## AROUND THE MOUNTAIN WEST

- Surging UNLV has won two straight and seven of its last eight. The Rebels continue to get solid play on offense and special teams. Quarterback **Jayden Maiava** earned his fourth MW Freshman of the Week citation Monday after accounting for three touchdowns in UNLV's 34-14 win over Wyoming, while junior wide receiver **Ricky White III** had eight catches for 144 yards to push his season total to 1,028 yards. He is the first MW player to surpass 1,000 receiving yards this season and the first Rebel to do so since 2013. Senior kicker **Jose Pizano** collected his third MW Special Teams Player of the Week honor after booting a pair of field goals and four extra points for a 10-point outing. Pizano is riding a streak of 17 consecutive field-goal makes and is tied for the UNLV program record with 21 overall this season. Maiava and Pizano have been honored by the MW in the same week on three occasions this season.
- At 8-2 overall, UNLV has reached eight wins for the first time since the 2000 squad went 8-5. The Rebels have not won nine games in a season since going 11-2 in 1984.
- Hawai'i defeated league-leading Air Force by a 27-13 count in Week 11, holding the top rushing unit in the FBS to more than 80 yards below its seasonal average. Sophomore defensive back **Peter Manuma** played a big part in that effort, logging a career-high 12 tackles and his third interception of the season to pace the Rainbow Warriors and earn MW Defensive Player of the Week honors.
- Currently 8-2 overall, Air Force is aiming for a third straight 10-win season after going 10-3 in each of the previous two. The Falcons boast one of the top defenses in the FBS, ranking seventh in scoring defense (15.7 ppg), third in total defense (245.30), fifth in passing defense (159.30) and seventh in rushing defense (86.00).
- San José State earned a 42-18 win over No. 25 Fresno State in Week 11, with senior running back **Kairee Robinson** rushing 19 times for a career-high 200 yards and two touchdowns. Robinson, the reigning MW Offensive Player of the Week, has scored in a program-record nine straight games and has 15 rushing TDs on the season, matching the Spartans' single-season record. With 17 total TDs and 33 for his career, he is two back of the program records for both single-season and career TDs. The Spartans wrap up their home slate Saturday against San Diego State as they look for their fifth straight win and bowl eligibility.
- With 13,102 total offense yards in his career, San José State senior quarterback **Chevan Cordeiro** is just 382 back of MW career leader **Brett Rypein** of Boise State, who logged 13,484 in his career from 2015-18.
- New Mexico's **Jacory Croskey-Merritt** ran for a pair of TDs in a 42-14 loss to Boise State in Week 11, pushing his season total to 14, which ranks fourth in the FBS.
- Nevada senior **Brandon Talton** hit a 38-yard field goal in a 41-24 setback to Utah State in Week 11, extending his MW record to 79 career makes.
- Boise State senior **Jonah Dalmas** connected twice in the Broncos' 42-14 win over New Mexico to push his career total to 71, good for second in MW history. Dalmas is the league's career leader with an 87.7 career field-goal percentage.
- With a sack in Colorado State's 22-19 win over San Diego State, CSU defensive end **Mohamed Kamara** moved into second in MW history with 29.0 for his career. He is five back of MW career leader **Curtis Weaver** of Boise State (2017-19).
- On Monday, San Diego State head coach **Brady Hoke** announced his retirement, effective at the end of the season.
- Boise State enters Saturday's game against Utah State under the leadership of interim head coach **Spencer Danielson**, the Broncos' defensive coordinator.

## MOUNTAIN WEST BOWL SELECTION PROCESS

If the highest-ranked champion among the Group of 5, the Mountain West is guaranteed a spot in a New Year's Six bowl.

The LA Bowl has the first selection of available MW teams.

If a slot is open from the Big Ten or Big 12, the MW will be the primary backup in the Guaranteed Rate Bowl.

ESPN Events has the next selection of available teams for one of its four bowls.

\* Fourth bowl game likely to be located in Dallas-Fort Worth Metroplex.

