LEAVING A LEGACY

STARTING THEM YOUNG

When it comes to getting as much as you can out of your freshmen, no one has proven to do it better in the ACC than Florida State. In two of the last four seasons, an FSU Men's Golfer has been named the ACC Freshman of the Year. They include Hank Lebioda (2013) and Jack Maguire (2014).

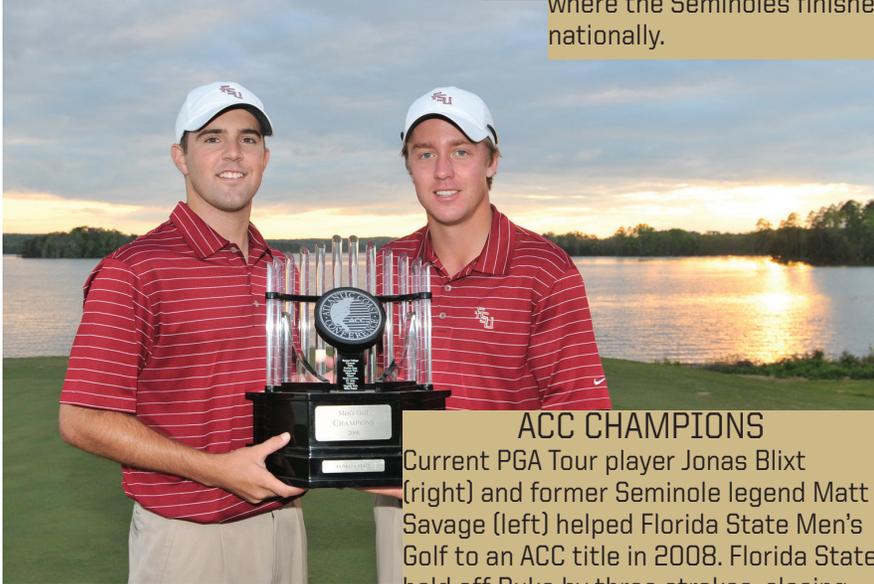

WHEN THE STAKES ARE HIGHEST

In four of the last seven seasons, Florida State Men's Golf has finished in the Top 11 of the NCAA Division I Championship. Included in the high finish is two seasons where FSU finished in the Top eight, including the 2010 NCAA Championship where the Seminoles finished third nationally.

KOEPKA EMERGES

One of the best young golfers on the PGA Tour, Brooks Koepka accelerated his game while being a two-time ACC Player of the Year at Florida State. In 2010 and 2012, the native of Wellington, Fla., earned top individual honors in the conference.

ACC CHAMPIONS

Current PGA Tour player Jonas Blixt (right) and former Seminole legend Matt Savage (left) helped Florida State Men's Golf to an ACC title in 2008. Florida State held off Duke by three strokes, closing the final round with a 280 to finish with an aggregate score of 838 overall.

ALL-AMERICA RUN

Seminole Men's Golf has enjoyed a healthy run of All-Americans, especially over the last five seasons which has coincided with the program's successful stretch. Since 2012, FSU has had at least one All-American in each season, including 2015 PGA Tour Rookie of the Year Daniel Berger (shown in 2013).

NOLES IN THE PROS

Paul Azinger

Starting the PGA Tour in 1982, Paul Azinger had 12 wins including the 1993 PGA Championship. After transferring from Brevard Community College, Azinger completed his collegiate career at Florida State in 1981. While at Florida State, Azinger led the Seminole golf team to its then-highest ranking ever and was named the Metro Conference Champion and the Most Valuable Player in 1981. Azinger was named to the FSU Hall of Fame in 1988.

The Holyoke, Mass., native was a member of the U.S. Ryder Cup four times (1989, 1991, 1993, 2002) and captain of the 2008 team that won at Valhalla Golf Club in Louisville, Ky. Throughout his career Azinger was passionate about playing in the Ryder Cup and his hard work paid off as he and America's top golfers returned the Ryder Cup to the United States for the first time since 1999.

Azinger got his first win in 1987 as he went on to win the Phoenix Open, Panasonic Las Vegas Invitational and Canon Sammy Davis Jr. Greater Hartford Open. In 1992 he won The Tour Championship and followed up with his best year in 1993. He won the coveted PGA Championship along with the Memorial Tournament and New England Classic. After battling cancer, Azinger came back strong by winning the 2000 Sony Open in Hawaii. He spent almost 300 weeks in the top-10 of the Official World Golf Rankings between 1988 and 1994.

Hubert Green

Seminole golf legend Hubert Green, who won 23 events professionally, was inducted into the World Golf Hall of Fame in 2007 and was honored at the Induction Ceremony on Nov. 12, 2007, at the World Golf Village in St. Augustine, Fla.

Green came to Florida State in 1965 and served as the captain of the golf team in 1968. He led Florida State to a 10th place finish in the NCAA Championship in 1968 and guided the Seminoles to several impressive dual meet victories over many teams in the Southeastern United States including Florida during his collegiate career. Green was inducted in the Florida State Athletics Hall of Fame in 1977. He graduated from Florida State and turned professional in 1969.

Green is one of the most successful professional golfers in the history of the sport. He won 19 events while playing on the PGA Tour including the U.S. Open Championship in 1977 and the PGA Championship in 1985. He played on the 1977, 1979 and 1985 U.S. Ryder Cup Teams and also won four events on the Champions Tour before retiring in 2009. His most recent championship came in 2002 at the Lightpath Long Island Classic, winning in a playoff over Hale Irwin.

