## San Diego State Looks for Second Straight MWC Victory with Road Contest at Wyoming

Things don't get any easier for San Diego State (1-6 overall; 1-2 Mountain West Conference) as it travels to Laramie to battle Wyoming (4-5; 3-2 MWC) in a 1 p.m. MT (noon PT) start at War Memorial Stadium.

The game will be televised by The Mtn. and can be heard up and down the west coast on XX Sports Radio (1090 AM and 105.7 FM in San Diego). The radio call can also be heard on the Internet via goaztecs.com.

San Diego State, which has faced the 19th most difficult schedule to date according to the NCAA, will face a sub .500 team at kickoff on Saturday for the first time this season. The Aztecs' first seven opponents are a combined 37-19 (66.1 percent) to date.

San Diego State is coming off a heartbreaking 16-14 loss to Cal Poly last Saturday at Qualcomm Stadium. The Aztecs led for 47:10 of the 60 minutes contest, but were unable to hang on for their second consecutive victory. The two-point loss dropped the Aztecs to 0-7 in games decided by four points or less since the final game of the 2002 season (SDSU is 16-20 in all other games during that time frame).

The Aztecs scored touchdowns on two of their first three possessions and led 14-3 after a quarter. The teams combined to produce 590 yards of total offense and the game morphed into a field position chess battle after the first quarter. The Aztecs, which outgained Cal Poly, marking the first time this season that has happened since the season opener against UTEP, could muster just 186 yards following the first quarter. The Mustangs put together a six-play, 81-yard drive just before halftime to cut the SDSU lead to 14-10.

Cal Poly used a pair of fourth quarter field goals to claim the win, the final one set up following an SDSU fumble, its first turnover in 154:45, gave the Mustangs the ball at the Aztec 23. Three plays later, the Mustangs had their third field goal of the game and a 16-14 lead with 1:50 left.

Without a timeout, the Aztecs moved the ball 50 yards to give SDSU a 47-yard field goal attempt with 32 seconds left, but the attempt was wide left.

Wyoming's three-game winning streak came to an end on Saturday with a 26-3 loss at TCU. The Horned Frogs scored the first 19 points of the game to hand the Cowboys their first loss since Sept. 30th. Wyoming sports one of the nation's top defense with the national rankings to back up the claim. The Cowboys rank first in passing defense (yardage), third in defensive passing efficiency, sixth in total defense, 35th in scoring defense and 38th in rushing defense.

Entering the weekend, eight of the nine teams in the Mountain West Conference have at least two league losses, as six teams are tied for second place in the loss column with two conference defeats, including Wyoming and San Diego State. The Cowboys are tied for second (with New Mexico and Utah) in the MWC with a 3-2 record, while the Aztecs are tied for sixth (with TCU) with a 1-2 mark.

Saturday marks the 28th meeting between the teams with Wyoming owning a 14-13 series advantage. The Aztecs have won five of the last six meetings between the teams, including two of the last three encounters in Laramie. Two of the last four games have been decided by five points or less.

#### ► THE SERIES

Overall: Wyoming leads 14-13

Streak: SDSU has won one straight

Last Meeting: San Diego State erased a seven-point fourth-quarter deficit by outscoring Wyoming 20-0 in the final 9:20 to claim a 34-21 victory at Qualcomm Stadium on Nov. 19, 2005. Lynell Hamilton carried 27 times for 154 yards and Marcus Demps returned an interception 20 yards in the fourth quarter to help clinch the victory.

In Laramie: Wyoming leads 9-4

Streak: Wyoming has won one straight

Last Meeting: Wyoming scored 17 second half points en route to a 20-10 victory in Laramie on Oct. 9, 2004. The Aztecs had 20-14 edge in first downs and a 363-264 advantage in total offense, but lost the turnover battle 3-0 in falling to the Cowboys.

## Aztecs Fall to Cal Poly, 16-14

SAN DIEGO - After winning its first contest of 2006 on a last-second field goal, San Diego State saw a reversal in its fortunes just a week later, as Cal Poly made two fourth-quarter field goals, including the last one with 1:50 remaining, to upset the host Aztecs on Homecoming, 16-14.

Clinging to a one-point, 14-13 lead, SDSU had the ball at its own 26-yard line following a Mustang punt with 3:28 left in the game. After a false start penalty pushed the team back to the 21, Aztec running back Atiyyah Henderson fumbled on the next play, which Cal Poly's Kenny Chicoine recovered at the 23-yard line.

The visitors ran three plays for just three yards, taking 1:12 off the clock and setting up for a field goal try in the middle of the field. Nick Coromelas, who hit on two of his three attempts earlier in the game, made what would turn out to be the game winner, sending a low-flying kick over the cross bar from 37 yards out and the 16-14 advantage.

The Aztecs, however, were able to take the ensuing kickoff and drive into their opponent's territory to set up a final field goal try of their own. Without any timeouts at his disposal, quarterback Kevin Craft completed four passes, including three to junior Chaz Schilens, to get SDSU to the Cal Poly 30-yard line with 37 seconds remaining.

Following a Mustang timeout, Aztec junior kicker Garrett Palmer, the hero of the Air Force win, came on the field to attempt a 48-yard field goal. But Palmer's kick ended up hooking wide left, as Cal Poly hung on to claim the win in the two schools' first meeting since 1967.

San Diego State appeared to be in early control of the game, despite allowing Cal Poly to score first on a 23-yard Coromelas field goal. The Aztecs responded to the deficit with two touchdown passes from Craft to senior Ramal Porter within a span of 2:22 in the first quarter.

Cal Poly got to within four on a 28-yard touchdown strike from Matt Brennan to Ramses Barden in the second quarter and trailed 14-10 heading into the locker room. Following the two touchdown outburst in the first quarter, the Aztecs were shut out the rest of the way, despite advancing into Mustang territory four times prior to the final drive of the game.

Henderson, whose fumble was the first SDSU turnover since the second quarter of the BYU contest, logged his second consecutive 100-yard rushing game, finishing with 140 yards on a career-best 26 carries.

Aztec linebacker Russell Allen and defensive end Antwan Applewhite both tallied 10 tackles to lead the defense, which held an opponent to under 100 yards passing for the third time this season.

## Noting the Cal Poly Game

- ▶ With the loss SDSU fell to 13-10 all-time against Cal Poly.
- ▶ Another Henderson Hundred:

After gaining 90 or more yards in each of his last four outings, redshirt freshman running back Atiyyah Henderson continued that streak tonight with 140 yards on a career-best 26 carries ... Henderson is the first player to run for 100 or more yards in a game against Cal Poly in 2006 ... Henderson is the first SDSU player to record back-to-back 100-yard rushing efforts since Lynell Hamilton ended 2005 with three straight ... Three current SDSU running backs have now logged two or more 100-yard rushing games in their first season of collegiate competition (also Brandon Bornes in 2004, Lynell Hamilton in 2003).

Against Air Force last week, Henderson became the 68th player in Aztec history to record a 100-yard rushing game, ending up with a career high 142 yards on a then career-best 25 carries.

### ▶ 10 Stops:

Sophomore linebacker Russell Allen reached double-figures in tackles for the second straight outing with 10 tonight. Allen had a career best 14 stops last week against Air Force and now has three career games with 10 or more tackles ... Antwan Applewhite also had 10 tackles for the Aztecs, a career-high.

### ▶ A Perfect Porter Day:

Senior wideout Ramal Porter scored his first touchdown of the season and second of his career with four minutes left in the first quarter ... It was his first TD since 2004 ... Porter added another TD reception later in the quarter on a 34-yard pass from Kevin Craft ... Porter is the first Aztec to have two TD receptions in the same game since Jeff Webb turned the trick in the season finale against Hawai'i in 2005 ... Porter's second quarter kickoff return of 27 yards was a team season-long, beating Justin Amaral's 23-yard return versus Utah (9-23).