The Barstool Sports Arizona Bowl has the next selection of available teams.

ESPN Events will then fill the remaining of its three bowls listed above.

**CHAMPIONSHIP GAME PARTICIPANTS & HOST DETERMINATION**

The two teams that complete the Conference season with the highest winning percentages will be the Mountain West Football Championship Game participants. The team with the highest winning percentage outright shall be declared the host for the Championship Game.

If there is a tie between two (2) or more teams for participation in and/or hosting of the Championship Game, the following tiebreaking procedures shall be administered in numerical order to determine the participant(s) and host for the Championship Game.

**TIE BETWEEN TWO TEAMS:**

1. Head-to-head result between the tied teams.
  - a. If the tied teams did not play each other, go to step 2.
2. Highest CFP Selection Committee Ranking (or composite of selected computer rankings).
  - a. If one team is ranked in the latest available CFP Selection Committee Ranking (November 21) and wins on the final weekend of the regular season, they will be declared a participant (and/or host). If, in that same scenario, the one ranked team in the latest available CFP Selection Committee Ranking loses in the final weekend of the regular season, a composite average of selected computer rankings after all games conclude the final weekend of the regular season will be used to determine the participant and/or host;  
- OR -
  - b. If both teams are ranked in the latest available CFP Selection Committee Ranking (November 21), the highest-ranked team that wins on the final weekend of the regular season will be declared a participant (and/or host);  
If neither of the ranked teams win in the final weekend of the regular season, a composite average of selected computer rankings after all games conclude the final weekend of the regular season will be used to determine the participant (and/or host);  
- OR -
  - c. If neither team is ranked in the latest available CFP Selection Committee Ranking (November 21) going into the final weekend of the regular season, a composite average of selected computer rankings after all games conclude the final weekend of the regular season will be used to determine the participants (and/or host).

*For use of composite selected computer rankings, if Team A is 28.24 and Team B is 28.34, Team A would be declared a participant (and/or host) for the football championship game.*

3. Overall winning percentage against all opponents.
  - a. A maximum of one win against a team from the NCAA Football Championship Subdivision shall be included in the calculation of the winning percentage.
4. Record against the next highest-placed team in the Conference standings (based on winning percentage in all games played within the Conference), proceeding down the standings. When comparing tied teams against positions lower in the standings that are also tied, those lower-tied positions shall be considered a single position for the purposes of comparison.
  - a. If one team did not play a certain team, move to the next highest-placed team(s) in the standings.
  - b. If one team did not play all teams in the group of tied teams, move to the next highest-placed in the standings.
  - c. If one team did not play the lowest-placed team in the standings, move to the next step in the tiebreaker.
5. Winning percentage against common Conference opponents.
6. Coin toss to be conducted virtually by the Commissioner.

**TIE BETWEEN THREE OR MORE TEAMS:**

In the event of a percentage tie between three or more teams, the following comparison procedure shall be used until one or more teams gain an advantage and/or the process reverts to the two-team tiebreaking procedures:

1. Winning percentages of the tied teams are compared in a mini round-robin format. If, within the mini round-robin, any of the tied teams did not play each other, the group of teams shall remain tied, unless one team defeated all other tied teams.
2. Highest CFP Selection Committee Ranking (or composite average of selected computer rankings). The two highest-ranked tied teams will be identified using the following criteria:
  - a. The tied team(s) who are ranked in the latest available CFP Selection Committee Ranking (November 21) and win in the final weekend.
  - b. A composite average of selected computer rankings for the tied team(s) that lose in the final weekend of the regular season OR were not ranked in the latest available CFP Selection Committee Ranking (November 21).

