2011 (Van Wyk)

The San Diego State softball team had a prosperous weekend at the Stacy Winsberg Memorial Tournament in Los Angeles, emerging with four quality wins and one loss.

"The first weekend out is always an opportunity to get out there and just get our feet wet," assistant head coach Stacey Nuveman said.

SDSU did more than get its feet wet as the Aztecs defeated every opponent they faced except for the No. 1-ranked defending national champion UCLA.

"I feel like it was a very successful weekend and we won the games we had to win," head coach Kathy Van Wyk said. "We gave UCLA everything we had, and also gave them a pretty good scare."

SDSU opened up its season on Friday against North Dakota State, narrowly winning 3-2 after freshman Lorena Klopp hit a home run in the seventh inning to save the Aztecs from a loss.

On Saturday, SDSU played a double-header against Utah State and Central Florida. In the morning game against Utah State, the Aztecs won 10-1 in only five innings. Klopp homered, drove in five and also earned a pitching victory. She helped SDSU secure the win by only allowing one run on three hits and two walks in four innings.

"Lorena Klopp had a really good weekend," Wyk said. "She knew the game plan and went out there and executed it. She really made a difference."

The team continued on to defeat Central Florida in the afternoon game. The Aztecs allowed the Knights a first inning score, but then responded with five unanswered runs en route to the 5-1 victory.

On Sunday, SDSU faced Utah State once again, this time defeating the Aggies 2-0. Special efforts from the tripod of pitchers: sophomore Kameron May, junior Bailey Micetich and senior Samantha Beasley made a difference along with good

base running from freshman Hayley Miles.

As expected, the climax of the weekend's games occurred against UCLA.

"In the first inning in the game against UCLA, we came out aggressive with back-to-back doubles," Van Wyk said.

Despite the Aztec's defense, they failed to pull out the win. The No. 1 Bruins (5-0) were just too much to handle in the end.

"They made adjustments and we didn't respond," Van Wyk said. "We were excited to see we could play with a team (UCLA) for that amount of time. We have to use that game as a stepping stone and grow from it. Now we have our plan for other big games like this one."

The Aztecs are now receiving votes in both the USA Today / NFCA and ESPN.com / USA Softball national polls. SDSU will play in its first home game of the season at 7 p.m. on Thursday against Sacramento State

Beasley ready to be the best ever

By Miranda Valenzuela | The Daily Aztec
Feb. 17, 2011 (Van Wyk, Beasley, Nuveman Deniz)

Four years ago, softball head coach Kathy Van Wyk told Samantha Beasley that if she worked hard enough, she could be the best pitcher San Diego State had ever seen.

The senior pitching phenom took the words to heart.

Since that day in 2007, she has evolved from a wide-eyed freshman to one of the most decorated and accomplished female athletes to compete for SDSU.

"Sam was a player that came into San Diego State very under the radar, very unheralded," assistant head coach Stacey Nuveman said. "Throughout her time as an Aztec, she has matured immensely and become an All-American-level pitcher. She is an all-around great athlete and has really developed her game."

Beasley has played softball since she was 4, but she wasn't always sure if she would pursue the sport on the collegiate level. As a multi-sport athlete at Steele Canyon High School, Beasley was also an accomplished basketball player, golfer and track runner.

In the end though, softball proved to be the best path for her to travel.

But the path wasn't always a smooth one. The excitement of her freshman year wore off and her sophomore season turned out to be a tough one as Aztec pitching legend Christina Ross overshadowed Beasley.

"I had a tough sophomore year, but I took the summer and the fall of my junior year to figure out what I needed to do to get where I wanted to be," Beasley said. "I worked harder than before, cut back my pitches and have been focusing on three in particular. I am more focused on the mound. I'm more serious when I face every batter and every pitch."

Last season, Beasley harnessed all the hard work and extra effort from the previous summer and fall and made a statement: She was back and ready to take care of business.

