LEAVING A LEGACY

STARTING THEM YOUNG

When it comes to getting as much as you can out of your freshmen, no one has proven to do it better in the ACC than Florida State. In two of the last three seasons, an FSU Men's Golfer has been named the ACC Freshman of the Year. They include Hank Lebioda (2013) and Jack Maguire (2014).

WHEN THE STAKES ARE HIGHEST

In four of the last six seasons, Florida State Men's Golf has finished in the Top 11 of the NCAA Division I Championship. Included in the high finish is two seasons where FSU finished in the Top eight, including the 2010 NCAA Championship where the Seminoles finished third nationally.

KOEPKA EMERGES

One of the best young golfers on the PGA Tour, Brooks Koepka accelerated his game while being a two-time ACC Player of the Year at Florida State. In 2010 and 2012, the native of Wellington, Fla., earned top individual honors in the conference.

ACC CHAMPIONS

Current PGA Tour player Jonas Blixt (right) and former Seminole legend Matt Savage (left) helped Florida State Men's Golf to an ACC title in 2008. Florida State held off Duke by three strokes, closing the final round with a 280 to finish with an aggregate score of 838 overall.

ALL-AMERICA RUN

Seminole Men's Golf has enjoyed a healthy run of All-Americans, especially over the last four seasons which has coincided with the program's successful stretch. Since 2012, FSU has had at least one All-American in each season, including 2015 PGA Tour Rookie of the Year Daniel Berger (shown in 2013).

A 27,000-square-foot clubhouse, the Dave Middleton Golf Complex boasts private Wi-Fi classrooms, study and teaching labs, an internship library, a fully equipped club repair room, a pro shop, locker rooms and the Renegade Grill. The \$7 million facility is a two-building complex, which also includes a multi-directional driving range, a video analysis instructional center with hitting bays for inclement weather, chipping and putting greens, as well as locker rooms, a team lounge, auditorium and fitness facility.

The golf course was renovated in 2004 with the reconstruction of all 18 greens, complexes, tee boxes and the state-of-the-art TiffEagle Turf was installed on all the putting surfaces. Each year the facility hosts more than 60,000 rounds of golf. NOLES IN THE PROS

Paul Azinger

Starting the PGA Tour in 1982, Paul Azinger had 12 wins including the 1993 PGA Championship. After transferring from Brevard Community College, Azinger completed his collegiate career at Florida State in 1981. While at Florida State, Azinger led the Seminole golf team to its highest ranking ever and was named the Metro Conference Champion and the Most Valuable Player in 1981. Azinger was named to the FSU Hall of Fame in 1988.

The Holyoke, Mass., native was a member of the U.S. Ryder Cup four times (1989, 1991, 1993, 2002) and captain of the 2008 team that won at Valhalla Golf Club in Louisville, Ky. Throughout his career Azinger was passionate about playing in the Ryder Cup and his hard work paid off as he and American's top golfers returned the Ryder Cup to the United States for the first time since 1999.

Azinger got his first win in 1987 as he went on to win the Phoenix Open, Panasonic Las Vegas Invitational and Canon Sammy Davis Jr. Greater Hartford Open. In 1992 he won The Tour Championship and followed up with his best year in 1993. He won the coveted PGA Championship along with the Memorial Tournament and New England Classic. After battling cancer, Azinger came back strong by winning the 2000 Sony Open in Hawaii. He spent almost 300 weeks in the top-10 of the Official World Golf Rankings between 1988 and 1994.

Hubert Green

Seminole golf legend Hubert Green, who won 23 events professionally, was inducted into World Golf Hall of Fame in 2007 and was honored at the Induction Ceremony Nov. 12, 2007, at the World Golf Village in St. Augustine, Fla.

Green came to Florida State in 1965 and served as the captain of the golf team in 1968. He led Florida State to a 10th place finish in the NCAA Championship in 1968 and guided the Seminoles to several impressive dual meet victories over many teams in the Southeastern United States including Florida during his collegiate career. Green was inducted in the Florida State Athletics Hall of Fame in 1977. He graduated from Florida State and turned professional in 1969.

Green is one of the most successful professional golfers in the history of the sport. He won 19 events while playing on the PGA Tour including the U.S. Open Championship in 1977 and the PGA Championship in 1985. He played on the 1977, 1979 and 1985 U.S. Ryder Cup Teams and also won four events on the Champions Tour before retiring in 2009. His most recent championship came in 2002 at the Lightpath Long Island Classic, winning in a playoff over Hale Irwin.

