

# Spend a semester in Finland: PROFESSIONAL STUDIES IN PHYSIOTHERAPY

School of Health Care and Social Work of Seinäjoki University of Applied Sciences (SeAMK) offers an exchange programme for students in the field of social work.

## What is the programme all about?

Welcome to exchange programme in physiotherapy! Professional studies in physiotherapy include theoretical studies and practical training in the field of physiotherapy. Some courses are conducted in multiprofessional groups and also with other exchange students from different fields of studies.

## Admission criteria

Applicants should be students of the partner universities of SeAMK. To be admitted to the programme, students should have completed at least one year of studies in physiotherapy at their home university or university of applied sciences, and have sufficient skills in English language to use it as a language of study.

## Programme timetable

- 19 February - 25 May 2018

## Application