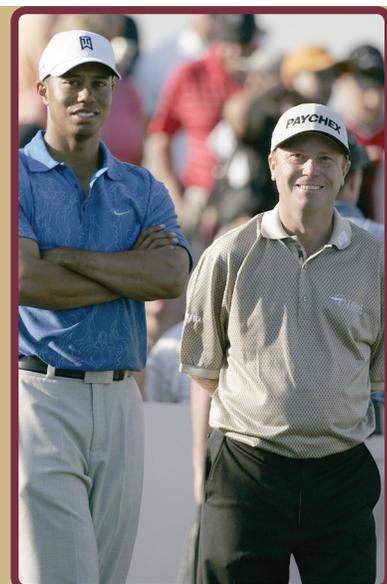

Jeff Sluman

Born and raised in Rochester, N.Y., Jeff Sluman transferred to Florida State in 1978 and became one of the best golfers on the team until he graduated with a finance degree in 1980. While on the PGA Tour, he won six titles including the 1988 PGA Championship. Named to the 1989 Florida State Hall of Fame Class, his time at Florida State was well spent as he led the team to three tournament wins and the NCAA tournament.

Before he arrived in Tallahassee, he won the 1978 New York State Amateur Tournament. Playing on the PGA Tour from 1980-2009, he finished in the top ten 105 times. His first tour victory happened to be the 1988 PGA Championship but he did not win another tournament until the 1997 Tucson Chrysler Classic. He followed up with another win at the 1998 Greater Milwaukee Open and the 1999 Sony Open in Hawaii. In 2001 he won the B.C. Open and had his last PGA Victory with the 2002 Greater Milwaukee Open.

Sluman still plays professional golf on the Champions Tour, recording eight Top 10 finishes in the 2014 and 2015 seasons. He's had six wins since 2008 including the 2014 Big Cedar Lodge Legends Tournament, the 2013 Liberty Mutual Insurance Legends of Golf, the 2011 Nature Valley First Tee Open at Pebble Beach, the 2009 and 2008 Walmart First Tee Open at Pebble Beach and the 2008 Bank of America Championship.

RETURNING ALL-ACC GOLFER CRISTOBAL DEL SOLAR

The upcoming 2017 Florida State Men's Golf spring season figures to be an interesting one. The Seminoles are a different group minus the graduations of All-Americans Hank Lebioda and Rowin Caron. However, much talent remains and sets up for an exciting year as head coach Trey Jones leads the team in his 14th year.

This past fall, Florida State showed signs of progress as it participated in three tournaments. Its best finish came at the opening tournament, the Rod Myers Invitational held at Duke University Golf Club in Durham, N.C. FSU placed third out of 14 participating teams, proving that it is more than capable of challenging some of the best teams in collegiate golf.

Expected to be the catalyst for the Seminoles in the spring is Chile native and redshirt senior Cristobal Del Solar. He earned one Top-5 finish in the fall, highlighted by his tied for second-place finish at the Rod Myers Invitational. In that tournament, Del Solar shot a 6-under 66 to mark the lowest single-round score by a Seminole in the fall. Del Solar is coming off a year where he earned PING All-Southeast Region Team honors and All-ACC honors.

Redshirt junior Harry Ellis emerged with a strong fall season and looks to be headed into the spring year with full momentum. The redshirt sophomore from England is known as the team's longest-hitting driver off the tee and appears to be harnessing everything else needed to complete a good round. He finished the fall tying for fifth at the Jerry Pate Intercollegiate in Alabama.

Senior Josh Lee is a steady presence who could be an X-factor this upcoming season. After shooting the best among every Seminole in last year's NCAA Championship, the senior from Orange Park, Fla., is a 2016 Cleveland/Srixon All-America scholar who knows how to use his smarts on the course.

The unquestioned leader of FSU is Jones at the helm. With the help of some talented performers, Jones has guided the Seminoles to five straight appearances in the NCAA Championship, where only the Top 30 of the NCAA postseason advance. The streak is the longest in the Atlantic Coast Conference, helping make FSU one of the standard bearers in the conference.

Heading into the spring season, FSU has finished in the Top 5 in 53 of its last 75 tournaments played. In order to continue its run of consistency, redshirt freshman Jonathan Keppler and sophomores Corey Carlson and Bennett Baker will need to raise their games as well. All three have shown flashes of brilliance with the Garnet and Gold and have what it takes to help the program reach the next step.

While senior Anthony Alex is another key returnee along with sophomore Tyler Bakich, freshmen Greyson Porter (Clearwater, Fla.), Jake Carter (Aiken, S.C.) and Jamie Li (Bath, England) will also be looked at to provide help to this year's squad.

FSU begins the spring on Feb. 6-7, 2017, at the Sea Best Invitational at the famed TPC Sawgrass course in Ponte Vedra Beach. The Seminoles then compete at the SunTrust Gator Invitational and Querencia Cabo Collegiate before hosting the Seminole Intercollegiate on March 10-12 at Southwood.

Following two more tournaments, the ACC Championship is April 21-22 in Clinton, S.C., followed by NCAA Regionals May 15-17. The NCAA Championship (May 26-31) is held in Sugar Grove, Ill.

