SEAMK - Seinäjoki University of Applied Sciences

At the Seinäjoki University of Applied Sciences, SeAMK, students are at the heart of everything we do: we value our students and care about the quality of teaching and continuous development. We have close connections with work life. Our campus is in a beautiful riverside area close to the city centre, creating a great setting for studying and multidisciplinary encounters. Campus studies extend with our high quality e-learning platforms and methods.

SeAMK has over 5000 students and 400 employees. We offer bachelor's and master's degrees in six different fields of education. International degree programmes, double degree cooperation, active student mobility and exchange programmes, international research and development projects as well as international events are in the core of SeAMK's international activities.

SeAMK has been ranked in the nationwide graduation feedback survey (AVOP) as the best university of applied sciences in Finland in 2020-2022 and second in 2023.

SeAMK has been awarded with the Quality Label for Excellence in higher education by the Finnish Education Evaluation Centre (FINEEC). SeAMK is also part of HEROES which EU Commission selects as new European University alliance to boost smart regional resilience.