Jeff Sluman

Born and raised in Rochester, N.Y., Jeff Sluman transferred to Florida State in 1978 and became one of the best golfers on the team until he graduated with a finance degree in 1980. While on the PGA Tour, he won six titles including the 1988 PGA Championship. Named to the 1989 Florida State Hall of Fame Class, his time at Florida State was well spent as he led the team to three tournament wins and the NCAA tournament.

Before he arrived in Tallahassee, he won the 1978 New York State Amateur Tournament. Playing on the PGA Tour from 1980-2009, he finished in the top ten 105 times. His first tour victory happened to be the 1988 PGA Championship but he did not win another tournament until the 1997 Tucson Chrysler Classic. He followed up with another win at the 1998 Greater Milwaukee Open and the 1999 Sony Open in Hawaii. In 2001 he won the B.C. Open and had his last PGA Victory with the 2002 Greater Milwaukee Open.

Sluman still plays professional golf on the Champions Tour, recording eight Top 10 finishes in the 2014 and 2015 seasons. He's had six wins since 2008 including the 2014 Big Cedar Lodge Legends Tournament, the 2013 Liberty Mutual Insurance Legends of Golf, the 2011 Nature Valley First Tee Open at Pebble Beach, the 2009 and 2008 Walmart First Tee Open at Pebble Beach and the 2008 Bank of America Championship.

2016 SEASON OUTLOOK

2015 OLYMPIA FIELDS INVITATIONAL CHAMPIONS

The Florida State Men's Golf team is coming off a productive fall season that gives it great momentum building into the spring. The Seminoles finished fourth in the final Division I Bushnell Golfweek Coaches Poll, and spent much of the fall season in first with Top-5 finishes in all four tournaments played.

The spring season offers even more promise for a veteran group of Seminoles looking to add to last year's illustrious campaign that included spending the majority of the year as the nation's No. 1 team. FSU ultimately finished 11th in the NCAA Championship, but with four of its five NCAA participants returning and some talented newcomers, FSU is destined once again for more eye-opening success in 2016.

In mid-November 2015, Golfweek First Team All-American Jack Maguire opted to forego his final 1 ½ years at FSU and chase after his dream of professional golf. While the departure dampens the roster from an experience standpoint, it paves the way for younger talent to step up and is an example of how well Head Coach Trey Jones and his staff have developed their student-athletes.

Returning is senior All-American Hank Lebioda, a smooth-swinging lefty whose 24 rounds of par or better in the 2014-15 season set a single-season program record. Senior Rowin Caron, a third-team All-American by Golfweek last year, boasts an average score of 72.34 and has played 108 rounds to add to FSU's veterans. Redshirt junior Cristobal Del Solar had a strong fall season with an average score of 70.67 and a -0.33 score vs. par. He looks to get back into the fold and help the Seminoles reach their goal of an NCAA Championship.

Freshman and Tallahassee native Bennett Baker has not shown any youthful nerves as he played two tournaments in the fall and proved that he could be an asset to the lineup. Baker helped FSU to an impressive win at the Olympia Fields/Fighting Illini Invitational from Sept. 18-20, 2015, placing second on the team with a 1-over 211. Also joining Baker will be talented juniors Josh Lee and Anthony Alex, redshirt sophomore Harry Ellis and freshmen Corey Carlson, Tyler Bakich and Jonathan Keppler.

FSU tees off the season with the Gator Invitational (Feb. 20-21) in Gainesville, Fla., followed by the Querencia Cabo Intercollegiate (Feb. 28-March 1) in Mexico. The Seminole Intercollegiate at Southwood Golf Course in Tallahassee follows from March 11-13.

The Seminoles finish the regular-season stretch with the Valspar Collegiate Invitational (March 21-22) in Palm City, Fla., then the Irish Creek Intercollegiate (April 9-10) in Kannapolis, N.C. The ACC Championship (April 22-24) follows in New London, N.C., while NCAA Regionals begin May 12-14 and are followed by the NCAA Championship May 27-June 1 in Eugene, Oregon.

TREY JONES

**DIRECTOR OF GOLF/HEAD COACH
13th SEASON
NORTH ALABAMA ('91)**

Top national finishes, All-Americans, professional success and academic achievement have become synonymous with the Florida State men's golf program under Trey Jones. Now in his 13th season as the head men's coach and Director of Golf for the Seminoles' men's and women's golf programs, Jones has lifted the sport of golf at Florida State to new heights.

Under his direction, there is no limit on how high the Seminole programs will go. Florida State Golf will remain in excellent hands in the foreseeable future, as Director of Athletics Stan Wilcox announced on June 5, 2015, that he extended Jones' contract through the 2020 season.