### ▶ Pass Happy:

SDSU equaled its season total for passing touchdowns in the first quarter of tonight's game. The Aztecs had tossed just two TD passes in 2006, one versus Utah and one last week against Air Force.

### ▶ Ahead At The Half:

SDSU enjoyed a halftime lead for the second consecutive week ... The Aztecs' 14, first-quarter points are the only points allowed by Cal Poly in the first quarter this season.

### ▶ Other Notes:

SDSU junior defensive end Nick Osborn forced his first career fumble in the first quarter ... senior safety Reggie Grigsby recovered his third career fumble (first since 2003) in the second quarter ... Aztec junior linebacker Ted Edwards made his SDSU debut Saturday versus Cal Poly ... SDSU junior wideout Chaz Schilens has now caught a pass in 12 straight games ... Donny Baker tallied his 30th career pass breakup and is now in fourth place by himself in Aztec career history ... An SDSU opponent has started a drive in Aztec territory 17 times in 2006, including twice tonight.

## SDSU-Wyoming: The Series

did not face one another in 1998, but the game was an annual affair from 1978 to 1997, when both played in the Western Athletic Conference.

► Wyoming has scored exactly 20 points against the Aztecs each of the last three of the last four seasons (last year the Cowboys scored 21). SDSU has outscored Wyoming 204-104, since the Mountain West Conference's inception in 1999.

► **LAST MEETING:** San Diego State 34, Wyoming 21 | Nov. 19, 2005 | Qualcomm Stadium

SAN DIEGO - The San Diego State football team erased a seven-point fourth quarter deficit by outscoring Wyoming 20-0 in the final 9:20 to claim a 34-21 win at Qualcomm Stadium. With the victory, the Aztecs finished in a tie for fourth place in the league standings and claimed their fifth straight MWC season finale.

Turnovers proved to be the difference in the game early, as Wyoming turned an SDSU fumble and an interception into two scores to take a 14-7 advantage into the half. The Cowboys' lead could have been bigger, but Brett Sturm made a diving pick of a Corey Bramlet pass with just 56 seconds left until the half, at the Aztec 23-yard line.

SDSU running back Lynell Hamilton, who had 98 yards on 12 carries in the first half, tied the game in the third quarter at 14-14 with a one-yard touchdown.

Following a Wyoming touchdown, the Aztecs cut the deficit to four following a 32-yard Garrett Palmer field goal and retook the lead at 24-21 on an 18-yard touchdown by Robert Ortiz, which was set up by a 51-yard pass-play from Kevin O'Connell to Jeff Webb.

The SDSU defense took over the rest of the way.

Safety Marcus Demps intercepted a Bramlet pass and returned it 20 yards for his first career score to put the home team up by 10 points at 31-21. The next Cowboy drive also ended in an SDSU pick with cornerback Terrell Maze jumping in front of Jovon Bouknight and returning it down to the Wyoming 24-yard line.

Palmer tagged on his second field goal of the fourth quarter to round out the scoring and the defense stopped Wyoming on four straight plays from the SDSU 12-yard line to end the game.

Hamilton finished the night with 27 carries for 154 yards, while Webb had five catches for 100 yards in the second half alone to record his 11th career game with over 100 yards receiving (seven catches for 115 yards).

► **LAST MEETING IN LARAMIE:** Wyoming 20, San Diego State 10 | Oct. 9, 2004 | War Memorial Stadium

LARAMIE, Wyo. - San Diego State's five-year domination of Wyoming came to a screeching halt last October 9. The Aztecs found a way to lose a game in which their quarterback set a career high in completions and passing yards, the opposition was limited to just 264 yards of total offense, a full 99 shy of SDSU's total, and the opposition was just 3-of-16 on third-down conversions.

Here is how it happened. The Aztecs suffered four meltdowns in the kicking game, some red-zone misfires and eventually wilted in the fourth quarter to fall to the Cowboys by a 20-10 count in the Mountain West opener for both schools.

SDSU held a 10-3 lead at halftime, thanks to a 47-yard touchdown pass from Matt Dlugolecki to Jeff Webb. The TD pass was the only exclamation point in a game that saw SDSU hold a tiny advantage in total offense, 161-126 at the break. At intermission, the two teams had combined for 45 rushing yards.

In the third quarter, the Aztec wheels came off in a most unconventional fashion. On the first possession of the third period, SDSU's three-and-out offensive possession was followed by a 10-yard Sean Henschel punt. One play later, Wyoming had a 29-yard touchdown pass to draw even in the game and wipe out SDSU's halftime advantage.

SDSU's second possession lasted just one play as SDSU suffered its first turnover on a fumble. This time, The Dark Side limited the Cowboys to a missed field goal. But the quarter wasn't over. Another three-and-out by SDSU was followed by a seven-yard punt to set up the Cowboys at the SDSU 33.

Wyoming managed just eight yards but was close enough to result in a field goal and suddenly SDSU was down 13-10 despite virtually no offense by the opposition.

SDSU turned the ball over again on an interception on its next possession but the Cowboys again found the going tough and was forced to punt.

SDSU's next possession resulted in just an eight-yard punt by stand-in Adam Gray-Hayward, who punted for the first time.

SDSU was trailing 20-10 midway through the fourth quarter when the offense found its rhythm for the first time. A 37-yard field goal attempt by Garrett Palmer, however, missed to the right. It ended SDSU's 74-yard drive and effectively killed the Aztecs' chances to win the game.

SDSU would penetrate the red zone again late in the game but was held on downs.

► **2003 MEETING IN SAN DIEGO:** San Diego State 25, Wyoming 20 | Oct. 25, 2003 | Qualcomm Stadium  
SAN DIEGO - Behind freshman Lynell Hamilton's 218 yards rushing, San Diego State claimed its first Mountain West Conference victory of the season, ending a four-game skid by defeating Wyoming 25-20.

The Aztecs used four, first-half field goals and followed that with two touchdowns in the final 30 minutes to beat the Cowboys for the fifth straight time.

The game began as a battle of field goals with the two sides combining for five in the first half alone. After having to punt on its first possession, SDSU put points on the board on its next three as senior kicker J.C. Mejia connected from 35, 44 and 36 yards out to give SDSU an early 9-0 lead.

The two sides then traded field goals with Cowboy Deric Yaussin notching his team's first points of the night with a 21-yarder in the second quarter.

The Aztecs recovered the three points on the final play of the first half as Mejia put his record-tying fourth field goal of the game through the uprights, capping a 10-play 43-yard drive in just 1:23.

SDSU's first turnover of the night, a fumble by Hamilton, led to the sixth and final field goal of the night when Yaussi connected from 26 yards out to make the score 12-6 with 10:05 remaining in the third quarter.

Wyoming wasn't the only team to capitalize on its opponent's turnovers, as interceptions by Aztecs Kirk Morrison and Brandon Rager each led to touchdowns and a 25-6 SDSU lead.

The Cowboys tried to rally in the fourth quarter when Casey Bramlet tossed a pair of touchdown passes to close the gap to 25-20.

San Diego State, however, recovered the ensuing onside kick and ran out the final 3:39 to preserve the 25-20 victory.

Aztec Adam Hall finished the game 14-for-26 for 191 yards and his first career rushing touchdown. Ten of Hall's 14 completions went to Jeff Webb, who logged his second career game with over 100 yards receiving and also added one touchdown.

**SDSU-Wyoming: Connections**

- San Diego State offensive lineman Eder Arosemena played at Palomar College along with Wyoming defensive end Corey Mace
- Veteran Wyoming radio broadcaster Dave Walsh hails from San Diego and received his degree in radio and television from San Diego State in 1975
- Aztec quarterback Kelsey Sokoloski is an alumnus of Cherry Creek High School in Colorado, the same school that produced Cowboy place-kicker Aric Goodman and wide receiver Derrick Levy
- SDSU freshman defensive end B.J. Williams and Wyoming nose guard Jake Mayes both attended Eaglecrest High in Colorado
- Wyoming running back Wynel Seldon played his first three years of high school football at Marian Catholic in San Diego before moving to Plano, Texas, his senior year
- Cowboy offensive lineman Andy Bickel graduated from Granite Hills High in El Cajon
- Wyoming OL Russ Arnold, LB Luke Chase, LB Adam Diehl, LB John Prater, LB Marcial Rosales were all recruited by San Diego State.

