MISSION STATEMENT

The mission of the Department of Intercollegiate Athletics at Florida State University is to create and sustain NCAA Division I programs for men and women that are characterized by comprehensive excellence. Florida State Athletics is committed to educate, coach, support and inspire all student-athletes to perform at the highest academic and athletic standards while demanding good sportsmanship, ethical behavior, service and personal development.

FLORIDA STATE GOLF CAMPS

The goal of the annual series of golf camps at Florida State is to provide an extensive, personalized, learning experience for each golfer regardless of skill level. You will work hard but fun is an important component of all our camps. This will be a camp that you will want to return to each summer!

The Seminole Day Camp is a great start for beginning or young golfers who have an interest in playing the game of golf but need more instruction on the fundamentals. Our Seminole Men's and Women's Golf Team members will serve as camp counselors and all sessions will take place at our state of the art practice facility.

Ready to take your game to the next level? The Seminole Advanced Camp is for you! We have specifically designed this camp for young golfers who have experience with golf and want to elevate their game. Your overall strengths and weaknesses will be analyzed and we will help you design a personalized practice plan that will give you the confidence and experience to be a successful junior golfer. You will also be exposed you to NCAA regulations regarding the recruiting process for those who aspire to a future in collegiate golf.

DON VELLER SEMINOLE GOLF COURSE

The Dave Middleton Golf Complex and the Don Veller Seminole Golf Course are home to the PGA Golf Management Program, which is one of only a few programs in the country that is accredited by the Professional Golfer's Association of America. A 27,000-square-foot clubhouse, the Dave Middleton Golf Complex boasts private technologically advanced Wi-Fi classrooms, study and teaching labs, an internship library, a fully equipped club repair room, a pro shop, public locker rooms and the Renegade Grill. The \$7 million facility (for use by the Florida State Golf teams and PGM students only) is a two-building complex, which also includes a multi-directional driving range, a video analysis instructional center with hitting bays for inclement weather, chipping and putting greens, as well as locker rooms, team lounge, auditorium and fitness facility.

The golf course was renovated in 2004 with the reconstruction of all 18 greens, complexes, tee boxes and the state-of-the-art TiffEagle Turf was installed on all the putting surfaces. Each year the facility hosts over 60,000 rounds of golf. The golf course was recently recognized as one of the top 10 golf courses in the country by the National Golf Foundation for customer loyalty and satisfaction.

TALLAHASSEE GOLF COURSES

2014 SEASON PREVIEW

When Amy Bond became the head coach of the Florida State women's golf team in 2010, she immediately began working towards making the Seminoles one of the top programs in the country. She started building a program that would compete for ACC and national championships on an annual basis. She began planning for the future, coaching the players who would quickly become the foundation of her nationally renowned program and recruiting the players who would be the building blocks for the Seminoles' return to top of the standings in the ACC and their return into the upper echelon of the national championship race.

"Our number one goal is to compete for championships," said Bond. "At Florida State we have the support from our administration to do just that – be one of nation's top programs. We have the facilities, the weather and a university so steeped in a golf tradition that if we collectively work together each day with our intended goals of success in mind, we will achieve those goals."

Bond returns three seasoned veterans who helped lead Florida State to its eighth consecutive NCAA appearance in 2013 and welcomes one of the most talented four-player recruiting classes in school history to the team for her fourth season as the Seminoles' head coach.

"We are really excited about this group of women," said Bond. "We feel that we can put any combination of those eight women on the course and be successful. As we get into the spring season we need to have leaders emerge and a consistent group of the best five players rise to the top for us to become one of the top teams in our conference. Because the competition in the ACC is so strong and the teams are so good, as we move up into the ACC standings, we will move up nationally. I firmly believe that we will put the players on the course this year that will help us move toward the top of the ACC and into the top 25 in the nation."

The Seminoles' line-up will be anchored by a trio of juniors – Laure Castelain, Carlton Kuhlo and Alex Milan – who all played as members of Florida State's starting five in the 2013 ACC Championship and NCAA West Regional Championship. The trio has played in a combined 46 career matches, five ACC Championships and four NCAA regional championships.

"We are going to rely heavily on our junior class to get our year started off well," said Bond who has no seniors on her roster for the first time in her coaching career. "All three players gained an incredible amount of experience last season and all played well in the postseason last year. They have to be our backbone; they have to play well and bring the younger players along quickly for our team to play well early. Their collective abilities to lead our team from the first day of practice in August will be vitally important to the overall success of our team."

Castelain is Florida State's most experienced golfer entering the season with 20 events played including two ACC Championships and two NCAA Regional Championships to her credit. She has earned two top-10 individual finishes, has finished as the Seminoles' leader in four events during her career and finished in a career best tied for third place in the fall 2011 Susie Maxwell Berning Classic.

"The returning members of the team respect her a great deal and the newcomers will quickly learn that they can find wisdom in what she says and how she works her way around the golf course."

Kuhlo began to develop into a team leader with her performances in the 2013 postseason. She was a regular in the Seminoles' starting line-up as a sophomore and earned back-to-back top-20 finishes in the Florida Challenge and the Florida State Match-Up to begin the spring season. Kuhlo then played well in the ACC Championship with a score of 74 in the first round in helping the Seminoles to a fourth place team finish and shot a 75 in the final round of the West Regional Championship – her first career NCAA appearance.

"Carlton showed us that her game is headed in the absolute right direction during the spring season," said Bond. She played a number of nice rounds late in the spring to help us qualify for the postseason and then played well at region-

als. We are expecting her game to continue to improve because of the drive to work hard that she showed us last spring. We want that drive to be successful to increase and Carlton knows she has to prove herself every day in practice."

Milan had a great summer as she worked as hard as any player on the team to prepare for the upcoming season. She was successful on the collegiate tour within the state of Florida and showed through her play that she has a real desire to earn one of the open spots in the line-up. Milan has played in two career ACC Championships and played in her first career NCAA Regional Championship as a sophomore.

"The experience that Alex gained last spring was as valuable to her as to any player on our team," said Bond. "She helped lift our team in both the ACC Championships and the NCAA Regional Championships and those experiences helped boost her confidence to an all-time high. Coupled with her strong summer, she will look to move back into the line-up this spring."

Florida State begins the season with a large but talented group of five freshmen who are all expected to be impact players. The group is led by Lydia Gumm, who enrolled at Florida State in January of 2013 and includes Anna Sophia Bohmer, Kayla Bloor, Matilda Castren and Sherrill Buckley.