"Trey has done an outstanding job and I am pleased that he has committed to FSU's long-term success," said Wilcox. "We are consistently competing at the very highest level and our program, which has had great past success, is arguably at its strongest ever. We look forward to continued success under Trey's outstanding leadership."

Jones is responsible for attracting nationally ranked recruiting classes, upgrading the Seminoles' schedule to where it is ranked among the nation's toughest on an annual basis and creating one of the most functional player development facilities in all of college golf on one of the Seminoles' five home golf courses. Jones continues annually to build on the Seminoles' success in developing the nation's top talent into national contenders and collegiate golf's elite players.

Jones guided Florida State to its most successful season in program history in 2015, earning ACC Coach of the Year honors for the second time. FSU ranked No. 1 in the Golf Coaches Association of America Poll for most of the season and entered the NCAA Tournament as the No. 1 overall seed for the first time ever. The Noles set a school record with six tournament victories and established three All-Americans in Jack Maguire (First Team), Hank Lebioda (Second Team) and Rowin Caron (Third Team) - the most in a single year.

Named the 2008 Atlantic Coast Conference Coach of the Year as he led the Seminoles to the first conference championship in the sport of golf in school history, Jones is no stranger to competing with the nation's best in one of the top conferences for college golf.

Building championship teams and elevating those teams onto the national stage is nothing new to Jones, who has earned five conference coach of the year awards and led 14 of his 19 teams at the Division I level to the NCAA Championship tournament. His teams consistently hold prominent places in the national rankings, are adept at winning conference championships and are annually among the top producers of All-American and all-conference performers.

Jones has become one of the winningest coaches in school history in his first 12 years in Florida State. He is the only coach in school history to lead the Seminoles to 10 NCAA

Tournament appearances (no other coach has led Florida State to more than five appearances) and he is ranked first in school history with 19 tournament championships (second is nine by Don Veller). The Seminoles have appeared in a school record 10 consecutive NCAA Tournaments entering the 2015-16 season.

2015 NCAA CHAMPIONSHIP

A prominent season was capped by an 11th-place finish at the NCAA Championship Finals, as the Seminoles fell just short of reaching the top eight by the final round. Individually, Jack Maguire finished 22nd overall while Cristobal Del Solar ended at 35th. Maguire would earn first-team All-America honors from Golfweek and second-team honors from the GCAA, while Lebioda earned second-team All-America honors from both organizations. Rowin Caron highlighted his junior season as a third-team Golfweek All-American while getting honorable mention accolades from the GCAA. The five Seminoles who played, which also included Josh Lee, were all underclassmen and provide FSU with a formidable threat for the 2015-16 season. FSU enjoyed a dominant stretch of winning four consecutive tournaments, and also won four tournaments by coming from behind on the final day. Should the Seminoles return to the 2016 NCAA Tournament Championship, their experience in 2015 could provide them a big boost. Three All-ACC honorees return in Maguire, Lebioda and Caron.

2014 NCAA CHAMPIONSHIP

Florida State once again returned to the NCAA Championship Finals, but it was with a much different looking team from the previous year. The Seminoles fielded the youngest team in the tournament with two freshmen, two sophomores and a senior and was one of only three schools (in a field of 30), with only one upperclassman in the line-up. Freshman Jack Maguire became the first freshman to be ever named an All-American at Florida State as he was named to the second team by Golfweek and to the third team by the GCAA. Maguire and sophomore Hank Lebioda were named to the All-ACC team and Maguire was tabbed the ACC Freshman of the Year. The Seminoles smashed apart the record book at the USF Invitational as the team posted the lowest round (24-under 264) and lowest three-round tournament score (41-under 823) in school history. Maguire created his mark with the lowest round in school history (10-under 62) and second lowest tournament score (16-under 200).

2013 NCAA CHAMPIONSHIP

Florida State finished in 11th place at the 2013 NCAA Championship Finals at the Capital City Club Crabapple in Atlanta, Ga. The Seminoles were just one of two teams to finish in the top 11 of the NCAAs in three or the last four years. Sophomore Daniel Berger led the team at the Championships finishing tied for second with a 6-under 204. Both Berger and Chase Seiffert earned All-American status for the year as Hank Lebioda was named 2013 ACC Freshman of the Year.

2012 NCAA CHAMPIONSHIP

Florida State earned an eighth place national finish at the 2012 NCAA Championship Finals to mark the second time in three seasons the Seminoles finished in the top eight of the standings at the national tournament. The Seminoles entered the championship ranked No. 19 in the nation by Golf-Stat and finished as one of only two teams ranked outside of the top eight to finish in the top eight of the final standings.

