MISSION STATEMENT

The mission of the Department of Intercollegiate Athletics at The Florida State University shall be to produce National Collegiate Athletic Association (NCAA) Division I programs for men and women that are characterized by excellence. In addition, the Department strives to be recognized as a campus leader in terms of its ethics, nondiscrimination, and unquestioned fiscal integrity.

Excellence in intercollegiate athletic programs is determined by academic achievement; and the development of character, maturity, and a sense of fair play in athletic programs. It, moreover, engenders support for the University among its many constituent groups, including students, faculty, alumni, and friends at the local, state, and national levels. In striving to become a leader among our peers, the Department subscribes fully to the philosophy and regulations set forth by the National Collegiate Athletic Association and operates within the fiscal regulations and non-discriminatory procedures established by the Florida State University Board of Trustees and the Florida Legislature.

It is the explicit philosophy of the Department that our student-athletes will be strongly encouraged and supported in their endeavors to progress toward a degree while simultaneously participating in an intercollegiate athletic program whose environment is consistent with the highest standards of academic scholarship, sportsmanship, ethics, and institutional loyalty. Finally, the decisions and priorities of the Department should always focus on our student-athletes—first, as individuals; second, as students; and third, as athletes.

FSU CELEBRATES 40 YEARS

While women's athletics has held a rich tradition in Tallahassee since the early 1900's when Florida State was the Florida State College for Women, the 2008 season marks the 40th anniversary of continuous women's athletics program at Florida State University. In 1968, the volleyball team was FSU's first women's intercollegiate team and a new era began in 1995 with the addition of women's soccer. Over the years, FSU has enjoyed fabulous success in its women's athletic programs including five national championships and numerous regional and conference titles.

MEDIA INFORMATION

A NOTE TO THE MEDIA, FANS AND OPPONENTS

Florida State assistant sports information director Katy Baker is ready to assist you with any questions or requests you may have about the 2009 Seminole softball program, media guide, coaches and student-athletes. Please do not hesitate to contact the FSU Sports Information office if we can further assist you.

SEMINOLE SOFTBALL INTERVIEWS

All interviews with athletes and coaches must be arranged through the sports information office by contacting Katy Baker at (850) 645-7683 at least 24 hours in advance. Athletes' home or cell phone numbers will not be released.

HOW TO COVER THE SEMINOLES

Members of the media are supplied with weekly press releases, including updated individual, tournament and career statistics, as well as conference and national rankings and information on upcoming games. This information may be obtained in the sports information office and will be updated after every game at www.seminoles.com.

WHERE THE HOME GAMES WILL BE

All of the 2009 Seminole softball home games will take place at the JoAnne Graf Field (capacity 1,000). The softball stadium is located just north of the FSU football practice field off Stadium Drive. Media members will be seated in a designated area. Please notify the sports information office prior to home games for credentials. Any accredited photographer wishing to shoot the games must check in with Katy Baker prior to game day so proper credentials can be assigned.

FSU ON THE WEB

All the game stories, audio broadcasts, updated stats, weekly releases and Seminole softball news you could ever ask for is available 24 hours a day, 365 days a year at www.seminoles.com. The official FSU athletics website is your first stop for all the information you could ever need on the Seminole softball team and is updated immediately following each game.

ACC SELECT

The ACC now offers webcasts of select games available online at www.ACCSelect.com. Produced by a division of Turner Sports, ACC Select is a broadband service that delivers live and on-demand webcasts of sporting events that cannot be seen anywhere else. Fans may purchase Florida State sporting events via a single-event pass, monthly all-event pass or an annual all-event pass for extended viewing.

12	Jessica Gilmore	Sr.	1B	64-62 .233 BA, 28 R, 45 H, 4 2B, 2 3B, 22 RBI	

- Three infield starters return from last season: **Michelle Snyder** (third), **Ashley Stager** (short stop), **Kristie McConn** (second) and **Jessica Gilmore** (catcher).
- Gilmore will step from behind to the plate to compete with sophomore **Brittany Joseph** for the starting first base position. Both have played numerous positions in the past and are making adjustments to build a strong infield this year.
- Santa Fe Junior College transfer **Mallory Borden** will join McConn at second base this season and are both expected to see ample playing time. Borden is a passionate player whose hard work in the fall will pay off while McConn continues to lead by example and is a true team player.
- Stager will return as the starting short stop with junior **Courtney Rosen** returning from the 2007 season as her back-up. Stager is a verbal and physical leader who is also an improved threat on offense. Rosen, who was not on the team last season, returns in 2009 in hopes of making her mark.
- Snyder's game really took off during the fall season and she is expected to start at third again this year. Junior **Camille Garcia** will also contribute at the hot corner, bringing power to the Seminole lineup.

15	Carly Wynn	Jr.	CF	50-50 .368 BA, 38 R, 56 H, 8 2B, 4 HR, 16 RBI	
7	Monica Montez	Jr.	RF	65-64 .222 BA, 14 R, 39 H, 7 2B, 1 3B, 19 RBI	

- Two starters return from the 2008 season, juniors **Carly Wynn** and **Monica Montez** with freshmen **Shayla Jackson** and **Amber Bryant** adding depth to the outfield this year.
- Wynn, the team captain for a consecutive season, returns her savvy mentality in the outfield as well as her powerful bat - She topped the Seminoles and the ACC in batting average last year.
- Montez, 2007 ACC Freshman of the Year, is a talented ball player both on offense and defense. She brings a strong bat to the lineup and is a silent leader for the outfield.
- Jackson and Bryant are two talented rookies who bring speed and strong athleticism to the team.

- Junior **Terese Gober** returns along with sophomore and Tallahassee native **Sarah Hamilton** on the mound for the Seminoles with the addition of sophomore transfer **Lauren Varsalona**.
- Gober is the hardest throwing member of the staff this season and has been working hard all fall on perfecting her speed and gaining a greater knowledge of the game.
- Hamilton had a solid rookie season and is the most improved in the battery. She will be one to watch this year.
- Varsalona is described as a crafty thrower and her hard work in the weight room will pay off on the field for the Noles.

RETURNERS

No.	Name	Class	Pos.	GP-GS (in '08)	Notes from 2008
35	Robin Ahrberg	Jr.	C	61-57	.277 BA, 23 R, 43 H, 7 2B, 4 HR, 31 RBI
77	Allison Collins	So.	C	39-27	.217 BA, 10 R, 18 H, 6 2B, 4 HR, 22 RBI

- Following a shoulder surgery in the fall, junior **Robin Ahrberg** will take a redshirt season, allowing returner **Allison Collins** and newcomers **Kaleigh Rafter** and **Courtney Stager** to hold it down behind the plate.
- Rafter, a senior and member of the Canadian National Team, will anchor the catcher position and brings a strong bat to the offense.
- Collins saw most of her time as the designated player last year but looks to be a threat behind the plate in 2009. On the offense, she has a powerful swing and has shown improvement throughout the fall.
- Rounding out the catchers is the youngest Stager (big sister is Ashley Stager) who brings a tremendous amount of athleticism to the team and can also move to the outfield if needed.

COACHING STAFF

Coach Alameda on her staff:

"I am very blessed to have some of the most amazing coaches in the country working with me at Florida State. We all bring something different to the field and it makes for a very cohesive staff. Angel Santiago is one of the most creative minds in the game. He relates well with players as he works one-on-one with hitters and the entire group in team defense. His brother, Tommy, instills solid fundamentals in each player and ensures that they all understand what needs to be done to be successful on the field. Sara Pickering is an NCAA decorated athlete whose passion, love and knowledge for the game relates well with the players. Tiffany McDonald is another decorated player who knows the FSU program well after playing here for four years. She brings a sense of pride and confidence to the field every day. We believe that the combination of this coaching staff and the dedication and effort of the team will make for an exciting and very successful journey in 2009."

OUTLOOK

LONNI ALAMEDA

Head Coach • First Season
Oklahoma, 1993
157-158-1 [career]

Florida State University Senior Associate Director of Athletics Monk Bonasorte announced Wednesday the hiring of Lonni Alameda as head softball coach for the Seminoles. Alameda, an All-Big Eight selection as a player at Oklahoma, comes to FSU from UNLV, where she spent the past five seasons reviving the Rebels' program. She replaces Dr. JoAnne Graf, who retired after 30 seasons with the Seminoles.

"I am very honored and excited for this opportunity," Alameda said. "There are few softball programs in the country that have established the tradition and pride that Florida State has. It is a great honor to follow in the footsteps of JoAnne Graf, an amazing coach and an amazing person, who has poured her heart and soul into this program the past 30 years. I would like to state that the pride, tradition and love that JoAnne Graf has for FSU softball will not be forgotten. She has

been tremendous for the sport of softball and for the Florida State program and I intend to continue that passion."

"I am very honored and excited for this opportunity. There are few softball programs in the country that have established the tradition and pride that Florida State has."

- Lonni Alameda

Alameda also has impressive coaching experience on the international level and since 2004, has helped in the development of

Canada's National Team. She aided Canada up until the 2004 Summer Olympics and resumed as an assistant following the Rebels' 2005 season. In the summer of 2006, Canada qualified for the 2008 Olympics in Beijing, China, after its showing in the World Championships. Alameda spent the summer of 2008 with Team Canada which ended with a fourth place finish at the Beijing Olympics.

Prior to Alameda's arrival at UNLV, the Rebels had seven straight seasons below .500 and hadn't participated in NCAA Regional play since 1996. In 2005, just her second season at the helm of the program, Alameda guided UNLV to a 44-19 record, including a program-best 17 Mountain West Conference wins, and a trip to Los Angeles for NCAA Regionals. Alameda was named Mountain West Conference Coach of the Year in 2005 and again in 2007 and the entire staff garnered NFCA West Regional Coaching Staff the Year in 2005.

"I want to thank UNLV for the last five seasons as they were amazing," Alameda said. "UNLV is a spectacular place and being a Rebel was a true joy. There are many quality people and amazing alumni at UNLV and I can not say enough about the character of the Rebel softball team. I am grateful for all of the support from administration, coaches and the community. It is a very special place."

After a second place finish in the Mountain West in 2007 and an overall 37-27 record, Alameda and UNLV had high hopes for 2008 and had the Rebels ranked in the ESPN.com/USA Softball Collegiate Top 25 Poll for the first time in program history. After starting the season 9-1-1, the Rebels moved up to No. 18 in the ESPN.com/USA Softball Collegiate Top 25 Poll, but injuries to four starters proved costly as the season progressed.

ALAMEDA'S YEAR-BY-YEAR RECORD

YEAR	SCHOOL	OVERALL CONFERENCE		HIGHLIGHTS
		RECORD	RECORD	
2008	UNLV	25-40-1	5-15 MWC	
2007	UNLV	37-27	12-8 MWC	MWC COACH OF THE YEAR
2006	UNLV	26-37	8-12 MWC	
2005	UNLV	44-19	17-3 MWC	MWC COACH OF THE YEAR
				NFCA WEST REGION STAFF OF THE YEAR
2004	UNLV	25-35	7-13 MWC	
TOTAL		157-158-1	49-51 MWC	

Alameda came to Las Vegas after eight seasons as the assistant coach at Stanford University (Palo Alto, Calif.) where she helped guide the Cardinal to a 320-179-1 record and six straight NCAA Regional appearances. She oversaw the pitching staff there and produced three All-Americans: Becky Blevins, Marcy Crouch and Dana Sorenson.

Prior to her stint at Stanford, Alameda spent two seasons as an assistant coach at Barry University (Miami Shores, Fla.). She helped the Buccaneers to a fifth-place NCAA Division II finish in her first year. She also spent some time on the international stage, serving as instructor for both the Aruba (1995) and Spanish (2000) national teams.

