

2006 AZTEC FOOTBALL

Welcome to San Diego State football!

No matter if you are a longtime member of the San Diego State community or if you are just beginning to discover our University, I am sure you will be as impressed as I am with all that it has to offer.

My staff and I are committed to coaching a team this community can be proud of as we return to the winning tradition of Aztec Football.

I truly believe there will be cause for much celebration in the very near future.

Our quest for a football championship has begun.

goaztecs.com

The official website of SDSU athletics, goaztecs.com, is the place for official information on the 2006 San Diego State Aztec football team. Game notes, releases, statistics, schedules, press conferences and quotes are all available on the web site.

Thank you for your interest in San Diego State University. The Aztec media relations staff has produced the 2006 media guide to assist in your coverage of SDSU football. Please contact a member of the staff with any questions, concerns or requests.

CREDENTIALS

All requests for press and photo credentials should be submitted to the media relations office on official letterhead at least one week in advance of the game. Requests should be directed to Mike May and should be submitted by the sports editor or sports director of the media outlet.

Priority is given to daily newspapers, television stations and radio stations with sports programming.

If approved, credentials will be mailed only when specifically requested, and at the risk of the applicant. Those not delivered by mail, in person, or through the visiting director of media relations, will be left at the Qualcomm Stadium Press Entrance (Gate H) and will be available beginning two hours prior to kickoff.

Credentials will be issued to working media only. Family and friends are not allowed in the press area.

SEASON CREDENTIALS

A season credential form will be sent out in July to outlets which cover San Diego State athletics on a regular basis. This season, any individual seeking a season credential will need to submit a photo for the credential.

Only those outlets which routinely cover Aztec practices and media conferences are eligible for season credentials.

SINGLE-GAME CREDENTIALS

Requests should be made for single-game credentials at least one week prior to the game. Any organization that requests a single-game credential and does not use it, may not be granted another pass for the remainder of the season. No credentials will be granted after Thursday of game week.

QUALCOMM STADIUM

Qualcomm Stadium is the home of the SDSU Aztecs and the San Diego Chargers, as well as the site of the Holiday Bowl and the Poinsettia Bowl. The stadium is located off Interstate 8, just west of Interstate 15. Enter from the north off of Friars Road.

The media entrance and media will call are at Gate H. The open-air press box can be reached by taking Elevator 4 (elevator closest to the press gate) to stadium level 2A.

GAME PARKING

Parking passes at Qualcomm Stadium are limited and will be prioritized similar to the way

credentials are issued. Media parking is in the H1 lot and game credentials can be used to access the lot. Visiting media parking should be requested through the opponent's media relations office.

PRESS BOX SERVICES

Working media will be provided with pregame notes, a game program, flip card, and quarterly and final statistics, including postgame notes and quotes. An in-house television system provides updates and replays during the game. Video and audio of Chuck Long's postgame news conference will also be available. Pregame meals are available through the stadium food service in the media's working area. There is a charge for the meal. Postgame notes and final stats will also be available on goaztecs.com following the game.

PHOTOGRAPHERS

Only accredited photographers on assignment will be issued sideline credentials for Aztec home games — per NCAA guidelines. The NCAA also specifies that photo shooting must take place outside the restraining line that encircles the playing field and outside of the team areas (25-yard line to 25-yard line).

TELEPHONES, FAXING AND INTERNET

The media relations office will provide four charge-per-call phones in the visiting media's section of the press box for all home games. The phones are available on a first-come, first-serve basis. Media requiring special service are urged to order individual phone lines through Gary Brashear at Qualcomm Stadium, (619) 281-1500. Those requiring their own phone instruments should make arrangements through their local AT&T representative. Phone lines for originating radio stations, as designated by the opposing athletic department, will be provided through the MWC co-op agreement.

Postgame faxing service is also available to the media by contacting a member of the media relations office.

High-speed wireless Internet is available, free of charge, in the main area of the press box.

POSTGAME POLICY

The Aztec locker room is closed. Head coach Chuck Long and selected players will be available at a postgame news conference in the interview room located just down the hall from the Aztec locker room. Video and audio from that news conference will be available in the press box. There is no formal postgame format involving the visiting coaches or players.