2010 NCAA CHAMPIONSHIP

Florida State finished in a tie for third place at the 2010 NCAA Championship Finals to earn the best national finish in school history. The Seminoles fell to Augusta State (the 2010 National Champion) in the semifinals of the championship tournament after defeating Texas Tech in the first round of match play. The Seminoles led the stroke play portion of the tournament and finished in second place to earn the No. 2 seed in the match play portion of the event. The third place finish at the NCAA Championship marked the best finish in school history - one better than the Seminoles' fourth place national finish in 1957 and tied for fourth place finish in 1958.

2008 ACC CHAMPIONSHIP

Florida State, which was led by All-Americans Jonas Blixt and Matt Savage, won its first ever Atlantic Coast Conference championship as it defeated Duke by three strokes at the 2008 ACC Championship at the Old North State Club at Uwharrie Point. The Seminoles defeated Duke as they rallied from a one stroke deficit after two rounds to claim the school's first ever ACC championship in the sport of golf. Each of the five team members contributed to the victory as the Seminoles closed the 54-hole tournament with four players under par. Blixt and Savage led the way with eight-under par 208 scores as they both finished in a tie for third in the individual standings.

RECRUITING

Known as one of the nation's most dynamic recruiters, Jones is nationally recognized as one of the top talent scouts in all of collegiate golf. His ability to recruit talented players, which in turn helps him build solid teams, is one of the aspects of coaching that has made Jones a top Division I coach. Florida State's recruiting class ranked fourth best in the nation in 2007, fifth best in 2008, sixth best in 2005 and among the nation's top 15 in 2006, 2010 and 2012.

BROOKS KOEPKA

Jones coached Brooks Koepka - the school record holder for lowest stroke average in a single season (71.09) and for a career (71.85) - the ACC Golfer of the Year in 2010 and 2012 and a three-time All-ACC selection. Koepka was named the ACC Golfer of the Year twice, the ACC Rookie of the Year in 2009 and earned All-American twice in his career in leading the Seminoles to four consecutive NCAA Tournament appearances and two top-10 NCAA Championship Finals finishes. Invitational and set the school record with his 199 total for three rounds of the event. Koepka won three events as a senior - at the Brickyard Collegiate Championship, the Seminole Intercollegiate, the FAU Spring Break Invitational. Koepka secured his status on the PGA Tour by tying for fourth place in the 2014 U.S. Open, and finished the 2015 season with Top 10 major finishes at The Open Championship (T-10th) and the PGA Championship (T-5th).

JONAS BLIXT

Jones coached one of Florida State's all-time best players - Jonas Blixt - to All-American honors and the first individual ACC Championship in school history. Blixt earned Ping/Division I All-American First Team honors in 2008 and Ping/Division I All-American second team honors in 2007. He is one of only three players in school history to earn All-American First and Second Team honors during his career. Blixt won the ACC individual championship in 2007 to become the first Seminole to win ACC medalist honors. He helped lead Florida State to the 2008 ACC Championship - the first ACC golf championship in school history - and earned All-ACC honors twice during his career. Blixt is currently playing on the PGA Tour with two wins, the 2012 Frys.com Open and 2013 Greenbrier Classic. He finished tied for second in the 2014 Masters Tournament and 4th in the 2013 PGA Championship.

DREW KITTLESON

Jones also coached Drew Kittleson, who will long be remembered as one of the top golfers in school history. Kittleson played in the Masters Championship at Augusta in 2009, the U.S. Open at Bethpage Black in 2009, four NCAA Championships and four ACC Championships during his standout career as a Seminole. He earned All-American Honorable Mention honors from Ping/Golf Coaches' Association of America in 2010 and Southeast Regional All-American honors in 2011. Kittleson helped lead Florida State to the 2008 ACC Championship - the first ACC golf championship in school history and to a third place finish at the NCAA Division I Championship finals in 2010 - the highest national finish in school history. After a second place finish at the 2009 U.S. Amateur, he earned exemptions to play in both the 2009 Masters and U.S. Open Championships. Kittleson is currently playing on the Web.com Tour.

ACADEMIC SUCCESS

Committed to the academic and athletic success of his student-athletes, Jones has coached 33 members of the ACC Academic Honor Roll, eight selections to the ACC Academic Golf Team and two members of the Golf Coaches' Association of America All-American Scholar team. His team was also

nationally recognized in 2010 as one of the few schools in the NCAA to achieve a perfect APR score of 1000 since the inception of the Academic Progress Rate program in 2003. During his tenure at Georgia State, he coached 10 members of the Atlantic Sun All-Academic team and 20 members of the TAAC All-Academic team.

