SDSU Softball Plays Host to Colorado State, New Mexico This Weekend

Winners of seven straight games, 14 of its last 16, 16 of its last 19, and 20 of its last 25, the San Diego State softball team returns to Mountain West Conference action this weekend when it plays host to Colorado State and New Mexico. The Aztecs (25-13, 2-0 MWC), who are receiving votes in both the USA Today/NFCA and ESPN.com/USA Softball national polls, welcomes Colorado State for a solo game at 6 p.m. Friday before playing New Mexico at 6 p.m. Saturday and again at 1 p.m. Sunday.

SDSU has outscored its opponents, 23-3, over the seven-game winning streak, which began with a 4-2 victory over Texas Tech in the second game of a doubleheader on March 17.

Senior All-American Erin Floros (San Diego/Mt. Carmel HS) leads the San Diego State offense with a .328 batting average in 24 games (all starts). Floros, who missed 14 games earlier this season with a bout of appendicitis, is also among the team leaders in home runs (2), slugging percentage (.478), on-base percentage (.418) and fielding percentage (1.000). Junior Brittany Knudsen (San Diego/Mt. Carmel HS), who recently passed Janna Kovensky (2001-04) for first on the school's all-time walk list, is batting .287 with a team-best 17 RBI, 22 walks, 11 stolen bases, 31 hits (tied), 14 runs (tied) and five sacrifice bunts (tied). The 1-2 pitching punch of freshman Bailey Micetich (Woodland, Calif.) (13-4, 1.59 ERA, 123 IP) and sophomore Samantha Beasley (San Diego/Steele Canyon HS) (12-9, 1.87 ERA, 142 IP) continue to improve in the circle for the Aztecs, tossing shutouts in 14 of the team's 25 victories.

SDSU leads the all-time series with the Rams (17-18, 1-1 MWC), 41-27. San Diego State has won the last six in the series and 13 of the past 15 dating back to the 2005 campaign. In fact, the Aztecs have won the last 11 games against CSU at home with their last loss on May 10, 2003.

SDSU is 49-28 all-time against the Lobos (10-25, 1-2 MWC) after winning all four meetings a year ago. In 2007, however, New Mexico won three of four against the Aztecs.

Noting New Mexico

New Mexico is off to a 10-25 start, including a 1-2 record on league play. Last Thursday, the Lobos downed Utah, 10-7, at home before losing twice to Brigham Young, 13-4 (6 innings), on Friday and 10-3 on Saturday. Samantha Hughes, who leads the league in stolen bases (13), is tops on the team in batting average (.388), at-bats (116), runs (31), hits (45), doubles (13), home runs (6), total bases (76), slugging percentage (.655) and stolen bases. Katie Gilmore (.336, 21 R, 30 RBI) and Analise Rubalcava (.323, 22 RBI, .492 OB%) are New Mexico's other top hitters. Rubalcava also leads the pitching staff, which has a 6.29 team ERA, with a 5-13 record and 5.83 ERA over 103.1 innings. Danielle Castro (2-11, 6.27 ERA, 80.1 innings) has also seen a lot of innings in the circle for the Lobos.

SDSU is 49-28 all-time against the Lobos (10-25, 1-2 MWC) after winning all four meetings a year ago. In 2007, however, New Mexico won three of four against the Aztecs.

Three Former Aztecs Named to MWC 10th Anniversary Softball Team

Three former San Diego State softball players have been named to the Mountain West Conference 10th Anniversary Softball Team, the league announced on April 1. Sarah Hershman (San Diego, Calif./Mt. Carmel HS), Christina Ross (Santa Clara, Calif./Valencia HS) and Celena Velasquez (Tucson, Ariz./University HS) were each picked for the team, giving the Aztecs three on the 11-player squad, which tied Brigham Young for most in the league.

The team was selected by a combined panel of media, institutional and conference personnel and online fan poll. In order to be eligible for consideration, candidates must have been an all-Mountain West selection at least once in their careers.

Hershman, who lettered four years at SDSU from 1999-2002, was a three-time selection (2000-02) on the all-MWC team as a second baseman and a two-time NFCA all-West Region second-team pick (2001-02). Hershman was named to the MWC all-tournament team in 2001 and was honored as the conference's player of the week on Feb. 26, 2002.