No postgame interviews will take place on the field without the prior approval of the media relations office.

For postgame purposes, the Aztec and visiting team locker rooms, and the postgame inter-

MEDIA INFORMATION

view room at Qualcomm Stadium are located at the B2 level of the facility. That level can be reached via the press elevator and heading left.

INTERVIEW REQUESTS

For interviews with a member of the San Diego State football staff, including head coach Chuck Long, contact assistant athletic director for media relations Mike May or assistant media relations director Peggy Curtin at (619) 594-5547. For video or phone needs, please contact Mike May.

LONG MEDIA OPPORTUNITIES

Coach Chuck Long will have a weekly gathering with the media each Sunday afternoon (of game weeks) during the season with the exact time to be determined. He is also available on the Mountain West Conference coaches' teleconference on Tuesday mornings, at his weekly media luncheon, and daily after practices. His radio show (time still TBD) will air weekly on XX Sports Radio (1090 AM/105.7 FM). The best time to contact the head coach is weekday mornings before noon. All interviews with coach Long or any member of the football staff should be arranged through the media relations office.

TUESDAY LUNCHEONS

This fall, San Diego State will once again play host to a Tuesday media luncheon with head coach Chuck Long and requested Aztec football players. The location will be the second floor of the Aztec Athletic Center.

Exact times are still to be determined, but head coach Chuck Long, selected players, defensive coordinator Bob Elliott and offensive coordinator Del Miller will be available.

Player requests for the press conference should be made by noon on Monday.

A transcript of the weekly media luncheon is posted on goaztecs.com. Contact the media relations office for additional details.

AZTEC ATHLETICS CENTER

The Aztec Athletics Center is the home of San Diego State athletics. The four-story facility is located at 5302 55th Street in San Diego, just west of Cox Arena and adjacent to the football practice facility and Tony Gwynn Stadium. The football offices are located on the second floor and the media relations office is located on third floor in suite 3014. Usually, major news conferences take place in the first-floor auditorium. Most of Chuck Long's seasonal media gatherings will be on the second floor.

CAMPUS PARKING

Media wishing to attend Aztec workouts during the week will need to obtain a special parking permit from the media relations office, located in suite 3014 of the Aztec Athletics Center. The credential is good for parking in Parking Structure 5, just south of the Aztec Athletics Center at the corner of Montezuma Road and 55th Street.

SDSU PRACTICES

San Diego State practices are closed to the public, but will be open to members of the media which routinely cover SDSU athletics. Members of the media wishing to attend practice should contact the media relations office for approval and to confirm practice schedules. Photographers and videographers will be allowed to shoot the final 15 minutes of practice.

Pending schedules, San Diego State players and coaches will be available for interviews following practice (please refer to the SDSU in-season weekly schedule below).

WEEKLY RELEASE

The media relations office will once again e-mail its weekly football releases this season. The updates will be sent via fax only when specifically requested. The release will be posted at www.goaztecs.com on Sunday evenings in both text and Adobe Acrobat formats. To receive the weekly release via e-mail on Sundays, please contact Mike May at mmay@mail.sdsu.edu.

MWC TELECONFERENCE

Interviews with San Diego State head coach Chuck Long, as well as the other eight Mountain West Conference coaches, are available each Tuesday during the season on the league's teleconference. Contact the Mountain West Conference office at (719) 488-4040 for more information.

XX Sports Radio

**Ted
Leitner**

In 2006, San Diego State football will once again team with XX Sports Radio (XPRS) on 1090 AM and 105.7 FM for broadcasts of all Aztec home and away games.

The station is serving as the flagship for San Diego State football and men's basketball broadcasts for the third consecutive season, and will also feature a variety of other Aztec programming, including coaches shows and other live events.

San Diego State's partnership with XX Sports Radio has included live station remotes at special Aztec events, call-in shows from the site of Aztec contests, both home and away, and cross-over promotions with the San Diego Padres.

XX Sports Radio, with studios in La Jolla, was launched in March 2003. It has an all-sports format with heavy emphasis on local programming. The station's 50,000-watt signal blankets the Los Angeles and San Diego markets and extends north of Santa Barbara.