TREY JONES

DIRECTOR OF GOLF/HEAD COACH
14th SEASON
NORTH ALABAMA ('91)

- Two-time ACC Coach of the Year (2008, 2015)
- Five straight NCAA Championship appearances (longest active streak in ACC)
- 20 tournament wins (most in school history)
- Nine All-Americans and 20 All-America honors in his tenure

Top national finishes, All-Americans, professional success and academic achievement have become synonymous with the Florida State men's golf program under Trey Jones. Now in his 14th season as the head men's coach and Director of Golf for the Seminoles' men's and women's golf programs, Jones has lifted the sport of golf at Florida State to new heights.

Under his direction, there is no limit on how high the Seminole programs will go. Florida State Golf will remain in excellent hands in the foreseeable future, as Director of Athletics Stan Wilcox announced on June 5, 2015, that he extended Jones' contract through the 2020 season.

"Trey has done an outstanding job and I am pleased that he has committed to FSU's long-term success," said Wilcox. "We are consistently competing at the very highest level and our program, which has had great past success, is arguably at its strongest ever. We look forward to continued success under Trey's outstanding leadership."

Jones is responsible for attracting nationally ranked recruiting classes, upgrading the Seminoles' schedule to where it is ranked among the nation's toughest on an annual basis and creating one of the most functional player development facilities in all of college golf on one of the Seminoles' five home golf courses. Jones continues annually to build on the Seminoles' success in developing the nation's top talent into national contenders and collegiate golf's elite players.

The top-notch head coach helped FSU Men's Golf achieve more milestones in 2016. For the fifth consecutive year, the Seminoles made the NCAA Tournament - the longest active streak in the ACC and tied for the sixth-longest nationally. Senior Hank Lebioda became the third Seminole to win ACC Player of the Year honors, while redshirt junior Cristobal Del Solar's career year put him on the All-ACC Team and PING Southeast All-Region Team alongside Lebioda. Senior leader Lebioda was also a PING All-American.

FSU's two All-ACC selections in 2016 makes it 10 straight years the Seminoles have garnered multiple all-conference selections. Heading into the 2017 spring season, FSU has finished in the Top five in 53 of its last 75 tournaments played, equating to an impressive 70.6 percent.

Jones guided Florida State to its most successful season in program history in 2015, earning ACC Coach of the Year honors for the second time. FSU ranked No. 1 in the Golf Coaches Association of America Poll for most of the season and entered the NCAA Tournament as the No. 1 overall seed for the first time ever. The Noles set a school record with six tournament victories and established three All-Americans in Jack Maguire (First Team), Hank Lebioda (Second Team) and Rowin Caron (Third Team) - the most in a single year.

Named the 2008 Atlantic Coast Conference Coach of the Year as he led the Seminoles to the first conference championship in the

sport of golf in school history, Jones is no stranger to competing with the nation's best in one of the top conferences for college golf.

Building championship teams and elevating those teams onto the national stage is nothing new to Jones, who has earned five conference coach of the year awards and led 15 of his 20 teams at the Division I level to the NCAA Championship tournament. His teams consistently hold prominent places in the national rankings, are adept at winning conference championships and are annually among the top producers of All-American and all-conference performers.

Jones has become one of the winningest coaches in school history in his first 13 years in Florida State. He is the only coach in school history to lead the Seminoles to 11 NCAA Tournament appearances (no other coach has led Florida State to more than five appearances) and he is ranked first in school history with 20 tournament championships (second is nine by Don Veller). The Seminoles have appeared in a school record 11 consecutive NCAA Tournaments entering the 2016-17 season.

2015 NCAA CHAMPIONSHIP

A prominent season was capped by an 11th-place finish at the NCAA Championship Finals, as the Seminoles fell just short of reaching the top eight by the final round. Individually, Jack Maguire finished 22nd overall while Del Solar ended at 35th. Maguire would earn first-team All-America honors from Golfweek and second-team honors from the GCAA, while Lebioda earned second-team All-America honors from both organizations. Rowin Caron highlighted his junior season as a third-team Golfweek All-American while getting honorable mention accolades from the GCAA. FSU enjoyed a dominant stretch of winning four consecutive tournaments, and also won four tournaments by coming from behind on the final day.

2014 NCAA CHAMPIONSHIP

Florida State once again returned to the NCAA Championship Finals, but it was with a much different looking team from the previous year. The Seminoles fielded the youngest team in the tournament with two freshmen, two sophomores and a senior and was one of only three schools (in a field of 30), with only one upperclassman in the line-up. Freshman Jack Maguire became the first freshman to be ever named an All-American at Florida State as he was named to the second team by Golfweek and to the third team by the GCAA. Maguire and sophomore Hank Lebioda were named to the All-ACC team and Maguire was tabbed the ACC Freshman of the Year. The Seminoles smashed apart the record book at the USF Invitational as the team posted the lowest round (24-under 264) and lowest three-round tournament score (41-under 823) in school history. Maguire created his mark with the lowest round in school history (10-under 62) and second lowest tournament score (16-under 200).

2013 NCAA CHAMPIONSHIP

Florida State finished in 11th place at the 2013 NCAA Championship Finals at the Capital City Club Crabapple in Atlanta, Ga. The Seminoles are just one of two teams to finish in the top 11 of the NCAAs in three or the last four years. Sophomore Daniel Berger led the team at the Championships finishing tied for second with a 6-under 204. Both Berger and Chase Seiffert earned All-American status for the year as Lebioda was named 2013 ACC Freshman of the Year.