An all-around great athlete, Alameda began her collegiate career as a pitcher at St. Mary's University (San Antonio, Texas) where she led the Rattlers to the NAIA Tournament in her only season. She later transferred to Oklahoma in 1989 and played softball and volleyball for the Sooners. She was a two-time All-Big Eight selection as a first and third baseman, while hitting .359 as a senior in 1992.

Alameda earned her bachelor's degree in communications from Oklahoma in 1993 and played softball professionally in Europe for a season before beginning her coaching career.

Alameda went 25-35 in her first season, which was a four-game improvement over 2003's final tally. She completely flipped the record to the right side with the staggering 44-19 mark in 2005 and the program's first trip to NCAA Regionals since 1996. In 2006, the squad was set back by injuries and fell to 26-37, but, as previously mentioned, saw a 180-degree turnaround in 2007.

The 2005 season featured the Rebels' assault on the program's record book, appearances in the national rankings, a trip to Los Angeles for the NCAA Regionals and the introduction of several conference and national award winners. The 44 wins were the third-most in the program's history, while the 17 Mountain West Conference wins were the most-ever since joining the league in 1999. After being predicted to finish last in the league, UNLV excelled, placing second in the league in both the regular season and Mountain West Conference tournament.

Under Alameda's direction, the Rebels have enjoyed recognition at the conference and regional level. Five Rebels have garnered Louisville Slugger/NFCA All-Regional honors while thirteen players have earned all-Mountain West Conference accolades, including two Pitchers of the Year and one Freshman of the Year awards.

To Alameda, academics are just as important as on-the-field production. Since taking over the program, the Rebels have had 58 Academic All-MWC honorees. Over the past five years, the team has had 10 or more honored four times, including 11 softball student-athletes in 2008. The softball program has had 21 MWC Scholar-Athletes selected, as well.

During her tenure at UNLV, Alameda also stressed the importance of community service and had players volunteer their time at the Nevada Childhood Cancer Foundation and Child Haven while participating in breast cancer walks and blood drives.

"Lonni possesses all of the qualities that we are looking for in a head coach at Florida State," Florida State Director of Athletics Randy Spetman said. "Her priority is the overall development of the student-athlete and she has a passion for the sport of softball. We are excited to have her on board."

COACHES

2009 Seminole Softball Coaching Staff

SARA PICKERING

Assistant Coach • First Season
Washington, 1998

Sara Pickering comes to Florida State after spending the past 10 years working alongside new Seminole head coach Lonni Alameda. Pickering spent the last five seasons working at UNLV and the previous five at Stanford.

"Pick" as she is known around the field, brings more than 10 years of coaching and playing experience to the Seminole staff. Her main emphasis on the staff is to handle the infielders and hitters.

At UNLV, Pickering worked primarily with the infielders and hitters. At UNLV, the Rebels won at least 25 games in all five seasons. In 2005, the Rebels made its first NCAA Tournament appearance in nine years and finished 44-19. The 44 wins were the third-most in the program's history. Since 2005, the Rebels hit no less than 43 home runs, which included a program-best 50 in 2005. In all, she helped coach one NFCA All-America selection, five NFCA All-West Region members and 14 Mountain West All-Conference honorees.

While in Las Vegas, Pickering was instrumental in helping Alameda in community service events with the Rebels. The softball team would take part in breast cancer walks, spend time at Child Haven with at-risk children and participate in the Nevada Childhood Cancer Foundations "Champions Run For Life."

At Stanford, Pickering worked primarily with the Cardinal as the defensive and hitting coach. At Stanford, she helped lead the softball team to five straight NCAA Regional appearances.

Pickering is the only two-time, first-team All-America at the University of Washington. While a member of the Huskies softball team, she never missed a start at second base in her career (1994-97). A three-year co-captain, she led the school to its first Pac-10 title in 1996 and racked up 15 school records. Among the school records, the one that stands out the most is her career doubles (96), which is an NCAA record.

Perhaps her most stunning accomplishment came off the field as a cancer survivor. Diagnosed with Hodgkin's Disease, Pickering underwent a life-saving stem-cell transplant in 2001 and has been in remission for nearly seven years. To further her cause, she raised more than \$5,000 for the Leukemia and Lymphoma Society by completing the 2003 Portland Marathon. At UNLV, she helped the fight against cancer, as the softball team annually hosted a "K-Out Cancer Day" to help benefit the Nevada Childhood Cancer Foundation. The Rebels also participated in the NCCF's "Champions Run For Life" event each year.

A 1998 graduate of the University of Washington with a bachelor's degree in sociology, Pickering enjoyed a brief stint in the Women's Professional Softball League, spending the summer of 1999 with the Virginia Roadsters and the summer of 2004 with the Arizona Heat.

A native of Corona, Calif., Pickering now resides in Tallahassee, Fla.

COACHES

ANGEL SANTIAGO

Assistant Coach • First Season
Southern Illinois-Edwardsville, 1997

Angel Santiago comes to Florida State after spending the past five years at UNLV working alongside the new Seminole head coach Lonni Alameda.

Santiago is a former professional baseball player, whose main emphasis will be working with the outfielders, infielders, catchers and hitters.

In 2005, the Rebels made its first NCAA Tournament appearance in nine years and finished 44-19. The 44 wins were the third-most in the program's history. Since 2005, the Rebels hit no less than 43 home runs, which included a program-best 50 in 2005. In all, he helped coach one NFCA All-America selection, five NFCA All-West Region members and 14 Mountain West All-Conference honorees.

Santiago is from Chicago Heights, IL, where he spent four years as a physical education and strength coach at baseball powerhouse Homewood-Flossmoor High School. In addition, he offered private baseball and softball instruction through the Diamond Sports Academy in Mokena, Ill.

A 1997 graduate of Southern Illinois-Edwardsville, Santiago spent four seasons playing professional baseball in independent leagues. He hit .305 in his first professional season, playing with the Dubois County Dragons (Huntingburg, Ind.) of the Heartland Independent Professional League. The following year, Santiago led the league in batting average, hitting .374 for the Will County Cheetahs (Romeoville, IL.) in 1997.

Following his professional career, he landed his first coaching job, a two-year stint with the baseball team at Prairie State College in Chicago Heights, IL.

A Certified Strength & Conditioning Specialist, Santiago also holds certificates from USA Weightlifting and USA Track & Field.

He is a self-proclaimed Chicago Cubs fan, originally from the Chicago area, Santiago now resides in Tallahassee, Fla.

SUPPORT STAFF

TOMMY SANTIAGO

Volunteer Assistant Coach • First Season
Campbellsville University, 2003

Tommy Santiago joins the Florida State softball staff as a volunteer coach after spending the 2007-2008 season as an assistant softball coach at South Suburban College in South Holland, Ill.

Santiago was an All-Conference varsity baseball player at Homewood-Flossmoor High School which is where his coaching career began in 2003. As the assistant varsity baseball coach, Santiago spent five seasons with the Vikings before making the move to college softball in 2007.

On top of coaching at the high school and collegiate level, Santiago also has five years of private instruction experience in baseball and softball at the Diamond Sports Academy in Mokena, Ill.

Before he got his feet wet coaching, Santiago was an All-Collegiate Conference baseball player at Parkland College where he played from 1998-2000 while earning an associate's degree in physical education. He then earned All-Mid-South Conference honors while playing at Campbellsville from 2000-2002.

Santiago's experience also includes time spent in Minor League Baseball where he played in St. Louis, Mo., for the River City Rascals of the Frontier League in 2005.

A 2003 graduate of Campbellsville University, where he earned a bachelor's degree in exercise science and sports medicine, Santiago now resides in Tallahassee, Fla.

VERONICA WOOTSON

Graduate Assistant • Second Season
Florida State University, 2007

Veronica Wootson returns for her second season as a graduate assistant with the Seminole softball team. The Fontana, California, native started 273 games in her Florida State career at second base and was a three-time All-American from 2004-2007, only the second softball student-athlete to do so.

Wootson currently ranks in the FSU all-time Top 10 in 10 categories and holds the current school record for 29 career home runs. In her senior season, she lead the Noles with a .349 batting average, 61 runs, 76 hits, four triples and 35 stolen bases.

In the summer of 2007, Wootson was picked up by the Akron Racers and was named the Most Valuable Player and earned the Offensive Player of the Year award in the league. That same year she also claimed a spot on the League All-Star Team.

Currently working on a master's in Health Education, Wootson became the first member of her family to graduate from college when she received her bachelor's degree in Community Health in 2007.

She is engaged to former Florida State football player Brian Ross and the couple will wed on May 22, 2009 in Las Vegas, Nevada.

TIFFANY McDONALD

Student Assistant • First Season
Florida State University, 2009

Following a successful senior season at Florida State, Tiffany McDonald returns to assist the team in 2009 as a student assistant.

McDonald broke the all-time career strikeout record at Florida State after shutting down 13 batters in the 5-1 win over Boston College in game one of the 2008 ACC Softball Championship. The Belfair, Wash., native finished the season with 244 strikeouts and set the new high at FSU with 939 over her career.

The two-time All-ACC Second Team member was also one of 30 candidates for the 2008 Lowe's Senior CLASS Award and earned her first ACC Pitcher of the Week honors with two nods in the same month.

McDonald earned ACC Academic Honor Roll honors in 2007 and 2008 as well as a spot on the All-ACC Academic Softball team those two years.

An active member of 925 Athletic Ministries, is currently finishing a degree in Family and Child Science along with a minor in Special Education.

McDonald currently resides in Tallahassee with her spiritual family, Adrian and Wendy.

JESSICA LOLA

Student Manager • First Season
Miami Christian High School, 2006

Jessica Lola joins the Florida State softball team in 2009 as the student manager. A native of Miami, Florida, Lola graduated from Miami Christian High School in 2006 where she played varsity softball, volleyball, soccer and basketball.

Lola earned the Most Valuable Player honor for her high school soccer and softball teams and was a member of the National Honor Society. She was also a member of the 2003-2004 Jyoshinmon Karate-Do USA Team.

In just her first semester as a Seminole, Lola made the Dean's List and stays busy outside of the classroom as a member of the FSU club softball team, of which she holds the title of president, and acts as an intramurals supervisor.

Lola is currently working on a bachelor's in sports management at Florida State.

EXTREME TECHNOLOGY

STUDENT-ATHLETES

Extreme performance comes from extreme technology.

And no bat takes technology to the extreme like the all-new Triton.

The Triton utilizes aerospace-grade graphite and 3X composite technology, the most advanced bat technology in the game today.

The unique 3-zone design of Triton allows the barrel and handle to be designed and built as individual units, while the innovative Bubble Transition (BT) Zone brings everything together to function as an advanced 1-piece bat.

The ultra-stiff handle maximizes barrel flex for unmatched performance.

The end result is a bat that combines thin-wall performance with lasting durability.

So take your game to the extreme. Get your hands on the extreme technology of Triton today.

BT Zone completes a 1-piece bond, providing a stiffer handle and transition.

Bubble Transition (BT) Zone optimizes the relationship between the barrel and handle, making a stiffer and stronger bat.

2008 REVIEW

2008 SCHEDULE WAS A TOUGH ONE

The 2008 schedule was one of the toughest in the last 30 years. ESPN.com/USA Softball's preseason poll had Arizona and Arizona State in the No. 1 and No. 2 spots, both of which Florida State faced at the Judi Garman Classic in March. The Seminoles were able to pull off a big upset over Arizona State on top of an out of conference schedule including Arizona, Tennessee and Texas A&M.

EARLY BIRD TOURNAMENT

The 2008 Early Bird Tournament kicked-off the season for Florida State with the Seminoles taking the crown after defeating Louisville 6-4 in the championship game. With two outs and an 0-1 count, senior Brittany Osmon shot a three-run homer over the right field wall to clinch the victory in the top of the seventh.