All four players will have the opportunity to earn a position in the Seminoles' line-up and all four have the ability to be difference makers throughout their careers. Gumm gained valuable experience during the spring of 2013 as she not only acclimated herself to life as a college student but to life as a student-athlete. Her experiences during the spring of 2013 will allow her the opportunity to join the Seminoles' starting line-up in the spring of 2014. Gumm is a seven-time All-State Girl's Golf team honoree in the state of Kentucky and earned the Ms. Kentucky golf award a record five times.

"Lydia graduated from high school early and practiced with our team during the spring of 2013," said Bond. "She is a very talented player who has only started to reach her potential. She gained valuable experience during the spring which in turn will equate to success during her freshman year. Her biggest strengths are her length and her ability to shoot low scores."

2014 SEASON PREVIEW

Bond knows that she has eight strong players who will all be productive for the Seminoles during the upcoming season.

“We have a great combination of players – both veteran and newcomers – they will allow us to have a very successful season,” said Bond. “We have to be willing to work from day one and work every day – even when we are not on the course. I really believe this can be a breakthrough year for us; we all have to want to improve every day and not put any limits on what we can do.”

Bohmer is a current member of the Colombian National Team. She went to high school in Orlando, Fla., which allowed her to gain playing experience on many of the types of courses the Seminoles play on annually. She too, is a very experienced international golfer whose best golf is certainly ahead of her and she will improve as a golfer each time she steps onto the course.

“Anna has a lot of international experience and competes on the Colombian National Team,” said Bond. “She is a very talented player who will compete for lots of playing time. Not only is Anna a great golfer, but her personality and attitude is going to foster a sense of fun, compassion and team work. Her biggest strengths are her short game and her ability to get the ball in the hole.”

Bloor is a competitive golfer who is very comfortable working her way around the golf course. She will be one of the Seminoles’ hardest workers from the time she steps on campus and is another golfer who will have the immediate opportunity to become a member of the Seminoles’ starting line-up.

“Kayla had a very successful high school career and I am excited to watch her excel here at Florida State,” said Bond. “She has a good grasp of her golf game and knows what it takes to be successful. She works extremely hard and I look for her to compete for a starting position. Her biggest strengths are her length and her competitiveness.”

Probably the most experienced of the international players on the Seminoles’ roster, Castren will bring that experience to the Seminoles’ line-up in her first season as a member of the team. She is from Finland where she has represented her country in the European Championships three times and has been a member of the Finnish National Team since 2009. Castren helped lead Finland to a second place finish at the Finnish Ladies Team Championship in 2012 and is the No. 1 ranked player in the Under 21 age group at the European Young Masters championship.

“Matilda comes to us with perhaps the most international experience of any player we have had in a while,” said Bond. “She is a member of the Finnish National Team and has numerous tournaments under her belt. She has been very successful in both the United States and worldwide. Matilda will come in and compete for one of our top spots. Her biggest strengths are her overall game and her mindset.”

With half of its roster new to collegiate golf, the Seminoles will rely on their experienced upperclassmen throughout the year. It was that group of three juniors that carried Florida State to its school record eighth-consecutive NCAA appearance in 2013. Florida State’s success will come quickly as the experienced players continue to improve and the newcomers adapt to playing as Seminoles.

HEAD COACH AMY BOND

Amy Bond
Head Coach

Florida State
1999

4th Season At
Florida State

President
Women's Golf
Coaches
Association

Since being named the head coach at her alma mater in 2010, Amy Bond has gone about building a team that will consistently qualify for the NCAA Championship Tournament, compete for ACC and national championships and produce All-ACC and All-American student-athletes.

In her first three seasons at Florida State, the Seminoles have played in three NCAA Championships, produced the school's first NCAA Regional Champion (Maria Salinas in 2012), earned two All-American citations (Maria Salinas in 2011 and 2013), earned three All-ACC selections (Maria Salinas in 2011 and 2012 and Jessica Negron in 2013) and had nine players earn All-ACC Academic honors.

As the fifth head coach in the history of the program, Bond's commitment to success at Florida State has become a way of life. First as a player, then an assistant coach and now as its head coach, Bond's energy and enthusiasm for elevating and securing the tradition of the program is rivaled by few coaches in all of collegiate golf.

As a player she earned a spot on the ACC's 50th Anniversary team, as an assistant coach she helped the Seminoles to three NCAA Tournament appearances and as the head coach, she has led Florida State to three NCAA Championship appearances in her first three years.

Throughout her career at Florida State, she has played as one of the Seminoles top players (she was named Florida State's team MVP in 1997, 1998 and 1999), played with a number of touring professionals (including two-time LPGA major winner Karen Stupples) and has coached many of Florida State's recent greats including the only four-time golf All-American in school history (Caroline Westrup). While achieving success during her career as a player and a coach, Bond has never lost sight of her ultimate goal: the success and achievements of her student-athletes.

In the first eight seasons as a Seminole coach (five as an assistant and three as the head coach), every student-athlete who has played golf at Florida State has earned her bachelor's degree and every one played on at least two NCAA Tournament teams during their careers. The Seminoles are among the NCAA leaders with a perfect APR rating during the first three seasons on Bond's head coaching tenure at Florida State.

FIRST THREE YEARS AT FSU

Florida State head coach Amy Bond has now guided each of her first three teams to the NCAA Tournament. Including her four years as a Seminole player (1996-99) and her five years as a Seminole assistant coach (2002-06), Bond has participated in 10 of 12 NCAA Regional Championships while wearing the Garnet and Gold. The Seminoles have played a school record eight consecutive NCAA Championship Tournaments.

RETURNING HOME

Amy Bond joined the long and illustrious list of Florida State alumni who have returned to their alma mater when she was named the Seminoles' head coach on June 25, 2010. She returned to her Seminole roots after an outstanding playing career at Florida State (1995-99) dur-

ing eight individual tournament championships during her career and finished in a tie for 23rd place at the NCAA East Regional Championship in 2009 - the third highest NCAA regional finish in school history. Shon played in the 2011 and 2012 US Women's Open and was ranked No. 4 nationally among junior golfers at the time she was recruited. She is still the highest ranked junior recruit to ever attend an Ivy League institution. Shon earned All-American Honorable Mention Honors from the Women's Golf Coaches' Association in 2013, played in the 2013 NCAA East Regional Championship, was named the Ivy League Golfer of the Year and won Ivy League Championship in 2013

RECRUITING SUCCESS AT FSU

ing which she finished in 30th place in the 1999 NCAA Championship Finals and a five-year career as an assistant coach (2001-06) when she helped lead the Seminoles to the NCAA Championships three times. Bond is one of four Florida State alumni who are current head coaches at Florida State joining Frank Bradley (Swimming), Jennifer Hyde (women's tennis) and Mike Martin (baseball).