2012 NCAA CHAMPIONSHIP

Florida State earned an eighth place national finish at the 2012 NCAA Championship Finals to mark the second time in three seasons the Seminoles finished in the top eight of the standings at the national tournament. The Seminoles entered the championship ranked No. 19 in the nation by GolfStat and finished as one of only two teams ranked outside of the top eight to finish in the top eight of the final standings.

2010 NCAA CHAMPIONSHIP

Florida State finished in a tie for third place at the 2010 NCAA Championship Finals to earn the best national finish in school history. The Seminoles fell to Augusta State (the 2010 National Champion) in the semifinals of the championship tournament after defeating Texas Tech in the first round of match play. The Seminoles led the stroke play portion of the tournament and finished in second place to earn the No. 2 seed in the match play portion of the event. The third place finish at the NCAA Championship marked the best finish in school history - one better than the Seminoles fourth place national finish in 1957 and tied for fourth place finish in 1958.

2008 ACC CHAMPIONSHIP

Florida State, which was led by All-Americans Jonas Blixt and Matt Savage, won its first ever Atlantic Coast Conference championship as it defeated Duke by three strokes at the 2008 ACC Championship at the Old North State Club at Uwharrie Point. The Seminoles defeated Duke as they rallied from a one stroke deficit after two rounds to claim the school's first ever ACC championship in the sport of golf. Each of the five team members contributed to the victory as the Seminoles closed the 54-hole tournament with four players under par. Blixt and Savage led the way with eight-under par 208 scores as they both finished in a tie for third in the individual standings.

RECRUITING

Known as one of the nation's most dynamic recruiters, Jones is nationally recognized as one of the top talent scouts in all of collegiate golf. His ability to recruit talented players, which in turn helps him build solid teams, is one of the aspects of coaching that has made Jones a top Division I coach. Florida State's recruiting class ranked fourth best in the nation in 2007, fifth best in 2008, sixth best in 2005 and among the nation's top 15 in 2006, 2010 and 2012.

The four-year letterwinner leaves FSU as the program's career leader in par or better rounds (76), percentage of counting scores (93.4 percent) and birdies (467). The Winter Springs, Fla., native was the 2016 ACC Player of the Year, a four-time All-ACC Team member, a two-time All-America and a two-time ACC Player of the Month. Having an FSU legacy in his family, Lebioda embodied the true meaning of being a Seminole and has an excellent chance of succeeding on the pro tour.

BROOKS KOEPKA

Jones coached Brooks Koepka - the school record holder for lowest stroke average in a single season (71.09) and for a career (71.85) - the ACC Golfer of the Year in 2010 and 2012 and a three-time All-ACC selection. Koepka was named the ACC Golfer of the Year twice, the ACC Rookie of the Year in 2009 and earned All-American twice

in his career in leading the Seminoles to four consecutive NCAA Tournament appearances and two top-10 NCAA Championship Finals finishes. As a senior, Koepka tied the school record with a nine under par score of 63 in the third round of the FAU Spring Break Invitational and set the school record with his 199 total for three rounds of the event. Koepka won three events as a senior - at the Brickyard Collegiate Championship, the Seminole Intercollegiate, the FAU Spring Break Invitational. Koepka secured his status on the PGA Tour by tying for fourth place in the 2014 U.S. Open, and finished the 2015 season with Top 10 major finishes at The Open Championship (T-10th) and the PGA Championship (T-5th). He won his first tournament at the 2015 Waste Management Phoenix Open. In 2016, he played an enormous role in helping the U.S. Ryder Cup defeat Europe and also tied for fourth at the PGA Championship.

DANIEL BERGER

Under Jones' tutelage, Daniel Berger secured All-America status in 2013 by earning first-team honors from the GCAA and Golfweek. Berger's 69.79 average score in the 2012-13 year makes him the only Seminole to shot sub-70 in a season, an average score that led the country. He finished as an All-ACC selection in the same spectacular year, and joins former teammate Koepka as two of the best young players on the PGA Tour. Berger was honored as the 2014-15 PGA Tour Player of the Year, and won his first tournament at the 2016 FedEx St. Jude Classic.

JONAS BLIXT

Jones coached one of Florida State's all-time best players - Jonas Blixt - to All-America honors and the first individual ACC Championship in school history. Blixt earned Ping/Division I All-American First Team honors in 2008 and Ping/Division I All-American second team honors in 2007. He is one of only three players in school history to earn All-American First and Second Team honors during his career. Blixt won the ACC individual championship in 2007 to become the first Seminole to win ACC medalist honors. He helped lead Florida State to the 2008 ACC Championship - the first ACC golf championship in school history - and earned All-ACC honors twice during his career. Blixt is currently playing on the PGA Tour with two wins, the 2012 Frys.com Open and 2013 Greenbrier Classic. He earned All-American Honorable Mention honors from Ping/Golf Coaches' Association of America in 2010 and Southeast Regional All-American honors in 2011. Kittleson helped lead Florida State to the 2008 ACC Championship - the first ACC golf championship in school history and to a third place finish at the NCAA Division I Championship finals in 2010 - the highest national finish in school history. After a second place finish at the 2009 U.S. Amateur, he

earned exemptions to play in both the 2009 Masters and U.S. Open Championships.

