THE SOUTHEASTERN CONFERENCE

DAWN OF A NEW ERA FOR THE SEC

A HISTORY MAKING MOMENT OF GROWTH

The universities of Oklahoma and Texas joined the SEC in the summer of 2024, which marked the third time in the history of the Conference that the SEC has expanded, adding six teams over those three occasions.

A brief history:

- The 13 members of the former Southern Conference west and south of the Appalachian Mountains reorganized as the Southeastern Conference at the annual SC meeting of Dec. 8-9, 1932, in Knoxville. The charter members of the SEC were: Alabama, Auburn, Florida, Georgia, Georgia Tech, Kentucky, LSU, Ole Miss, Mississippi State, Sewanee, Tennessee, Tulane and Vanderbilt.
- Sewanee withdrew Dec. 13, 1940, Georgia Tech withdrew on June 1, 1964 and Tulane on June 1, 1966.
- The SEC welcomed Arkansas on Aug. 1, 1990, and South Carolina on Sept. 25, 1990. Both joined the SEC on July 1, 1991.
- The SEC welcomed Texas A&M on Sept. 25, 2011, and Missouri on Nov. 6, 2011. Both joined the SEC on July 1, 2012.
- The SEC welcomed Oklahoma and Texas on July 30, 2021. Both joined the SEC on July 1, 2024.

SEC, ESPN ENTER NEW ERA OF PARTNERSHIP

The Southeastern Conference and ESPN in 2024 began a milestone 10-year agreement that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events.

The landmark agreement, which represents a significant expansion of the conference's current partnership with ESPN, will establish ABC as the new broadcast network home for Saturday afternoon SEC football games, as well as selected Saturday primetime football games and the annual SEC Football Championship Game, which has grown into one of the most popular sporting events of the year. In addition, approximately eight incremental marquee men's basketball games will be featured across ABC or ESPN.

The new First Tier rights agreement puts all SEC media rights under The Walt Disney Company umbrella, giving the SEC exposure on ABC, ESPN, ESPN2, ESPNU, ESPN+, SEC Network and SEC Network+.

The exclusive partnership with ESPN comes with significant scheduling flexibility that will produce an array of benefits for member schools, student-athletes and college football fans. Under the new agreement, a number of game times and broadcast windows will be announced in advance of the season, giving fans an ability to plan more seamlessly.

STUDENT-ATHLETE DEVELOPMENT AND ACHIEVEMENT

STUDENT-ATHLETE CAREER TOUR

Thirty-one SEC student-athletes participated in the annual SEC Career Tour in December in Atlanta. It marked the eighth time student-athletes from each SEC university convened in Atlanta to participate in the career tour leading up to the SEC Football Championship Game.

The annual program allows student-athletes to connect with human resource recruiters and submit resumes for entry-level jobs, internships and gain valuable knowledge of professional branding.

SEC IN NCAA'S TOP 10

Four SEC student-athletes were recipients of the NCAA's prestigious Top 10 Award, more than any other conference. The award recognizes former student-athletes for their successes in competition, in the classroom and in the community.

- Kobe Brown, Men's Basketball, Missouri
- Callie Dickinson, Swimming & Diving, Georgia
- Ashley Rogers, Softball, Tennessee
- Trinity Thomas, Gymnastics, Florida

The four winners were honored at the NCAA Convention in January. The Today's Top 10 awardees were selected by the NCAA Honors Committee, composed of representatives from NCAA member schools and conferences, as well as nationally distinguished citizens, including past awardees.

NCAA WOMAN OF THE YEAR

Georgia swimmer Callie Dickinson was among nine finalists for NCAA Woman of the Year in 2023. Selected from 619 school nominees – the group that was then narrowed to 164 nominees at the conference level before the Top 30 honorees were determined, including 10 from each of the three NCAA divisions. Each honoree has demonstrated excellence in academics, athletics, community service and leadership.

South Carolina basketball player Aliyah Boston was among the Top 30 honorees in 2023.

Callie Dickinson was a six-time College Swimming and Diving Coaches Association of America All-American, earning first-team honors for her fifth-place finish in the 4x200-yard freestyle relay at the 2022 NCAA Division I Women's Swimming and Diving Championships. She has represented the U.S. in international competition since 2017, including the 2023 World University Games. The five-time first-team CSCAA Scholar All-American was the 2023 SEC H. Boyd McWhorter Women's Scholar-Athlete of the Year and earned a 2023 NCAA Postgraduate Scholarship.

SEC AMONG HONDA AWARD WINNERS

Parker Valby of the Florida cross country team was named the Honda Sport Award winner for both Cross Country and Track & Field, and Haleigh Bryant of LSU was named the Honda Sport Award Winner for Gymnastics. As sport award winners Valby and Bryant became finalists for the Collegiate Woman Athlete of the Year and the prestigious 2024 Honda Cup.

SEC COMMISSIONER

Greg Sankey Commissioner Southeastern Conference

Greg Sankey became the eighth Commissioner of the Southeastern Conference on June 1, 2015, and has successfully built upon the SEC's recognized success and rich traditions.

Sankey has effectively introduced innovation for the conference while respecting the traditions that make the SEC unique. With an understanding of the highly competitive environment of college sports, he has fostered the collaborative culture of the SEC that sets the conference apart and supports its continuing success.

Sankey has built upon the foundation introduced in his first major address as the conference leader in 2015 when he stated, "Educating scholars and supporting champions provides the platform for developing leaders who will influence the world." His ongoing focus on providing resources for student-athlete success continues to make the Southeastern Conference a leader in college athletics.