SUCCESS AT PRINCETON

Bond was successful in her first head coaching position at Princeton (2006-10) as she guided the Tigers to eight tournament victories and top four finishes in four Ivy League championship tournaments. The Tigers finished in second place in the Ivy league championship in 2007. Bond coached Susannah Aboff to consecutive Ivy League individual championships in 2008 and 2009 to mark only the third time in league history that a player had won consecutive individual conference championships. Aboff earned All-Ivy League honors three times during her career becoming just the second player in school history to be named to the all-league team three times in her career. During her four seasons at Princeton, only the Tigers and Harvard performed consistently in the conference championship by finishing in the top four of the team championship from 2007-10.

RECRUITING SUCCESS AT PRINCETON

During her four seasons at Princeton, Bond coached/recruited two players (Susannah Aboff and Kelly Shon) who qualified to play in at least one NCAA Regional Championship each and five players who earned All-Ivy League honors a total of 11 times. Aboff won

helped recruit four players who earned All-ACC honors a total of eight times and formed the nucleus of two top 20 ranked teams. The Seminoles finished in a tie for 16th nationally in 2006 and in a tie for 19th nationally in 2004. She was also instrumental in recruiting Caroline Westrup - the only four-time All-American and four time All-ACC selection in school history.

PROFESSIONAL PLAYERS

Bond has recruited and coached seven players who have played, or who are currently playing professional golf. She recruited and coached Kristin Tamulis (Florida State) who is currently playing on the LPGA Tour. She also recruited and coached four-time All-American Caroline Westrup (Florida State) who is currently playing on the LPGA Tour (and who played in the 2013 U.S. Open), a second who is also playing on the LPGA Tour (Lacey Agnew), two players (Jaclyn Burch and Macarena Silva) who are currently playing on the Futures Tour and two players (Susannah Aboff, Marlowe Boukis and Michelle Grilli) who began their professional careers on the LPGA Futures Tour and Maria Salinas who is currently playing on the European Tour.

SEMINOLES AT THE 2013 U.S. OPEN

Bond and the Seminoles were well represented at the 2013 U.S. Women's Open at Sebonack Golf Club with four of the top players in the history of the program - Karen Stupples, Kristin Tamulis, Macarena Silva and Caroline Westrup - all playing in the event. Prior to the event, Bond said of the one of the greats foursomes in program history: "This is a great week for each of

the four players and for the Florida State women's golf program. To have four of our players in the U.S. Open in the same year is exciting and illustrates the rich tradition of our program. I am very happy for Karen, who I have known for so many years and for Kris, Maca and Caroline who I had the good fortune of coaching during their careers at Florida State. Playing in the U.S. Open is an awesome accomplishment for all of them and I couldn't be happier for all of them."

BOND ON THE NATIONAL SCENE

Bond is the president of the Women's Golf Coaches Association Board of Directors; she was elevated to the position at the 2013 NCAA Women's Golf Convention. While the vice president of the organization, she had the honor of announcing Seminole senior Maria Salinas as an All-American at the 2013 NGCA Honors Banquet. Bond has risen steadily through the ranks of the national governing board after serving the organization as its treasurer. Bond began on the NGCA Board as its treasurer (2009-12), is currently its vice president (2012-14) and will serve as its president during a two-year term beginning in 2014. The NGCA was formed in 1983 as an organization to promote participation in women's collegiate golf. The vision of NGCA since its inception has been to encourage the playing of intercollegiate golf for women in correlation with a general objective of education and in accordance with the highest tradition of intercollegiate competition.

ACADEMIC ACCOLADES

Bond has made it part of her coaching philosophy to demand outstanding academic achievement from every one of her players. She began developing that philosophy as a player at Florida State as she was named an Academic All-American in 1998 and 1999 and earned ACC Academic Honor Roll accolades three times during her playing career (1996, 98, 99). A total of 35 players have been named to the ACC Academic Honor Roll during her Seminole career as a member of the Seminoles' coaching staff, four players (for a total of five awards) who have earned the honor have been named to the All-ACC Women's Golf Team in her first three seasons as the Seminoles' head coach. She has also seen nine different players named to the All-America Scholar Team and eight players named to the ACC Academic team during her first three years as the Seminoles' head coach.

TOP 50 PLAYER IN ACC HISTORY

Bond was named to the Atlantic Coast Conference 50th Anniversary team in 2002 along with Seminole greats Karen Stupples and Louise Wright. Bond was a 1998 All-ACC selection and the Seminoles' top player from 1996-99. She earned ten top-10 finishes dur-

ing her career and was named the Seminoles' Most Valuable Player each year during her career. Bond competed in the NCAA Championship tournament in 1999 and played in three NCAA regional tournaments while finishing in the top 20 in four consecutive ACC Championship tournaments. She was an All Region selection in 1999 and was the medalist at the 1998 Ryder/Florida State Championship tournament.

COMMUNITY SERVICE CHAMPIONS

The Seminoles women's golf team won its 12th consecutive Athletic Director's Cup for Service at Florida State's annual Golden Nole Banquet 2013. The Athletic Director's Cup for Service presented annually and is the most prestigious award given to the Seminole student-athletes. It goes to the team that contributes the most service hours to the community over the course of an entire year. The Seminoles won the Athletic Director's Cup for Service in each of Bond's five years as an assistant coach and in her first three seasons as the Seminoles' head coach.

SEMINOLES TO HOST 2014 NCAA EAST REGIONAL

Florida State will play host to the NCAA East Regional Championship as part of the NCAA Division I Women's Golf Championship May 8-10, 2014 at Southwood Golf Club in Tallahassee. The Seminoles will serve as one of three sites for the regional championships and will host an women's NCAA regional championship for the first time in school history.

PERSONAL

An Ocala, Fla., native, Bond earned a bachelor's degree in sport management from Florida State in 1997 before earning her master's degree in sport administration from Florida State in 1999. Bond's twin brother, Tommy, is the Director of Athletics and head baseball coach at Trinity Catholic in Ocala, Fla.

ASSISTANT COACH MATT SAVAGE

Matt Savage
Assistant Coach

Florida State 2009

2nd Season At
Florida State

Matt Savage, who helped coach both the Seminole men's and women's golf teams into the NCAA Championship Tournaments in 2013, is in his second season as an assistant coach with both programs at Florida State. Savage plays an integral role in the continued success of the Seminoles as he works with each of the players on a daily basis while assisting with the day-to-day administrative responsibilities of each team. Savage works with both programs in the areas of skill development, recruiting, practice planning and match coaching.

Savage is uniquely qualified to relate his experiences as both an accomplished player on the collegiate level and as a professional golfer to teach the game of golf to the next generation of Seminole golfers.