ACADEMIC SUCCESS

Committed to the academic and athletic success of his student-athletes, Jones has coached 33 members of the ACC Academic Honor Roll, seven members of the ACC Academic Golf Team and three members of the Golf Coaches' Association of America All-American Scholar team. His team was also nationally recognized in 2010 as one of the few schools in the NCAA to achieve a perfect APR score of 1000 since the inception of the Academic Progress Rate program in 2003. During his tenure at Georgia State, he coached 10 members of the Atlantic Sun All-Academic team and 20 members of the TAAC All-Academic team.

He led the Panthers onto the national scene for the first time in school history including their first appearance in the NCAA Championship tournament (2003), first conference championship (1998, Trans America Athletic Conference) and highest national ranking (20th during the 2000 season). Jones was responsible for the program in its entirety including recruiting, coaching, fundraising, public relations, strength and conditioning, scheduling and all budgetary matters. Under Jones' leadership, Georgia State amassed 91 wins over SEC teams and 33 wins over ACC opponents from 1997-2003. During that period, the Panthers earned 23 victories over top 25 opponents.

ROBERT DUCK

ASSISTANT COACH
6th SEASON
AUGUSTA STATE ('01)

Robert Duck, whose tenure as an assistant coach with both the Seminole men's and women's golf teams has coincided with the greatest period of growth in the history of the two programs, is in his sixth season at Florida State. Under Ducks' tutelage, both Seminole teams have become perennial leaders in national rankings and course statistics as well as in the production of All-Americans and All-ACC performers, as he has helped raise the profiles of both programs to the levels necessary to compete as top collegiate programs on an annual basis.

Duck plays an integral role in the successes of both programs including the men's national ranking of No. 1 and the women's national finish of 15th during the 2016 season. Duck has helped coach both programs into the NCAA Tournament in each of his first five years while working with All-Americans and All-ACC honorees on both teams.

In his first five seasons at Florida State, the men have produced seven All-Americans, 12 All-ACC selections, two ACC Golfers of the Year (Brooks Koepka in 2012 and Hank Lebioda in 2016) and two ACC Freshmen of the Year while the women have produced two All-Americans and seven All-ACC performers.

During each of his five seasons, the Seminole men and the Seminole women have appeared in the NCAA Tournament five times each with the men finishing in ninth in the team standings in the 2012 NCAA Championship finals and 11th in the 2015 NCAA Championship finals and the women finishing in 15th at the 2016 NCAA Championship Finals. The men have finished in second (twice) and third once and the women have finished third once and have earned two fourth place finishes in their respective ACC Championships.

Duck's work with Florida State's players has led to incredible individual success in his first five seasons in Tallahassee. His teaching abilities and coaching philosophies have helped accelerate the careers of two of the top men's players in school history - Brooks Koepka and Daniel Berger - as well as four of the top performers on the women's team - Matilda Castren, Lydia Gumm, Maria Salinas and Jessica Negron. Koepka was named the ACC Golfer of the Year in 2012 and was a three-time All-ACC selection while Berger earned All-ACC honors and played for the United States' Palmer Cup team in 2013. Duck also worked with Seminole All-America Hank Lebioda - who earned All-America honors in 2015 and 2016, was the 2013 ACC Freshman of the Year, a four-time All-ACC selection and was a member of the 2014 United States Palmer Cup Team. Castren earned All-American honors in 2014, is a two-time All-ACC honoree and holds the record for lowest stroke average in school history. Gumm was an All-ACC selection in 2015, Salinas finished in a tie for first in the NCAA Central Regional and earned All-America honors in 2012 and Negron earned All-ACC honors in 2013.

Duck has helped coach the Florida State men to 13 tournament championships in his first five seasons in Tallahassee. The Seminoles won four consecutive tournaments, earned six overall team championships and were the No. 1 overall seed in the NCAA Golf Championships in 2015. Duck helped the Seminole women win three team championships and finish in second place at the 2016 NCAA Shoal Creek Regional.

The Seminoles - both the men and the women - have been ranked among the nation's top 30 teams throughout his first five seasons at Florida State. The men were ranked as high as No. 1 in 2015 while the women were ranked as high as No. 16 in 2016.

COACHING EXPERIENCE

Duck is one of the rising stars in collegiate coaching. He was the acting head coach at Augusta State in 2002, served the Jaguars as a volunteer assistant coach during the 2001-02 season and was an assistant coach for the program during the 2002-03 season. During his tenure as the acting coach at Augusta State, the Jaguars were ranked as high as No. 9 nationally.

COLLEGIATE PLAYING EXPERIENCE

Duck enjoyed a standout career at Augusta State (1998-01) where he earned All-America honors as a sophomore (1999) and led the Jaguars to

three NCAA Championship appearances (1998, 1999, 2001). He is one of the top golfers in the storied history of the Augusta State program and remains listed prominently in the record book 15 years after his playing career ended. Duck is ranked second in school history for lowest stroke average by a freshman (73.22) (which stood as the school record for nearly 15 years). It is an average that still ranks in the top 15 in school history. His career stroke average of 73.86 is ranked 14th in school history. During his career he earned 12 top-10 and 28 top-20 individual finishes.

COLLEGIATE COACHING EXPERIENCE

Duck's ability to communicate with the players he coaches is illustrated by the success those players have earned on the golf course. In his first five seasons at Florida State he has worked with 10 All-Americans, 19 All-ACC honorees, two ACC Golfers of the Year and three ACC Freshmen of the Year. Each of the ten teams (five men's and five women's) he has helped coach at Florida State has played in the NCAA Tournament and both teams have been ranked in the nation's top 20 during the first five years of his tenure in Tallahassee.