Beasley dominated in the circle. She earned NFCA Third-Team All-American honors, NFCA First-Team All-West Region honors, Mountain West Conference Pitcher of the Year, a spot on the All-MWC Team and MWC Pitcher of the Week honors nine times. She also had otherworldly statistics: A 29-11 record, a miniscule 1.20 earned run average and 354 strikeouts in 240 innings.

But as great as all the accolades are, Beasley is not concerned with any of them.

"I don't want to think about the records and accomplishments; I don't want it to interfere with my game play," she said. "I'm not here to go out and play for records. I am here to lead my team and get us farther than we have ever gone before."

Now, in her senior season, Beasley has "attained a new level of focus that she has never had before," according to Van Wyk. Beasley has eliminated her screwball and curveball, and has focused on throwing her three main pitches: a drop, rise and changeup.

This is Beasley's last season in Aztec red and black, which leaves everyone with the question of what lies on her horizon.

"I have already received calls from the National Pro Fast Pitch (Softball League)

and it looks like Sam could be entered in the draft in March," Van Wyk said. "This would make her the first player in (SDSU softball) history to play pro ball and I would absolutely love to see her continue on to the next level."

With her focus, drive and desire to be the best, Beasley is sure to be touted as the best pitcher in SDSU's history. The support of her teammates, coaches, family and six sisters will also prove to be helpful along the way. Although Beasley is insistent upon taking each day and each game one step at a time, she is still very excited with the prospects of her future.

"In high school, I can remember reading a poster inside one of my classrooms that said 'A professional in anything was once a beginner,'" Beasley said. "This quote has stuck in my head as a reminder since then that every great person was once in my shoes. If I work hard enough, I can go wherever I want to."

Freshman Klopp shows pop in SDSU lineup

By Tod Leonard | San Diego Union-Tribune
March 2, 2011 (Van Wyk, Klopp)

Lorena Klopp's story could have become a cautionary tale for college coaches.

Klopp verbally committed to play at San Diego State when she was only a sophomore at Steele Canyon High. The next summer she dislocated her knee for the fifth time and tore her MCL and patellar tendon.

Surgery was strongly suggested by the doctors. Klopp declined. She feared letting her team down, and she didn't. Her pitching led the Cougars to the 2009 Division II CIF championship game, where they lost to Mt. Carmel.

Klopp underwent surgery the day after the season and was out about nine months. Through that ordeal, she showed her future coach at SDSU, Kathy Van Wyk, about her desire to play.

"There's always a fear when you get an early verbal," Van Wyk said. "But nobody wants to be on that field more than Lorena. She has proven that by doing the work to get herself back out there."

Her skill was never in question, and in her freshman season Klopp already has become a key contributor for the Aztecs.

As SDSU gets set to host the five-day, eight-team 21st annual Campbell/Cartier Classic beginning today, Klopp leads the Aztecs with four home runs, four multi-hit games and three game-winning RBI in 13 games.

She had never played outfield, but Klopp has started 10 times in left field while also pitching twice. She is at least third on the pitching depth chart because SDSU has two excellent starters in former Steele Canyon star and All-American Samantha Beasley and junior Bailey Micetich.

"I honestly had no idea how much I'd get to play this season," said Klopp, 18. "I didn't know what to expect. But I'm thankful for everything that's been given to me and for the opportunity to perform. Everybody's constantly competing to get into the starting lineup."

Klopp's bat is so valuable that Van Wyk needs it in the lineup. SDSU has faced seven teams from the top 10 so far this season, compiling a 6-7 record. In an indication of the impact Klopp has made, she is batting .375 with three homers, two doubles and eight RBI in the six SDSU wins.

In the seven losses, Klopp has hit .089 with only two RBI.

"If you look at her stats, they don't do her justice," Van Wyk said. "She's been a hard-luck hitter. She hits the ball harder than anybody on our team, but hasn't gotten credit for it. We've had to work on building her confidence."

Klopp got her college career off to a smashing start. In the season opener against North Dakota State at UCLA's tournament, Klopp pounded a line-drive home run over the center-field wall in the top of the seventh inning in SDSU's 3-2 win.

"It was such an awesome feeling," Klopp said. "My first college game on the UCLA field that I had been watching games on since I was little. They were batting me third in the lineup. I was stressed out. Wow, the pitching was different."