In 2013, Savage helped the Seminole men to their third appearance in the NCAA Championship Finals in the last four seasons where they finished in a tie for 11th place in the team standings. The Seminoles finished in third place in the NCAA Tallahassee Regional and in second place in the ACC Championship after winning tournament championships during the regular season.

In his first season as an assistant coach with the Florida State women's team, he helped lead the Seminoles to their school record eighth consecutive NCAA Championships appearance and a fourth place finish in the ACC Championships. Because of his incredible success as a Florida State player and as a professional golfer, Savage was accepted quickly by the current Seminole golfers and took on a leadership role in only his first season as an assistant coach.

Savage is considered to be one of the top golfers in Seminole history. He earned All-America honors in 2007, was the first player in school history to earn All-ACC honors three times, played on one NCAA Championship final and four NCAA Regional Championship teams and led the Seminoles to the first ACC Championship in school history in 2008. Savage closed his career in 2009 with a 73.09 scoring average in 44 career tournaments – the fifth best average in school history.

Among Savage's greatest attributes is his ability to communicate with players and coaches alike and concisely teach the sport of golf to the Seminoles' student-athletes.

Because of his recent experiences as a player and now as a coach, Savage's ability to relate to today's collegiate golfer allows him to expect the unexpected while creating long term plans and effectively teaching them on a daily basis.

Savage was one of the building blocks of the Seminole men's program under Director of Golf Trey Jones from 2006 through his graduation from Florida State in 2009. The Seminoles were nationally ranked during each of his four seasons and finished the 2008 season ranked 11th after winning the ACC Championship for the first time in school history. The Seminoles were ranked as high as No. 7 nationally and earned a No. 3 seed in the NCAA West Regional Championship in 2008.

Savage began his professional career on the NGA Hooters Tour soon after his graduation from Florida State and enjoyed three prosperous years on golf's third largest tour. He won his first event as a professional – the 2009 Kentucky Open – and was among the top money winners on the tour during his three seasons.

FIRST YEAR COACHING SUCCESS

In his first season as an assistant coach with both the men's and women's teams at Florida State, Savage helped both teams to extremely successful seasons in 2012-13.

The Seminole men finished in a tie for 11th in the team standings in the NCAA Championship finals, in third place at the NCAA Tallahassee Regional Championship, in second place in the ACC Championship and with three tournament championships during the regular season. The Seminole women played in the NCAA Championship for the school record eighth consecutive season and finished in fourth place in the ACC Championships.

INDIVIDUAL RECOGNITION

Savage helped coach two All-Americans – Daniel Berger and Chase Seiffert – the ACC Freshman of the Year and four All-ACC selections – three men and one woman – in his first season as an assistant coach at Florida State. Daniel Berger earned PING and GolfWeek All-American First Team Honors while Seiffert earned All-American Honorable Mention honors by GolfWeek. Berger, Seiffert and freshman Hank Lebioda all earned All-ACC Honors with Lebioda earning ACC Freshman of the Year honors. Jessica Negron earned All-ACC and All-West Region honors.

NATIONAL SUCCESS

Savage earned medalist honors at the 2008 North and South Amateur Championship at Pinehurst, advanced to the quarterfinals of the 2006

2008), the ACC Championship (Spring 2008) and the Florida State Spring Break Invitational (Spring 2009).

ALL-AMERICAN HONORS

Savage earned regional All-American honors in both 2008 and 2009 and earned All-American Honorable Mention honors from the Golf Coaches' Association of America in 2007. He was named to the PING / All-Southeast Regional All-American team in 2008 as he led the Seminoles to the ACC Championship and was named to the Ping / Southeast Regional All-American team in 2009 as he led Florida State to an appearance in the 2009 East Regional Championships. Savage earned Ping / Division I All-America Honorable Mention Honors as a sophomore after finishing in ninth place in the individual standings at the NCAA Championship Finals and earning 11 top 25 finishes in 12 events in 2007.

SCHOOL RECORD SCORE

Savage carded a school record 63 in the second round of the 2009 Florida State Spring Break Invitational. His nine under par score of 63, coupled with a 69 in the first round, allowed Savage to win the individual championship and helped the Seminoles to the team championship in the event. Savage's score of 63 allowed him to win the first individual championship of his career.

U.S. Amateur Public Link Championship and played in the 2006 U.S. Amateur Championship.

2008 ACC CHAMPIONSHIP

Savage led Florida State to its first ever Atlantic Coast Conference Championship on April 20, 2008 as the Seminoles defeated Duke by three strokes at the 55th Annual ACC Championship at the Old North State Club at Uwharrie Point. The Seminoles defeated the Blue Devils by four strokes in the third round as they rallied from a one stroke deficit after two rounds to claim the school's first ever ACC championship in the sport of golf. Each of the five team members contributed to the victory as the Seminoles closed the 54-hole tournament with four players under par and only one at over par. Savage led the way with an eight-under par 208 score and finished in a tie for third place in the individual standings.

TEAM CHAMPIONSHIPS

In addition to leading the Seminoles to the first ACC Championship in school history in 2008, Savage helped Florida State to four tournament championships during his career: the Inverness Intercollegiate (Fall 2007), the Seminole Intercollegiate (Spring

PREP STAR

Savage won the individual state championship, led his team to the state title, was named Mr. Golf in the State of Kentucky and earned National Player of the Year honors by the National High School Golf Coaches Association as a senior at St. Xavier Prep in Louisville in 2005. Savage earned All-America honors from the AJGA as both a junior and a senior, was a four-time All-State First Team honoree and played in the US Publinks Championship in 2005.

ACADEMIC SUCCESS

Savage was an academic standout during his collegiate career at Florida State as he was named to the ACC Academic Honor Roll in 2006, 2007 and 2009 and earned his degree in communication studies in 2009. He is one of only three players to earn All-Academic honors at least three times under Seminole men's coach Trey Jones.

ASSISTANT COACH ROBERT DUCK

Robert Duck
Assistant Coach

Augusta State 2001

3rd Season At Florida State

Robert Duck's diverse and successful career in the sport of golf – on the collegiate and professional levels – and his fantastic ability to relate his experiences as a coach and a teacher, are attributes that serve him well as a member of the Florida State golf coaching staff.

In his third season as an assistant coach with both the Seminoles' men's and women's programs, Duck has helped continue Florida State's tradition of NCAA appearances, All-Americans and All-ACC performers during his tenure. He works with both programs at Florida State in the areas of player development, recruiting and daily team and individual coaching responsibilities.

Duck has helped coach both programs into the NCAA Tournament while working with All-Americans and All-ACC honorees on both teams. In his first two seasons at Florida State, the men have produced two All-Americans, five All-ACC selections, one ACC Golfer of the Year and one ACC Freshman of the Year while the women have produced one All-American and two All-ACC performers.