FLORIDA STATE HELPED "STRIKE OUT" CANCER

In an effort to help find a cure for cancer, the Seminoles held a three-game series in which they not only swept the NC State Wolfpack, but raised over \$2,000 for cancer research. A Florida State Alum, and breast cancer survivor, Wendy Rogers, threw out the first pitch. All cancer survivors were given pink carnations to wear, and fans who donated \$10 or more were given a pink Florida State Softball t-shirt. For more information about the "Strike Out" Cancer program visit www.nfca.org/cancer and for more information about the American Cancer Society log on to www.cancer.org.

Tiffany McDonald

GOBER BREAKS PERSONAL BEST IN GAME THREE

In just five innings into the third game of the 2008 season, sophomore pitcher Terese Gober shattered her previous best in strikeouts with 12 against Troy on February 9. Gober's high coming into the 2008 season was 10 which she recorded twice as a freshman.

STAGER WINS FIRST ACC WEEKLY HONOR OF THE SEASON

After an impressive showing at the Seminole Classic, freshman shortstop Ashley Stager nabbed ACC Player of the Week honors. The award was the first for Florida State in 2008. Stager led Florida State to three wins, including a 9-1 victory against Florida A&M. Against the Rattlers, she pounded two hits, including a triple, in four at-bats, scoring four runs, driving in two others and stealing her first base of the season. In a matchup with Bethune-Cookman at the Seminole Classic, Stager again was a force, picking up two more hits, two more runs and five total RBIs as the 'Noles won 14-3. In all, Stager hit safely in four of five games during the week, piling up four extra-base hits, five runs scored, nine RBIs and two walks.

SEMINOLES WIN FSU INVITATIONAL

For the first time since the 2004 tournament, Florida State won its own FSU Invitational by sweeping the competition 4-0 on March 8-9. The Seminoles' tournament win consisted of four straight no-run games with FSU winning all six match-ups while giving up only a single run throughout – the 2004 crown was also won in four consecutive no-run games for FSU.

MCDONALD NAMED LOWE'S SENIOR CLASS AWARD SEMIFINALIST

Senior pitcher Tiffany McDonald became the first Seminole softball player to be named one of 30 candidates for the Lowe's Senior CLASS Award since the honor was extended to softball athletes in 2007. A team captain and stand-out student in the classroom, McDonald is first in the Seminole record books with 939 strikeouts in her collegiate career. In her final season, McDonald put up 244 K's and three no-hitters.

COACH GRAF REACHES 1,400 WINS

Dr. JoAnne Graf entered her 30th season at the helm of the Seminole softball program this year just one win away from notching the 1,400 career wins mark. In FSU's first game of the 2008 season, the Seminoles beat Southern Miss 11-3, allowing Graf to reach that milestone.

Brittany Osmon

MCDONALD & OSMON EARN TWO ACC WEEKLY HONORS

Following two shutout performances at the FSU Invitational on March 8 & 9, Tiffany McDonald was named the ACC Pitcher of the Week on March 10. Also getting recognition for her outstanding offensive performance in the 4-0 weekend was first baseman Brittany Osmon who was named Co-Player of the Week. This would be the first of two weekly awards for both as Osmon was tapped on March 17 to become the lone back-to-back FSU winner. McDonald, who was the ACC Co-Rookie of the Year in 2005, earned her second ACC Pitcher of the Week award on March 31 following her 3-0 week against Georgia Southern and Boston College.

SEMINOLES IN THE ACC

Sophomore Carly Wynn left an impression on the ACC in 2008 as she closed out the season in the top spot with a .368 batting average in 50 games played. The center fielder was also number one in conference only games after hitting .404 against ACC opponents.

Senior Brittany Osmon finished second in the ACC for all games with 46 RBI's, eighth with 37 runs scored and ninth with 91 total bases. For conference-only games, she was tied for third in runs with 15 and tied for seventh with four doubles.

'NOLES GO FOR GOLD IN THE 2008 OLYMPICS

This past summer was historic for Florida State as 13 athletes competed in three sports in the XXIX Olympiad. While most of the Seminole Nation was cheering for Walter Dix in the 100m dash, former Seminole stand-out Yuruby Alicart was a member of the Venezuelan softball team. Baseball and softball, were taken out of the Olympics but will be up for reinstatement after the 2012 London Olympics. Alicart was a member of the last group of women competing in Olympic Softball.

2008 REVIEW

Florida State hosted NC State for the 'Strike Out' Cancer Game on April 26

FLORIDA STATE SITS AT TOP OF THE CLASS

Not only do you have to be a great athlete to be selected to a top-tier athletics program such as Florida State, but you've got to be smart, too. Five 'Noles were selected to the 2008 All-ACC Academic Softball Team. Two Seminoles had previously received the honor as both Tiffany McDonald and Brittany Osmon were selected for the second time. Whitney Buckmon was also selected as she graduated in April of 2008 with her bachelor's degree in sport management. Sophomore, and first-team All-ACC member Carly Wynn was also named to the All-ACC Academic team. The psychology major maintained a 3.76 GPA this past year. Another sport management major was sophomore Terese Gober,

who finished the season with not only a 3.23 GPA but with a total of 159 strikeouts. In May 2008, CoSIDA announced the 2008 ESPN the Magazine Academic All-District teams. Three Seminoles made the grade. Sophomores Robin Ahrberg and Carly Wynn were named to the District Three first-team and junior Melissa May was named to the second-team.

DR. GRAF RETIRES FROM COACHING

After 30 winning seasons, Dr. JoAnne Graf closed out her legendary coaching career at Florida State. During her time at the helm of the Seminole program, Graf notched 1,437 career wins and two back-to-back AIAW Slow Pitch National Championships in 1981 and 1982. She also led her team to 10 ACC titles, seven trips to the Women's College World Series and 22 NCAA Regional appearances, nine in the last 10 years. Although not entirely leaving Florida State, Coach Graf is hanging up her cleats in exchange for a lesson plan. No coach in NCAA softball has more wins than Coach Graf and in 2005 was only one of two active coaches to have a field named after them. After earning her PhD in 1992, Dr. Graf will join the faculty at Florida State's College of Education.

SEMINOLE SOFTBALL EARNS PUBLIC RECOGNITION AWARD

This past season, Seminole Softball earned the Public Recognition Award from the NCAA for high scores in the latest Academic Progress Rate (APR) compilation. Along with men's golf, both teams have boasted a multi-year score in the top-10 percent of squads, respectively. The APR tracks student-athletes individually, checking not only eligibility but also retention and graduation checks which provide a clear picture of the academic performance of each sport. Teams receiving this award post APR scores from 965 to a perfect 1,000.

STAYING STRONG WITH CONSECUTIVE TOURNAMENT APPEARANCES

Florida State softball has been one of the most consistently successful programs in the nation. With the help of Dr. JoAnne Graf, the 'Noles have reached the NCAA post-season nine years in a row. In 2002 and 2004, the Seminoles reached the epitome of college softball - the Women's College World Series. In the 2002 season, Florida State finished tied for third place and their final season ranking was fourth in the nation. For the 2004 season, the Garnet and Gold finished the tournament fifth overall and fifth in national rankings. The past two years, the Seminoles have gone to the NCAA Regional in Tuscaloosa, Alabama.

THE TRADITION

Consistency. It is the mark of true excellence in any endeavor.

However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 56th year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it.

Since the league's inception in 1953, ACC schools have captured 109 national championships, including 57 in women's competition and 52 in men's. In addition, NCAA individual titles have gone to ACC student-athletes 145 times in men's competition and 92 times in women's action.

The success of softball in the ACC has increased over the years since the conference began sponsoring the sport in 1992. The league has produced 48 National Fastpitch Coaches Association (NFCA) All-Americans, including Jessica van der Linden of Florida State and Virginia Tech's Angela Tincher. Van der Linden became the league's first USA Softball National Player of the Year and Honda Award winner in softball in 2004. In 2008, Tincher was also USA Softball National Player of the Year and received the Honda Award for softball. In addition, the ACC has had 185 student-athletes named NFCA All-Region.

The ACC can also measure its achievements in the postseason, as the conference has sent multiple teams to the NCAA Tournament over the past several years. In 2008, the league's presence in the national event was felt as the ACC put four teams in the Tournament for the fourth consecutive season. Virginia Tech reached its first College World Series and the fifth trip to Oklahoma City for a league team. In all, ACC schools have combined for 45 all-time appearances in the NCAA Tournament, with 30 of those coming since the year 2000.

Since joining the ACC in 1991, Florida State has established itself as one of the top softball programs in the country. The Seminoles have appeared in the NCAA Tournament in 21 of the last 23 years. Florida State also possesses College World Series experience, having made four of its seven appearances as a member of the ACC. FSU is among an elite group of schools in the sport, as the Seminoles are one of five programs to have made four consecutive trips to the WCWS. In all, the Seminoles have advanced to the WCWS seven times since 1987, and twice in the last seven seasons.

Over the years, ACC softball has found similar success in the classroom. Over 20 student-athletes have been selected as an NFCA All-American Scholar-Athlete, while several others have been tabbed NFCA Academic All-Americans or ESPN The Magazine (formerly Verizon) Academic All-Americans. In 2008, two ACC student athletes were named ESPN The Magazine Academic All-Americans for the second consecutive season. Virginia Tech's Tincher became the first ACC softball player to earn ESPN The Magazine Academic All-American of the Year honors in 2008. Seven more student-athletes were selected to either the ESPN The Magazine Academic All-District First- or Second-Teams. In its history, the conference has placed 61 student athletes on the Academic All-District Teams.

2007-08 NATIONAL CHAMPIONSHIPS

- Field Hockey North Carolina
- Ice Hockey Boston College
- Men's Soccer Wake Forest
- Men's Track/ Field Florida State

THE CHAMPIONSHIPS

The conference will conduct championship competition in 25 sports during the 2008-09 academic year - 12 for men and 13 for women.

The first ACC championship was held in swimming on February 25, 1954. The conference did not conduct championships in cross country, wrestling or tennis during the first year.

The 12 sports for men include football, cross country, soccer, basketball, swimming, indoor and outdoor track, wrestling, baseball, tennis, golf and lacrosse. Fencing, which was started in 1971, was discontinued in 1981.

Women's sports were initiated in 1977 with the first championship meet being held in tennis at Wake Forest University.

Championships for women are currently conducted in cross country, field hockey, soccer, basketball, swimming, indoor and outdoor track, tennis, golf, lacrosse, softball and rowing, while volleyball determines its champion in regular season play.

A HISTORY

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, N.C., with seven charter members - Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest - drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the Atlantic Coast Conference.

Suggestions from fans for the name of the new conference appeared in the region's newspapers prior to the meeting in Raleigh. Some of the names suggested were: Dixie, Mid South, Mid Atlantic, East Coast, Seaboard, Colonial, Tobacco, Blue-Gray, Piedmont, Southern Seven and the Shoreline.

Duke's Eddie Cameron recommended that the name of the conference be the Atlantic Coast Conference, and the motion was passed unanimously. The meeting concluded with each member institution assessed \$200.00 to pay for conference expenses.

On December 4, 1953, conference officials met again at Sedgefield and officially admitted the University of Virginia as the league's eighth member. The first, and only, withdrawal of a school from the ACC came on June 30, 1971, when the University of South Carolina tendered its resignation.

The ACC operated with seven members until April 3, 1978, when the Georgia Institute of Technology was admitted. The Atlanta school had withdrawn from the Southeastern Conference in January of 1964.

The ACC expanded to nine members on July 1, 1991, with the addition of Florida State University.

