

AZTEC BASKETBALL CAMP

2009

Lace 'em up and get ready for a fun-filled, action packed hoop experience! Join the Aztec coaching staff and current Aztec players to develop your skills this off season. Our Individual Position Camp will give the high school athlete a taste of college level position work while competing against other skilled athletes. Come to Aztec Basketball Camp this summer where we all work hard and DREAM BIG!

Individual Position Camp June 27th -28th

Individual Position Camp will focus on skill instruction at each players' preferred position. Coach Burns and her staff will teach each camp session. Learn how to improve your one-on-one skills and to incorporate these skills into your total game. Point Guards, Wings and Bigs will learn the specifics within their own position groups, and then put those skills to the test in team play. Our goal for camp is to prepare each camper for college level position work. This camp is designed to improve the skills of varsity level basketball players. Coaches and parents are welcome to come and watch.
