Study a semester in Finland:

PROFESSIONAL STUDIES IN SOCIAL WORK

WHAT IS THE PROGRAMME ALL ABOUT?

Students will find answers to the questions:

1. What does the concept of empowerment mean in the context of welfare society and social work?
2. What are the different empowering service approaches and methods?
3. How can we promote sustainable changes in our own thinking, in the lives of individuals and communities?

ENTRANCE REQUIREMENTS

- An applicant has to be enrolled at a partner university of SeAMK.
- At least one year of prior studies in a relevant field of social work.
- Good English language skills (B2).
- The programme can accept ten exchange students.