**Tough Start**

San Diego State has suffered through one of the most injury prone seasons in school history in 2006. That plus one of the nation's most difficult schedules to date have been significant contributing factors to the Aztecs' 1-6 start.

Below are a few of the challenges that Long and his staff have faced in their first season in San Diego.

- According to the NCAA, San Diego State has faced the 19th most difficult schedule in the nation to date. The Aztecs first seven opponents have combined to post a 37-19 (66.1 percent) record. Of the seven opponents SDSU has faces, five have a winning record, one is .500 and the other is one-game below .500.
- The San Diego State lineup is a shadow of its fall self. The Aztecs have been devastated by injuries to the point that 12 players, who running on the first team, did not start in the contest at Brigham Young. Among the positions that have been devastated include tight end (top three players out for the season, quarterback (missing top two players), and a starter at wide receiver. A total of seven offensive players who were listed as starters when suffering a significant injury have missed significant action or the entire season.
- Field position and turnovers returned for touchdowns have come in to play as well. Even though SDSU is just -2 for the season in turnovers, the Aztecs have certainly have come up on the short end of the impact turnovers. Opponents have scored four touchdowns this season on returns off turnovers and have a total of 62 points on 164 yards of total offense.

## Turnarounds Take Time

Although San Diego State flirted with a win on opening night against UTEP, history shows us that some of the biggest college football turnarounds take time. There may be no better place to pull some examples than from the Hayden Fry coaching tree, which has produced a stable of head coaches that went to struggling programs when they took over.

Coach	School	First Season	First Game	Season Record	1st Winning Season
Hayden Fry	Iowa	1979	Indiana - L, 26-30	5-6-0	3rd
Bill Snyder	Kansas State	1989	at Arizona State - L, 0-31	1-10-0	3rd
Barry Alvarez	Wisconsin	1990	California - L, 12-28	1-10-0	4th
Dan McCarney	Iowa State	1995	Ohio - W, 36-21	3-8	6th
Kirk Ferentz	Iowa	1999	Nebraska - L, 7-42	1-10	3rd
Mark Magino	Kansas	2002	at Iowa State - L, 3-45	2-10	4th
Mike Stoops	Arizona	2004	Northern Arizona - W, 21-3	3-8	has not occurred
Chuck Long	San Diego State	2006	UTEP - L, 27-34	1-6	

A few notes on the coaches listed above

- The seven coaches above posted 16-62 (20.5 percent) record in their first seasons at the school listed.
- None of the seven coaches above enjoyed a winning season in either their first or second campaigns at the school.
- Only two coaches were victorious in their first game (McCarney defeated Ohio and Mike Stoops defeated Northern Arizona).

A win Saturday against Wyoming, would guarantee Chuck Long more victories in his first season than Bill Snyder, Barry Alvarez and Kirk Ferentz.

## Injuries Starting to Add Up

Following the bye week late in October, San Diego State is finally starting to get a bit healthier after suffering a rash of injuries during the first half of the season. Quarterback Kevin O'Connell and running back Lynell Hamilton are back in the rotation at their respective positions, with Hamilton returning to game competition last week against Cal Poly.

A total of seven offensive players who were listed as starters when suffering a significant injury have missed significant action or the entire season. The bug appears particularly dangerous to offensive skill players, as the Aztecs have lost its top two quarterbacks, top three tight ends, a starting receiver and a national-award candidate running back to date.

Quarterback Kevin O'Connell has missed five straight games due to ligament damage on his right thumb, suffered in the third quarter of the season-opening game against UTEP. The junior had surgery on Monday, Sept. 4, and was expected to miss at least six weeks. O'Connell, however, has practiced for more than a week and could play Saturday against the Cowboys should conditions warrant it. O'Connell had started 18 consecutive games at the time of his injury.

Running back Lynell Hamilton joined the group when he suffered a torn meniscus in his left knee against Utah. The junior returned to the game, but tests confirmed the tear the next day. He had surgery on Tuesday, Sept. 26, and missed three consecutive games before returning as a reserve last week.

With the return of Hamilton and O'Connell, five players appear to still be out for the duration of the season. In addition, senior tight end Steve Schmidt, who was slated to start in place of Lance Louis and Eric Miclot, has yet to appear in a game this season due to a foot injury.

Below is a look at players who were on the two-deep when suffering significant injuries that threaten their ability to play this season.

Pos.	Player	Injury	Notes	Status
TE	*Lance Louis	knee	suffered torn ACL on April 1	Out/Indefinite
TE	*Eric Miclot	knee	suffered torn ACL in first scrimmage of spring on March 25	Out/Indefinite
QB	*Kevin O'Connell	right thumb	suffered in the third quarter of the UTEP game; surgery Sept. 4	Questionable
WR	*DeMarco Sampson	foot	suffered torn ligaments in his left big toe; surgery on Aug. 21	Out/Indefinite
WR	Roberto Wallace	shoulder	has undergone shoulder surgery	Out/Indefinite
RB	*Lynell Hamilton	knee	torn meniscus in left knee suffered on Sept. 23	Probable
QB	*Darren Mougey	shoulder	dislocated shoulder suffered in the third quarter of the SJSU game	Out/Indefinite

\* - Indicates player was a starter or listed as a probable starter at time of the injury.

## Too Young, Too Soon

The result of all the injuries is a lineup, particularly on offense, that is inexperienced. At the beginning of the season, San Diego State returned six players who had combined for 83 career starts. Right now, three (Lynell Hamilton, Eric Miclot and Kevin O'Connell) of the six players who were listed as returning starters and had accounted for 45 starts prior to the 2006 season, are either lost for the season (Miclot) or have missed extensive time due to injury.

Of the 12 starting positions on offense (12 players are listed due to multiple formations), only eight have played every game this season and only six of those players are likely to start on Saturday at their original position.

Among the backfield and wideout positions (counts tight ends), only three players remain from the six positions. In those six spots, SDSU has lost seven "starting" players (three tight ends, two quarterbacks, a wide receiver and a running back) for the season or at least a significant portion in 2006.

Below is a comparison between the projected offensive starting lineup prior to spring practice last March and the lineup SDSU is expected to field on Saturday. The middle column shows players who were listed at one point as a starter at the position, but have succumbed to injury.

It is hard to recognize Saturday's likely starting lineup as compared to the one San Diego State thought it would have last March during spring practice.

**Field Position Becoming A Growing Problem**

Although the Aztecs have been competitive to date, San Diego State had opportunities to win each of their first two games in the fourth quarter and within four points of San Jose State late in the third quarter, defeated Air Force and missed a last second field goal against Cal Poly, San Diego State has been playing at a decided disadvantage. For multiple reasons, average field position is becoming a huge disadvantage. Through seven games this season, the Aztecs average starting field position for their 83 drives has been their own 25.83 yard line. Meanwhile, SDSU opponent's average starting field position for their 77 drives has been the 36.03 yard line.

Now a 10-yard average field position discrepancy may not sound like much, but consider since the 1999 season, San Diego State is 1-21 in games when facing a 10-yard or greater disadvantage in average field position, something that has happened three times already this season.

It is also worth noting that average starting field position counts drives only, meaning that the four touchdowns scored by the opposition's defense this season (one fumble recovery in the endzone and three interception returns for touchdowns) are not included in the statistic.

The next question becomes why has there been this big of a gap? To answer that, let's look at each game individually.