"But it made me feel really good to get that hit. I didn't see it (go over the fence). I was just running."

Klopp's four homers already have put her on pace to surpass SDSU's single-season record of seven.

Tough schedule only gets harder at SDSU's Classic

By Miranda Valenzuela | The Daily Aztec
March 2, 2011 (Van Wyk, Micetich)

One glance at the San Diego State softball team's current record of 6-7 would give anyone the impression that this season's team is anything but stellar.

But SDSU is less than one month into its schedule and it has already played post-season caliber teams. In fact, as of last Saturday's game against Arizona, the Aztecs have played six Top-10 opponents.

"It is hard to evaluate our playing so far because we have already played so many top-ranked teams," head coach Kathy Van Wyk said. "We have yet to win one of those games, so it feels like we are getting a lot of losses and not doing that well, but we have played great against all those teams. But, in the end, playing well isn't good enough. We want to win."

Two words you hear a lot out on the softball field are "those teams." They are the squads such as No. 8 / 10 Tennessee, No. 4 / 5 Florida, No. 3 / 1 Arizona, No. 8 / 10 Missouri and No. 10 / 11 Washington. These are the top-ranked teams SDSU has played and hasn't beaten this season.

Today, the Aztecs will play host to the prestigious Campbell / Cartier Classic and the schedule for that doesn't get any easier. The tournament opens with a doubleheader when SDSU will first play Long Beach State, which recently upset Oklahoma. Later this evening, the Aztecs will meet No. 25 / 23 Houston. Tomorrow, the team will see how it matches up against No. 23 Fresno State.

Saturday night, SDSU will play No. 6 / 9 UCLA, which has dropped considerably in the rankings from its previous No. 1 / 2 position. Sunday will be a challenge when the team plays Cal Poly in the afternoon. The last game of the tournament will be Monday night against Baylor, which is now receiving votes in the ESPN.com / USA National Poll.

Despite all the tough competition, the Aztecs are remaining calm and sticking to their perspective of "one game at a time."

"I'm so pumped for this weekend," junior pitcher Bailey Micetich said. "After a hard weekend last weekend, I just want us to come out and destroy everybody. I want to come out and attack like we did when we played Florida State (SDSU won 10-2). I know that's how we can play. At the same time, we still can't let ourselves look too far ahead and look past somebody."

The team has consistently been working hard in practices and focusing on execution in big-game situations. The Aztecs' pitching staff will look to use Micetich and senior Samantha Beasley on the mound. As a whole, the team will try to be more productive with its bats.

"We want to really bring everything together this weekend," Micetich said. "We want our hitting to come together; we want our fielding to come together, and our pitching all to be cohesive. We all want to be working as one."

As for the tough competition the Aztecs have and will continue to face, they simply welcome the challenge.

"It's great for our team to know that we can play with the best in the nation, and we also know what we need to work on," freshman utility player Lorena Klopp said. "We can only go up from where we are now. We are getting better game by game."

SDSU crushes rival in huge third inning

By Antonio Morales | The Daily Aztec
April 4, 2011 (Van Wyk, Beasley, Maeva, Miles)

Sometimes it only takes one inning to turn a competitive game into a rout, and on Sunday, the San Diego State softball team showed the University of San Diego how true that statement is.

Locked in a scoreless tie, SDSU's offense exploded for seven runs in the top half of the third inning and defeated crosstown rival USD 7-1.

Junior third baseman Ashley Rose dealt the biggest blow of the inning. With the Aztecs already up 3-0, Rose launched a grand slam over the left field wall to extend SDSU's lead to seven.

"We got runners on early and got hits at the right time," freshman utility Hayley Miles said. "We came up in the clutch that inning."

Head coach Kathy Van Wyk noted that poor Torero defense helped the Aztecs.

"They let us in the game," Van Wyk said. "They made some errors which kept us alive."

Not to be overlooked was the pitching performance of senior Samantha Beasley.

She struck out seven Torero batters while giving up only three hits and one run on her way to the complete-game victory.

