

SDSU Advanced Softball Showcase

November 14th & 15th, 2009

San Diego State University has an elite softball program and we would like to invite you to participate in our Advanced Skills Showcase. The showcase is open to high school softball athletes in 9th and 10th grade.

During this showcase you will participate in all phases of the game: advanced offensive and defensive techniques, pitching and catching, base running, strength and conditioning.

The goal of this camp is to allow you the opportunity to receive instruction from our coaches, learn techniques based on our programs philosophy, and to provide you the opportunity to participate with other athletes who have your same goals.

SDSU Advanced Showcase