During his first two seasons, the Seminole men and the Seminole women have appeared in the NCAA Tournament twice each with the men finishing in ninth in the team standings in the 2012 NCAA Championship finals and tied for 11th in the 2013 NCAA Championship finals. In addition, neither team has finished outside of the top four in the ACC Championships as the men have finished in second and third and the women have earned two fourth place finishes with Duck as an assistant coach.

Duck's work with Florida State's players has led to incredible individual success in his first two seasons in Tallahassee. His teaching abilities and coaching philosophies have helped accelerate the careers of two of the top men's players in school history – Brooks Koepka and Daniel Berger – as well as two of the top performers on the women's team – Maria Salinas and Jessica Negron. Koepka was named the ACC Golfer of the Year in 2012 and was a three-time All-ACC selection while Berger earned All-ACC honors and played for the United States' Palmer Cup team in 2013. Salinas finished in second place in the NCAA Central Regional and earned All-American honors in 2012 while Negron earned All-ACC honors and finished with one of the lowest stroke averages in school history in 2013.

Duck has helped coach the Florida State men to five tournament championships in his first two seasons. The Seminoles earned tournament championships at the 2012 Seminole Intercollegiate, the 2012 FAU Spring Break Invitational, the 2013 Gator Invitational, the 2013 Seminole Intercollegiate and the 2013 Gary Koch Intercollegiate. He has helped the Seminole women advance to the 2012 NCAA Central Regional and 2013 NCAA West Regional Championships.

The Seminoles – both the men and the women – were ranked among the nation's top 25 teams throughout his first season at Florida State. The men were ranked as high as No. 13 while the women were ranked as high as No. 22 nationally in 2012. The men finished the 2013 season ranked No. 12 nationally.

COACHING EXPERIENCE

Duck, one of the rising stars in collegiate coaching, is in his third season as an assistant coach at Florida State. He was the acting head coach at Augusta State in 2002, served the Jaguars as a volunteer assistant coach during the 2001-02 season and was an assistant coach

for the program during the 2002-03 season. During his tenure as the acting coach at Augusta State, the Jaguars were ranked as high as No. 9 nationally.

COLLEGIATE PLAYING EXPERIENCE

Duck enjoyed a standout career at Augusta State (1998-01) where he earned All-America honors as a sophomore (1999) and led the Jaguars to three NCAA Championship appearances (1998, 1999, 2001). He is one of the top golfers in the storied history of the Augusta State program and remains listed prominently in the record book nearly 15 years after his playing career ended. Duck is ranked second in school history for lowest stroke average by a freshman (73.22) (which stood as the school record for nearly 15 years). It is an average that still ranks in the top 15 in school history. His career stroke average of 73.86 is ranked 14th in school history. During his career he earned 12 top 10 and 28 top 20 individual finishes.

COLLEGIATE COACHING EXPERIENCE

Duck's ability to communicate with the players he coaches is illustrated by the success those players have earned on the golf course. In only two years at Florida State he has worked with three All-Americans, five All-ACC honorees, one ACC Golfer of the Year and one ACC Freshman of the Year. Each of the four teams (two men's and two women's) he has helped coach at Florida State has played in the NCAA Tournament and both teams have been ranked in the nation's top 25 during the first two years of his tenure in Tallahassee.

ON COURSE COACHING

Because he has played and coached at such a high level, Duck has quickly become known as a players' coach. His ability to help each student-athlete create long-term training schedules and encourage them to work towards those goals on a daily basis has helped create a teaching environment that has fostered the recent successes of both the Seminoles' men's and women's programs.

NCAA CHAMPIONSHIP HISTORY

Duck led Augusta State to three NCAA Championship tournament appearances and helped the Jaguars to a seventh place finish as a senior. The seventh place finish was the best in program history at the time. With the foundation put in place by Duck and his teammates, the Jaguars won the NCAA Titles in 2010 and 2011.

SUCCESS IN PROFESSIONAL WORLD

Duck enjoyed a successful career as a manager of professional golfers for the Hambric Sports Group (2003-2012) before accepting his current assistant coaching position at Florida State. Based in London, Duck was the supervisor of the European Division of Hambric Stellar Golf. He was a player manager who oversaw public relations and marketing for seven clients including 1988 Masters champion Sandy Lyle, 2005 European Tour Rookie of the Year Gonzalo Fernandez-Castano, former Augusta State All-American Oliver Wilson and Francesco Molinari.

PERSONAL

Duck is married to the former Michelle Digsby. He earned his bachelor's degree in marketing from Augusta State in 2001. A native of Northampton, England, he represented Great Britain-Ireland as a member of the 1998 Palmer Cup team. Duck played in the 1997 European Amateur Championship and finished tied as the runner-up with Sergio Garcia and Luke Donald.

DIRECTOR OF GOLF TREY JONES

Trey Jones
Director of Golf

North Alabama
1991

12th Season
At Florida State

Top national finishes, All-Americans, professional success and academic achievement have become synonymous with the Florida State men's golf program under Trey Jones. Now in his 11th season as the head men's coach and Director of Golf for the Seminoles' men's and women's golf programs, Jones has lifted the sport of golf at Florida State to new heights.

Under his direction, there is no limit on how high the Seminole programs will go

Jones is responsible for attracting nationally ranked recruiting classes, upgrading the Seminoles' schedule to where it is ranked among the nation's toughest on an annual basis and creating one of the most functional player development facilities in all of college golf on one of the Seminoles' five home golf courses. Jones continues annually to build on the Seminoles' success in developing the nation's top talent into national contenders and collegiate golf's elite players. Named the 2008 Atlantic Coast Conference Coach of the Year as he led the Seminoles to the first conference championship in the sport of golf in school history, Jones is no stranger to competing with the nation's best in one of the top conferences for college golf.

Building championship teams and elevating those teams onto the national stage is nothing new to Jones who has earned four conference coach of the year awards and led 12 of his 17 teams at the Division I level to the NCAA Championship tournament. His teams consistently hold prominent places in the national rankings, are adept at winning conference championships and are annually among the top producers of All-American and all-conference performers.

Jones has become one of the winningest coaches in school history in his first ten years in Florida State. He is the only coach in school history to lead the Seminoles to eight NCAA Tournament appearances (no other coach has led Florida State to more than five appearances) and he is ranked first in school history with 12 tournament championships (second is nine by Don Veller). The Seminoles have appeared in a school record eight consecutive NCAA Tournaments entering the 2013-14 season.

2013 NCAA CHAMPIONSHIP

Florida State finished in 11th place at the 2013 NCAA Championship Finals at the Capital City Club Crabapple in Atlanta, Ga. The Seminoles are just one of two teams to finish in the top 11 of the NAAs in three or the last four years. Sophomore Daniel Berger led the team at the Championships finishing tied for second with a 6-under 204.