Junior first baseman Justeen Maeva praised Beasley's performance after the game.

"She pitched really good today," Maeva said. "She was very aggressive and came out throwing strikes."

Van Wyk noted that Beasley's focus was key coming into Sunday's game.

"Samantha has been up and down this season," Van Wyk said. "So we've been working on focus issues and the mental games, that really helped her today."

Miles could tell Beasley's focus was there from the start.

"She was real focused this game," Miles said. "I could tell by looking at her pitches out there in center field that she was on her game."

The 7-1 Aztec victory was the second win against the Toreros this weekend as SDSU swept the two-day series with USD.

On Saturday, the Aztecs took down the Toreros 5-2, as junior pitcher Bailey Micetich had nine strikeouts in six shutout innings.

The Aztecs are back in action as they have a double-header at 1 p.m. today at Cal State Northridge

Streaking Aztecs look to stay hot in MWC

By Antonio Morales | The Daily Aztec
April 7, 2011 (Van Wyk, Maeva, Miles)

After a 10-13 start to the season, it would have been easy to write off the San Diego State softball team.

But that was then and this is now. And as of now, SDSU couldn't be playing any better.

Since the 10-13 start, the Aztecs have won 14 of their last 15 games and are currently on a 10-game winning streak, improving their record to 24-14 this year.

The 10-game winning streak includes a win against No. 12 Stanford and a pair of wins against crosstown rival USD.

SDSU is gaining attention nationally, too, as it is now receiving votes in the ESPN.com / USA Softball poll.

"We're getting better pitching," head coach Kathy Van Wyk said. "We're also hitting the ball better, which really helps."

The team is peaking at the right time, as Mountain West Conference play begins this weekend.

SDSU will face New Mexico tomorrow and begin a two-day series with Colorado State on Saturday.

Junior first baseman Justeen Maeva is eager to start conference play now that the team has found its stride.

"It feels real good," Maeva said. "We're playing well at the perfect time. We're excited to start conference."

Even though the start of the season didn't go as planned, freshmen utility Hayley Miles shares the same attitude as Maeva.

"The beginning of the season wasn't so good," Miles said. "But it's the perfect way to head into conference play."

Van Wyk likes where her team stands right now.

"We're right where we want to be," she said. "Pitching, defense and offense are starting to click."

Although the team is playing well, Van Wyk knows the weekend trip will be a tough one.

"It's going to be a difficult trip, starting with New Mexico then having to travel to Colorado State," Van Wyk said. "But we're in good shape heading into conference play."

Streaking Aztecs destroy CSU in Colorado

When it rains, it pours. And it poured on Colorado State last Sunday as the San Diego State softball team unleashed an offensive onslaught.

SDSU (27-14) scored early and often as it run-ruled CSU 17-2 in five innings at Ram Field to extend its winning streak to 13 games.

The offensive outburst was sparked by freshman utility Hayley Miles, who went 3-for-3 with four RBIs.

Freshman outfielder Lorena Klopp also stood out for the Aztecs, as she went 2-for-2 and also had four RBIs.

Head coach Kathy Van Wyk noted the team's hard work is paying off.

"We've been getting hotter and hotter offensively," Van Wyk said. "Today was the culmination of a lot of hard work."

Even though the offense stood out, junior pitcher Bailey Micetich tossed another solid pitching performance for the Aztecs.

Micetich struck out six, allowed three hits and gave up two runs in her five innings of work.

Klopp was pleased the team left little doubt on Sunday after surviving a close call on Saturday.

"It felt good run-ruling them," Klopp said. "We showed that we were the better team after (Saturday's) comeback."

SDSU almost saw its streak end on Saturday as it was trailing by three runs heading into the seventh inning.

But the Aztecs scored seven runs in the seventh inning to escape with a 15-11 win. Klopp's three-run home run was the highlight of the inning.

"I'm amazed by Lorena Klopp myself," Van Wyk said. "She's just crushing every ball she sees."

Before the come-from-behind victory on Saturday, SDSU run-ruled New Mexico 8-0 on Friday at Lobo Field.