- ▶ **vs. UTEP:** San Diego State suffered from two missed field goals and two short punts to turn this stat into a negative. The Miners started two drives following misses on long field goals at their 34 and 29 yard-line and started two possessions following short punts at the UTEP 39 and the San Diego State 36 yard lines. Two interceptions also put UTEP in scoring position, allowing the Miners to start possessions on the San Diego State 28 and 41 yard lines.
- ▶ **at Wisconsin:** The seven-yard difference is the smallest of the year, and is mostly a result of SDSU's fumble in the closing moments of the game. Trailing by 14 points in the final minute, SDSU lost a fumble giving Wisconsin possession on the Aztec 13. That play in the final minute shifted the average, increased the average from 30 to 34.
- ▶ **vs. Utah:** Five turnovers hurt the cause in this game as the Utes returned two interceptions for touchdowns and started three other drives on the Aztec half of the field. The -15 margin in average field position ties for the ninth worst total in Aztec game since the beginning of the 1999 campaign.
- ▶ **at San Jose State:** A combination of factors hurt SDSU's numbers against the Spartans. First off, the Aztecs averaged just 31.0 yards per punt while the Spartans averaged 37.7 yards. Also, San Diego State's failed conversion of a fourth and seven at its own 25-yard-line in the third quarter (SDSU came up inches short), gave San Jose State possession at the Aztec 31-yard line.
- ▶ **at Brigham Young:** The 21-yard difference is the largest differential this season by six yards (Utah). The Aztecs average start was at their own 20, their worst starting point of the year, while the Cougars began their drives on their own 41, the shortest field an SDSU opponent has had to work with all season. The Cougars returned an interception for a touchdown in the second quarter, the third time an opponent has returned a pick for a score this season.
- ▶ **vs. Air Force:** One of the smallest differentials of the season as SDSU started on its 21 and Air Force on its 28. Although SDSU did not win the category, it was closer than most of the season due to the fact that the Aztecs enjoyed a +2 turnover margin and did not commit a turnover in the contest. That forced the Falcons to start all seven of their possessions on the Air Force side of the 50.
- ▶ **vs. Cal Poly:** Only a five-yard difference but it turned out to be the key stat. In the fourth quarter, Cal Poly started drives on the SDSU 39 and 23 yard lines. That led to two Mustang field goals and the 16-14 victory.

Other alarming tidbits on the field position disadvantage.

- ▶ Through seven games, San Diego State has started only three possessions on the opponent's side of the field. Meanwhile, SDSU's opposition has started 17 drives in Aztec territory. The SDSU defense has been rather impressive when its back has been against the wall, limiting the opposition to just nine scores in those 17 possessions.
- ▶ SDSU opponents have scored 28 points on returns (one fumble recovery and three interception returns for touchdowns). The opponents have also cashed in on scoring 34 points on drives of 41 yards or less (touchdown drives of 28, 31, 36, 41 and a field goal drive of 25, 3 yards). The result, SDSU opponents have scored 62 of their 176 points on a total of 164 yards of offense.
- ▶ Against San Jose State, the Aztecs snapped a string off 33 consecutive possessions without starting a drive in its opponent's side of the field. Nonetheless, for the season, San Diego State has started just three of 83 drives in plus territory, including just two of its last 71 possessions. All three times SDSU has started a drive inside the opponent 50, the Aztecs

▶ Dating back to last season, the team with the better average field position has won seven of the last eight games.

**The Importance of Winning the Turnover Battle**

San Diego State won the turnover battle against Air Force, forcing two Falcon turnovers while playing turnover free ball for the first time this season. It marked just the second time this season the Aztecs have won the turnover battle and the first time since the season opening game against UTEP.

For the season, San Diego State is now -2 in the category, to place in a tie for 79th place nationally in the category. The Aztecs rank sixth in the Mountain West Conference in the stat. SDSU is averaging -0.29 turnover margin per game.

Last season, SDSU had a positive turnover margin (+2), snapping a span of eight seasons in which SDSU failed to post a turnover advantage (seven seasons with a disadvantage, while in 1998 turnovers were even).

**Aztec Pair Honored**

San Diego State senior linebacker Joe Martin (defensive) and junior place-kicker Garrett Palmer (special teams) were named Mountain West Conference Football Players of the Week for their performances in the team's 19-12 win over Air Force, the league office announced Oct. 23.

Martin recorded a career-high 16 tackles, including five solos, and a sack for a loss of nine yards. The team co-captain beat his previous career best in tackles by four and the 16 stops were the most by an Aztec in a game since Freddy Keiaho had 18 at Ohio State in September 2005.

Martin was a key part in limiting the Air Force offense to a season-low 12 points, with 12 of his 16 tackles keeping Air Force from picking up a first down. Thirteen of his 16 stops were also on plays in which the Falcons claimed four yards or less of offense, including four tackles for one yard. It was Martin's fifth career outing with 10 or more tackles.

Palmer made both of his field-goal attempts vs. Air Force, including the game-winner from 30 yards out with two seconds remaining and the Aztecs trailing, 12-10. His first field goal of the night, a 35-yarder, gave the Aztecs the early 3-0 lead at the half. Palmer is now 6-for-8 on field goals this season and has made all eight of his extra-point attempts. He ranks fourth in school history in career field goals (33), is third in field-goal percentage (71.7) and has made 11 from 40 or more yards.

Martin and Palmer are the first Aztecs to be recognized by the league this season. It is Martin's first career player of the week award, while it is the third for Palmer, who has been honored once in both 2004 and 2005.

**Defense Better Than Numbers Indicate**

▶ **SDSU DEFENSE**

Although SDSU ranks 93rd nationally in points allowed, other statistical categories show how misleading that can be. *Through games of Oct. 28.*

Category	Nat'l. Rk.	Number
Scoring Defense	93rd	27.43
Rushing Defense	108th	185.43
Passing Defense	23rd	163.00
Total Defense	76th	348.43

Although the national numbers are not overly kind to the Aztec defense, the 2006 edition of the Darkside has generally played well. The unit has frequently been placed in difficult situations, with 17 of the 78 opponent possessions starting in Aztec territory. The defense has responded by allowing just eight scores in those 17 opportunities.

Other numbers that come to the defense of the defense:

▶ SDSU opponents have scored 28 points on returns (one fumble recovery and three interception returns for touchdowns). The opponents have also cashed in on scoring 34 points on drives of 41 yards or less (touchdown drives of 28, 31, 36, 41 and a field goal drive of three and 25 yards). The result, SDSU opponents have scored 62 of their 192 points on a total of 164 yards of offense.

▶ The Aztec defense did quite a number on Air Force, allowing the Falcons a season low 12 points and forcing two turnovers in seven possessions.

▶ San Diego State allowed an un-Aztec like 419 yards of total offense against the Cougars. Of that total, 144 yards came on four plays. That means Brigham Young netted 275 yards on the other 49 offensive plays. The Aztecs defense also recorded an interception, a forced fumble and a tackle for a loss

▶ SDSU defensive coordinator Bob Elliott's squad has also buckled down in the red zone. Of the opponents' 31 trips inside the Aztec 20, SDSU has allowed just 121 points. Only 68.0 percent of the time have opponents walked away with any points, as San Diego State has forced five turnovers and held on downs on another occasion.

**Don't Call it a Comeback**

Prior to the season, many people questioned how good the Aztecs offensive line would be. With only one senior in the lineup on opening day, many people thought that it would be a long season for the Aztecs up front.

But the group that had been questioned throughout the campaign has put together a pretty impressive month. Against Utah, San Diego State rushed for 204 yards on 45 carries and followed that up by helping redshirt freshman Atiyah Henderson rushed for 98 yards en route to a 163-yard rushing effort for the Aztecs against San Jose State. At Brigham Young, Henderson rushed for 93 yards on 21 carries, marking his third consecutive 90-plus yard game. Against the Falcons, that trend continued against Air Force, as the Aztecs rushed for 151 yards, including a season high 142 yards for Henderson. Last Saturday vs. Cal Poly, the Florida native rushed for 140 yards on a career-high 26 carries.