Hershman is ranked among all-time school leaders in games played (second, 235), games started (second, 229), at-bats (third, 685), hits (third, 212), RBI (third, 97), total bases (third, 281), fielding chances (third, 1,061), runs (fourth, 102), stolen bases (fourth, 50), assists (fourth, 370), extra-base hits (fourth, 43), singles (fourth, 169), doubles (tied-fourth, 26), triples (tied-fourth, 8), putouts (seventh, 654), home runs (tied-seventh, 9), batting average (eighth, .309), OPS percentage (ninth, .768), stolen base percentage (ninth, .820), hardest to strike out (ninth, 1K/12.92 at-bats) and slugging percentage (10th, .410).

A three-year pitcher from 2006-08, Ross was a two-time MWC Pitcher of the Year (2006 and 2008) and three-time all-MWC selection (2006-08), while picking up NFCA all-West Region honors twice (2006 and 2008). Ross, who became the second All-American in school history when she was selected to the Easton-Bell Sports second team in 2008, set a league record with 12 career MWC Pitcher of the Week awards, including a conference record eight during the 2008 campaign. Ross also earned MWC all-tournament team honors during the final MWC postseason tournament in 2006.

Ross, who played for Kansas in 2005, holds three school records, including solo shutouts (since 1999) (23), total shutouts (28, tied with Sandra Durazo) and strikeouts (612). She is also ranked among the career leaders in wins (second, 70), win percentage (second, .660), games started (second, 96), complete games (second, 72), innings pitched (second, 691.2), saves (third, 6), strikeouts per seven innings (fourth, 6.19), strikeout-to-walk ratio (fourth, 3.97), appearances (tied-fourth, 129), lowest opponents batting average (fifth, .218), ERA (seventh, 1.50), fewest walks per seven innings (ninth, 1.56), and WHIP (BB +H/IP) (ninth, 1.04). Last year, Ross set Aztec single-season records in wins (30, tied with Durazo from 2001), appearances (52), total shutouts (14) and strikeouts (275).

The only four-year all-conference selection in Aztec history, Velasquez (2003-06) also earned the MWC Pitcher of the Year award on two occasions (2003-04), while garnering academic all-MWC accolades from 2004-06. A two-time NFCA all-West Region second-team honoree (2003-04), Velasquez was named the MWC Pitcher of the Week 11 times, while being picked to the MWC all-tournament team in 2003.

Velasquez still holds three records at SDSU, including saves (12), fewest walks per seven innings (0.98) and strikeout-to-walk ratio (6.45). She is also among the program leaders in appearances (second, 138), solo shutouts (since 1999) (second, 20), wins (third, 55), win percentage (third, .647), strikeouts (third, 529), strikeouts per seven innings (third, 6.33), lowest opponents average (third, .211), total shutouts (third, 25), WHIP (BB + H/IP) (third, 0.92), games started (sixth, 82), innings pitched (sixth, 584.2), complete games (eighth, 46) and fewest hits allowed per seven innings (eighth, 5.46). Five of Velasquez' season records still stand, including win percentage (.762 in 2004), solo shutouts (since 1999) (10 in 2005), saves (6 in 2005 - tied with Bre DeSanta (2002), strikeout-to-walk ratio (10.05 in 2005) and lowest opponents average (.174 in 2005).

SDSU's Samantha Beasley Earns Third MWC Pitcher of the Week Award

San Diego State sophomore Samantha Beasley (San Diego/Steele Canyon HS) has been named the Mountain West Conference Pitcher of the Week, the league announced Tuesday. It is the conference-leading third honor of the season for Beasley and sixth weekly accolade (pitcher or player of the week) by an Aztec this year.

A righthander, Beasley went 2-0 in two appearances with a 0.50 ERA over 14 innings. She struck out 23 and allowed just two walks for an impressive 11.5 strikeout-to-walk ratio. Beasley gave up seven hits, five of them singles, and one run, allowing her opponents to hit .140.

On Wednesday (April 1) at San Diego, Beasley tossed a two-hit complete game shutout where she struck out 10 and gave up two walks. Both hits were singles as she did not allow a runner past second base.

Against UNLV in the MWC opener on Saturday, Beasley had 13 strikeouts, the second-most in her career, and walked none with one hit-batter over seven innings. She allowed five hits, three of them to Marissa Nichols, and one run. Beasley got out of a major jam in the fifth inning with two runners in scoring position and one out by getting a popout and a strikeout on a 12-pitch at-bat.