2012 NCAA CHAMPIONSHIP

Florida State earned an eighth place national finish at the 2012 NCAA Championship Finals to mark the second time in the last three seasons the Seminoles finished in the top eight of the standings at the national tournament. The Seminoles entered the championship ranked No. 19 in the nation by GolfStat and finished as one of only two teams ranked outside of the top eight to finish in the top eight of the final standings.

2010 NCAA CHAMPIONSHIP

Florida State finished in a tie for third place at the 2010

NCAA Championship Finals to earn the best national finish in school history. The Seminoles fell to Augusta State (the 2010 National Champion) in the semifinals of the championship tournament after defeating Texas Tech in the first round of match play. The Seminoles led the stroke play portion of the tournament and finished in second place to earn the No. 2 seed in the match play portion of the event. The third place finish at the NCAA Championship marked the best finish in school history - one better than the Seminoles fourth place national finish in 1957 and tied for fourth place finish in 1958.

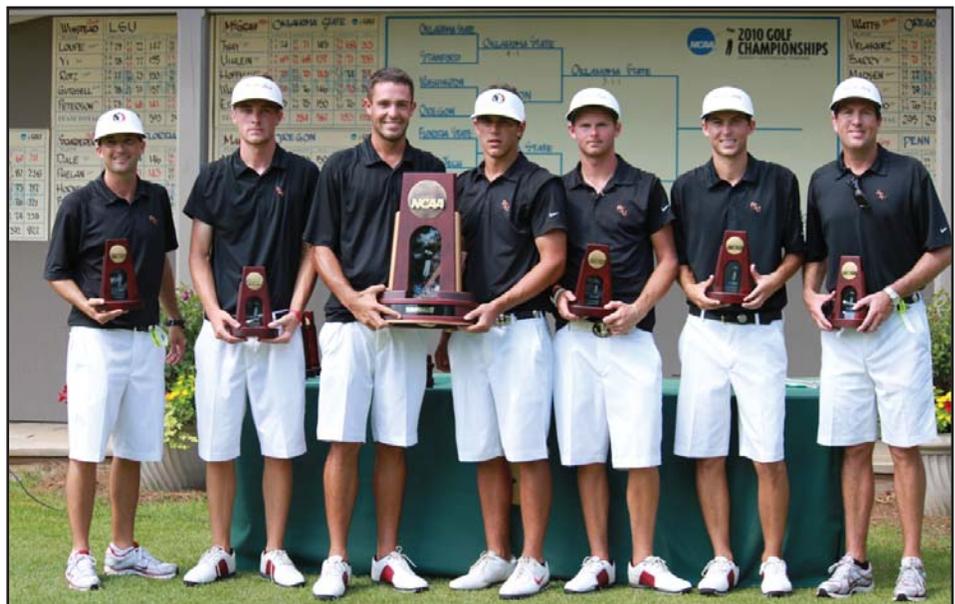

2008 ACC CHAMPIONSHIP

Florida State, which was led by All-Americans Jonas Blixt and Matt Savage, won its first ever Atlantic Coast Conference championship as it defeated Duke by three strokes at the 2008 ACC Championship at the Old North State Club at Uwharrie Point. The Seminoles defeated Duke as they rallied from a one stroke deficit after two rounds to claim the school's first ever ACC championship in the sport of golf. Each of the five team members contributed to the victory as the Seminoles closed the 54-hole

round of the FAU Spring Break Invitational and set the school record with his 199 total for three rounds of the event. Koepka won three events as a senior - at the Brickyard Collegiate Championship, the Seminole Intercollegiate, the FAU Spring Break Invitational.

JONAS BLIXT

Jones coached one of Florida State's all-time best players - Jonas Blixt - to All-American honors and the first individual ACC Championship in school history. Blixt earned Ping/Division I All-American First Team honors in 2008 and Ping/Division I All-American second team honors in 2007. He is one of only three players in school history to earn All-American First and Second Team honors during his career. Blixt won the ACC individual championship in 2007 to become the first Seminole to win ACC medalist honors. He helped lead Florida State to the 2008 ACC Championship - the first ACC golf championship in school history - and earned All-ACC honors twice during his career. Blixt is currently playing on the PGA Tour.

tournament with four players under par. Blixt and Savage led the way with eight-under par 208 scores as they both finished in a tie for third in the individual standings.

RECRUITING

Known as one of the nation's most dynamic recruiters, Jones is nationally recognized as one of the top talent scouts in all of collegiate golf. His ability to recruit talented players, which in turn helps him build solid teams, is one of the aspects of coaching that has made Jones a top Division I coach. Florida State's recruiting class ranked fourth best in the nation in 2007, fifth best in 2008, sixth best in 2005 and among the nation's top 15 in 2006, 2010 and 2012.

BROOKS KOEPKA

Jones coached Brooks Koepka - the school record holder for lowest stroke average in a single season (71.09) and for a career (71.85) - the ACC Golfer of the Year in 2010 and 2012 and a three-time All-ACC selection. Koepka was named the ACC Golfer of the Year twice, the ACC Rookie of the Year in 2009 and earned All-American twice in his career in leading the Seminoles to four consecutive NCAA Tournament appearances and two top-10 NCAA Championship Finals finishes. As a senior, Koepka tied the school record with a nine under par score of 63 in the third

JONES NATIONALLY

Jones has been an active member of the Golf Coaches Association of America since 1993. He is currently a member of the steering committee for the Collegiate Golf Hall of Fame. Jones served the board as the Division I Director for the East Region and served as the chair of the District 3 South Regional NCAA Selection Committee. He was also a representative in the District 3 South NCAA Selection Committee from 1999-2002.

PERSONAL

Jones is married to the former Cathy McVeigh, who is the coordinator of financial aid for student-athletes at Florida State. They are the proud parents of a daughter, Jordan (12) and a son, Drew (8). Jones earned his bachelor's degree in health and physical education with a minor in business administration from North Alabama in 1991. Jones is a 22-year veteran of the collegiate coaching ranks. He was the head men's coach and Director of Golf Operations at Georgia State for eight years (1996-2003) before becoming only the fifth coach in the history of the Seminole program in 2004. Prior to his career at Georgia State, Jones was an assistant coach at Wallace State Junior College (1992-95) and his alma mater North Alabama (1991). Jones developed his teaching, coaching and recruiting philosophies as he helped hone those programs into national contenders.

3rd Season At
Florida State

Chad Smith, who has played an integral role in helping the Seminole men's and women's golf teams both advance to their respective NCAA Tournaments in both of the last two seasons, is in his third season as the Golf Operations Manager at Florida State.