In the last five games, the Aztec offensive line has helped SDSU compile 808 yards on the ground.

## Kevin Craft Making the Most of His Opportunity

With the injuries to Kevin O'Connell and Darren Mougey, redshirt freshman Kevin Craft has started the last two games. Craft has seen action in five straight contests - the only games he has played in his career - and is 45-for-74 with three touchdown and 513 yards.

He became the Aztecs' third different starting quarterback in seven games this season. That marks the first time San Diego State has started three different quarterbacks in the same season since 1997, when Kevin McKechnie, Spencer Brinton and Mike Smith started at the position.

Craft is the son of Tom Craft, who was quarterback for the Aztecs in 1975-76 and served as head coach from 2002-05. Tom Craft helped lead San Diego State to an 18-4 record in his two seasons, going 95-of-137 (69.3 percent), for 1,018 yards and four touchdowns (he also rushed for two scores). He led SDSU to a 10-1 record in 1976 as a starter his senior season. He also posted one of the most impressive debuts in Aztec history, going 16-for-20 for 116 yards with one touchdown and no interceptions in his first career start against Cal State Fullerton on Oct. 23, 1976 (a 27-14 SDSU win).

Below is a look at how the past 11 Aztec quarterback starters, including Darren Mougey and Kevin Craft, have fared in their first career starts.

Kevin Craft ('06)	Fr.	2	8	at BYU	L, 17-47	32	29	1	216	0	5 2

Notes on recent first time QB starters:

- ▶ Craft's 216-yard passing performance was the first time an Aztec passed for more than 200 yards in his first start since Kevin McKechnie in the 1997 season opener.
- ▶ San Diego State has lost eight consecutive times in quarterback's first starts.
- ▶ Craft's first start at Brigham Young marked the seventh consecutive time an Aztec signalcaller has made his debut start on the road.

As impressive as Craft's debut was, his encore gave Aztec fans reason to cheer. The freshman was 12-of-19 for 133 yards and a touchdown against Air Force. He did not throw an interception and led the Aztecs to their first turnover free game of the season. Most impressive, with San Diego State trailing 12-10 with 3:06 to play in the fourth quarter, he engineered a 58-yard drive that resulted in the game-winning field goal.

Craft has now completed at least 60 percent of his passes in all of his starts and has thrown just one interception in his 66 pass attempts as a starting quarterback.

## Brandon Bornes Breaks the 1,000-Yard Mark

Junior running back Brandon Bornes broke the 1,000-yard rushing mark for his career with a three-yard rush in the second quarter at BYU.

SDSU's primary back in 2004, when Lynell Hamilton was sidelined with an injury, Bornes now has 1,040 rushing yards on 250 carries. The junior also has nine career rushing touchdowns to his credit.

For the season, Bornes, who is the only Aztec back to have a carry in every game this season, has rushed 25 times for 93 yards.

That may sound like modest numbers, but take in to consideration that 10 of his 25 carries have resulted in a first down for SDSU. He also has eight carries for five or more yards.

## Atiyah Henderson Makes Good First Impression

Redshirt freshman Atiyah Henderson is making the most of his opportunities at the running back position. Henderson is coming off a career-high 142-yard rushing performance on 25 carries in the victory over Air Force and a 140-yard effort vs. Cal Poly. He now has a pair of 100-yard rushing performances and the fifth consecutive game he has rushed for at least 90 yards.

In his first career start on Sept. 30 against San Jose State, Henderson flirted with the century mark, settling for 98 yards on 24 carries. The week before, coming off the bench, he posted 98 yards on just 12 carries against Utah. Last game at Brigham Young, Henderson rushed for 93 yards on 21 carries.

For the season, Henderson is SDSU's leading rusher with 571 yards on 109 carries. He is averaging a team-high 5.2 yards per rush, with 46 of his 109 carries going for at least five yards. A shifty runner, Henderson has proven he can get the tough

O'Connell's injury in the opener has kept the junior captain on the sidelines for a while, but he has continued to travel with the Aztecs. Below is a look at O'Connell's career game-by-game and an idea of what SDSU will be missing while his sidelined with his thumb injury.

**Lynell Hamilton: The L-Train**

Lynell Hamilton, one of the nation's premiere running backs, reminded Aztec fans of his abilities when healthy by posting three consecutive 100-yard rushing games to end the 2005 season.

One hundred percent healthy entering his junior campaign, Hamilton must be on everyone's list of top running backs in the nation. He has overcome injuries to compile 2,042 yards in four games this season, good enough for 10th place on the school's all time rushing list. He owns eight 100-yard rushing performances and two 200-yard games.

One of only 10 sophomore candidates for the Doak Walker award a year ago, he is a candidate for the honor once again this season. He also is the only MWC player up for the Maxwell Award, presented to the collegiate player of the year.

Hamilton exploded on the scene as a freshman in 2003. That season he rushed for 1,087 yards on 234 carries and four touchdowns. He averaged 108.7 yards per game before breaking his right ankle and right fibula in the 10th game of the season at UNLV on Nov. 8, 2003.

Despite an injury cutting his season short, Hamilton earned first-team freshman All-America honors by *The Sporting News* and *Rivals.com* in 2003. He was the only freshman offensive player that season named to a conference first team and he became just the second player in Mountain West Conference history to earn first-team all-league accolades as a freshman.

He sat all of the 2004 season rehabilitating from the injury and fought off nagging injuries last season before ending his sophomore campaign with 819 yards on 190 carries. He also added nine touchdowns.

He ended the season with three consecutive 100-yard rushing performances, just the 17th time in school history that a back has broken the century barrier in three straight contests.

A look at some of the more impressive numbers Hamilton has compiled in just 24 career games:

► The Aztecs are 7-1 when he reaches 100 yards rushing, averaging 31.0 points (248 points, eight games) in those games. In games in which Hamilton has played, SDSU is 8-1 when he rushes for 94 or more yards and 1-15 when he is held below 94 yards rushing. San Diego State is 5-0 when Hamilton averages more than five yards per carry.

► Hamilton has enjoyed his playing time at Qualcomm Stadium. In 14 career games at the Q, the junior has five 100-yard games and two 200-yard contests. In all, he has averaged 93.6 yards rushing per game on 4.5 yards per carry, with 11 of his 14 career rushing touchdowns coming at home.

► Of the 91 quarters in which he has recorded a rush, he has 11 quarters with at least 50 rushing yards, including a remarkable 108 yards in the first quarter of the game against Samford in 2003. In 2005, against Brigham Young, he had 59 yards in the second quarter and 75 yards in the fourth quarter of SDSU's win. He added 72 yards in the first quarter against Wyoming in last season's home finale.

► Despite playing only 10 games as a freshman, his 1,087 yards rushing is the 11th-highest total in school history and the second best total by a freshman trailing only Marshall Faulk (1,630). His 819 yards in 2005 were the fourth-best by an Aztec sophomore.

► He ranks 10th in school history with 2,042 yards rushing and needs just 14 yards rushing to tie Paul Hewitt for ninth all-time.

► Hamilton gets the tough yards, since the beginning of last season, 39 of his carries and 10 of his receptions were good enough to pick up first downs.

► With rushing yards hard to come by in the opener, Hamilton set career highs with six receptions for 64 yards. He

### Antwan Applewhite: All About Antwan

In his first season as a full-time starter, SDSU defensive end Antwan Applewhite made a name for himself in 2005. The fleet-footed defender earned honorable mention all-conference honors after leading the team in sacks (5.5) and fumbles recovered (3), while ranking second in tackles for loss (8.5 for loss of 42 yards).

Now in his third season, Applewhite has played in 29 contests, recording 104 tackles, 16.5 tackles for loss, 11 sacks and four recovered fumbles, which ranks him 10th in SDSU history.