The Aztecs are back in action this week as they take on Utah at 6 p.m. on Thursday at the SDSU Softball Stadium.

Van Wyk reaches historic milestone

By Antonio Morales | The Daily Aztec
April 13, 2011 (Van Wyk, Klopp, Micetich)

While enjoying win after win throughout the years, the feeling has become routine for San Diego State softball coach Kathy Van Wyk, but last Friday she earned a win that stands apart from most.

When SDSU defeated New Mexico 8-0 last week, it was the milestone achievement for the 15-year head coach.

The win was the 500th for Van Wyk, who is the all-time winningest coach in Aztec's softball history.

The three-time Mountain West Conference coach of the year, she wasn't even aware she had won her 500th game.

"I didn't even know it was my 500th win," Van Wyk said. "I only knew because (Assistant Sports Information Director) Jamie McConeghy texted me after the game congratulating me."

Although Van Wyk didn't know about the potential milestone prior to the game, freshman utility Lorena Klopp was well aware of what was at stake.

"It was more than just a win," Klopp said. "We were really excited to get that win for coach. We all knew that it was her 500th win."

Junior pitcher Bailey Micetich was excited she could help Van Wyk with the honor.

"It was great that we could be there for her, it was great for her," Micetich said. "I'm just glad to help her reach that milestone."

While Van Wyk has led her team to numerous victories, she was quick to give praise to those who have helped her remain successful throughout the years.

"I've benefited from good assistant coaches and players," Van Wyk said. "It's been about hard work. When players come in here and work hard it helps me out, so I've been fortunate over the last couple of years. They have helped us be able to stay a top-30 program."

Even though Van Wyk credits the players for success, Klopp knows that she has improved with the help of her coach.

"She helped me out a lot when I was kind of down in the beginning of the season," Klopp said. "She has shown me a lot and has helped me with my focus."

Like Klopp, Micetich acknowledged that Van Wyk has helped improve her performance on the field.

"She has helped me develop my changeup," Micetich said. "It's working so well this year, totally different than before."

With six NCAA Tournament appearances under her belt, including a streak of three consecutive appearances the team will look to extend to four this year, Van Wyk is raising the profile of Aztec softball.

Even though Micetich knows Van Wyk has helped her game individually, she recognizes how valuable her coach is to the rest of the team.

"She is a big asset to us," Micetich said. "She is a great coach. She is the one yelling at us, motivating us and helping us get better."

Now that she has earned her 500th win, Coach Van Wyk can shift her focus to conference play.

SDSU will be looking to extend its winning streak to 14 games and improve to 4-0 in conference play as it battles the Utah Utes at 6 p.m. tomorrow.

Maeva wins it in eighth

By Antonio Morales | The Daily Aztec
April 18, 2011 (Van Wyk, Maeva, Micetich)

After losing 1-0 to BYU in eight innings last Friday, it appeared as if the San Diego State softball team was going to suffer the same fate a day later.

But with the game locked in a scoreless pitcher's duel, junior first baseman Justeen Maeva came up to the plate in the eighth inning with a chance to flip the script.

And she did just that as she knocked in the game-winning run with an RBI single to give SDSU (28-16, 4-2 Mountain West Conference) a 1-0 eighth inning win over BYU at SDSU Softball Stadium.

"I was nervous," Maeva said. "(BYU pitcher Paige Affleck) just kept getting ahead in the count, so I decided to come out aggressive."

The win snapped a two-game losing streak for the Aztecs who had previously won 13 consecutive games.

Head coach Kathy Van Wyk believed the lack of hitting was caused by the pitching efforts by both teams.

"This is the way softball used to be played," Van Wyk said. "It was an old-fashioned pitcher's duel. It wasn't about the hitters because the two pitchers were pitching great."

The game wouldn't have been won if it wasn't for the effort of junior pitcher Bailey Micetich.

Micetich pitched a complete game shutout and struck out eight Cougars, while only giving up five hits on the day.

Even though she was pitching great, Micetich wasn't too excited to be locked in another pitcher's duel with Affleck.