2016 WAS A SPECIAL YEAR FOR THE SEMINOLE WOMEN

Duck helped the Seminole women finish the 2015-16 season ranked 19th nationally by Golfstat, 24th nationally by Golfweek, finish 15th nationally in the NCAA Division I Championship Finals, finish second at the NCAA Division I Shoal Creek Regional, win team championships at the fall 2015 Jacksonville Classic and the spring 2016 Florida State Match-Up, finish in the top five of nine of its 13 matches, have two players earn NCAA Shoal Creek All-Region honors (Matilda Castren and Kim Metraux) and have two players earn All-ACC honors (Castren and Metraux).

2015 WAS ONE OF THE BEST IN PROGRAM HISTORY

Duck helped the Seminole men's golf team to the best season in program history in 2015. The Seminoles finished 11th in the final standings at the NCAA Men's Golf Championships, finished in second place in the ACC Championships, earned a program-best national ranking of No. 1 during the season, were the No. 1 seed in the NCAA men's Golf Championship tournament, had three players earn All-American honors (third time in school history three players earned All-American honors in the same season) and set a single-season school record with six tournament wins.

2014 WAS A BANNER YEAR

Duck's coaching efforts in 2014 helped the Seminole men to a second place finish in the ACC championship, a fifth place finish in the NCAA Raleigh Regional and an appearance in the NCAA Championship Finals for the third consecutive year. He helped coach one All-American, the ACC Freshman of the Year and All-ACC selections Jack Maguire and Hank Lebioda. The Seminole men won the USF Invitational as they posted the best single round team and tournament score in team history in winning the championship. Duck helped coach freshman Matilda Castren who earned All-American Second Team and All-ACC Honors and who was the runner-up for ACC Player and Rookie of the Year honors as well as All-ACC selection Alex Milan.

SUCCESS OF BROOKS KOEPKA

Duck worked with All-American Brooks Koepka during his final season as a Seminole (2011-12). He was named the ACC Player of the Year and led the Seminoles to a ninth place finish at the NCAA Championship finals in 2012. Koepka earned his PGA Tour card for the 2014-15 season as he finished in a tie for fourth place at the 2014 U.S. Open - a finish which also earned him an invitation to play in the 2015 Masters Championship. Koepka enjoyed his best professional season in 2015 as he finished in the top 10 at both the Open Championship (tied for 10th) and the PGA Championship (tied for fifth) and set a record for a Florida State player with a 13-under par score in finishing in a tie for fifth at the 2015 PGA Championship. Koepka won the championship of the 2015 Phoenix Open for his first PGA Tour victory. Koepka also competed in the 2016 U.S. Ryder Cup and collected three points.

SUCCESS OF DANIEL BERGER

Duck coached Daniel Berger, the 2016 FedEx St. Jude tournament cham-

panion on the PGA Tour, during his stellar two-year career as a Seminole. Berger won two individual titles (the spring 2013 Gator Invitational and the spring 2013 Seminole Invitational), was a two-time First-Team All-American, was named to the All-Nicklaus Team, the All-ACC Team and the Ping All Region team as a sophomore during his career at Florida State. He led the ACC in stroke average and carded his career low score of 65 during the spring of his sophomore season. Berger was named the 2015 PGA Tour Rookie of the Year.

ON COURSE COACHING

Because he has played and coached at such high levels, Duck is known as a players' coach. His ability to help each student-athlete create long-term training schedules and encourage them to work towards those goals on a daily basis has helped create a teaching environment that has fostered the recent successes of both the Seminoles' men's and women's programs.

NCAA CHAMPIONSHIP HISTORY AS A PLAYER

Duck led Augusta State (now Georgia Regents University) to three NCAA Championship tournament appearances and helped the Jaguars to a seventh place finish as a senior. The seventh place finish was the best in program history at the time. With the foundation put in place by Duck and his teammates, the Jaguars won the NCAA Titles in 2010 and 2011.

SUCCESS IN PROFESSIONAL WORLD

Duck enjoyed a successful career as a manager of professional golfers for the Hambric Sports Group (2003-2012) before accepting his current assistant coaching position at Florida State. Based in London, Duck was the supervisor of the European Division of Hambric Stellar Golf. He was a player manager who oversaw public relations and marketing for seven clients including 1988 Masters champion Sandy Lyle, 2005 European Tour Rookie of the Year Gonzalo Fernandez-Castano, former Augusta State All-American Oliver Wilson and Francesco Molinari.

PERSONAL

Duck is married to the former Michelle Digsby. The couple has two daughters, Annabel (nine) and Hannah (six). He earned his Bachelor's Degree in Marketing from Augusta State in 2001. A native of Northampton, England, he represented Great Britain-Ireland as a member of the 1998 Palmer Cup team. Duck played in the 1997 European Amateur Championship and finished tied as the runner-up with Sergio Garcia and Luke Donald.

MARY MICHAEL MAGGIO

ASSISTANT COACH
2ND SEASON
TEXAS A&M ('13)

Mary Michael Maggio, who helped lead the Seminoles to the NCAA Championship Finals in 2016, is in her second season as an assistant coach at Florida State. During her first season in Tallahassee, she helped coach the Seminoles to a 15th place finish at the NCAA Championship Finals, a second place finish at the NCAA Shoal Creek Regional Championships and a pair of regular season team championships. Florida State's appearance in the NCAA Championship Finals was the Seminoles' first since 2010 and helped them finish the season ranked 16th nationally.