Already in 2006, Applewhite has been named to two major award watch lists and was the squad's only selection to the preseason all-Mountain West Conference team. The Torrance, Calif., native is one of only nine non-seniors and only 56 total players up for the Bronko Nagurski Trophy, given to the top defensive player in college football. Applewhite also received a spot on the Ted Hendricks Award watch list, presented to college football's best defensive end.

Applewhite arrived on the scene in his second career game as an Aztec, returning an interception 75 yards at Michigan in front of over 100,000 fans at The Big House. The pick set up SDSU's first touchdown in the eventual three-point loss to the Wolverines.

### Up For Honors

SDSU senior offensive lineman Patrick Justman and junior punter Michael Hughes have both been named to national award watch lists. Justman was selected as a semifinalist for the 2006 Draddy Trophy, which is given to football players who combine academic success, football performance and exemplary community leadership. Hughes, meanwhile, was one of 47 named to the Ray Guy Award Watch List for the top collegiate punter in NCAA Division I.

Justman has already earned his bachelor's degree in criminal justice and has posted a perfect 4.0 GPA working toward his master's degree in public administration. He has played in 29 games and received the starting nod 17 times during his Aztec career, including five this season at center. In his first year as a starter in 2004, Justman allowed only 2.5 sacks while committing just three penalties the entire season. The following year, he earned the 2005 Monty Award for achieving a GPA in excess of 3.5 and was also given the team's Presidential Award for Highest Standards of Academic & Athletic Excellence.

Semifinalists for the Draddy Trophy must be a senior or graduate student in their final year of eligibility with at least a 3.0 grade-point average. Up to 15 finalists will be selected on Oct. 26, while the winner will be announced at a special dinner in New York City on Dec. 5. Finalists will all receive post-graduate scholarships. Past winners include Florida's Danny Wuerffel, Tennessee's Peyton Manning and Marshall's Chad Pennington.

In addition to being a semifinalist for the Draddy Trophy, Justman is also a candidate for the National Football Foundation's 2006 National Scholar-Athlete Awards.

In a breakout sophomore season in 2005, Hughes garnered second-team all-Mountain West Conference accolades. Hughes averaged 44.8 yards per punt, which ranked eighth in the nation and third in school history. Last year versus TCU, he dropped four of five punts inside the 20-yard-line, including two inside the 5-yard-line.

In six games so far in 2006, Hughes has 1,399 total yards with four punts over 50 yards and five inside the 20. Of his 36 punts in 2006, only 13 have been returned by opponents. His career total of 6,072 yards ranks fourth in school history.

The Ray Guy Award Watch List will be narrowed to 10 semifinalists in early November and three finalists at the end of the month. The winner will be announced during the Home Depot College Football Awards show, which will take

## Offensive Notes

- ▶ Three Aztec running backs have logged at least one career 100-yard rushing game. All three did so for the first time in their first year of collegiate competition, including Atiyah Henderson, who ran for 142 yards versus Air Force and 140 vs. Cal Poly in 2006.
- ▶ SDSU has scored on 11 of its 13 trips to the red zone this season, notching seven touchdowns and four field goals. Last season, SDSU converted 38-of-43 red zone opportunities (27 TDs, 11 field goals), scoring 88.3 percent of the time.
- ▶ SDSU did not have a turnover in the win over Air Force, the first time the Aztecs turned the trick since the 2005 victory at Utah ... SDSU has not had a turnover in each of its last two home contests with Air Force ... The Aztecs are now 25-14-2 since 1986 when owning exactly a +1 turnover margin and are 67-26-2 since 1986 when possessing a positive turnover margin.
- ▶ Nine Aztecs have started their first career games on the offensive side of the ball so far this season ... Nine offensive players have seen their first career action in 2006.
- ▶ Lynell Hamilton (2,042) and Brandon Bornes (1,040) both reached career rushing milestone in 2006 ... SDSU has put together a pair of 15-play scoring drives this season with one lasting 7:33 (Utah) and the other going for 8:31 (SJSU) ... Of SDSU's 84 possessions in 2006, only three have started in its opponent's territory

## Defensive Notes

- ▶ The Aztecs remain first in the MWC in red zone defense, as opponents have scored on just 21 of their 31 trips. The Aztec defense has forced four fumbles, logged one INT and caused an opponent to turn the ball over on downs once (also three missed FGs, end of game at Wisconsin).
- ▶ The SDSU defense has given up only 118 points (16.9/g) when opponents start their scoring drive on their own side of the field ... Aztec opponents have started a drive in SDSU territory 17 times thus far in 2006.
- ▶ SDSU has held an opponent scoreless in the first half of a game twice vs. Air Force and Wisconsin ... Prior to this season, the last time the Aztecs did not allow an opponent to score in the first half was 2004 vs. Idaho St ... Opponents have failed to score in the first quarter three times in 2006.
- ▶ Three Aztec opponents in 2006 have had less than 100 yards passing, including Wisconsin (85 yards), Air Force (47 yards) and Cal Poly (80 yards) ... The Falcons' 47 yards passing are the fewest by an SDSU opponent since North Carolina threw for only 33 yards in the 1998 Las Vegas Bowl ... The 47 yards are the fewest in the regular season game since the Falcons had 46 in 1993.
- ▶ SDSU had four interceptions against UTEP, the team's most in a single game since 2002, when the Aztecs had four against Colorado State on Nov. 16. Donny Baker had two of the team's four INTs, marking the first time an SDSU player has had two picks in one outing since 2004.
- ▶ SDSU limited UTEP to just 30 yards rushing, the fewest the Aztecs have allowed in a game since 2001, when Eastern Illinois had just 27 yards on the ground in a 40-7 SDSU victory ... Since 2003, SDSU has held its opponent to under 100 yards rushing in a game 11 times.
- ▶ Tackle Ornan Nwansi, cornerback Aaron Moore and safety Ray Bass have made their first career starts on the defensive side of the ball thus far in 2006.

## Special Teams Notes

- ▶ The Aztecs bring back three of its starters on special teams in punter Michael Hughes, place-kicker Garrett Palmer and long snapper Tyler Schmitt. All three are juniors and enter their third seasons as starters.
- ▶ Hughes was a second team all-Mountain West Conference selection and an honorable mention All-American by *College Football News* in 2005. He tied for eighth nationally and was second in the conference in punting with a 44.8 average, despite playing most of his games at sea-level. The Moreno Valley, Calif., native improved his punting average by almost seven yards from 2004, and booted 15 balls for 50 or more yards. Hughes also dropped 19 of his 67 punts inside the 20-yard line, a year ago.
- ▶ Palmer, a MWC honorable mention pick, converted on all but two of his 17 field-goal opportunities in 2005. He was perfect from 29 yards or less and missed just one from 40 or more yards out. For his career, Palmer is 31-for-46 and has been named the conference player of the week on two occasions.
- ▶ With Schmitt at long snapper, the Aztecs did not have a blocked punt or field goal in 2005 or 2006.

## Image is Everything

San Diego State is sporting new "throwback" style uniforms this season. As part of its five-year deal with Nike, the Aztecs are sporting uniforms reminiscent of the late 1980s and early 1990s that were worn during the Marshall Faulk era.

The Aztecs will wear black jerseys at home and white jerseys on the road with white, red and black piping around the neck and both shoulders. San Diego State is printed above the numbers on front of the jerseys and the players names are on back. The Aztecs will wear black pants, both home and away, with red, white and black trim down both sides.

The helmet is complete new this season. The Aztec lid is painted with eight coats of "candy scarlet" red. The "Aztecs" word mark (which includes the A shield logo) is arched on both sides of the helmet.

This season, the Aztecs have added the Prisoner of War emblem to the back of the helmet to pay tribute to the military community in Southern California.