Smith works directly with Director of Golf and Head Men's Golf Coach Trey Jones and Head Women's Coach Amy Bond and each of the golf student-athletes on the day-to-day management of the teams.

Smith was the manager of player services at the American Junior Golf Association prior to his appointment at Florida State. His primary role was mentoring junior golfers in their quest to earn college scholarships. In his position with the AJGA he handled all contact and benefits programs more than 5,000 member golfers. As an undergraduate student at Florida State, he was an intern in both the Seminole Athletics Marketing office and the FSU Licensing Office in Seminole Boosters.

As a member of the golf staff, Smith's responsibilities include managing the business affairs for both teams, arranging all aspects of team travel and overseeing the improvement and maintenance of Florida State's nationally renowned facilities at the Don Veller Seminole Golf Course. He also serves as the Co-Tournament Director for the annual Seminole Intercollegiate Golf Tournament and will play an integral role in the tournament operations when Florida State plays host to the 2014 NCAA Tallahassee (East) Regional women's golf championship at Southwood Golf Course. Smith is also a co-director for the Seminole women's tournament in February and helped run the 2013 NCAA Tallahassee Regional men's golf championship.

Smith, who graduated from Florida State with a bachelor's degree in sport management in 2005, returned to his alma mater in 2011.

The Second Annual Florida State Match-Up is February 14-16 at Southwood Golf Club in Tallahassee.

This unique event pairs 12 teams in a first-of-its-kind event as the Seminole women's golf team brings high level NCAA golf to Tallahassee this spring.

Each of the 12 teams will be paired with another school and play together. At the end of each round, the four low scores and the high score of the of each team will comprise the "Match-Up" score for In addition to individual and team champions, a "Match-Up" winner also will be determined.

In 2013, Georgia won the team championship, Georgia and Oklahoma won the Match-Up championship while Erica Popson of Tennessee and Rocío Sanchez Lobato of Georgia shared individual medalist honors.

2012-13 SEASON REVIEW

FSU CONTINUES TO BE NCAA REGULAR

The Florida State women's golf team, under third-year head coach Amy Bond, played in its school record eighth consecutive NCAA Championship tournament, finished in fourth place in the ACC Championships, earned eight top 10 finishes in 11 events during the fall and spring seasons, finished in a season-best second place in the team standings at the Florida Challenge and Jessica Negron earned All-ACC honors for the first time in her career during the Fall 2012 and Spring 2013 seasons. The Seminoles earned four top five team finishes during the spring season – second at the Florida Challenge, fourth at the Florida State Match-Up, fourth at the Marsh Landing Invitational and fourth at the ACC Championships – and played in the NCAA West Regional for the first time in school history.

for 12th place in the individual standings and the Seminoles women's golf team finished in fourth place in the team standings at the 25th Annual ACC Women's Golf Championships at Sedgefield Country Club. It marked the fifth time in the last seven seasons the Seminoles have finished in the top four of the team standings in the toughest conference in women's collegiate golf. In finishing in fourth place in the ACC Championships, Florida State outpaced two teams ahead of it in the national rankings: No. 9 North Carolina and No. 39 Wake Forest.

FSU PLAYS IN EIGHTH STRAIGHT NCAA

Senior Jessica Negron finished in ninth place in the individual standings and the Florida State women's golf team finished in 19th place in the team standings as the 2013 NCAA Division I West Regional Championships

the NCAA Central Regional Championship four times and the NCAA West Regional once.

BOND NOW THREE FOR THREE

Florida State head coach Amy Bond has now guided each of her first three teams to the NCAA Tournament. Including her four years as a Seminole player (1996-99) and her five years as a Seminole assistant coach (2002-06), Bond has participated in 10 of 12 NCAA Regional Championships while wearing the Garnet and Gold.

ONLY THREE PLAYED IN ALL 11 EVENTS

Senior Jessica Negron, sophomore Laure Castelain and freshman Olivia Hullert are the only three Seminoles that played in each of Florida State's first 11 events of the 2013 spring and fall seasons.

FLORIDA STATE BY THE PERCENTAGES

Florida State's All-ACC selection Jessica Negron led the Seminoles in percentage of rounds counted during the Fall 2012 and Spring 2013 seasons as she counted .967 percent – all but one of her 30 rounds during her senior season to the Seminoles' team score throughout the season. Two of the Seminoles' underclassmen – Olivia Hullert (.833 percent counted) and sophomore Laure Castelain (.833 percent counted) have both counted better than 80 percent of their rounds this season.

MILAN ENJOYS BEST SEASON OF CAREER

Sophomore Alex Milan played in a career-high tying seven events including the second ACC Championship and the first NCAA regional championship of her career and carded a career low 77.50 stroke average as she enjoyed her best season as a Seminole. She finished in a team-best tying tied for third in the individual standings at the Florida Challenge as she played as an individual. Milan placed as the highest ranking Seminole player and one of three in the top 10 in the individual standings. She earned career best statistics for single round score (72), 36-hole score (146) and finish (tied for third) at the Florida Challenge on January 28, 2013 and totaled her best tournament score (224) in the Florida State Match-Up.

THREE SEMINOLES EARN DEGREES

Seniors Malin Jansson (psychology with a minor in child development), Jessica Negron (interdisciplinary social sciences) and Mary Beth Ramsay (marketing) all earned their bachelor's degrees from Florida State University at university-wide commencement exercise in May of 2013.

NEGRON NAMED TO ALL-ACC TEAM

Senior Jessica Negron, who will lead the Seminoles into the NCAA West Regional Championship May 9-11 at the Stanford University Golf Course, has been named to the All-ACC Women's Golf team in a vote by the league's nine head coaches and announced by the ACC Office. It marks the first time in her career that she has earned All-ACC honors and is the school-record 13th consecutive season at least one Seminole player has earned All-ACC honors. Negron (Ocala, Fla.) is the No. 6 ranked golfer in the ACC with a career-low 74.11 stroke average and has earned three top-10 finishes this year. She has been Florida State's leading golfer in five of the Seminoles' seven events this spring and finished in a career-best tied for third place at the Florida State Match-Up tournament in February.

NEGRON ONE OF NINE IN FSU HISTORY

With her participation in the 2013 ACC and NCAA Regional Championships, senior All-ACC selection Jessica Negron joined a very elite Seminole club as one of nine Seminoles (Mabel Pascual del Pobil, current Seminole head coach Amy Bond, Sarah Capie, Allison Curdt, Carrie Sordel, Caroline Westrup, Macarena Silva and Hannah Thomson) who all played in four career ACC Championship Tournaments and four career NCAA Regional Championship tournaments.