Florida State's golfers also earned a great deal of individual success with Maggio on the Seminoles' coaching staff during the 2015-16 fall and spring seasons. Matilda Castren finished as the co-champion of the NCAA Shoal Creek Regional. Castren and Kim Metraux earned All-ACC honors and Florida State finished third in stroke average in the incredible competitive ACC. A pair of Seminoles - Matilda Castren (three individual wins) and Lydia Gumm (her first career individual win) - earned individual championships and Morgane Metraux set the school record for best win and lowest school in an NCAA regional championship.

Maggio came to Florida State after one year as an assistant coach at Baylor (2014-15) and one season as an assistant coach at Houston (2013-14). She helped coach the Baylor women's golf team to a second place finish at the 2015 NCAA Championships. As a standout player, she won the Big 12 Championship and earned All-Big 12 honors at Texas A&M in 2012.

Maggio helped coach Florida State to the fourth round of the 2016 NCAA Championship Finals as she helped the Seminoles to the cusp of match play to decide the national champion. The Seminoles qualified for the finals with a second place finish at the NCAA Shoal Creek Regional Championship - the highest regional finish in school history. Florida State's regional finish advanced it to the championship finals for the first time since 2010 and for the 10th time in school history.

Maggio is no stranger to success in the NCAA Championship Finals and she helped coach Baylor to within one hole of the NCAA Title in 2015.

She coached the Bears to a national runner-up finish at The Concession Golf Club in Bradenton, Fla., in May of 2015. The Bears fell to Stanford on the first extra hole of a playoff to finish second and earn Baylor's highest NCAA finish in the sport of women's golf. Baylor defeated Tennessee in the national quarterfinals and Duke in the semifinals to reach the national championship match. Baylor and Stanford split the first four matches before Stanford clinched the national championship on the 19th hole of the final match.

Maggio began her coaching career at the University of Houston where she was an assistant coach during the inaugural season for the Cougar women's golf team during the 2013 and 2015 fall and spring seasons. She worked with head coach Gerrrod Chadwell and flourished as a staff with only three golfers on their roster. With only three golfers, the Cougars were ineligible to compete as a team. Maggio helped coach sophomore Raegan Bremer to All-AAC honors and an individual victory in the Houston Baptist University Husky Invitational during the spring of 2014.

Maggio forged a successful collegiate playing career at both LSU (2010 and 2011) and at Texas A&M (2012 and 2013). During her first two seasons at LSU, she helped lead the Tigers to the team championships at the 2009 NGCA Match Play and 2010 Mason Rudolph tournaments. During her two seasons at Texas A&M, Maggio won the 2012 Big 12 Championship, earned All Big 12 and All Big 12 Tournament honors in 2012 and was named to the 2013 SEC Academic Honor Roll. Individually she earned individual championships at the 2012 Big 12 Championship and the fall 2012 Liz Murphey Fall Preview.

Maggio enjoyed a stellar junior career before beginning her collegiate playing career. She earned All-American honors by the American Junior Golf Association and was ranked No. 9 nationally in the AJGA in 2009. Maggio was a two-time Arkansas state champion (2006 and 2007) and earned All-State honors in each of her four seasons on the girls' varsity golf team. In 42 high school matches she was a medalist 37 times and was the runner-up in the other five events.

Maggio earned her Bachelor's Degree in Agricultural Communications and Journalism from Texas A&M in 2013.

MAGGIO AT FLORIDA STATE

Maggio helped Florida State finish the 2015-16 season ranked 19th nationally by Golfstat, 24th nationally by Golfweek, 15th nationally in the NCAA Division I Championship Finals, second at the NCAA Division I Shoal Creek Regional, win team championships at the fall 2015 Jacksonville Classic and the spring 2016 Florida State Match-Up, finish in the top five of nine of its 13 matches, have two players earn NCAA Shoal Creek All-Region honors (Matilda Castren and Kim Metraux) and have two players earn All-ACC honors (Castren and Metraux).

MAGGIO AT BAYLOR

Maggio helped lead Baylor to a second place finish in the NCAA Championship Finals in her only season with the Bears in 2015. The Bears finished third in stroke play and missed winning a national championship in match play against Stanford by one stroke. Baylor won four events during the regular season as it captured the team championships at the Northrup Grumman Regional Challenge, the Texas San-Antonio Tri Match, the Big 12 tournament and the NCAA San Antonio Regional Championship. Maggio helped coach senior Hayley Davis to three individual championships and All-American First Team honors in 2015. Davis was the first All-American First Team selection in Baylor history. Davis and teammate Dylan Kim both earned All-American honors in 2015. Both Davis and Kim also earned All-Big 12 honors and Kim was named the 2015 Big 12 Newcomer of the Year.

MAGGIO AT HOUSTON

Maggio joined the University of Houston Women's Golf program as a volunteer assistant coach in the summer of 2013. She was promoted to full-time assistant coach in February 2014. At Houston, Maggio worked under head coach Gerrrod Chadwell. The coaching duo led the program through its inaugural season with only three participating players, making the Cougars ineligible to compete as a team. However, Raegan Bremer won the individual title at the 2014 HBU Husky Invitational, and she went on to earn a pair of The American Golfer of the Week awards and was named to the All-American Athletic Conference Team. The trio of golfers combined to record 13 top-25 individual finishes in 26 events.

