Study a semester in Finland:

PROFESSIONAL STUDIES IN SOCIAL WORK

Exchange programme at Seinäjoki University of Applied Sciences, Finland

WHAT IS THE PROGRAMME ALL ABOUT?

Students will find answers to the questions:

1. What does the concept of empowerment really mean in the context of social work?
2. How do the different ideas on producing welfare influence in the goals and methods of social work?
3. How can we promote change in our own thinking and in the live of clients?

ENTRANCE REQUIREMENTS

- Applicants have to be enrolled at a partner university of SeAMK