JONES NATIONALLY

Jones has been an active member of the Golf Coaches Association of America since 1993. He is currently a member of the steering committee for the Collegiate Golf Hall of Fame. Jones served the board as the Division I Director for the East Region and served as the chair of the District 3 South Regional NCAA Selection Committee. He was also a representative in the District 3 South NCAA Selection Committee from 1999-2002.

GEORGIA STATE

Trey Jones was named the head coach at Georgia State in 1995 and immediately began to assemble one of the dominant men's golf programs in the southeastern United States. He led the Panthers onto the national scene for the first time in school history including their first appearance in the NCAA Championship tournament (2003), first conference championship (1998, Trans America Athletic Conference) and highest national ranking (20th during the 2000 season). Jones was responsible for the program in its entirety including recruiting, coaching, fundraising, public relations, strength and conditioning, scheduling and all budgetary matters. Under Jones' leadership, Georgia State amassed 91 wins over SEC teams and 33 wins over ACC opponents from 1997-2003. During that period, the Panthers earned 23 victories over top 25 opponents.

ROBERT DUCK

ASSISTANT COACH
5th SEASON
AUGUSTA STATE ('01)

Robert Duck, who works with both the nationally ranked men's and women's golf teams, is in his fifth season at Florida State. He played an integral role in the successes of both programs including the men's national ranking of No. 1 and the women's national ranking inside the top 25 during the 2015 season. Duck has helped coach both programs into the NCAA Tournament in each of his first four years while working with All-Americans and All-ACC honorees on both teams. In his first four seasons at Florida State, the men have produced six All-Americans, 10 All-ACC selections, one ACC Golfer of the Year and two ACC Freshmen of the Year while the women have produced two All-Americans and five All-ACC performers.

During his four seasons, the Seminole men and the Seminole women have appeared in the NCAA Tournament four times each with the men finishing in ninth in the team standings in the 2012 NCAA Championship finals and 11th in the 2015 NCAA Championship finals. In addition, neither team has finished outside of the top five in the ACC Championships as the men have finished in second (twice) and third once and the women have finished third once and have earned two fourth place finishes.

Duck's work with Florida State's players has led to incredible individual success in his first four seasons in Tallahassee. His teaching abilities and coaching philosophies have helped accelerate the careers of two of the top men's players in school history - Brooks Koepka and Daniel Berger - as well as four of the top performers on the women's team - Matilda Castren, Lydia Gumm, Maria Salinas and Jessica Negron. Koepka was named the ACC Golfer of the Year in 2012 and was a three-time All-ACC selection while Berger earned All-ACC honors and played for the United States' Palmer Cup team in 2013. Duck also works with current Seminole junior Jack Maguire - who earned All-America honors in 2014 and 2015, was the 2014 ACC Freshman of the Year, is a two-time All-ACC selection and was a member of the 2014 United States Palmer Cup Team. Castren earned All-American and All-ACC honors and set the school record for lowest stroke average in 2014. Gumm was an All-ACC selection in 2015, Salinas finished in second place in the NCAA Central Regional and earned All-American honors in 2012 and Negron earned All-ACC honors in 2013.

Duck has helped coach the Florida State men to 12 tournament championships in his first four seasons. The Seminoles won four consecutive tournaments and earned six overall team championships and were the No. 1 overall seed in the NCAA Golf championships in 2015. Duck helped the Seminole women win the team championship at the 2014 Web.com/ Marsh Landing Intercollegiate and advance to the 2012 NCAA Central Regional, 2013 NCAA West Regional, 2014 NCAA East Regional and 2015 NCAA San Antonio Regional championships.

The Seminoles - both the men and the women - have been ranked among the nation's top 30 teams throughout his first four seasons at Florida State. The men were ranked as high as No. 1 in 2015 while the women were ranked as high as No. 22 in 2012.

COACHING EXPERIENCE

Duck, one of the rising stars in collegiate coaching, is in his fifth season as an assistant coach at Florida State. He was the acting head coach at Augusta State in 2002, served the Jaguars as a volunteer assistant coach during the 2001-02 season and was an assistant coach for the program during the 2002-03 season. During his tenure as the acting coach at Augusta State, the Jaguars were ranked as high as No. 9 nationally.

COLLEGIATE PLAYING EXPERIENCE

Duck enjoyed a standout career at Augusta State (1998-01) where he earned All-America honors as a sophomore (1999) and led the Jaguars to three NCAA Championship appearances (1998, 1999, 2001). He is one of the top golfers in the storied history of the Augusta State program and remains listed prominently in the record book nearly 15 years after his playing career ended. Duck is ranked second in school history for lowest stroke average by a freshman (73.22) (which stood as the school record for nearly 15 years). It is an average that still ranks in the top 15 in school history. His career stroke average of 73.86 is ranked 14th in school history. During his career he earned 12 top-10 and 28 top-20 individual finishes.