"It was so stressful," Micetich said. "She's a great pitcher, but we got to her in the last inning."

Van Wyk noted that it was going to be a tough loss for either team to take.

"This was a typical SDSU-BYU game," Van Wyk said. "It's a shame somebody had to lose. These games can go in any direction."

On Thursday, the Aztecs dropped their first of two one-run losses of the weekend as they fell to Utah 3-2.

With Friday's loss to BYU, the win on Saturday helped redeem the weekend for SDSU.

"We didn't want to walk away 0-3," Van Wyk said. "I'm glad we finally won (a close game)."

Micetich is back and better than ever

By Antonio Morales | The Daily Aztec
April 19, 2011 (Van Wyk, Kr. May, Micetich)

After compiling a 19-7 record with a 1.70 ERA for the San Diego State softball team her freshman year, the bar was set high for junior pitcher Bailey Micetich.

Micetich was named Mountain West Conference Freshman of the Year for her performance in 2009, but last season didn't turn out quite as she had planned. Micetich endured a sophomore slump and saw her record dip to 2-5 and her ERA rise to 3.37.

But times are different now. Micetich has regained her old form and has bounced back from a sub-par 2010.

For the season, she has a 16-9 record and is sporting a 1.53 ERA. She has struck out 137 batters while only issuing 26 walks.

"It's due to a lot of hard work I've been doing," Micetich said. "I've had a lot of practice, daily workouts, pre-game workouts, just trying to get things to work. I worked really hard over the summer, played on a 23-and-under team, took pitching lessons. I did everything I had to do."

Her work ethic has been noticed by head coach Kathy Van Wyk and her teammates.

"She has worked hard," Van Wyk said. "She improved her rise and her change-up, she's been hitting her spots, getting ahead in the count, she's pitching quicker and it's helping out the defense."

"She's grown up a lot," sophomore catcher Kristin May said. "She improved a lot since last year, she's really poised on the mound and is a leader out there."

Micetich looks like a completely new pitcher compared to the slumping sophomore she was last year.

"I'm definitely more confident," Micetich said. "I realized I was starting the season with a blank slate."

Van Wyk has paid attention to her pitcher's demeanor on the mound this year.

"Her body language is better this year," Van Wyk said. "She is such a competitor, we knew it was killing her last year to be doing poorly."

Micetich's teammates know she has the ability to keep the Aztecs in any game.

"We're not worried when she's on the mound," May said. "We just need to bring the bats."

Her knack for keeping her team in games wasn't more apparent than during last weekend's two-game series against BYU.

Micetich pitched 16 innings spanning two games, gave up one run, struck out 11 and walked just two batters.

Van Wyk was especially proud of her pitcher after her 1-0 shutout of BYU last Saturday.

"I'm so proud of her for coming back strong after last year," Van Wyk said. "She

has been nails for us this year, just phenomenal."

Micetich and the rest of the SDSU softball team, which is in first place in the Mountain West Conference with a 4-2 record, will look to stay on top of the conference standings as it plays the UNLV Rebels at 1 p.m. this Saturday at the SDSU Softball Stadium.

Wisneski's three-run homer powers SDSU

By Antonio Morales | The Daily Aztec
April 25, 2011 (Van Wyk, Micetich, Wisneski)

In a game where both teams squandered opportunity after opportunity, it was only a matter of time before one squad broke through.

Senior shortstop Jen Wisneski broke a scoreless tie in the fifth inning by sending a three-run home run over the left field wall, helping the San Diego State softball team to a 4-0 win against the UNLV Rebels last Saturday at the SDSU Softball Stadium.

"It feels amazing," Wisneski said. "I know how hard this team works, everybody on the team wants it bad; it feels good that I contributed to the team today."

Wisneski had a feeling of how UNLV's Amanda Oliveto was going to pitch her prior to the at-bat.

"I knew she was coming inside," Wisneski said. "She had been pounding everybody inside, so I had to adjust to the inside pitch."

Head coach Kathy Van Wyk wasn't surprised by her shortstop's home run shot.

"Jen has been doing this a lot for us at the end of games lately," Van Wyk said. "She's clutch."