Ted Leitner, a legendary sports personality in San Diego, will serve as the play-by-play voice for Aztec football. He is one of the most recognizable media figures in San Diego, where he has served as the voice of the Aztecs, Chargers and Padres on radio and television. The Oklahoma State graduate has also been the longtime host of a local talk show and served as a long-time television sports director.

Joining Leitner in the Aztec broadcast booth will be another familiar voice in John Kentera. Known simply as "The Coach" Kentera is heavily

involved in XX Sports Radio's Padres programming, hosts a popular call-in show and has been a part of the Aztec broadcasts since the station's inception. He is considered a San Diego County expert on the preps scene, and he has called Aztec football and basketball games on both radio and television in the past. Kentera, like Leitner, is a fixture on the San Diego airwaves.

Roaming the sidelines for a second season will be Jack Cronin. A graduate of California, Cronin is also the play-by-play voice of San Diego State baseball, while working as a talk show host at XX Sports Radio. Cronin previously spent five years in the San Francisco Bay Area, working as the play-by-play voice of Golden Bear baseball and women's basketball before moving to San Diego.

Josh Rosenberg returns for a second season hosting the pregame, halftime and postgame show for Aztecs football games. Rosenberg also serves as the San Diego State basketball pregame show host, to go along with his talk show duties with XX Sports Radio. An alumnus of San Diego State, he got his start with KCR radio in 2002 as a news and sports anchor. Before arriving in San Diego in 1999, Rosenberg worked in the world of print, covering basketball and high school sports in Marin County.

The engineers for Aztec broadcasts are Brian Kellison and Dave Marcus, while the Studio Coordinator is Ted Mendenhall. All three are also heavily involved in XX Sports Radio's pro-

gramming.

In addition to serving as the flagship station for Aztec athletics, XX Sports also broadcasts San Diego Padre games.

CSTV and The mtn.

This fall, CSTV Networks and the Mountain West Conference kickoff an unprecedented 14-year relationship to offer the most in-depth coverage ever, centered around one Division I-A conference. The centerpiece of this historic relationship is the launch of The mtn. ("the mountain")-MountainWest Sports Network, the first-ever Super Regional Sports Network serving the Mountain West Conference 24 hours a day, 7 days a week.

Every Mountain West Conference football game this fall will be broadcast on a variety of outlets including CSTV, The mtn., and broadband. The mtn., which is powered by CSTV, will also offer localized studio programming, news and information and original programming surrounding the games including an extensive roster of coaches' shows, press conferences and innovative coverage of media day events. The Mountain West Conference puts the fans first, which is why The mtn. will primarily broadcast football on Saturday afternoons at fan friendly kickoff times.

In addition to football, The mtn. will feature coverage of every Mountain West Conference sport, including men's and women's basketball, women's volley-

ball, soccer, softball, baseball, and much more.

Below is a look at the planned live-game coverage, subject to change. In addition to every football game being made available, at least...

- ...75 basketball games will air.
- ...25 baseball games will air.
- ...25 softball games will air.
- ...20 volleyball games will air.
- ...15 soccer games will air.
- ...15 other contests including cross country, track & field, tennis, golf, and swimming and diving will air.

CSTV is the 24-hour college sports network owned by CBS Corporation. It covers more college sports and more schools, across more platforms than any other network. CSTV is a national network built to connect passionate college sports fans to their favorite sports and teams. During the 2006 season CSTV will air a comprehensive slate of 19 MWC football games to its audience of millions. In addition, CSTV offers a variety of original programming and studio shows featuring expert analysts and hosts that provide in-depth college football coverage and also examine the entire landscape of college sports bringing fans the

latest news, highlights and stories.

As CSTV's national presence grows along with its Top Ten sports Web site, www.cstv.com, the Mountain West Conference and its teams and athletes will continue to gain even more national exposure across a variety of platforms. Together, CSTV and The mtn. will showcase the passion and pageantry of the Mountain West Conference while delivering unparalleled 24/7 coverage to fans across the nation.

To get the official network of the Mountain West Conference please contact your local cable or satellite provider and tell them you want the mtn.