LEADERSHIP IN A CHALLENGING ENVIRONMENT

Sankey has been widely recognized as a prominent leader of college athletics as he has tackled the major issues facing college sports during his tenure as commissioner. Sankey's leadership through the COVID-19 pandemic served the SEC well as the league prepared for a return to action in the fall of 2020. Sankey fostered a culture of collaboration among the leaders of the Conference in order to allow the SEC's 14 schools to move together through difficult and unprecedented decisions.

While the pandemic had a devastating effect on the finances of college athletics programs across the country, Sankey maintained a focus on the long-term financial vitality of the SEC. In 2020, Sankey and his team finalized a milestone 10-year agreement with the Walt Disney Company that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events beginning in 2024-25 and continuing through 2033-34.

Less than a year after the blockbuster agreement with Disney, the SEC made news again as Sankey ushered the University of Oklahoma and University of Texas through membership discussions and announced the two leading universities will join as members with the SEC's nationally prominent institutions.

Sankey was also instrumental in crafting the framework for an expanded College Football Playoff, serving on a CFP leadership subcommittee that designed the playoff system to be implemented for the 2024 football season.

ADVOCATING FOR STUDENT-ATHLETE OPPORTUNITY

Throughout his career, Sankey has established himself as an advocate for college athletes, creating a framework to provide young people in the Conference with challenging leadership opportunities and expanded resources to succeed at the highest levels of academic and competitive success. Student-athlete focused initiatives introduced under Sankey's leadership include:

- Creation of a leadership position in the SEC office for Student-Athlete Engagement, a role focused on offering college athletes the opportunity to participate in Conference leadership.
- Introduction of Student-Athlete Leadership Councils for Football, Men's Basketball and Women's Basketball which provide college athletes with enhanced opportunities to engage with campus leaders and Conference office staff.
- Introduction of a Student-Athlete Career Tour which provides groups of college athletes with opportunities to engage in career exploration with high level corporations and businesses in major metropolitan areas.
- Expansion of the college athlete role at the annual SEC Spring Meetings when student-athlete leaders participate in a robust agenda of interaction with administrators and coaches to provide their perspectives to Conference leaders.

ADVANCING THE CONFERENCE

Sankey has been intentional and diligent in addressing issues critical to college athletics, including:

- Development of updated Conference policies governing conduct expectations for student-athletes, including the adoption of a serious misconduct policy governing transfers that has served as a model for similar policies adopted by other conferences. The policy was later expanded to include all incoming prospective student-athletes.
- Crafting a new SEC bylaw aimed at encouraging, facilitating and assisting member institutions in attracting and hiring individuals with growth potential to leadership positions of their athletics programs.

Another priority under Sankey's leadership is growing exposure for the Conference and effectively publicizing success stories of the SEC. Strategies pursued to achieve this objective include:

- Ongoing collaboration with the SEC Network to create unique exposure opportunities for Conference universities, teams and student-athletes, including behind-the-scenes programming, expanding live championship coverage for Olympic Sports and other unique programming.
- Engagement with a national marketing agency to develop and maintain a comprehensive branding campaign. The theme – "It Just Means More" – communicates the history, legacy and overall positive impact the SEC has on its region, the nation and the world.
- Introduction of the SEC Graduate Patch, a logo placed on the uniforms in every sport to provide recognition of SEC student-athletes who have earned their undergraduate degree and are continuing their participation in intercollegiate athletics.

A CAREER IN COLLEGE ATHLETICS

On March 12, 2015, the Presidents and Chancellors of the SEC announced Greg Sankey would succeed Mike Slive as Commissioner of the SEC.

Sankey, 60, first joined the SEC staff in 2002 as Associate Commissioner for Governance and later added supervision of the league's championships staff to his responsibilities. He was elevated to Executive Associate Commissioner and Chief Operating Officer for the league office in 2012, becoming responsible for the day-to-day operation of the SEC Office.

Before moving to the SEC, Sankey served as Commissioner of the Southland Conference for nearly seven years. He joined the Southland Conference staff in 1992 where he served as both assistant and associate commissioner before he was named its commissioner in 1996 at the age of 31.

Prior to his term at the Southland Conference, he was Director of Compliance and Academic Services at Northwestern State University in Natchitoches, LA, as well as coach of the Demons' golf team. Before his tenure at Northwestern State, he was the Director of Intramural Sports at Utica College in upstate New York.

A native of Auburn, NY, Sankey earned his master's degree from Syracuse University and his undergraduate degree from the State University of New York College at Cortland. Sankey and his wife, Cathy, reside in Birmingham, AL, and have two adult daughters, Hannah (and her husband, Rod) and Moriah (and her husband, Austin), and one granddaughter Abigail (daughter of Hannah and Rod).

SOUTHEASTERN CONFERENCE

Official Sponsor Program

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education.

Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs, SEC Academic Enhancement Programs, Championship Grants, FanFare and Legends Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors include Academy Sports + Outdoors, Allstate Insurance, Bush's Beans, Dr Pepper, Farm Rich, Gatorade, Johnsonville, Mercedes Benz, Pfizer, Regions Bank, Sonic, Southwest Airlines, Sprouts Farmers Market, T-Mobile.

Program Mission

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;
2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

SEC Licensing Program

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.

Game 11

The championship game featuring LSU and Mississippi State was called due to lightning and rain with one out in the bottom of the fourth inning with LSU leading 6-0. LSU and Mississippi State were declared tournament co-champions by SEC Commissioner Roy Kramer. The league did not submit an automatic qualifier to the NCAA Tournament. However both schools, as well as

Georgia, were selected as at-large qualifiers.

In 1984 the Southeastern Conference developed the Academic Baseball Honor Roll. The new format was adopted to recognize those athletes who had a 3.0 grade point average (either cumulative or during the past year), and had 24 semester or 26 quarter hours countable toward a degree. Prior to the 1996-97 season, the SEC dropped the requirement of earning a letter for that season.