It wasn't all great for the Aztecs, though. Both teams left plenty of runners on base. UNLV left nine, while SDSU (29-16, 5-2 MWC) left seven.

Despite that, Van Wyk thought the game was well played.

"Both teams pitched great and played great defense," she said. "It was just a matter of who was going to come up with a timely hit."

Defense was key for the Aztecs as UNLV put a number of balls in play, which junior pitcher Bailey Micetich appreciated.

"They were just on," Micetich said. "It's so nice to know they're going to get whatever goes out there."

Van Wyk has been telling Micetich to let the defense make the plays, and Saturday Micetich did.

"Let them hit the ball," Van Wyk said. "We've been stressing it to Bailey; there will be somebody back there to pick her up."

That defense helped Micetich throw her second consecutive complete-game shutout. She struck out six batters while giving up seven hits in the effort.

Freshman Klopp defying expectations for SDSU

By Antonio Morales | The Daily Aztec
April 26, 2011 (Van Wyk, Klopp, Wisneski)

Before the San Diego State softball team started its season, freshmen utility Lorena Klopp wasn't expecting to do much.

"I didn't expect to be playing a lot," Klopp said.

But this season, Klopp has found her way into the lineup as well as the SDSU record books.

Even though she is merely a freshman, Klopp has already broken the Aztec single-season record for home runs with 14 this year.

With her 14 round-trippers, Klopp finds herself third on the all-time home run chart for SDSU softball. She is just three behind record-holders Megan McDonald (2005-08) and Erryn Gutjahr (1996-1999).

Klopp's play even caught head coach Kathy Van Wyk off guard.

"She's been a pleasant surprise for us," Van Wyk said. "We had to find a place

for her in the lineup.”

Sometimes it's hard for a freshman to earn the respect and admiration of the seniors, but Klopp's performance this season has done just that.

“I've been very impressed,” senior shortstop Jen Wisneski said. “I wish I could have had as much success when I was a freshman.”

The scary thing is that despite all of the gaudy power numbers Klopp has put up in her first season as an Aztec, she still hasn't reached her peak as a player.

Her batting average, .252, shows there is plenty of room for her to grow.

“She's maybe reached about 30 to 40 percent of her potential,” Van Wyk said. “She's still only batting .260, we're hoping to get her up in the .280s.”

“She'll grow offensively and defensively,” Wisneski added. “She's going to be a great leader too.”

Typical of a first-year player, Klopp has had to do a lot of learning this season.

She had to figure out how to play a new position along with finding the proper mindset to bring to the game.

“She had to learn how to play left field,” Van Wyk said. “She was willing to work hard though.”

“I learned a lot about focus,” Klopp said. “It's not just a game anymore, there's a lot more that goes into it now.”

Van Wyk sees endless possibilities for Klopp. The coach thinks her star freshman will be successful on the mound in the future, on top of the success she's already having at the plate.

“She's going to be a very good pitcher,” Van Wyk said. “She throws harder than any pitcher we have right now.”

Whether she's pitching or hitting, Klopp has high expectations for herself for the future.

“I just hope to keep on progressing and keep on getting better,” Klopp said.

Klopp is looking to build on her already impressive freshman season as SDSU takes on BYU at 4 p.m. tomorrow in Provo, Utah.

Beasley 'disappointed' with senior season

By Antonio Morales | The Daily Aztec
May 4, 2011 (Van Wyk, Beasley, Micetich)

During her softball career at San Diego State, senior pitcher Samantha Beasley has experienced an abundance of success on the mound. She is first in the SDSU softball record books for strikeouts (760) and total shutouts since 1983 (36). She is also second in saves and third in career wins. Dominating the pitcher's circle is nothing new for Beasley.

But her final season isn't going the way anybody expected.

After last year, when she was named Mountain West Conference Pitcher of the Year and earned third team All-American honors from the National Fastpitch Coaches' Association, the sky was the limit for Beasley.

She owns a 9-6 record this season with a 3.46 ERA and 109 strikeouts. But this is following her junior campaign where she went 29-11, had a 1.20 ERA and struck out 354 batters.