COLLEGIATE COACHING EXPERIENCE

Duck's ability to communicate with the players he coaches is illustrated by the success those players have earned on the golf course. In in first four seasons at Florida State he has worked with nine All-Americans, 15 All-ACC honorees, one ACC Golfer of the Year and two ACC Freshmen of the Year. Each of the eight teams (four men's and four women's) he has helped coach at Florida State has played in the NCAA Tournament and both teams have been ranked in the nation's top 25 during the first four years of his tenure in Tallahassee.

2015 WAS ONE OF THE BEST SEASONS IN PROGRAM HISTORY

Duck helped the Seminole men's golf team to the best season in program history in 2015. The Seminoles finished 11th in the final standings at the NCAA Men's Golf Championships, finished in second place in the ACC Championships, earned a program-best national ranking of No. 1 during the season, were the No. 1 seed in the NCAA men's Golf Championship tournament, had three players earn All-American honors (third first time in school history three players earned All-American honors in the same season) and set a single-season school record with six tournament wins.

2014 WAS A BANNER YEAR

Duck's coaching efforts in 2014 helped the Seminole men to a second place finish in the ACC championship, a fifth place finish in the NCAA Raleigh Regional and an appearance in the NCAA Championship Finals for the third consecutive year. He helped coach one All-American, the ACC Freshman of the Year and All-ACC selections Jack Maguire and Hank Lebioda. The Seminole men won the USF Invitational as they posted the best single round team and tournament score in team history in winning the championship. Duck helped coach freshman Matilda Castren who earned All-American Second Team and All-ACC Honors and who was the runner-up for ACC Player and Rookie of the Year honors as well as All-ACC selection Alex Milan.

SUCCESS OF BROOKS KOEPKA

Duck worked with All-American Brooks Koepka during his final season as a Seminole (2011-12). He was named the ACC Player of the Year and led the Seminoles to a ninth place finish at the NCAA Championship finals in 2012. Koepka earned his PGA Tour card for the 2014-15 season as he finished in a tie for fourth place at the 2014 U.S. Open - a finish which also earned him an invitation to play in the 2015 Masters Championship. Koepka enjoyed his best professional season in 2015 as he finished in the top 10 at both the Open Championship (tied for 10th) and the PGA Championship (tied for fifth) and set a record for a Florida State player with a 13-under par score in finishing in a tie for fifth at the 2015 PGA Championship.

ON COURSE COACHING

Because he has played and coached at such high levels, Duck is known

as a players' coach. His ability to help each student-athlete create long-term training schedules and encourage them to work towards those goals on a daily basis has helped create a teaching environment that has fostered the recent successes of both the Seminoles' men's and women's programs.

NCAA CHAMPIONSHIP HISTORY AS A PLAYER

Duck led Augusta State (now Georgia Regents University) to three NCAA Championship tournament appearances and helped the Jaguars to a seventh place finish as a senior. The seventh place finish was the best in program history at the time. With the foundation put in place by Duck and his teammates, the Jaguars won the NCAA Titles in 2010 and 2011.

SUCCESS IN PROFESSIONAL WORLD

Duck enjoyed a successful career as a manager of professional golfers for the Hambric Sports Group (2003-2012) before accepting his current assistant coaching position at Florida State. She was a four-time qualifier for U.S. Girls' Junior Open and finished in a personal best tied for ninth in both 2007 and 2008. Maggio graduated from Conway High School as one of the most decorated athletes in school history as a star golfer and a star basketball player. AMY BOND

**WOMEN'S HEAD COACH
6th SEASON
FLORIDA STATE ('99)**

For Amy Bond, the President of the Women's Golf Coaches Association, achieving success has become a habit. First as a player, then an assistant coach, and now as its head coach, Bond's energy and enthusiasm for continuing and elevating the tradition of the Florida State program is rivaled by few coaches in all of collegiate golf. During her first five seasons as Florida State's head women's golf coach, Bond has coached two All-Americans, one regional champion, six All-ACC selections, 16 All-ACC Academic Honor Roll selections with 24 academic honors, 12 players who have been named to the All-ACC Academic team and four who have been named to the All-America Scholar Athlete team.

As the Seminoles' head coach, she has led Florida State to five consecutive NCAA Championship Tournament appearances - a streak that brings the program's current school-record streak to 10 consecutive NCAA appearances entering the 2015-16 season.

With her student-athlete first approach, her love of the game of golf, her unbridled enthusiasm for Florida State and her knack for recruiting top-level talent, Bond constantly works to take the Seminole women's golf program to a higher level. That higher level is in the classroom, her relationships with her players, and Florida State's success on the golf course have all allowed her program to become recognized annually as one of the top all-around programs at Florida State.