*Note: CFP Selection Committee Ranking is superior to the composite average of selected computer rankings in (a.) and (b.) above.*

*Example 1. If Team A is the only ranked team at 21 and wins in the final weekend of regular season play, it will be declared a participant in the MW Championship Game and would advance to a two-team tiebreaker to determine the host. The second team to advance to the two-team tiebreaker will be identified using the composite of selected computer rankings.*

*Example 2. If Team A is ranked 21, Team B is ranked 22, and Team C is ranked 23 in the CFP Selection Committee Ranking (November 21) and all win in the final weekend of regular season play, Team A and B would be declared participants in the MW Championship Game, and would advance to a two-team tiebreaker to determine the host.*

*Example 3. If Team A is ranked 30.33, Team B is ranked 31.22, and Team C is ranked 32.11 in the composite average of selected computer rankings after all games conclude in the final weekend of regular season play, Team A and B would be declared participants in the MW Championship Game, and would advance to a two-team tiebreaker to determine the host.*

3. Overall winning percentage against all opponents.
  - a. A maximum of one win against a team from the NCAA Football Championship Subdivision shall be included in the calculation of the winning percentage.
4. Record against the next highest-placed team in the Conference standings (based on winning percentage in all games played within the Conference), proceeding down the standings. When comparing tied teams against positions lower in the standings that are also tied, those lower-tied positions shall be considered a single position for the purposes of comparison.
  - a. If one or all teams did not play a certain team, move to the next highest-placed team(s) in the standings.
  - b. If one or all teams did not play all teams in the group of tied teams, move to the next highest-place in the standings.
  - c. If one or all teams did not play the lowest-placed team in the standings, move to the next step in the tiebreaker.
5. Winning percentage against common Conference opponents.
6. Drawing to be conducted virtually by the Commissioner to determine the two teams.

**TIED GAMES**

A football game which ends in a tie shall count as half-a-game won and half-a-game lost in the standings.

**ELIGIBILITY**

A team ineligible under NCAA or Mountain West rules for post-season (bowl) competition shall not compete in the Championship Game.

**INABILITY TO HOST**

If the host institution is unable to host the Championship Game, the other Championship Game participant shall be declared the host team.

## MOUNTAIN WEST POINTS OF PRIDE

**Celebrating 25 years of innovation. 2023 will be the 25th season of Mountain West football. The Mountain West has been a thought leader in college athletics. It is a league of firsts:**

- First conference to play on ESPN Thursday night football.
- The first to establish a sports television network dedicated solely to an intercollegiate athletic conference (The Mtn.).
- First conference to experiment with the coaches' challenge in the college football instant replay system.
- First conference to have a female play in a FBS game.
- First conference to push for a college football playoff beginning in 2009 and then advocated for an expansion of the CFP Playoff field since 2011.
- First Conference to propose better access and revenue for the non-automatic-qualifying FBS leagues.
- The first non-automatic-qualifying conference to participate in a BCS bowl game (Utah defeated Pitt in Fiesta Bowl).
- The first non-automatic-qualifying conference to participate in a CFP New Year's bowl game (Boise State defeated Arizona).
- First to broadcast a live football game on Twitter, ahead of even the NFL. Also, the first to stream a live college football bowl game on Facebook.
- First league to allow student-athletes in Joint Council and Board of Director meetings.
- The MW was the first conference to host an eSports event alongside an intercollegiate athletic event.
- First conference with an exclusively Spanish-language television broadcast in FBS football history.

**2023 will be the first season without divisions since 2012 (not including the 2020 season, impacted by COVID-19).**

- 2023 represents the debut of a new three-year schedule rotation.
- Within Conference play, each institution will face two opponents annually and six other teams on an alternating basis. Throughout the cycle, all institutions will play each other at least twice, including once at home and once on the road.
- The new schedule format will put the MW in the best position for a spot in the College Football Playoff.

### Football officiating alliance.

- The Mountain West is part of an officiating alliance with the Big 12, American Athletic and Southland conferences.
- Over 300 officials will be under the alliance's umbrella, ensuring consistent training, evaluation, and grading processes across the conferences. The alliance will use this pipeline to develop a "bench" of officials who have been trained and evaluated under consistent philosophies and mechanics.
- Each conference will have its own coordinator of officials to manage their respective officiating programs.