SEMINOLES FOURTH AT ACC'S

Florida State freshman Olivia Hullert finished in a tie

on the Stanford University Golf Course. Negron shot a 1 over par score of 72 in the final round and missed qualifying for the NCAA Championship finals by one stroke. It marked the eighth consecutive NCAA Championships appearance for the Florida State women's golf program. Florida State finished with a 295 team score in the third round – a score that was tied for the fourth best team score of the final round. The Seminoles were led in the final round by sophomore Laure Castelain who carded an even par 71. In addition to Castelain's 71 and Negron's 72, the Seminoles counted scores of 75 by Carlton Kuhlo and 77 by Olivia Hullert.

A FIRST FOR FLORIDA STATE

Florida State's appearance in the 2013 NCAA West Regional Championship marked the first time in school history the Seminoles had played in the West Regional Championship. The Seminoles have played in the NCAA East Regional 13 times,

1981 AIAW NATIONAL CHAMPIONS

With two players finishing in the top 15 of the individual standings, the 1981 Florida State Women's golf team won the AIAW National Championship. The Seminoles, led by coach Verlyn Giles, finished in the top four of all ten regular season tournaments in which they participated. The team won the Lady Gator Invitational, the Lady Paladin Invitational, the Dick McGuire Invitational and the South Florida Invitational in Tampa, Fla. They also finished with one second place finish, four third place finishes, and one fourth place finish.

After the first two rounds of the four-day tournament Florida State found itself down by eight strokes – behind the host school, Georgia, and defending national champion Tulsa. The Seminoles shot a tournament-best 298 in the third round and took over the lead from Georgia. The Seminoles finished strong in the fourth and final round outlasting Georgia on the last hole to win the tournament by three strokes.

Seminole junior Lisa Young, who won three LPGA events later in her career, finished in third place in the individual standings – only one shot behind the champions. Florida State's Barb Bunkowsky finished in a tie for 14th. Jane Geddes, the 1986 U.S. Women's Open and 1987 LPGA Championship winner, finished tied for 31st. Michele Guibault finished 57th and Marla Anderson finished in a tie for 73rd.

Young and Guibault earned All-America First Team honors while Bunkowsky were honored with All-American Second Team honors. Four of the six members of the Florida State Athletics Hall of Fame were on the Seminoles' National Championship team including Young, Bunkowsky, Guibault and Geddes.

COMMUNITY SERVICE / PAINT IT PINK

The Seminole women's golf team is an annual participant in the Tee Off For Tots program sponsored by the Tallahassee Memorial Health Care Foundation. The program has been developed to help spread awareness of juvenile diabetes. The pediatric team at the Diabetes Center at TMH works alongside children in the Big Bend communities and supports the program in local and regional school systems. Through the program, children learn about the disease and ways to develop a healthy lifestyle.

The Tee Off For Tots Golf Tournament, held annually at Golden Eagle Country Club, helps make the program successful. Funds generated from the tournament go directly into the program and is one largest fund raising activities sponsored by the foundation each year.

The Tee It Off For Tots Golf Tournament is part of the Paint it Pink campaign sponsored by the women's athletics teams at Florida State University. The Paint it Pink campaign helps spread breast cancer awareness. During this campaign, the women's sports teams show their support for the cause by wearing pink during a specially chosen event during their seasons. The proceeds generated from the 'pink' games are donated to the Sharon Ewing Walker Breast Health Center at Tallahassee Memorial Hospital.

The Paint it Pink program at Florida State has donated more than \$43,000 to the campaign since 2009. Funds are raised at each event and online auctions on seminoles.com further the success of the program as the proceeds from the game-worn uniforms and memorabilia are donated directly to the campaign.

COMMUNITY SERVICE / DIRECTORS CUP

The Florida State University women's golf team has won the prestigious Athletic Director's Cup for Community Service in each of the last 13 years. The award is presented each year at the Golden Nole Banquet – one of the most important banquets of the year for all of Florida State's student athletes.

The Athletic Director's Cup for Service began during the 1996-1997 academic year in order to promote community service participation among all teams. The annual award recognizes the thousands of hours of community service Florida State student-athletes donate each year. Seminole student-athletes logged more than 4,300 community service hours in 2013 - an increase of 500 hours from last year. The women's golf team combined for 371.5 total hours of community service for an average of 33.8 hours per team member.

The members of the women's golf team donated their time to the Dick Howser Center, Refugee House of Tallahassee, mentoring and tutoring at Godby High School and to the YES Clinic at the 2002 ACC Women's Soccer Tournament held in Tallahassee.

"Winning the cup is important to us as a team and as people as well," said head coach Amy Bond.

The women's golf team donates much of its time to the Dick Howser Center for Childhood Services in Tallahassee every Friday during the school year. The organization is named for late Dick Howser, former Seminole head baseball coach and manager of the New York Yankees and Kansas City Royals. The center is a charitable organization that receives monetary support from the citizens of Tallahassee and its surrounding communities.

"Community service is an important part of our lives as student-athletes at Florida State," said junior Alex Milan. "We enjoy participating in the community service activities we are involved in. It's a part of what we do as members of the women's golf team at Florida State."

ATLANTIC COAST CONFERENCE

Consistency.

It is the mark of true excellence in any endeavor.

However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 61st year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it.

In women's golf, Duke is second in all-time NCAA championships with its five titles (1999, 2002, 2005, 2006 and 2007), only trailing Arizona State's seven. Miami claimed one NCAA national title in 1984, before joining the ACC. Duke is tied with Southern California for third in NCAA individual champions, claiming three national medalists - Candy Hannemann (2001), Virada Nirapathpongporn (2002), and Anna Grzebiec (2005).

The ACC currently has 12 teams competing in women's golf with the newest additions being Miami, (2004), Boston College, (2005) and Notre Dame (2013).

The conference recognized women's golf as a conference sport in 1984-1986 when a minimum of four teams (Duke, North Carolina, NC State and Wake Forest) competed. After a five-year hiatus, women's golf became a sponsored sport once again in 1992 with Duke, Florida State, North Carolina and Wake Forest competing. Maryland joined the ranks during the 2000 season, while NC State joined the following year (2001).

Duke has won 18 ACC championships, followed by Wake Forest (5) and North Carolina (1). Duke leads the schools in ACC individual championships with 14, followed by Wake Forest (6) and North Carolina (2).

Eight of the 12 women's golf teams (Duke, Florida State, Miami, Notre Dame, North Carolina, NC State, Virginia and Wake Forest) were represented at the NCAA Regionals in 2013. The 10 schools that will carry the ACC banner this season have produced 72 first or second team All-Americans, five National Player of the Years, four NGCA Division I Player of the Years, three national Freshman of the Years, and six National Coach of the Years.