The conference expanded to 11 members on July 1, 2004, with the addition of the University of Miami and Virginia Polytechnic Institute and State University. On October 17, 2003, Boston College accepted an invitation to become the league's 12th member starting July 1, 2005.

SOFTBALL ALUMNI

TIFFANY MCDONALD

1. What was it like to be a Seminole?

My experiences were amazing both on and off the field. I was very fortunate coming into a program as prestigious as Florida State and been able to make an impact on the pitching staff as early as my freshman year. It was humbling coming from my small town of Belfair, Wash., facing the competition, being so young and naïve, but it really taught me about the love of the game. Despite everything we faced over the four years, I got to wear the Garnet and Gold and I was able to experience tremendous friendships and love from the coaching staff, support staff, fans and most of all my teammates. I also have a great church and spiritual family, because of 925 Athletic Ministries, whose mission is to seek and serve student-athletes in training them to be phenomenal servants and leaders for God. Without God's grace and the FSU softball team, many of these doors would not have been opened for me.

2. What are some things that you wish for current and future Seminoles?

I have faith that each young woman that wears the Garnet and Gold will understand that it is a gift and an honor. I have never been so proud of anything before, representing my university and the game of softball. The fire and passion that I played with I hope that these current and future Seminoles can feel it on the field to this day. We have to know that we are playing a game but also preparing this program and laying great foundations for the next young woman whom walks through the door. It's the tradition of being "Unconquered" that is unnerving to our opponents and I love that I was able to be a part of something that can never be broken.

3. What are you doing now?

I am currently living the life! I will be finishing up my degree in Child Development in the spring of 2009 and possibly pursuing jobs in the education field. I am blessed to still be a part of the Seminole softball program, playing a much different role that I am used to. I get to be out on the field everyday with the girls, as I am apart of the coaching support staff. It's been an honor watching and being apart of a new beginning. I am also doing an internship with 925 Athletic Ministries, which allows me to get plugged into our local church, FSU campus and the athletic department. I am preparing for a life of ministry and teaching!

4. How has being a Seminole helped you in your post-softball endeavors?

Being a Seminole has given me a sense of pride to be able to accomplish things knowing I've given everything I've got. My life now is just as busy as it was when I was a current student-athlete but I know if I didn't have the four years of preparation, it would look and feel 100 times harder than it needs to be. I've learned to look at life much like I learned to look at the game of softball. If I see the game for the vastness of it I will get swallowed up in everything I can accomplish or the failures of things I was never able to do. I learned to see the game one pitch at a time, which is all I could control at the moment with the ball in my hand. One pitch. So naturally, I've taken that aspect to my normal everyday life. One step at a time.

BRANDI STUART

1. What was it like to be a Seminole?

I had a great time at FSU. Coming from California was a bit of a culture shock but the people here at FSU and in Tallahassee were great! I have met friends here who will be friends for life, plus I've received two degrees from FSU that I didn't have to pay for. I have been extremely blessed to be a FSU Seminole.

2. What are some things that you wish for current and future Seminoles?

I hope that current and future Seminoles realize how incredibly fortunate they are to be able to represent Florida State University. There is a pride that goes along with being a Florida State student-athlete. We are champions on and off the field, and all FSU student-athletes should carry themselves in a way that reflects that swag-ger. Mostly, I would hate to see people come to this campus and not experience this town and this school for what it is. There are very few college towns that have what we have at FSU and I would want current and future student-athletes at FSU to embrace the town that supports all of our sports and our university and athletic department which provides them with all they need to be successful in their sport and in the classroom.

3. What are you doing now?

I am currently the Assistant Athletic Director of Student Services and I am sport oversight for Men's and Women's Tennis, Volleyball and Women's Soccer.

4. How has being a Seminole helped you in your post-softball endeavors?

I think being an athlete has helped me with dealing with diverse groups of people and adverse situations. Softball is a different sport in that we are constantly making decisions and adjusting to new situations. I have carried these traits with me in the business world and with my friends!

VERONICA WOOTSON

1. What was it like to be a Seminole?

I loved being a Seminole. Coming from California, it was a major culture shock but it didn't take long for me to realize I was surrounded by a great community. I graduated in four years and I will graduate with a master's degree in Health Education in April 2009. Ever since my recruiting visit I had a gut feeling that Florida State was the place for me and I wouldn't change my decision for anything.

2. What are some things that you wish for current and future Seminoles?

I wish that the future Seminoles experience how strong the Seminole pride is. I hope they realize that it is an honor to play at this great university and the opportunity shouldn't be taken for granted. More than anything, I hope they experience the life-long friendship, not only with their teammates but with other individuals that attend the university.

3. What are you doing now?

I am working on my master's degree in Health Education. Then I hope to work for a non-profit organization or even the Center for Disease Control (CDC). I love to help others and with a degree in health I will be able to fulfill a long time dream.

4. How has being a Seminole helped you in your post-softball endeavors?

Being a Seminole has helped me mature as a person. It has brought out characteristics such as how to communicate better, how to be a team player and even how to be a leader in many ways. There are endless things that I learned and that will help me out in my further endeavors. Like I have mentioned before, I would not trade my experience here at Florida State for anything. Playing here has helped mold me into the person that I am today and I am truly thankful!

1981 & 1982 NATIONAL CHAMPIONS

Before the games were televised on ESPN and before there were professional leagues, the main goal of collegiate softball was to go out, give your best and try to win, but mainly the student-athletes were there because they loved the game and they wanted to have fun. For two years in the early 1980's, the Florida State softball team not only had fun, but also dominated the competition and brought home a pair of national championships.

There was plenty of reason for optimism going into the 1981 season after FSU won 13 of its last 15 games the year before and was one game away from advancing to the AIAW National Tournament. Countering the momentum from 1980 was the inexperience of the 1981 roster which featured only six returners but a host of talented newcomers.

"It was a lot of fun," head coach Dr. JoAnne Graf said. "They had known each other from summer league ball so I think there was a lot of respect right away. Anytime you win it's a whole lot of fun. That team was in every game, they won, obviously, most of them, but it's always fun to coach people who win and they worked hard. They just had that confidence, that air that they were going to have to lose the game; no one was going to beat them."

Any concerns about the 1981 season were quickly erased as the Seminoles ran out to a 19-2 start with a trio of tournament titles. The only hiccup during the year came at the South Florida Invitational as FSU lost three of four but that also served as a wake up call as the Seminoles won 16-straight games to push their record to 38-5.

Just when the Seminoles had everything going in their favor, another bump in the road came. Winners of its last 16 games, FSU dropped a pair of games to East Carolina to finish second at the North Carolina State Invitational. But just like the losses at South Florida, the setback refocused the Seminoles when they needed it the most.

Few would have guessed that the 5-2 loss to the Pirates would be the Seminoles' last of the season. FSU took four-straight heading into the FAIAW State Tournament where it breezed to the state title with four more wins to match the most wins in school history. Up next was the AIAW Region III Tournament where the Seminoles took the next step, sweeping four more games to advance to the National Tournament.

Proving its versatility, FSU won every way possible, outscoring Western Carolina 13-9 in the first game before winning a defensive triumph 4-3 over North Carolina State. FSU disposed of the Pirates 12-3 then beat North Carolina 4-1 to capture the school's first national championship in women's athletics.

Postseason accolades came in for Darby Cottle as the shortstop collected All-America honors after hitting .428. Joining her on the All-America squad was second baseman Jan Sikes as she hit .477.

"Those teams were so full of life, heart, we had great camaraderie," Susan Painter said. "It started at the top with JoAnne. We had a great group of players, but she was the main component. She kept us on top and kept fighting for us and for the title. Every great team has a fit and that one certainly did. It was quite a group. We still keep in touch, but I miss that."

The pieces were in place for another run in 1982 and the Seminoles wasted no time as they won their first 12 games, highlighted by the title at the Florida Invitational - including eight shutouts. Ironically the "low point" of the season came at the Lady Seminole Invitational where FSU lost three in a row.

But just like they had done the previous year, the Seminoles bounced back to win 10-straight, including titles at the Friendly City and South Florida Invitationals. Twice during the middle half of the season the Seminoles scored 30 runs or more, including a 39-5 drubbing of Georgia Southern.

Despite all of FSU's success that year - the Seminoles won four of six regular season tournaments - there was one

team it could not get past: rival Florida. Of the 10 losses that season, six came to the Gators, including back-to-back losses at the Montgomery Invitational where FSU finished second.

Similar to 1981, the losses refocused the Seminoles as they won their next 12 going into the FAIAW tournament. UF got the Tribe again 1-2 in the third game, but the Seminoles won a pair to claim the state title. Florida State had relatively little trouble in the regional tournament, only dropping a 2-1 decision to South Florida before beating the Bulls for the trophy.

The stage was set for a repeat and the Seminoles were on a mission having won 21 of their last 23 games. The first three games were a breeze as FSU outscored its opponents 46-6 with wins over Georgia Southern, South Florida and UNC-Charlotte. All that stood between FSU and its second national championships were the Florida Gators.

While Florida State held an 8-6 lead in the season series, Florida was the only team that had been close to FSU over the last five years and handed the Seminoles their worst loss in school history at the time, a 14-0 defeat during the middle of the season. With the championship on the line the Seminoles were at their best and they prevailed 9-4 to claim their second-straight national championship.

The accolades poured in for the Seminoles again, headed by Cottle who was named the Broderick Award winner as the AIAW Player of the Year. She was joined on the All-America squad by Natalie Drouin, Painter, Toni Robinette and Sikes.

"We were like a big family, I don't even remember anyone not getting along," Drouin said. "We had two great teams and I don't know which one was better. They were pretty equal. At the time none of us really knew what we had accomplished, we just wanted to do our best and have fun, but afterwards it was thrilling."

The Seminoles won 110 games those two years with a 54-7 record in 1981 and a 56-10 mark the year after. Florida State was an offensive juggernaut those two seasons, scoring an average of 9.2 runs per game. What might be even more impressive was the Seminoles' pitching and defense. Behind Painter, the team's lone pitcher, FSU gave up only 2.7 runs per game, a number that is unfathomable in slow pitch.

"I remember a lot of team unity and enthusiasm," Cottle said. "We were a group of winners, that's for sure, and we were a team that was willing to do whatever it took to get to the top. I'm just proud to have been part of the teams that started a tradition of winning."

While the AIAW was disbanded one year later and FSU went to NCAA competition in 1984, the players on those teams were the founders of a legacy that continues today.

DR. JOANNE GRAF SEMINOLE SOFTBALL'S HEAD COACH (1979-2008)

Dr. JoAnne Graf spent 30 successful seasons at the helm of the Florida State softball program. With 1,437 victories under her belt, Graf retired on June 15, 2008, with more wins than any other head coach in collegiate softball.

The first collegiate softball coach to earn 1,400 victories, Graf's numerous achievements with Florida State softball include AIAW slowpitch national championships in 1981 and 1982, seven trips to the Women's College World Series, with the first coming in 1986 - just four years after FSU went to NCAA fastpitch softball, 21 NCAA Regional appearances and 10 Atlantic Coast Conference titles.

On April 2, 2005, Florida State University President Dr. T.K. Wetherell officially renamed the softball stadium "JoAnne Graf Field at the Seminole Softball Complex," making her among only two active softball coaches with fields named after them.

One of the most prolific coaches in collegiate softball, Graf will conclude her career having won 75 percent of her games (1437-478-6), including a 1218-425-6 (.740) mark in NCAA Division I play. Florida State's average of 50.75 wins per year since beginning NCAA play is tops in the country.

Graf is a 1975 graduate of Florida State. In 1992, she added "Dr." to her name after completing her doctorate degree in athletic administration at FSU.