SDSU Ties for First in 2009 MWC Preseason Poll

The defending and four-time Mountain West Conference champion San Diego State softball team was picked to finish in a tie for first in 2009 in a preseason poll voted on by the league's coaches on Jan. 28.

The Aztecs, who went 15-5 last season in MWC play to claim their second regular season championship in three seasons, and Brigham Young each picked up 23 points, including three first-place votes apiece. SDSU and BYU were followed by UNLV (15 points), Utah (14), Colorado State (10) and New Mexico (5), respectively.

San Diego State, which is ranked No. 25 in the USA Today/NFCA preseason poll and receiving votes in the

ESPN.com/USA Softball poll, return eight starters from a year ago, including two-time all-league performer and 2006 All-American Erin Floros (San Diego/Mt. Carmel HS). Other former all-conference selections who will add to the mix in the 2009 campaign include Monica Alnes (Rancho Palos Verdes, Calif./Peninsula HS) (2006), Brittany Knudsen (San Diego/Escondido HS) (2007) and Lindsey Marquez (Tustin, Calif./Lutheran HS) (2007).

Last season, the Aztecs set school records in 11 categories, including wins (44) and win percentage (.721, 44-17), en route to their fourth NCAA appearance.

Aztecs (Finally) Receiving Votes in Both Polls

San Diego State is receiving votes once again in the latest edition of the USA Today/NFCAA national poll. It is the sixth straight week the Aztecs are receiving votes.

In the poll, SDSU gained two votes to 10, after winning all three of its games to stretch its winning streak to seven games. San Diego State trails No. 25 Texas A&M (81) by 71 votes. Cal Poly, a team the Aztecs split with earlier this season, and Iowa lead the receiving votes crew with 40, followed by Iowa (29), Kentucky (25), Nevada (12), the Aztecs (10), Fresno State (10), Georgia Tech (10), Illinois (10), Creighton (7), Brigham Young (4), Northern Iowa (3) and Arkansas (1).

San Diego State began the season at No. 25 in the poll and moved up a spot the following week. Since then, however, SDSU dropped to 28th (RV) then out the following week. This week, the 10 votes are tied with the Bulldogs, Yellow Jackets and the Illini for 30th in the nation.

For the first time since the second poll of the season, the Aztecs are also receiving votes in the ESPN.com/USA Softball poll. The one vote ties SDSU with Kentucky for 36th in the country. Louisiana-Lafayette's 24 votes is tops among the schools receiving votes (27th in the nation), followed by Florida Gulf Coast (20), Southern Illinois (13), Iowa (10), Florida State (7), Baylor (4), Brigham Young (3), Northern Iowa (3), Auburn (2), and the Aztecs and Wildcats (1 each). Cal Poly and Fresno State are tied for 25th in the poll with 29 votes. The Aztecs began the season receiving votes, the 27th most in the nation, then dropped to tied for 38th, before being completely removed from the poll.

SDSU Ranked No. 41 in Both RPI's

The Aztecs are ranked No. 41 in both the NCAA RPI and the NFCA RPI. The RPI is a mathematical calculation used to help determine each team's success, using a calculated strength of schedule and won-loss percentage.

The NFCA RPI utilizes a formula that is based on the one used for Division I men's and women's basketball. There are minute differences in the penalties and bonuses that are specific to each sport. For example, there may be a small penalty for a Division I school that plays a non-Division I opponent and there may be a small bonus for beating a team that is ranked in the USA Today/NFCAA Top 25 poll. When determining the RPI for each team, the following basic formula is used for both the NFCA and NCAA RPI: 25% -- Winning percentage, 50% -- Opponents' winning percentage, 25% -- Opponents' opponents' winning percentage.

Although the NCAA publishes this basic formula, it does not release the mathematical bonuses and penalties specific for each sport. It is important to note that the NFCA RPI will not be exactly the same as the NCAA RPI, since the NCAA does not release its bonus and penalty calculations. However, the two should be close and the NFCA RPI should be an indication of where a team stands. The NCAA does not endorse the NFCA RPI and is the more official one of the two ratings.

In the NCAA RPI, SDSU trails three teams it has already beaten, including No. 11 Missouri, No. 28 UNLV (twice) and No. 37 Cal Poly.