## A Quartet Of Captains

San Diego State senior safety Reggie Grigsby, junior running back Lynell Hamilton, senior linebacker Joe Martin and junior quarterback Kevin O'Connell were named captains for the Aztec football team for the 2006 season. The four players were elected by their teammates and were introduced by SDSU head coach Chuck Long before the annual Family Day scrimmage at Qualcomm Stadium on Aug. 19.

2006 San Diego State Football Game Recaps

**GAME 1** *Aug. 31 ♦ Qualcomm Stadium (34,723)*  
**vs. UTEP**

**SAN DIEGO** - San Diego State scored 21 consecutive points during a 7:42 stretch in the second half, but the dramatic rally fell just short, as the Aztecs dropped their season opener to UTEP, 34-27.

SDSU trailed 27-3 midway through the third quarter, but struck for three rushing touchdowns to pull to within 27-24 with 10:44 remaining in the game. The Aztecs got the ball back, but turned the ball over on an interception that led to a Miner touchdown. San Diego State later added a field goal with 1:59 to play to cut the deficit to 34-27, but was unable to recover the ensuing outside kickoff.

San Diego State had dramatic advantages in several statistical categories, including first downs (22-12), rushing yards (109-30), passing yards (275-213), total offense (384-243), time of possession (37:32-22:28) and held a +1 turnover margin. Nonetheless, the Aztecs were unable to overcome a 10-yard disadvantage in average field position.

Despite the loss, several Aztecs had outstanding debuts to the season. Sophomore quarterback Darren Mougey entered the game in the third quarter following an injury to starter Kevin O'Connell and sparked the Aztec rally. He ended the game 12-for-16 for 178 yards through the air and added a game-high 41 yards rushing and two touchdowns on 13 carries. Junior running back Lynell Hamilton carried 20 times for a tough 40 yards. Despite being contained most of the night, Hamilton rushed for 23 yards in the fourth quarter and posted career highs with six catches for 64 yards.

Defensively, the Aztecs limited the Miners to 243 yards, while enticing quarterback Jordan Palmer into four interceptions. The Miners scored 21 of their points on drives that totaled 77 yards (36, 41 and 0). The defense, meanwhile, held UTEP to just 12 first downs and 30 yards rushing on the night. Senior defensive back Donny Baker intercepted two passes and was credited with two break ups. Sophomore linebacker Andrew Schantz and senior captain Joe Martin were credited with six tackles apiece.

**GAME 2** *Sept. 16 ♦ Camp Randall Stadium (81,090)*  
**at Wisconsin**

**MADISON, Wis.** - Wisconsin running back P.J. Hill rumbled 53 yards for a touchdown mid-way through the third quarter to notch the game's first score, as the Badgers went on to defeat the visiting San Diego State Aztecs, 14-0, in front of 81,090 fans at Camp Randall Stadium.

SDSU, traveling to Big Ten Country for the fourth consecutive season, showed that it could once again hang with a school in one of the nation's top conferences, but after an impressive showing, came up short in the win column.

Defense was the story of the day on both sides of the ball. The offenses struggled to combine for just 224 yards of total offense in the first half.

The Aztecs advanced into Badger territory on their first two possessions, putting together a 10-play drive and a seven-play effort, which was extended by a successful fake punt. SDSU, however, failed to get past the Wisconsin 37-yard line.

The Badgers' offense, meanwhile, did not cross midfield until the second quarter with the help of a 32-yard run by Hill. Wisconsin had a first down at the SDSU 14-yard line, but the Aztec defense held firm on fourth and three from the seven-yard line, stuffing Hill at the line of scrimmage for a gain of just one.

Neither side entered the locker room with any points, the first time Wisconsin had been shutout in the first half since 1995.

The game continued on its defensive slant into the third quarter when SDSU pushed back another Wisconsin scoring opportunity in the red-zone. On a first down from the 13-yard line, Aztec senior Jonathan Bailes hit a scrambling Badger quarterback John Stocco from behind, causing him to fumble the ball, which was recovered by SDSU's Ornan Nwansi.

The Badgers finally broke the stalemate with the help of a 15-yard SDSU personal foul penalty on their next possession, as Hill broke a number of tackles and ran 53 yards on the first play to put his team up, 7-0.

Wisconsin tacked on another TD on a six-yard pass from Stocco to Paul Hubbard in the fourth quarter to escape with the 14-0 victory.

SDSU's best scoring opportunity of the second half came following a missed 55-yard Wisconsin field goal, but an incomplete pass and a sack on third down, stopped the Aztec drive at the Badger 37-yard line.

San Diego State's defense, despite giving up the two second-half scores, limited Wisconsin to just 85 yards through the air, 0-for-3 on fourth down and 1-for-4 in the red-zone. Linebacker Russell Allen recorded a team-best nine tackles, while Bailes had six stops, including two behind the line of scrimmage, and the forced fumble.

Aztec quarterback Darren Mougey was limited to just 102 yards through the air in his first career start, while running back Lynell Hamilton had only 19 yards on 11 carries.

2006 San Diego State Football Game Recaps

**GAME 3** Sept. 23 ♦ Qualcomm Stadium (53,794)  
vs. Utah

**SAN DIEGO** - In front of the fourth-largest regular season crowd in school history, the San Diego State offense failed to find a spark for a second straight week, as the Aztecs managed just seven points in falling to Utah, 38-7, in both teams Mountain West Conference openers.

The Utes converted three of the Aztecs five turnovers into 17 points, including a pair of 30-yard interception returns for touchdowns. Utah scored 31 unanswered points to avenge last season's 28-19 loss to SDSU in Salt Lake City.

The game started out with both offenses appearing to hit on all cylinders. After Utah scored a touchdown on its first possession, San Diego State responded right back as quarterback Darren Mougey, making his second career start, engineered a 15-play, 74-yard scoring drive, capped by an 18-yard touchdown pass from Mougey to a diving Brett Swain in the back of the end zone.

After both sides traded punts, the Utes reclaimed the lead on a two-yard touchdown run by Eric Weddle at the 11:44 mark of the second quarter. Weddle would get into the endzone on the very next play from scrimmage, as he logged the first of his three interceptions on the night by picking off a Mougey pass and returning it 30 yards for the score and a 14-point Utah advantage at 21-7.

While Utah didn't add to its lead until the 1:24 mark of the third quarter, the SDSU offense was unable to get anything going, advancing into Ute territory on just three occasions in the second half with the final one in the last 2:26 of the game. Three of the Aztecs' final four possessions of the game ended in interceptions and the fourth was stopped on downs.

SDSU did manage a season-best 204 yards on the ground, including a career-high 98 yards by redshirt freshman Atiyah Henderson. Junior running back Lynnell Hamilton became the 10th Aztec in school history to run for 2,000 yards in his career, carrying 16 times for 53 yards versus the Utes.

Defensively, senior safety Brett Sturm led the team in tackles with eight, while cornerback Terrell Maze logged his first interception of the year in the fourth quarter.

**GAME 4** Sept. 30 ♦ Spartan Stadium (14,361)  
at San Jose State

**SAN JOSE** - Injuries, penalties and three turnovers hampered San Diego State's efforts to earn its first victory of the 2006 season, as the Aztecs fell to host San Jose State in a non-conference contest, 31-10, at Spartan Stadium.

SDSU turned the ball over on two of its first three possessions with one leading to the game's first score, a 47-yard touchdown pass off an option play. San Jose State, aided by a pair of Aztec personal foul penalties, added to its lead with another touchdown on its next drive to go up 14-0.

The SDSU offense, which had been limited to just seven points in the last two contests, finally emerged in the second quarter. The Aztecs got on the board with a 30-yard Garrett Palmer field goal, capping a 15-play, 52-yard drive that lasted 8:31.

The defense got the ball back on the Spartans' first play after the kickoff, as safety Reggie Grigsby stripped wide receiver John Broussard of the ball, which was recovered by Terrell Maze at the SJSU 27-yard line. Eight plays later, Aztec sophomore Tyler Campbell found the end zone for the first time in his career on a one-yard run to draw the visitors to within four, 14-10, entering halftime.