DR. JOANNE GRAF

- 1,437 All-Time Victories at Florida State
- Back-to-Back AIAW National Championships (1981 & 1982)

ATHLETIC ADMINISTRATION

DR. T.K. WETHERELL PRESIDENT, FLORIDA STATE UNIVERSITY

Dr. Thomas Kent "T.K." Wetherell became the 13th president of Florida State University on January 6, 2003. He is the first university alumnus to serve as president of Florida State. A career educator with more than 30 years of experience in the State of Florida's educational system, Dr. Wetherell is also the only FSU president with experience in all four major divisions within higher education, having held positions in the offices of academic affairs, student services, business affairs, and college development. He has held leadership positions in two-year as well as four-year colleges, and he has served as a faculty member in both public and private institutions of higher education.

Dr. Wetherell is recognized as a high-energy, student-oriented president. He is an innovator who challenges faculty, staff and administrators to set high professional and personal standards. During his tenure as president, Florida State realized its dream of establishing, receiving full accreditation and graduating the first class of the nation's first public new allopathic medical school in the last 25 years.

Under Dr. Wetherell's leadership Florida State has undertaken the university's most extensive construction program, adding three new residence halls, a general purpose classroom building, new food services facilities, parking garages, an alumni center, research facilities, massive renovation projects, a Heritage Walk system throughout campus, as well as the construction of a new medical school.

Dr. Wetherell established the Pathways to Excellence program designed to enhance Florida State University's stature as a public graduate research university. The Pathways to Excellence program is designed with the Association of American Universities evaluation criteria as its basis. In addition to issuing a challenge to the university's community to reach a higher level academically, Dr. Wetherell also made available online data that will allow the public and individual faculty to monitor the university's and their respective academic department's success in this endeavor.

Dr. Wetherell is an outstanding advocate for higher education and has been called the state's most "politically astute president." In addition to his political insight, Dr. Wetherell is expert in resource development and led the university to successfully complete Florida State's second major capital campaign. During the campaign Dr. Wetherell gave the largest gift a seated president of a public research university has ever given to an institution in the United States. As president, Dr. Wetherell has also been the university's most vocal advocate for a community service program as part of students' college experience.

Dr. Wetherell has been inducted into Florida State University's Hall of Fame and was the recipient of the prestigious Moore-Stone Award, the Circle of Gold Award and the university's Distinguished Service Award. In addition, he has also been awarded an honorary Doctorate of Letters from Flagler College.

Dr. Wetherell served in the Florida House of Representatives from 1980 to 1992, the last two years as Speaker of the House. During his tenure in the House he served as chairman of the appropriations committee and the higher education committee. The Miami Herald named him one of the Top Ten Legislative Leaders in the House each year from 1987 until 1992. During his years in the legislative process Florida enacted some of the most progressive education legislation in America.

A third-generation Floridian, Dr. Wetherell was born on December 22, 1945 in Daytona Beach, Florida. He attended Port Orange Elementary School and Mainland Senior High School, where he was active in service clubs, student government and athletics. He attended Florida State University on a football scholarship and played on the 1963-67 football teams. He still holds the record for the longest kickoff return in Florida State University history. He earned his bachelor's and master's degrees in social studies education from FSU in 1967 and 1968 respectively. He earned a doctorate in education administration from FSU in 1974.

Dr. Wetherell is married to Virginia B. Wetherell, who was appointed by Governor Chiles as Secretary of the Florida Department of Environmental Protection from 1991 to 1998. She previously served as a state legislator representing Pensacola. She currently is president of Wetherell Consulting Services. They are the parents of three children: Kent, Blakely, and Page, and have two grandchildren: Emily and Tyler. Wetherell's personal interests include outdoor recreation, travel and aviation.

RANDY SPETMAN DIRECTOR OF ATHLETICS, FLORIDA STATE UNIVERSITY

Florida State University President, Dr. T.K. Wetherell, introduced Randy as the university's new Director of Athletics on February 4, ending a national search that began in December. Spetman, a former Air Force colonel, takes over at FSU after serving as Athletics Director at Utah State since July 1, 2004 and at the United States Air Force Academy from 1996-2003.

"Randy Spetman has a strong record of leadership with honesty and integrity. His experience and organizational and management skills set him apart

as one of the best athletics directors in the country," Wetherell said. "We're very pleased that he is joining the Florida State Family."

Spetman, 55, was lauded over his tenure at Utah State for the success of the Aggies' athletic programs both on the field or court and in the classroom. Utah State joined the Western Athletic Conference (WAC) in 2005 and Utah State claimed four conference championships in its first two years. Even more impressive is the fact that USU's student-athletes lead the WAC with a 78 percent graduation rate and have maintained over a 3.0 cumulative grade point average.

Under Spetman's leadership, Utah State moved forward with several facility projects, including high profile improvements to the football stadium. He also spearheaded fundraising and building efforts for a \$12.5 million facility that will serve to meet the academic and athletic needs of the 16 intercollegiate sports at Utah State. He crafted a unique business partnership for medical health coverage that improved the overall coverage of USU student-athletes and reduced medical costs. In addition, he negotiated a lucrative new marketing agreement for Aggie Athletics with Learfield Sports Properties.

"Florida State University is one of the finest college athletics programs in the nation," said Spetman. "To be asked to serve as its athletics director is a great compliment, and I was thrilled to accept. I proudly served my country for many years with honor, commitment and pride. And I now look forward to bringing my skills as an athletics director to this university and serving Florida State University with the same honor, commitment and pride."

Prior to his stint at Utah State, Spetman spent eight successful years (1996-2003) as Director of Athletics at the United States Air Force Academy in Colorado Springs, Co. During his tenure, he administered the school's 27-sport intercollegiate program as well as the physical education and intramural programs.

Under his command, athletics teams at the Academy enjoyed unmatched success as the football team participated in four bowl games.

Born and raised in Council Bluffs, Iowa, Spetman graduated from the Air Force Academy in 1976. He earned three letters as a defensive end for the Falcons and was a team captain as a senior. He also won a pair of heavyweight Wing Open Boxing Championships.

Spetman's 28 year military career took him around the world in a variety of positions. A command pilot with more than 3,000 hours of flight time, Spetman's range of positions took him from assistant football coach at his alma mater to a pilot and from the Chief of Bomber Planning in Operations Desert Shield and Desert Storm to serving as Chief, Command and Control Division, Operations Directorate of the U.S. European Command in Stuttgart, Germany.

A graduate from Squadron Officer School, he attended the National War College and earned a master's degree in National Security Strategy. Spetman also holds a master's in management and supervision from Central Michigan University. He is currently the first Vice President of the National Association of Collegiate Directors of Athletics (NACDA).

He and his wife, the former Becky Luhning of Des Moines, Iowa, are the parents of two grown children, Brian and Kim.

FLORIDA STATE

2009 SOFTBALL

THIS IS FLORIDA STATE

From its pre-Civil War beginnings as the Seminary West of the Suwannee to a nearly four-decade stint as the Florida State College for Women to its return to coeducational status as a university, Florida State University has evolved into an internationally recognized research institution. Committed to preparing graduates for the ever-expanding opportunities of a global society, FSU is celebrated not only for its world-class research but also for its teaching and record of public service.

Florida State University enrolls about 41,000 undergraduate, graduate and professional students, of which nearly 30 percent are minorities and 57 percent are women. FSU students come from every county in Florida, all 50 states and the District of Columbia, and more than 128 countries.

The university offers an impressive breadth of academic degree programs, including 99 at the bachelor's degree level; 112 at the master's level; 26 at an advanced master's/specialist's level; 73 at the doctoral level; and two at a professional degree level. Courses are offered through 16 colleges — Arts and Sciences; Business; Communication; Criminology and Criminal Justice; Education; Engineering; Human Sciences; Information; Law; Medicine; Motion Picture, Television and Recording Arts; Music; Nursing; Social Sciences; Social Work; and Visual Arts, Theatre and Dance.

Florida State is a Carnegie Doctoral/Research Extensive institution, awarding more than 2,000 graduate and professional degrees each year. Doctoral faculty in five academic areas have been ranked among the tops in the nation according to the Faculty Scholarly Productivity Index: social work — #4; Spanish — #4; marketing — #5; oceanography — #8; and atmospheric sciences — #10. FSU has many undergraduate and graduate academic programs that consistently rank among the nation's top 25 at public universities, among them programs in business, chemistry,

communication disorders, creative writing, criminology, ecology and evolutionary biology, education, information, law, meteorology, oceanography, physics, political science, psychology, public policy, sociology and statistics.

At Florida State, students have the opportunity to work and study alongside members of the prestigious National Academy of Sciences; members of the American Academy of Arts and Sciences; winners of the Pulitzer Prize; Guggenheim Fellows; a Nobel laureate; and other globally recognized teachers and researchers, including faculty who lead several scholarly fields in citations of published work. Students can choose to conduct research in specialized interdisciplinary centers such as the National High Magnetic Field Laboratory, the Institute of Molecular Biophysics, and the School of Computational Science. They can participate in interdisciplinary work across campus through programs that integrate economics, geography, climate forecasting, law and other environmental courses and programs; or work alongside faculty to forge new relationships among professions, including medicine, the physical sciences, engineering, business and law.

Students at Florida State also are encouraged to participate in international education through the university's programs in England, Italy, Switzerland, France, Panama, China, Costa Rica, Spain, Russia, the Czech Republic, Greece, Croatia, Germany, Ireland and the Caribbean. The university's study sites in Valencia, Spain; Florence, Italy; and London, England are considered by many to be among the nation's best.

2009 SOFTBALL

The university logged many noteworthy achievements in 2007-2008:

- Alan G. Marshall, FSU's Robert O. Lawton Professor of Chemistry and Biochemistry and director of the Ion Cyclotron Resistance Program at the National High Magnetic Field Laboratory, received the 2008 Ralph and Helen Oesper Award from the Cincinnati Section of the American Chemical Society — eight of the past 26 awardees of the prestigious Oesper award went on to win the Nobel Prize.
- Professor Kathleen Yancey, director of the English department's graduate program in Rhetoric and Composition, became president of the National Council of Teachers of English.
- Max Gunzburger, a Francis Eppes Professor and director of the School of Computational Science, earned the distinguished W.T. and Idalia Reid Prize in Mathematics from the Society for Industrial and Applied Mathematics (SIAM) for his work in computational mathematics and his mathematical models of science and engineering problems.
- FSU Student Government President Joe O'Shea became one of just 32 U.S. college students selected for a 2008 Rhodes Scholarship, the oldest and most prestigious international study award bestowed on American students. O'Shea, who won a Truman Scholarship in 2007, also was one of just 20 undergraduates named to USA Today's 2007 All-USA College Academic First Team.
- FSU Film School student Paul Seetachtitt crafted a 30-second public service announcement that took first place in a national competition sponsored by the Center for International Disaster Relief. Honors won by other Film School students over the past year included a Student Academy Award; two collegiate-level "Emmy" awards; and two Directors Guild of America awards for the nation's best minority and female student filmmakers.

Dr. T.K. Wetherell congratulates Garrett Johnson on winning the Rhodes Scholarship

- Over the past year, the university has won research grants totaling more than \$196 million.
- FSU was ranked No. 1 in the nation among top research universities in graduation rates for African-Americans.
- FSU is currently developing, designing, breaking ground for or constructing about \$500 million worth of facilities, and the new Chemical Sciences Laboratory and the James E. "Jim" King Life Sciences Building are world-class examples that herald the dawn of a new era for Florida State's science community.
- The FSU track and field team won its third-in-a-row NCAA championship.
- Thirteen FSU student-athletes and coaches from three sports represented the Seminoles and eight different countries at the 2008 Summer Olympic Games in Beijing, China. And, closer to home, a commitment to community service put FSU student-athletes at the top of the Outreach Honor Roll from the National Consortium for Academics and Sports.
- Two leaders in medicine, Florida State University and Mayo Clinic, signed an agreement to work as research partners in the quest to improve health care outcomes for Floridians and all Americans. The agreement calls for interaction and collaboration between researchers at FSU and Mayo Clinic in Jacksonville, Fla., the establishment of joint research programs, and the exchange of scientific and educational literature and research — and opens up unique opportunities to turn basic science into new cures for a variety of diseases, from cancer to Alzheimer's.