The Seminole women's golf team is recognized as a star among stars as the Florida State is annually celebrated as one of the top athletic programs in the nation. Florida State has finished in the top 12 in the Director's Cup in each of the last seven years.

In her five seasons at Florida State, the Seminoles have played in five NCAA Championship tournaments, produced the school's first NCAA Regional Champion (Maria Salinas in 2012), earned three All-American citations (Matilda Castren in 2014, Salinas in 2011 and 2013), earned six All-ACC selections (Salinas in 2011 and 2012, Jessica Negron in 2013, Castren and Alex Milan in 2014 and Lydia Gumm in 2015) and had 16 players earn All-ACC Academic honors. As a player Bond earned a spot on the ACC's 50th Anniversary team, as an assistant coach she helped the Seminoles to three NCAA Tournament appearances and as the head coach she has led Florida State to five NCAA Championship appearances in her first five years as the head coach of the Seminoles.

Throughout her playing career at Florida State, she played as one of the Seminoles' top players (she was named Florida State's team MVP in 1997, 1998 and 1999), played with a number of touring professionals (including LPGA major winner Karen Stupples) and has coached many of Florida State's recent greats including the only four-time golf All-American in school history (Caroline Westrup). While achieving success during her career as a player and a coach, Bond has never lost sight of her ultimate goal: the success and achievements of her student-athletes.

In her 10 seasons as a Seminole coach (five as an assistant and five as the head coach), every student-athlete who has played golf at Florida State has earned her bachelor's degree and every one played on at least two NCAA Tournament teams during their careers. The Seminoles are among the NCAA leaders with a perfect APR rating during the first five seasons of Bond's head coaching tenure at Florida State.

RETURNING HOME

Amy Bond joined the long and illustrious list of Florida State alumni who have returned to their alma mater when she was named the Seminoles' head coach on June 25, 2010. She returned to her Seminole roots after an outstanding playing career at Florida State (1995-99) during which she finished in 30th place in the 1999 NCAA Championship Finals and a five-year career as an assistant coach (2001-06) when she helped lead the Seminoles to the NCAA Championships three

times. Bond is one of four Florida State University alumni who are current head coaches at their alma mater joining Frank Bradley (men's and women's swimming and diving), Jennifer Hyde (women's tennis) and Mike Martin (baseball).

FIRST FIVE YEARS AT FLORIDA STATE

Florida State head coach Amy Bond has guided each of her first five Seminole teams to the NCAA Tournament. Including her four years as a Seminole player (1996-99), her five years as a Seminole assistant coach (2002-06) and five as Florida State's head coach, Bond has participated in 12 of 14 NCAA Regional Championships while wearing the Garnet and Gold. The Seminoles will look to play in their school record 11th consecutive NCAA Championship Tournament in 2016.

2014 WAS A SPECIAL SEASON AT FLORIDA STATE

Amy Bond led Florida State to its ninth consecutive NCAA Regional Championship, to the team championship at the Web.com/Marsh Landing Intercollegiate, had one player earn All-American honors (Matilda Castren), and had two players earn All-ACC honors (Castren and Alex Milan) in 2014. In earning All-ACC honors, Castren established a school record for low stroke average in a single season with her 71.83 scoring mark. Florida State's team victory at the Web.com/Marsh Landing Intercollegiate was the first team championship by the Seminoles since the 2010 season when it won the Bryan National Collegiate championship.

BOND AS A TOURNAMENT HOST

Bond's passion for growing the game of golf has increased her desire to plan and host large-scale tournaments at Florida State. She hosted the NCAA East Regional in 2014, a 24-team event that showcased the best in women's collegiate golf in the East regional for the first time in school history. Bond will play host to the Fourth Annual Florida State Match-Up in February of 2016 as she continues to attract high level competition to the city of Tallahassee on an annual basis.

RECRUITING SUCCESS AT FLORIDA STATE

During her first five seasons as the head coach at Florida State, she has continued the tradition of recruiting talented players and outstanding student-athletes to Tallahassee. Her list of top recruits include Matilda Castren, who earned All-American Second Team Honors in 2014, and four players who have been named to the WGCA All-America Scholar Athlete team. In five years as an assistant coach at Florida State, Bond helped recruit four players who earned All-ACC honors a total of eight times and formed the nucleus of two top 20 ranked teams. The Seminoles finished in a tie for 16th nationally in 2006 and in a tie for 19th nationally in 2004. She was also instrumental in recruiting Caroline Westrup - the only four-time All-American and four-time All-ACC selection in school history.

