Description :

PDF-8b60d | It's the 21st century, and although we tried to rear unisex children?boys who play with dolls and girls who like trucks?we failed. Even though the glass ceiling is cracked, most women stay comfortably beneath it. And everywhere we hear about vitally important "hardwired" differences between male and female brains. The neuroscience that we read about in magazines, newspaper articles, books, and... *Delusions of Gender: How Our Minds, Society, and Neurosexism Create Difference*