After San Jose State missed a 32-yard field goal on its opening drive of the second half, San Diego State's hopes for a comeback took a severe blow as starting quarterback Darren Mougey was forced to leave the game with a shoulder injury at the 8:57 mark of the third quarter.

Redshirt freshman Kevin Craft, making just his second career appearance, was unable to lead an Aztec rally. SDSU managed four first downs and advanced into Spartan territory just once in the final two quarters. San Jose State, meanwhile, tacked on a pair of touchdowns, including one following a failed fake punt, and a field goal to secure its first victory in the series in the last eight tries, 31-10.

Defensively, senior Joe Martin became the first Aztec to record double-figures in tackles in 2006, tallying 11. Junior defensive end Nick Osborn recovered a fumble for the second consecutive game, while logging the team's second sack of the year.

2006 San Diego State Football Game Recaps

**GAME 5** Oct. 7 ♦ LaVell Edwards Stadium (60,804)  
at **BYU**

**PROVO, Utah** - Starting its third quarterback in its fifth game of the season, San Diego State was unable to answer Brigham Young's 40-point first-half outburst, as the Cougars avenged last year's loss to the Aztecs, 47-17.

SDSU began the game looking to surprise the host with an onside kick. Aztec junior Chaz Schilens appeared to recover the ball, but was flagged for interference, allowing BYU to start the game at the SDSU 43-yard line, one of four Cougar drives to begin in Aztec territory.

Brigham Young took advantage of the good field position, scoring five plays later to go up 7-0. San Diego State, however, answered right back, on a 48-yard Garrett Palmer field goal.

On the other side of the ball, the Aztec defense was unable to stop the league's most potent offense. BYU reached the end zone on five of its final six possessions of the first half, scoring three via the air, one on the ground and one on a 38-yard interception return to take a 40-3 lead into the locker room.

Despite the deficit, the Aztecs began the second half determined to make a dent in the Cougar lead. Starting at its own 20-yard line, SDSU took just six plays with the help of a 23-yard run by Atiyah Henderson and a 41-yard Schilens reception, to score on a one-yard Brandon Bornes touchdown.

While BYU quickly recorded its lone TD of the second half, the Aztecs came back again. Brett Swain caught a pair of 15-yard passes and SDSU used two Cougar penalties to get a first down and goal at the one-yard line, which sophomore Tyler Campbell promptly put into the endzone to close out scoring.

The SDSU offense, under the direction of first-time starter redshirt freshman Kevin Craft, racked up 357 yards of total offense, the team's most this season since its opener with UTEP. Henderson, meanwhile, reached the 90-yard mark in rushing for the third straight outing, while Bornes reached the career 1,000-yard mark with nine carries for 31 yards.

Defensively, SDSU forced a fumble in the red zone for the fourth straight outing when safety Ray Bass stripped BYU's Manase Tonga at the four-yard line in the second half. Another Aztec safety, senior Brett Sturm, recorded a career-best and team game-high nine tackles in the losing effort.

**GAME 6** Oct. 21 ♦ Qualcomm Stadium (26,871)  
vs. **Air Force**

**SAN DIEGO** - San Diego State gave head coach Chuck Long his first career victory in dramatic fashion, as Garrett Palmer nailed a 30-yard field goal with two seconds remaining to lift the Aztecs to a 19-12 upset of conference-leading Air Force.

With SDSU ahead 10-9, the Falcons took their only lead at the 3:06 mark of the fourth quarter on a field goal. The Aztecs, however, rallied by driving 58 yards on 11 plays, highlighted by a 19-yard run by Atiyah Henderson on a third down and eight, to set up the winning kick.

Following a timeout by each squad, Palmer left no doubt, sending the ball straight through the uprights to put SDSU ahead for good, 13-12. The Aztecs would tack on a touchdown on the ensuing kickoff, as Marc Hull recovered a fumble and returned it two yards after a failed Air Force lateral attempt to provide the final 19-12 score.

The Falcons were poised to get on the board early, but missed a 49-yard field goal on their first possession and saw another drive end deep in Aztec territory on a Brett Sturm interception at his own seven-yard line.

The lone score of the first half came on a 35-yard Palmer field goal which gave the host a 3-0 lead heading into the locker room.

Air Force tied the game early in the third quarter with a 24-yard Zach Sasser field goal, but the Aztecs answered quickly when quarterback Kevin Craft found Chaz Schilens streaking down the middle of the field for a 49-yard touchdown, SDSU's longest play from scrimmage in 2006.

The Falcons appeared ready to knot the game at 10 early in the fourth quarter, but after a nine-yard touchdown run by Jacob Kendrick, Sasser missed the extra point attempt, as SDSU maintained the slight 10-9 advantage.

Sasser would later amend himself with a 38-yard field goal, but Palmer matched his effort on the other side of the field with the game-winner.

Henderson had a career-best 142 yards on 25 carries, becoming the 68th player in SDSU history to record a 100-yard rushing game and the first this season. Craft got his first win in his second career start by completing 12 of his 19 passes for 133 yards, while the Aztecs did not commit a turnover for the first time in 2006.

The San Diego State defense was outstanding, limiting the Falcons to a season-low 12 points. Three Aztecs finished in double-figures in tackles, including senior linebacker Joe Martin (16 tackles, 1 sack), sophomore Russell Allen (14 tackles) and senior safety Brett Sturm (13 tackles).

# GAME 7

Oct. 28 ♦ Qualcomm Stadium (20,974)

## vs. Cal Poly

**SAN DIEGO** - After winning its first contest of 2006 on a last-second field goal, San Diego State saw a reversal in its fortunes just a week later, as Cal Poly made two fourth-quarter field goals, including the last one with 1:50 remaining, to upset the host Aztecs on Homecoming, 16-14.

Clinging to a one-point, 14-13 lead, SDSU had the ball at its own 26-yard line following a Mustang punt with 3:28 left in the game. After a false start penalty pushed the team back to the 21, Aztec running back Atiyah Henderson fumbled on the next play, which Cal Poly's Kenny Chicoine recovered at the 23-yard line.

The visitors ran three plays for just three yards, taking 1:12 off the clock and setting up for a field goal try in the middle of the field. Nick Coromelas, who hit on two of his three attempts earlier in the game, made what would turn out to be the game winner, sending a low-flying kick over the cross bar from 37 yards out and the 16-14 advantage.

The Aztecs, however, were able to take the ensuing kickoff and drive into their opponent's territory to set up a final field goal try of their own. Without any timeouts at his disposal, quarterback Kevin Craft completed four passes, including three to junior Chaz Schilens, to get SDSU to the Cal Poly 30-yard line with 37 seconds remaining.

Following a Mustang timeout, Aztec junior kicker Garrett Palmer, the hero of the Air Force win, came on the field to attempt a 48-yard field goal. But Palmer's kick ended up hooking wide left, as Cal Poly hung on to claim the win in the two schools' first meeting since 1967.

San Diego State appeared to be in early control of the game, despite allowing Cal Poly to score first on a 23-yard Coromelas field goal. The Aztecs responded to the deficit with two touchdowns passes from Craft to senior Ramal Porter within a span of 2:22 in the first quarter.

Cal Poly got to within four on a 28-yard touchdown strike from Matt Brennan to Ramses Barden in the second quarter and trailed 14-10 heading into the locker room. Following the two touchdown outburst in the first quarter, the Aztecs were shutout the rest of the way, despite advancing into Mustang territory four times prior to the final drive of the game.

Henderson, whose fumble was the first SDSU turnover since the second quarter of the BYU contest, logged his second consecutive 100-yard rushing game, finishing with 140 yards on a career-best 26 carries.

Aztec linebacker Russell Allen and defensive end Antwan Applewhite both tallied 10 tackles to lead the defense, which held an opponent to under 100 yards passing for the third time this season.