PROFESSIONAL PLAYERS

Bond has recruited and coached seven players who have played, or who are currently playing professional golf. She recruited and coached Kristin Tamulis (Florida State) who is currently playing on the LPGA Tour. She also recruited and coached four-time All-American Caroline Westrup (Florida State) who earned her LPGA Tour Card for the 2014 season (and who played in the 2013 U.S. Open), another who is playing on the LPGA Tour (Lacey Agnew), two who earned success on the Symetra Tour (Jaclyn Burch and Macarena Silva), one (Maria Salinas) on the European Tour and two players (Susannah Aboff, Marlowe Boukis and Michelle Grilli) who began their professional careers on the LPGA Symetra Tour.

BOND ON THE NATIONAL SCENE

Bond is the President of the Women's Golf Coaches Association; she was elevated to the position in December of 2013 and will serve through the 2016 NCAA Championship Finals. She has risen steadily through the ranks of the national governing board after serving the organization as its treasurer. Bond began on the WGCA Board as its treasurer (2008-12), served as its vice president (2012-13) and is currently serving a two-year term as its president. The WGCA was formed in 1983 as an organization to promote participation in women's collegiate golf. The vision of WGCA since its inception has been to encourage the playing of inter-

collegiate golf for women in correlation with a general objective of education and in accordance with the highest tradition of intercollegiate competition.

COMMUNITY SERVICE CHAMPIONS

The Seminoles women's golf team has won 12 of the last 14 (including 12 consecutive) Athletic Director's Cup for Service at Florida State's annual Golden Nole Banquet. The Athletic Director's Cup for Service is presented annually and is the most prestigious award given to the Seminole student-athletes. It goes to the team that contributes the most service hours to the community over the course of an entire year. The Seminoles won the Athletic Director's Cup for Service in each of Bond's five years as an assistant coach and in her first three seasons as the Seminoles' head coach.

PERSONAL

An Ocala, Fla., native, Bond earned a bachelor's degree in sport management from Florida State in 1997 before earning her master's degree in sport administration from Florida State in 1999. Bond's twin brother, Tommy, is the Director of Athletics and head baseball coach at Trinity Catholic in Ocala, Fla. Tommy led Trinity Catholic to the 4A state championship in 2014.

JENNIFER SANTIAGO

FLORIDA STATE REACHES NO. 1

For much of the 2015 season, Florida State Men's Golf proved to be the team to beat as it reached No. 1 in the Bushnell Golfweek Division I Coaches Poll. Beginning with the April 3, 2015 Poll, FSU held the top spot before finishing third in the final poll following its 11th-place finish at the NCAA Championship. Florida State won a school-record six tournament championships in the 2014-15 year, winning the Tavistock Collegiate Invitational, the FGCU Classic, the Querencia Cabo Collegiate, the Seminole Intercollegiate, the Valspar Invitational and the Gary Koch Intercollegiate.

ALL-AMERICANS GALORE

Three Seminoles in Jack Maguire, Hank Lebioda and Rowin Caron were named All-Americans, the most FSU has produced in a single season. Maguire was a First Team Golfweek All-American and a Second Team Golf Coaches Association of American All-American. Maguire became FSU's fifth first-team All-American following his 70.81 stroke average and -0.38 average vs. par. Lebioda was a second-team All-American by both organizations after being named ACC Player of the Month twice. Caron received top honors for the first time after being named a Golfweek Third Team All-American, finishing 30th nationally in the Golfweek/Sagarin individual rankings.

JONES EARNS ACC COACH OF THE YEAR

FSU Men's Golf Head Coach Trey Jones picked up his second ACC Coach of the Year honor in the 2015 season after molding the Seminoles into the league's most consistent group. Jones, who earned his first ACC Coach of the Year award in 2008, guided the Seminoles to their first No. 1 overall seed in the NCAA Tournament, marking their school-record 10th consecutive visit to the NCAA postseason.

COMEBACK KIDS!

Florida State's six tournament wins in 2014-15 were impressive enough, but its comeback fashion was an even greater achievement. At the Seminole Intercollegiate, FSU shot 17-under par in the final round to erase an eight-stroke deficit to leader East Tennessee State to win on its home course. At the Querencia Cabo Collegiate, FSU came back from trailing by three strokes to USF. It seemed like when the situation became more difficult, FSU would raise its game in the final round and persevere.

The 2015 Seminole Intercollegiate was one of six tournament championships for Florida State.

Rowin Caron helped the Seminoles to their continued school record of 10 straight NCAA Championship appearances.

Trey Jones won his second ACC Coach of the Year honor in 2015.