According to the NFCA RPI, which can be found at <http://www.fullysports.com/softball/2009/rpi>, the Aztecs are 41st out of 286 teams. SDSU, which has played the 46th-most difficult schedule (opponents winning percentage is .550), is 5-10 against top-50 RPI schools, 6-2 against 51-100 schools, 7-1 against teams in between 101-200 and a perfect 6-0 against teams ranked 201 and higher.

A Look at the Aztecs So Far

San Diego State is off to a 25-13 start and is currently on its second seven-game winning streak of the season. When you take a look at the bigger picture, the record doesn't look so bad. Consider the following:

* Eight of SDSU's 13 losses have come against nationally ranked schools, including five against top-10 and Pac-10 teams. The nationally ranked losses have come at No. 4/4 UCLA (in extra innings), No. 20/18 Louisiana-Lafayette (twice) and No. 5/6 Stanford, and at home against No. 10/7 Washington, No. 8/8 Stanford, rv/No. 24 Long Beach State and the No. 4/3 Bruins once again. The other losses came against Cal Poly, a team it had beaten the day before and is ranked in the ESPN.com poll, Kentucky, which is No. 15 in the latest NFCA RPI and where SDSU committed three errors, Illinois State, where Aztec pitcher Samantha Beasley allowed just two hits in a 1-0 loss, Cal State Northridge, where SDSU was playing its seventh game in five days and Texas Tech, where the Aztes committed a season-high four errors.

* Of those eight losses to nationally ranked squads, four have come against All-American pitchers. In fact, SDSU had to face three of those pitchers in consecutive games to end the Campbell/Cartier. The Aztecs lost to Washington's Danielle Lawrie (2008 Canadian National Team member and 2007 NFCA first-team All-American), Stanford's Missy Penna (2008 NFCA third-team All-American) and Long Beach State's Brooke Turner (2008 NFCA second-team All-American). Penna beat San Diego State once again on March 7 in Palo Alto, Calif.

* San Diego State has five losses against teams currently ranked in the top 10 - No. 2/2 Stanford (twice), No. 3/3 Washington and No. 9/7 UCLA (twice).

* Of the 13 losses on the season, seven have come against pitchers who were named to the 2009 USA Softball Player of the Year Watch List. Besides Lawrie, Penna (twice) and Turner, SDSU also had to face UCLA's Megan Langenfeld (twice) and Louisiana-Lafayette's Ashley Brignac.

* Of the 13 losses on the season, four have come against teams who made the Women's College World Series a year ago (UCLA (twice) and Louisiana-Lafayette (twice)).

* The Aztecs have also had two of their games canceled because of rain - the Feb. 6 opener against Indiana and Feb. 21 vs. Connecticut. Last year, SDSU one-hit Indiana in a 8-0 shutout and this year, San Diego State one-hit UConn in a 2-0 victory on Feb. 20. Both games would have been most likely won by the Aztecs.

E-E-E-E-Flo!

After tearing up the opposing pitchers and baserunners through the first two weeks of the season, senior All-American Erin Floros (San Diego, Calif./Mt. Carmel HS) ran into some bad luck on Feb. 19. Minutes before the team was boarding the bus for their trip to Lafayette, La., Floros learned that she had a case of appendicitis.

After missing the first 14 contests, Floros has returned to lead the team to a 13-2 mark over the last 15 games.

a torn ACL, still leads the team, or is tied for the lead, in batting average (.328), home runs (2), slugging percentage (.478), on-base percentage (.418) and fielding percentage (1.000). She is also second in RBI (16) and walks (11).

In her first weekend, Floros, who was left off the 2009 USA Softball Player of the Year Watch List, had a terrific performance at the Stacy Winsberg Memorial Tournament. Floros batted a team-best .455 (5-for-11) for a team that collectively batted just .204 (23-for-113). To put that in perspective, without her average, the team mark would have been .176 (18-for-102). Floros also led the team in hits (5), home runs (1), RBI (6), total bases (8), slugging percentage (.727), walks (3) and on-base percentage (.571). Floros had the game-winning hits in each of SDSU's two wins, while her six RBI were half the team's total of 12 for the weekend. She also was perfect in 20 fielding chances and was the only Aztec to record a hit in every game.