- The collective strength of biomedical research at Florida State and the scientists who lead it has earned an extremely competitive \$2 million High-End Instrumentation grant from the National Institutes of Health. The grant and an additional \$2.8 million in FSU matching funds will be used to purchase a state-of-the-art robotic electron microscope that will place the university among the very top imaging centers in the world. FSU scientists will use the unique robotic microscope to advance their cutting-edge research on HIV/AIDS, heart disease, hypertension and cancer.
- FSU is bringing together researchers with expertise in a variety of fields to develop new strategies for dealing with Florida's energy challenges. The new Florida Energy Systems Consortium is a collaborative effort among the state's 11 public universities to address key issues pertaining to energy, climate and the environment — with a particular focus on promoting renewable energy. Florida Gov. Charlie Crist signed into law a comprehensive energy bill establishing the consortium and providing a total of \$50 million in funding, to be divided among four core institutions — FSU (with \$8.75 million), the University of Central Florida, the University of Florida and the University of South Florida.
- The university has been selected as the lead institution for the new Florida Center for Advanced Aero-Propulsion, a collaborative project featuring the state's premier researchers in aerospace and aviation. Of \$14.57 million in funding appropriated to create the center, FSU will get the largest portion — nearly \$6 million — to oversee center operations and develop research and policy that unites scholars from various disciplines and universities.

Florida State's main campus is spread over 450.5 acres in Tallahassee. Within the state, the university maintains facilities in Panama City, at its Coastal and Marine Laboratory on the Gulf of Mexico, and at the Asolo Performing Arts Center in Sarasota. The university also operates the Ringling Center for the Cultural Arts in Sarasota, which includes the John and Mable Ringling Museum of Art — the largest museum/university complex in the nation.

Library holdings at Florida State include 2.9 million book titles and 9.1 million microforms and rank among those at the nation's top 30 public research universities. Collectively, the FSU libraries belong to the Association of Research Libraries, whose membership is comprised of the top research university libraries in the United States.

ENTERING FRESHMAN FACTS (FALL, 2007): The middle 50 percent High School GPA, 3.3-3.9; SAT score 1110-1260, ACT score 23-28. There were 55 National Merit Scholars, 12 National Achievement Scholars, and 15 Hispanic Scholars enrolled as undergraduate students during the Fall 2007 term.

RETENTION RATE: First year, 100%...second year, 88.1%... third year, 80.9%...fourth year, 76.1%.

FACULTY/STAFF: Total 2,359...FSU's faculty includes some past graduates, such as former astronauts Dr. Norm Thagard, who teaches Electrical Engineering, and Winston Scott who serves as Vice President of Student Affairs...FSU's faculty has included six dynamic Nobel Laureates: 12 members elected to National Academy of Sciences...10 members of the American Academy of Arts and Sciences...and two Pulitzer Prize winners Ellen T. Zwilich and Robert Olen Butler.

EDUCATIONAL ADVANTAGES: Florida State University has a uniqueness in providing programs that are consistent in excellence across the board, from fine arts and humanities to the hard sciences...The balance of programs is based on FSU's long tradition as a leading liberal arts institution combined with its position as one of the top 10 universities in generating research-based revenues...FSU was ranked 18th most connected university in the nation by Yahoo! Internet Life.

EDUCATIONAL OPPORTUNITIES ABROAD: FSU offers a variety of overseas study opportunities for students during the regular academic year. FSU has study centers located in Florence, Italy; Panama City, Republic of Panama; Valencia, Spain; and London, England. Courses at the study centers are offered each semester and cover a wide range of subject areas perfect for meeting general and liberal studies requirements. International Programs also offers study programs, some general and some major specific, in: Cairns, Australia; Salvador, Brazil; Tianjin, China; San Jose, Costa Rica; Dubrovnik, Croatia; Prague, Czech Republic; Napo, Ecuador; London, England; Paris, France; Dublin, Ireland; Tokyo, Japan; Moscow, Russia; and Leysin, Switzerland. A summer law program is offered in Oxford, England. There is one Linkage Institute, FLORICA, in Costa Rica, and Beyond Borders programs in Turrialba, Costa Rica, Kingston, Jamaica, and Dresden, Germany.

EXTRACURRICULAR ACTIVITIES: FSU has over 400 student organizations that allow students to find their own niche.

FINANCIAL AID: FSU offers two types of financial assistance: need-based and merit-based...Over \$160 million is given away for financial assistance each year.

STUDENT/FACULTY RATIO: 18-1... Many of the general education classes are large, lecture classes; however, over 80% of major classes have less than 50 students.

RESEARCH: The Florida State University has built a reputation as a strong research center in both the sciences and the humanities. It is expected that more than \$100 million in external funds will be generated this year by the university faculty and administration as supplements to state funds used for research. These external funds are in the form of contracts and grants from private foundations, industries, and government agencies, and are used to support research, improve research facilities, and provide stipends for graduate students.

SPONSORED RESEARCH (2007-08): \$201,569,624

LIBRARY HOLDINGS: The University Library System contains over 3.4 million volumes, of which more than 451,000 are available electronically as e-books. The libraries subscribe to more than 107,000 current serials including academic journals, professional and trade journals, and major newspapers from around the country and the globe in both paper and electronic formats. The libraries also subscribe to more than 350 databases. The FSU Libraries include 8 libraries on campus: The Robert Manning Strozler Library, Paul A. M. Dirac Science Library, Mildred and Claude Pepper Library, Warren Allen Music Library, Harold Goldstein Library and Information Science Library, College of Law Library, College of Medicine Medical Library, and the College of Engineering Library. Library materials and services are also available at the FSU Panama City Campus, as well as International Programs study centers in London, Florence, and Panama, and a collection of art and related materials at the John and Mable Ringling Museum of Art in Sarasota, Florida.

THIS IS TALLAHASSEE

Among low, rolling hills, down moss draped canopy roads, within picturesque historical districts, and across seas of flowering azaleas lies a magical part of the Sunshine State — Tallahassee — Florida's capital city. With its intriguing combination of power-play politics and classic character splashed with a twist of beauty and charm, Tallahassee is a genteel Southern belle with good manners, old plantation homes and y'all-come hospitality — a side of Florida few expect to find.

With the Gulf of Mexico just 25 miles south and the Georgia border only 14 miles north, Tallahassee rests between the foothills of the Appalachian Mountains and the juncture of Florida's panhandle and peninsula in an area known as

"The Big Bend." Nearer in miles to Atlanta than to Miami, Tallahassee more closely resembles its' Georgia neighbor than Florida in topography, climate and lifestyle.

Like the city itself, the story of how Tallahassee was chosen as the state capital is rich in history. In 1823, two explorers set out — one on horseback from St. Augustine and the other by boat from Pensacola — to establish a permanent, central location for the seat of government. The two met at a beautiful site that the Creek and Seminole Indians called "tallahassee" — derived from the words "talwa," meaning town, and "ahassee," meaning old. This historic meeting place remains Florida's capital today.

The new Capitol building rises at the center of Tallahassee's downtown as a sleek modern structure, juxtaposed next to the Old Capitol, built in the more classic domed style. A gallery atop the 22-story New Capitol provides a sweeping view of the hilly city and its tree-lined streets. From it, you can see all the way to Georgia, 20 miles away.

Around the capitol complex, a 10-block historic district spreads, preserving the town's gracious old homes along a linear park and holding a historic inn, bars and restaurants patronized by Senators and sophomores alike. With no shortage of culture, downtown also offers museums, theater and art galleries. Artists have turned the old warehouses of Downtown Industrial Park into the studios and cafes of Railroad Square. The Museum of Florida History, nearby, is highly acclaimed for its scan of the state's past, and The Mary Brogan Museum of Art & Science, along with changing art exhibits, brings learning to a kid's level with hands-on exhibits. Other sightseeing favorites include the floral masterpiece of Alfred B. Maclay State Gardens; Bradley's Country Store; FAMU Black Archives; and the Tallahassee Antique Car Museum.

DONALD L. TUCKER CENTER

The Donald L. Tucker Center is a multi-purpose convention and entertainment facility featuring a 12,100 seat arena, Luxury Suites and Club Seats and over 52,000 sq. ft. of meeting and exhibition space plus an arena view restaurant, Spotlight Grille. The Civic Center hosts a wide variety of concerts, family shows, Broadway shows, ice shows and sporting events including FSU basketball.

It is easy to understand why over one million people a year flock to the Donald L. Tucker Center, what with the varied array of attractions it offers. Some people go to the Tucker Center to enjoy the sounds of rock, country, pop and urban concerts. Some go for the thrills of basketball, rodeos and three-ring spectacles. While others come for conventions, banquets, expositions, or consumer and trade shows.

Located downtown on Pensacola Street, the Tucker Center is only two blocks from the Capitol building.

The area surrounding Tallahassee reveals numerous other historic and archaeological treasures, such as De Soto State Archaeological and Historical Site, Lake Jackson State Archaeological Site, Mission San Luis, Natural Bridge Battlefield and San Marcos de Apalache. Visitors can explore prehistoric Florida at the Museum of Florida History, where they are greeted by a giant 12,000-year-old mastodon pulled from nearby Wakulla Springs.

On the shores of Wakulla Springs, alligators still laze under the watchful eyes of "snake birds" perched on twisted cypress trees. The site of many underwater scenes in "Tarzan" movies, it's one of the world's deepest freshwater springs. Glass-bottomed boat tours across these mystical waters are available.

Nearby small towns offer fascinating excursions to places such as Pebble Hill Plantation, Florida Caverns State Park, Monticello Opera House and St. George Island.

TALLHASSEE UP CLOSE

- Tallahassee is home to more than 60,000 college students between Florida State University, Florida A&M University and Tallahassee Community College.
- Nearly sixty percent of Tallahassee's population is between the ages of 18-44.
- The average maximum temperature in Tallahassee is 78 degrees and almost twenty-five percent of the year the temperature is above 90 degrees.
- There are over 150,000 people living in the Tallahassee area and over 300,000 in the metropolitan area.
- The capital of the State of Florida has been located in Tallahassee since 1823.
- The Gulf of Mexico is just 20 miles south of Tallahassee and the Georgia border is just 14 miles to the north.

ACADEMIC SERVICES

MISSION STATEMENT

The primary focus of the Athletic Academic Support Program is to provide an environment which facilitates the academic success of each student-athlete. Student success is encouraged through competent academic counseling, study skills development, individualized assessment and support, and a wide array of tutorial services.

SERVICES AND PROGRAMS

ACADEMIC ADVISING

The advisors in Academic Support serve as the lower-division advising unit for all student-athletes. The staff advises students through the Liberal Studies curriculum and degree prerequisites. The advisors work with the students in a number of areas related to the academic experience at Florida State University, but with a primary emphasis in advising and monitoring the progress toward the selected degree program, taking into consideration, all variables, which would enhance or impede each student's progress toward the goal of graduation.

STUDY HALL

Professionally supervised study sessions for each athletic team are organized in order to help ensure the academic success of the student-athletes. The main focus of the study hall program is to help students develop consistent and appropriate study patterns by providing a structured setting to work on class assignments and to provide tutorial assistance before academic problems arise. Although the criteria for study hall is left to the discretion of each academic counselor, typically, most freshmen, first year transfers, and upperclassmen who have not yet achieved a satisfactory cumulative grade point average are asked to attend study hall.

