
Transforming the Market for Lighting

Global Approaches to Lighting Regulations

8 September 2015, 12:00-14:00 GMT

Welcome, Introductions, and Agenda Review **10 minutes**
Nicole Kearney, CLASP

Background and Motivation: Overview of Lighting Policies **10 minutes**
Michael Scholand, IEA 4E SSL Annex

Presentations from Government Representatives **60 minutes**
Some questions for presenters to address:

- What are the particular strengths of your approach?
- What challenges do you or have you faced?
- Are you aware of how your approach may have impacted on other regions?
- Are there any collaborative activities that could support these activities?

Ruben Kubiak, European Commission – DG Energy *20 minutes*
The EU's regulatory approach to lighting – past, present and future

Lucy Debutts, United States Department of Energy *20 minutes*
The U.S. Appliance Standards Program for Lighting

Leyla Zelaya, Proyecto Mesoamerica *20 minutes*
Regional Lighting Efficiency Strategy in Central America

Q&A and Group Discussion **30 minutes**
Moderated by Michael Scholand and Nicole Kearney

Closing Remarks **5 minutes**
Nicole Kearney, CLASP