Floros had another good weekend at the Campbell/Cartier Classic. Floros hit .308 (4-for-13) and was walked four times over the five games. She drew a career-high three walks (two intentional) and scored a run in SDSU's 3-1 win over Utah State in eight innings on Feb. 12 and followed that up with an RBI double and walk against UC Santa Barbara. Floros went 2-for-3 with an RBI and a sacrifice fly against No. 24 Long Beach State to conclude the weekend on Sunday.

In her 15 games back, Floros has gone 13-for-43 (.302) with eight RBI and a .442 slugging percentage.

Over her career, Floros has started 159 of the 160 games she has appeared in, the highest percentage (99.4) of starts to games played on the squad.

Among the program career leaders, Floros is first in fielding percentage (.993), third in on-base percentage (.404) and OPS percentage (.853), fourth in slugging percentage (.449) and putouts (835), fifth in batting average (.325), RBI (87) and fielding chances (952), tied for fifth in sacrifice flies (4), sixth in home runs (10), tied for sixth in times hit by a pitch (7), tied for seventh in doubles (25) and walks (57), and tied for eighth extra-base hits (36).

The Killer Bees

After struggling earlier in the season, San Diego State pitchers Bailey Micetich and Samantha Beasley have become one of the best 1-2 punches in the country. Micetich is 13-4 with a 1.59 ERA in 123 innings, while Beasley is 12-9 with a 1.87 ERA over 142 frames. Each player has been named the Mountain West Conference Pitcher of the Week this season (Micetich on March 10 and Beasley on Feb. 24, March 17 and April 7).

The duo has improved as the season has gone along, improving their ERA each week and opponents batting average almost every week. Look at the chart on the right for the staff's improvements.

Another improvement has come in terms of strikeouts, where SDSU leads the league. After striking out seven over her first 15 innings (3.27-per-seven innings), Micetich has struck out 126 over her last 108 innings (8.17-per-seven innings). Beasley has shown similar improvement from 11 in her first 13 innings (5.92-per-seven innings) to 166 over her last 129 frames (9.01-per-seven innings). The staff has 310 strikeouts in 38 games (8.16 per game), on pace for 407.9 in a 50-game season (excluding NCAA's). Last year's staff set a program record with 394 strikeouts in 64 games (6.16 per game) (including NCAA's).

The Killer Bees have also done a much better job of keeping the ball in the park. In the first nine games of the season, the duo allowed nine in 64 innings, or 0.98 homers every seven innings. The worst part about the ball leaving the park is that only three were solo home runs (one grand slam, two three-run HR's and three two-run HR's). The duo has done much better the last six weeks, allowing just six solo home runs over 201 innings of work (0.21-per-seven innings).

Had a single off the bench versus Northern Colorado on March 13 ... Was hit by a pitch in her lone plate appearance at Cal State Fullerton (March 21) ... 2009 NOTES

Enjoyed another strong fall season after a successful spring of 2008 ... One of the unsung heroes on the team ... Has extensive experience catching former All-American Christina Ross and former all-conference selection Melissa Owens ... Will provide much-needed depth behind the plate ... Has started nine of the 12 games she has appeared in, all at catcher ... Has a .391 on-base percentage, which would rank second on the team had she enough plate appearances (51) to qualify ... Has a perfect fielding percentage, which ties for first in the Mountain West Conference ... In fact, only three others, including teammate Erin Floros, have the same percentage and more fielding chances ... Earned her first career start and played in her first game of the season on Feb. 20 in SDSU's 2-0 win over Connecticut ... Walked in her first plate appearance and then followed that up with a single ... Had seven putouts in the game ... Had two at-bats at No. 18 Louisiana-Lafayette on Feb. 22 ... Registered three putouts after replacing Traci Wolf at catcher ... Had the game-winning hit and first career RBI in SDSU's 1-0 victory over San Diego on Feb. 25 ... Also had a career-high 14 putouts behind the plate ... Followed the USD game up with a 2-for-3 outing, her first career multi-hit game, versus Oregon on Feb. 27 ... Drew a walk and was hit by a pitch against No. 3 UCLA on Feb. 28 ... Drew walks against Illinois State (March 6) and at Stanford (March 7) ... Scored a run and had a sacrifice bunt in an Aztec win over South Dakota State on March 11 ... Also started against Oklahoma State (March 13) and had 10 putouts ... Got her first at-bat in 12 games against UTEP on April 7 but struck out in a pinch-hitting role ... SDSU is 7-2 when she earns the starting nod.