TUTOR AND MENTOR PROGRAM

The tutorial program is available to all student-athletes as they progress towards their ultimate goal of obtaining a college degree. Approximately, 65 tutors are hired a year, from a variety of academic departments. Each tutor is committed to providing a proactive, individualized approach in assisting student-athletes with course comprehension and study skills. The tutors are graduate level students or undergraduates that excel in a specific area of study. All mentors are graduate or PhD level students who have outstanding academic backgrounds.

Mentors are academic role models who have demonstrated the ability to teach and give guidance in areas of academic developmental skills. They are responsible for providing assistance in the development of skills such as note taking, test preparation, and communication with faculty. In essence, mentors become an extension of the academic counselor as they keep the academic performance of their student-athletes under close observation and report to the academic counselors each week.

COMPUTER LAB

The Athletic Academic Support Computer Lab is located in the Athletic Academic Support wing at the Moore Athletics Center. It is outfitted with 30 PC compatible computers and several laser printers. The computer lab is available to student-athletes six days a week with extended hours during finals week. The entire Athletic Academic Support wing is also equipped with wireless internet.

SUMMER BRIDGE PROGRAM

Athletic Academic Support, in conjunction with Athletic Student Services and the University, offers incoming student-athletes a "Summer Bridge Program" to aid in the transition from high school to college. The program is a week long intensive orientation that incorporates the University orientation with the athletics department orientation. This orientation highlights many different topics that are important for student-athlete success. In addition to introducing the student-athlete to academic policies and procedures, other topics covered include nutrition, student life, community service, technology on campus, media training and compliance.

ACADEMIC HONORS AND AWARDS PROGRAM

The Academic Support Program is committed to recognizing the academic success of all student-athletes. The annual "Golden Torch Gala," a black-tie academic awards banquet organized

by Seminole Boosters, Inc., occurs each fall. At this event, the ACC Honor Roll student-athletes, as well as the individuals with the highest GPA on their respective teams, and the men's & women's teams with the highest GPA are recognized.

Team meetings are held each year, during which time student-athletes are notified of potential honors and awards and are encouraged to apply. Combining a strong grade point average with athletic accomplishments, community service activities, and leadership experiences make for a student-athlete capable of obtaining unlimited academic honors, awards, and postgraduate opportunities.

ENDOWED SOFTBALL SCHOLARSHIPS

REMEMBERING THE PAST & ENSURING THE FUTURE

BETTY PALMER

The first endowed position scholarship for women's athletics at FSU was named in honor of Betty Palmer and fully-funded by Dr. Fran Cannon. The scholarship is held by the Seminoles starting shortstop and honors a woman who preached values as well as skills and shaped the lives of many young women throughout her life as a faculty member at FSU and a recreation supervisor.

DR. JOANNE GRAF

The architect of one of the most successful Division I softball programs in collegiate sports and the first Division I coach to reach the 1,000 win plateau, this fully-endowed scholarship honors FSU head coach Dr. JoAnne Graf. Coach Graf has achieved an unprecedented level of success throughout her 27 seasons at the helm of the Seminole softball program. Not only has she won two slow pitch National Championships but her teams have appeared in seven College World Series, made 18 NCAA Regional appearances and won 10 ACC titles. This endowment will ensure Coach Graf's winning legacy for years to come. Funds are continuing to be raised for this scholarship.

JUDY SPAINHOUR

This fully-endowed scholarship is funded by Professors Charles and Joan Haworth in honor of Judy Spainhour. The gift is made in appreciation of Judy's spirit and support of FSU women's softball. The Haworths are recognizing Judy for her special sense of humor and warmth and the support she

gave to FSU athletics.

CARLA BINGHAM

The fourth endowed scholarship for Seminole softball is in honor of one of our own. Carla Bingham was a two-time All-American and played third base for FSU in 1982 and 1983. She helped FSU to a 102-21 record over those two seasons and was a member of FSU's 1982 AIAW National Championship team. In 1997, Carla lost her battle with breast cancer and this scholarship assures her memory will live forever. This scholarship is continuing to be funded.

Although she had never picked up a javelin in her life, Keith broke the school record and qualified for the NCAA championships in just her second meet ever. She was in training for the 1992 Olympic games when she lost her life in a two-car accident in Tallahassee. This endowed scholarship pays tribute to one of FSU's best and brightest.

KARI KEITH

Kari Keith was an amazing athlete who came to Florida State on a softball scholarship in 1986 but went on to become a two-sport star on the track and the softball diamond. Keith, from Ft. Lauderdale, FL, played softball all four years and was named to the Lady Seminole Invitational All-Tournament Team in 1987

This scholarship has been funded by family friend Donald Hinkle.

ROBERT GRAF, JR.

This softball scholarship was created and endowed to ensure the tradition of excellence in women's athletics at Florida State University and to always remember Bobby Graf, brother of softball coach JoAnne Graf, who will live on forever in our hearts.

You can support Coach Graf and the Seminoles this season by joining the Dugout Club. The Dugout Club is a restricted club that helps the softball program directly by providing for extras not in the softball budget. There are two levels of membership; Golden Glove (\$100) and Silver Glove (\$30).

The club was created to increase fan interaction with players and coaches, foster alumni relations and improve support for the program. All funds raised are earmarked for the softball program and will help us as the Seminoles start their quest for our eighth Women's College World Series.

For more information visit seminoles.com or call 644-3484.

JAN SIKES AND CINDY MARVIN

This scholarship was endowed by two friends of the Florida State softball program, Jan Sikes and Cindy Marvin. Their belief in the positive values of intercollegiate athletics and its benefit toward the development of young women inspired this endowment. This scholarship will aid female athletes at Florida State University to further their education while participating in softball. Both Jan and Cindy embody these values as well as the Seminole spirit. Jan played on the 1981 and 1982 national championship teams, and was named All-American in 1982.

STUDENT SERVICES

NEW OPPORTUNITIES FOR LEADERSHIP, EDUCATION AND SERVICE (N.O.L.E.S.)

Developed by the Florida State University Department of Athletics, the N.O.L.E.S. program represents a commitment to the total growth and development of each student-athlete. The program establishes an administrative commitment to academic and athletic excellence. Those efforts will be supported with programs and services in personal and career development service.

PERSONAL DEVELOPMENT

Fostering the development of personal growth is a fundamental component of the N.O.L.E.S. program. The support programs ensure that the student-athlete will be provided with opportunities to focus on personal growth areas such as value clarification, goal setting, fiscal planning, decision making and personal responsibility. Programming focuses on helping the student-athlete develop a healthy lifestyle while they are at Florida State and habits that will benefit them for life.

CAREER DEVELOPMENT

Preparing for life after college is a major focus of the N.O.L.E.S. program. The program is designed to work in cooperation with Florida State's Career Center to acquaint students with the job search process, provide networking opportunities and ultimately assist with job placement. The program places a priority on the development of the total person, with the goal of developing individuals who will have rewarding careers and productive lifestyles after they leave Florida State. The newest addition to the Career Development program is the Senior Transition Seminar offered through the Office of Student Services. The course is offered to all senior student-athletes with exhausting eligibility and is designed to assist with resume building, networking with former student-athletes, and tips on transitioning from intercollegiate athletics into the working world.

COMMUNITY SERVICE

Serving the community is the focus of the Seminole Spirit program. Student-athletes are challenged to provide service to our community and individuals who are in need. With a clearly defined program of service, student-athletes are given the opportunity to develop lifelong commitment to volunteerism. Over the years, the commitment to community service has grown leaps and bounds. The FSU athletic department was recently recognized by the National Consortium for Academics and Sports for the most successful outreach and community service program in which FSU student-athletes impacted the lives of over 150,000 youths.

LEADERSHIP DEVELOPMENT

The Florida State University Department of Athletics is committed to developing programs of excellence that foster leadership

development. The Student-Athlete Advisory Council (SAAC) has been in place in the Florida State University Athletic Department for ten years, and consists of a fantastic group of motivated student-athletes. The SAAC consists of 42 student-athletes, at least two from every team, and they meet every two weeks to discuss issues confronting student-athletes, here at FSU, as well as in the Atlantic Coast Conference and across the nation. The SAAC at FSU has many responsibilities: they take the lead on a variety of events, starting with the New Student-Athlete Orientation, Peers Helping Athletes Transition (PHAT) Tuesdays with freshmen student-athletes, the Culture Fest (student-athletes celebrating diversity within the athletic department), the Welcome Back Picnic and culminating with the Golden Nole Awards year ending banquet where seniors from each team are honored and student-athletes who have excelled in the area of community service are awarded.

COMMUNITY INVOLVEMENT

THE UNIVERSITY

NCAA COMPLIANCE

FLORIDA STATE UNIVERSITY COMPLIANCE OFFICE

The following information is provided by the Florida State Office of Compliance for prospective student-athletes. It is intended as a guideline to introduce you to some of the rules governing NCAA athletics.

KEY DEFINITIONS YOU SHOULD KNOW

Representatives of Athletics Interests are commonly called "boosters". Under NCAA rules, a representative of the institution's athletics interest is any individual who is known (or should have been known) by a member of the institution's athletic department that has ever:

- Contributed to the athletics department or to its booster club.
- Joined the institution's booster club or any sport specific support group
- Provided benefits to enrolled student-athletes or their families
- Assisted in any manner in the recruitment of prospective student-athletes
- Promoted the institution's athletics program.
- Purchased season tickets.

*** Once an individual is identified as a representative, the person retains that identity forever ***

Prospective Student-Athlete: A prospective student-athlete is any student who has started classes for the ninth grade regardless of his/her athletics ability and/or participation. Any student younger who receives any benefit from an institution or representatives of athletics interests immediately becomes a prospective student-athlete. In addition, student-athletes enrolled in preparatory school or two-year colleges are considered prospective student-athletes.

A prospective student-athlete remains a prospect even after he or she has signed a National Letter of Intent or accepts an offer of financial aid to attend an institution. The prospect remains a prospect until he/she reports for the first day of classes for a regular term (fall or spring) or the first official day of practice (whichever comes first).

Contact: A contact is any face-to-face encounter between a prospect or the prospect's parents, relatives or legal guardian(s) and an institutional staff member during which any dialogue occurs in excess of an exchange of a greeting.

Evaluation: An evaluation is any off-campus activity designed to assess your academic qualifications or athletic ability, including any visit to your high school (during which no contact occurs) or the observation of any practice or competition in which you participate.

PHONE CALLS AND LETTERS

Phone calls from coaches (but not boosters) are permitted beginning July 1 before your senior year in high school. A coach is limited to one phone call per week except that unlimited phone calls may be made:

- During the five days immediately before your official visit to the university;
- On the day of a coach's off-campus contact with you.
- During the time beginning with the National Letter of Intent signing date through the two days after the signing date and after a National Letter of Intent or scholarship agreement is signed.

A Prospect of Any Age Could Receive the Following From a Coach:

- Questionnaire
- Camp brochure
- NCAA educational information
- Business Card
- None-athletics institutional publications

After September 1 of a Prospect's Junior Year, a Coach Could Provide:

- Written correspondence, including letters and e-mails
- Game programs (only on an official or unofficial visit)
- Media Guide
- Official academic, admission and student services publications and videotapes produced by the institution and are available to all students
- Any other information may be provided via the institution's web site.

WHO IS PERMITTED TO RECRUIT FOR FLORIDA STATE?