With five games left in the regular season, Beasley's career as an Aztec is coming to an end. Even though her four-year stay at SDSU has been one of the most successful of any pitcher to step foot on campus, Beasley admitted she doesn't like the way her year has unfolded.

“I'm disappointed with the way my senior year has been going,” Beasley said. “It sucks. I don't want my career as an Aztec to end like this. I don't want this to be the end of softball for me.”

She has struggled to find the formula that worked so well for her last year, and head coach Kathy Van Wyk is hoping her star pitcher can find a way to regain her form.

“I would love for her to find herself,” Van Wyk said. “With Sam, I think she wants

it almost too much. She is thinking too much out there.”

The head coach also noted she has worked with Beasley in an attempt to get her back on track.

“We have tried everything,” Van Wyk said. “We've tinkered with mechanics, self-talk, working on rhythm. Sam just has to find the confidence and just do it. There are no magic solutions.”

After going through struggles of her own last year, junior pitcher Bailey Micetich knows what it's like to be in Beasley's shoes.

Micetich was blunt when asked how it feels to go through a slump.

“It definitely sucks to struggle,” Micetich said. “You want to do good for the team but can't. You just have to come out with the attitude that you can do it and will do it.”

Micetich has bounced back from her struggles and expects her teammate to do the same.

“She's struggled in the beginning,” Micetich said. “But there's still some time for her to do what she did last year.”

Beasley noted she is continuing to work hard despite her struggles. For now, she just wants to end the season on a positive note.

“I want to finish the year as strong as possible,” Beasley said. “I've been struggling a lot on the mound so hopefully my hard work pays off.”

Beasley isn't alone. Her coach and teammates share the same sentiments and want to see her end the season as best as she can.

“We're absolutely going to need her,” Van Wyk said. “We're a better team with those two pitchers (Beasley and Micetich) throwing strong.”

“She'll definitely bounce back,” Micetich said. “She's a great pitcher. I have her back, just like she had mine last year.”

SDSU suffers another heartbreaking loss

By Antonio Morales | The Daily Aztec
May 10, 2011 (Van Wyk, Ka. May)

With two outs in the bottom of the seventh inning, the San Diego State softball team found itself in a familiar position on Sunday in Las Vegas.

The team had another chance to put away UNLV, which had defeated SDSU the day before on a two-run walkoff home run.

The result was familiar for the Aztecs too, as UNLV's Ashli Holland hit a three-run walkoff home run against senior pitcher Samantha Beasley to give the Rebels a dramatic 13-11 win against SDSU.

Another heartbreaking loss left head coach Kathy Van Wyk looking for positives.

“It was extremely disappointing,” Van Wyk said. “We batted well and scored lots of runs, so it was encouraging to see the offense come around.”

The Aztecs faced two four-run holes during the course of the game. But SDSU was resilient, as it tied the game in the top of the sixth inning and took the lead in the top of the seventh.

Sophomore Kameron May was the catalyst for the Aztec rally as she went 3-for-4 with two home runs, three RBI and scored three runs.

May knew what to expect from any pitcher UNLV threw out on the mound.

“We had a plan for every pitcher,” May said. “Their lefty had a change-up, and their ace was going to be coming inside. I knew I had to back off the plate since she was going to be pitching me in.”

Mother Nature played a role in the game as well, as the wind helped contribute to the high run totals.

May and Van Wyk both acknowledged the fact the wind assisted the outcome of the game.

“It was the wind,” May said. “On my first home run I hit the ball off the knob of my bat.”

"It was huge," Van Wyk said. "Any ball that was lifted in the air was going out. Both of Kamerin's home runs barely cleared the wall. But both teams had to play with it."

SDSU now finds itself riding a three-game losing streak. The team fell to 29-19 with the loss and dropped to 5-5 in Mountain West Conference play.

For now, the team is looking to put the UNLV losses behind it and win the last three games of the season.

"What happens in the past stays in the past; it's over with," May said. "We have games against Colorado State and New Mexico, who just beat BYU. So we have to move on from here."