Only Florida State University coaches who have successfully completed the NCAA Recruiting Rules Examination on an annual basis may be involved in the recruitment process. Boosters may not make any recruiting contacts. This includes letters, telephone calls or face-to-face contact on or off campus with a prospect or the prospect's parents.

ALUMNI AND BOOSTERS DO'S AND DON'TS

- You may forward information about prospective student-athletes to the appropriate coaches.
- You may have contact with a prospect regarding permissible pre-enrollment activities such as summer employment, provided the prospect has already signed a National Letter of Intent and the Compliance Office is aware you are making these contacts in regard to employment.
- You may have a telephone conversation with a prospect only if the prospect initiates the call. Such a call may not be prearranged by an institutional staff member and you are not permitted to have a recruiting conversation, but may exhibit normal civility. You must refer any questions about our athletic programs to an athletics department staff member/coach.
- You may view a prospect's contest at your own initiative provided you do not contact the prospect or his/her parents. In addition, you may not contact a prospect's coach, principal or counselor in an attempt to evaluate the prospect.
- You may continue established family relationships with friends and neighbors. Contacts with sons and daughters of these families are permitted as long as they are not made for recruiting purposes or encouraged by Florida State University coaches.
- You may not become involved in making arrangements to receive money or financial aid of any kind for a prospect or the prospect's family and friends.
- You may not make contact with a prospective student-athlete and his/her parents when the prospect is on campus for an official or unofficial recruiting visit.
- You may not transport, pay or arrange for payment of transportation costs for a prospect and his/her relatives or friends to visit campus (or elsewhere).
- You may not pay or arrange for payment of summer camp registration fees for a prospect.
- You may not provide anything to a prospect, the prospect's family or friends without prior approval from the Compliance Office.

For more information, please contact the Florida State Compliance Office at (850) 644-4272.

ATHLETIC TRAINING & STRENGTH & CONDITIONING

An athlete can expect to receive the best care and treatment possible with the athletic training team at Florida State. Prior to competition, all FSU student-athletes undergo screening in order to detect any potential injuries. If a problem is detected, the athlete may be placed on a prevention care system, which may include any kind of treatment from icing to exercising.

Though the prevention of injuries is the main objective, some injuries are unavoidable. Rehabilitation is another component of the Florida State training room. The FSU athletic training staff will work with the athlete and provide an intense rehabilitation schedule that will allow the athlete to successfully rehabilitate after an injury. Some injuries and illnesses may be referred to the Seminole team physicians at the Tallahassee Orthopedic Center who, for many years, have worked in conjunction with the FSU athletic training staff in successfully rehabilitating athletes after an injury. Nutrition counseling and drug testing are also responsibilities of the athletic training team which is dedicated to providing the best care possible for all FSU student-athletes.

ATHLETIC TRAINING

Florida State Athletic Training has experienced a very exciting time as construction on the brand new Don Fauls Athletic Training Room was completed in the spring of 2005. The 15,000 square foot athletic training room is housed off Doak Campbell Football Stadium and is used by all 19 Seminole varsity teams.

This facility is adequately equipped with the latest advances that the field of sports medicine has to offer. Some of the attractions include an in-house pharmacy, x-ray machine and two physician evaluation rooms. There is also a 4,000 square foot rehabilitation room with the latest version of a Biodex isokinetic testing machine. The treatment area includes 24 treatment tables with various modalities, computer injury tracking devices, and 18 taping benches.

Florida State's athletes have ample accessibility for aquatic therapy as the Don Fauls Athletic Training Room includes a 8' x 40' in-ground workout pool, a 9' x 16' in-ground cold whirlpool, a 9' x 16' in-ground warm whirlpool, and nine extremity whirlpools.

Athletic Trainer Eunice Hernández joined the Florida State athletic training staff in September of 2003 and is in her first season handling the athletic training duties for the women's softball team. She came to the softball program following a year with the women's soccer team and before that she was the athletic trainer for the men's and women's cross country and track and field teams for four seasons. In her first season with the women's soccer team, the Seminoles advanced to the national championship game for the first time in school history. During her tenure with track and field, the men's team garnered two Outdoor Track and Field national titles (2006 & 2007), three East Region titles, four ACC Indoor titles, and three ACC Outdoor titles. She also currently serves as the athletic trainer for the FSU women's golf team.

Hernández is a 1999 graduate of Barry University (Miami Shores, Fla.) where she received a Bachelor of Science degree in athletic training. While at Barry, Hernández served as a student athletic trainer, with primary responsibilities covering the women's basketball team.

Upon graduation, Hernández continued her education at the University of Miami, Fla., serving as a graduate assistant athletic trainer with the football team and men's and women's swimming and diving teams. She assisted with the football program during the Hurricanes 2001 Rose Bowl victory over Nebraska and run to a National Championship.

Following graduate school, Hernández also spent time working as an assistant athletic trainer with the semi-professional Miami Tropics football team.

She also has had the opportunity to collaborate with Olympic athletes at both Florida State University and the University of Miami: Ricardo Chambers, FSU – Jamaica (2008), Rafeeq Curry, FSU – USA (2008), Walter Dix, FSU – USA (2008), Brian Dzingai, FSU – Zimbabwe (2008), Dorian Scott, FSU – Jamaica (2008), Jenny Keim, UM – USA (1996, 2000), Michelle Davison, UM – USA (2000), Manon van Rooijen, UM – Netherlands (2000, 2008), Stefan Ahrens, UM – Germany (2000), Imre Lengyel, UM – Hungary (2000) and Kyle Prandi, UM – USA (2004).

Injury prevention is integral to Hernández's practice as she has instituted pre-season strength ratio screenings of the lower extremity and subsequent "prehabilitation" protocols. During the 2005-2006 sports season, she contributed to the ACC Sports Sciences website with an article on hamstring injury prevention. In addition to her women's softball athletic training duties, Hernández coordinates the annual drug testing of FSU female athletes and serves as an instructor for the College of Sports Management, Recreation and Physical Education. Hernández has also served as the medical site coordinator when FSU hosted the 2005 ACC Outdoor Track and Field, 2005 ACC Cross Country Championships and the 2008 NCAA East Regional Outdoor Track and Field.

A native of Miami, Fla., Hernández is a certified member of the National Athletic Trainers Association, a Florida licensed athletic trainer and an American Red Cross CPR/First Aid/AED certified instructor.

STRENGTH & CONDITIONING

The FSU strength and conditioning program is designed to improve athletic performance through an individualized regimen of stretching, lifting, speed, power, agility and conditioning drills. The goal of the program is to maximize the on-field performance of each athlete, while reducing the risk of injury. Our strength and conditioning staff is continuously researching and following the most scientifically sound and up-to-date principles of strength training to safely maximize the athletic potential of our players. This is an exciting time for

the strength and conditioning program. Our goal is to provide the best athletes in the nation with the best resources and tools in the nation. Our athletic department is committed to excellence in every area; this includes providing our athletes with the most state of the art facility and equipment.

If the coaching staff is the engineer that fine tunes the automobile, then strength and conditioning coach Caitlin Quinn is the mechanic that builds the strong engine. In her second season at Florida State, Quinn is responsible for writing and implementing the lift and conditioning program for the softball squad as well as assisting in implementing the soccer, volleyball, and football programs. A native of Pittsfield, Massachusetts, Quinn graduated from Springfield College where she received a B.S. in Applied Exercise Science. During her undergraduate career Caitlin completed internships at Velocity Sports Performance in East Longmeadow, Mass., and at the University of Kansas. Quinn is a Certified Strength and Conditioning Specialist (CSCS) through the NSCA and has also received the USA Weightlifting Level I Club Coach certification. In addition to her strength and conditioning responsibilities, Caitlin is perusing a master's degree in Athletic Administration from Florida State University.

FLORIDA STATE 2009 SOFTBALL

JoANNE GRAF FIELD

THIS IS FSU SOFTBALL

FIELD OF DREAMS

Florida State University is home to one of the premier softball complexes in the nation. JoAnne Graf Field at the Seminole Softball Complex is state-of-the-art in every facet and provides Florida State softball players with an all-inclusive complex that includes locker rooms, meeting rooms and one of the best playing surfaces anywhere in the country. JoAnne Graf Field hosted back-to-back NCAA Regionals in 2001 and 2002 and then again in 2004. .

Florida State has posted 270 wins in its 10 years at the complex. Even more impressive, FSU has gone 217-54 at the complex the last eight years for an amazing .801 winning percentage. The complex was also featured in *Athletic Business Magazine's* 2002 Architectural Showcase.

Florida State's dream of a new, state-of-the-art softball complex became reality when ground was broken in a ceremony in the spring of 1998. Construction workers worked continuously to complete the facility, which also houses the Seminole soccer stadium. The result was the creation of one of the nation's premier collegiate softball and soccer facilities. The complex, which was completed in the spring of 1999, includes ticket and concessions buildings and spacious press boxes with radio/television booths. The two-level Mary Ann Stiles & Barry Smith Team Building features a reception area, softball and soccer coaches offices, which overlook their respective stadiums, a combined workroom, large team and coaches locker rooms and training and equipment rooms.

The Florida State Soccer/Softball Complex was "officially" opened with a ribbon-cutting ceremony Saturday, April 17 1999. The event, which was held in conjunction with Florida State's 30th Anniversary of Women's Intercollegiate Athletics Spring Celebration, drew approximately 150 spectators, including University dignitaries and athletics department personnel. Several former Florida State student-athletes and staff also returned for the monumental event.

The ceremony began with the ribbon-cutting at the front gates of the complex. FSU President Sandy D'Alemberte, Director of Athletics Dave Hart, Softball Head Coach Dr. JoAnne Graf and Soccer Head Coach Patrick Baker, and team representatives did the honors. Among the speakers in the program were D'Alemberte, Hart, Associate Athletics Director Kim Record and Dianne Montgomery, former Dean of the School of Social Work, who served as Chair of the Title IX Committee and was a member of the FSU Athletics Board. Dr. Judith Blucker, FSU's first softball coach and former Vice President at Florida International University, also addressed the crowd. Following a tour of the facility and a barbecue, the Seminoles entertained guests on the field with a sweep of Florida International.

Two major changes were made to the complex in the last three seasons. On April 2, 2005, university president Dr. T.K. Wetherell and Hart officially renamed the softball stadium "JoAnne Graf Field at the Seminole Softball Complex." She joins Bob Heck at Georgia State as the only two active softball coaches with fields named after them. It was only fitting that one day later Graf crossed the 1,300-win plateau with a 5-2 triumph over Virginia Tech. This fall the stadium

got a facelift as a Florida State will unveil a brand new video scoreboard for the 2007 season. The board uses the same technology that is used at most outdoor professional stadiums. The ProStar is capable of displaying video clips, live video, animation, player headshots, graphics and statistics in 4.3 trillion colors.

The Seminole Softball/Soccer Complex is located in between the Dick Howser Baseball Stadium and the Mike Long Track on Chieftan Way. The facility can be accessed from both Chieftan Way and Stadium Drive.

CAMPS & CLINICS

- The Seminole Softball Camps provide individual instruction in softball fundamentals while providing an opportunity for campers to have some fun
- Campers receive instruction in fielding, hitting, throwing, pitching and base running as well as offensive and defensive strategies
- Florida State offers softball clinics throughout the season for various age groups
- Every December, a high school-only camp is held and features some of the best instruction in the country
- The summer camps cover individual position play, hitting and slapping, as well as team fundamentals

For information, visit www.Seminoles.com and click on 'Softball' or call the softball office at 850-644-6425!

"Hosting camps and clinics here at Florida State allows us the opportunity to give back to the community, help build the local and national talent pool and assist our student-athletes as they continue to grow as students of the game. We take pride in teaching the game to players of all ages as well as coaches. We hope to see you on the ball field enjoying the game of softball soon."