SUCCESS AS A PLAYER AT LSU

Maggio began her career at LSU and completed her career as an All-Big 12 selection at Texas A&M. She averaged 75.40 strokes in 14 events during her career at LSU (2009 and 2010). Maggio helped lead the Tigers to the team championship at the fall 2010 Mason Rudolph Championship and earned her best finish as a Tiger - tied for eighth - at the fall 2009 NGCA Match Play Championship. At the Match Play Championship, she finished in a tie for eighth in stroke play and was undefeated, 3-0, in match-play.

SUCCESS AS A PLAYER AT TEXAS A&M

Maggio transferred to Texas A&M for her junior and senior seasons and flourished as a golfer in College Station. She was a two-time All-Big 12, a two-time All-Big 12 Tournament team selection and was named the Big 12 Golfer of the Month in April of her junior season. She was named the National Golfer of the Week by GolfWeek in October of 2012. Maggio averaged 74.86 strokes in 18 career events as an Aggie including a

single-season career low 74.85 strokes per round as a junior. She won the Big 12 championship, earned All-Big 12 honors and was named to the All Big 12 Tournament teams as a senior in 2013. She helped Texas A&M advance to the NCAA Championship Finals during her junior season and the NCAA Regional Championships in both her junior and senior seasons. The Aggies finished in a tie for 16th place at the 2012 NCAA Championship Finals. Maggio won the individual championship at the 2012 Big 12 Tournament and won the individual title at the Liz Murphey Fall preview during the 2012-13 season.

COMMITTED TO ACADEMIC SUCCESS

Maggio earned her bachelor's degree in agricultural communications and journalism and was named to the 2013 SEC Academic Honor Roll. During her first season at Florida State, all 10 members of the Seminole women's golf team were named to the ACC Academic Honor Roll while four members of the team were named to the ACC All-Academic Women's Golf team and two were named to the WGCA All-American Scholar Athlete team.

STANDOUT JUNIOR GOLF CAREER

Maggio enjoyed a standout junior golf career and is still considered to be one of the top high players in the history of the state of Arkansas. She was named the 2004, 2005 and 2006 Arkansas Women's Golf Association Player of the Year, was the state junior match play champion (2005 and 2006) and the state junior stroke champion (2004 and 2005). Maggio won the 2007 Valero Texas Open Championship and the 2008 Bubba Conlee event as she earned nine top 10 finishes and five top five finishes in AJGA events. She was a four-time qualifier for U.S. Girls' Junior Open championship and finished in a personal best tied for ninth in both 2007 and 2008. Maggio graduated from Conway High School as one of the most decorated athletes in school history as a star golfer and a star basketball player. She was named the golfer of the year in each of her four high school seasons by the Conway Democrat.

AMY BOND

WOMEN'S HEAD COACH
7th SEASON
FLORIDA STATE ('99)

First as a player, then an assistant coach, and now in her seventh season as its head coach, Amy Bond's energy and enthusiasm for elevating the success and storied tradition of the Florida State program is rivaled by few coaches in all of collegiate golf. During her first six seasons as Florida State's head women's golf coach, Bond has coached two All-Americans, two regional champions, eight All-ACC selections, 19 All-ACC Academic Honor Roll selections with 39 academic honors, 12 players who have been named to the All-ACC Academic team and four who have been named to the All-America Scholar Athlete team.

As the Seminoles' head coach, she has led Florida State to six consecutive NCAA Championship Tournament appearances - a streak that brings the program's current school-record streak to 11 consecutive NCAA appearances entering the 2016-17 season.

With her student-athlete first approach, her love of the game of golf, her unbridled love for Florida State University and her ability to recruit top-level talent, Bond constantly works to take the Seminole women's golf program to a higher level. That higher level is in the classroom, her relationships with her players, and Florida State's success on the golf course have all allowed her program to become recognized as one of the top all-around programs in all of college golf.

The Seminole women's golf team is recognized as a star among stars as Florida State is annually celebrated as one of the top athletic programs in the nation. Florida State has finished in the top 25 in the Director's Cup in each of the last eight years.

In her six seasons at Florida State, the Seminoles have played in six NCAA Championship tournaments, produced the school's first two NCAA Regional Champions (Maria Salinas in 2012 and Matilda Castren in 2016), earned three All-American honors (Matilda Castren in 2014, Salinas in 2011 and 2013), earned nine All-ACC selections (Salinas in 2011 and 2012, Jessica Negron in 2013, Castren in 2014 and 2016, Alex Milan in 2014, Lydia Gumm in 2015 and Kim Metraux in 2016) and had 16 players earn All-ACC Academic honors.

As a player Bond earned a spot on the ACC's 50th Anniversary team, as an assistant coach she helped the Seminoles to three NCAA Tournament appearances. As Florida State's head coach she has led the Seminoles to six NCAA Championship appearances in her first six years as the head coach of the Seminoles.

Throughout her playing career at Florida State, she played as one of the Seminoles' top players (she was named Florida State's team MVP in 1997, 1998 and 1999), played with a number of touring professionals (including LPGA major winner and current Golf Channel analyst Karen Stupples) and has coached many of Florida State's recent greats including the only four-time golf All-American in school history (Caroline Westrup). While achieving success during her career as a player and a coach, Bond has never lost sight of her ultimate goal: the success and achievements of her student-athletes.

In her 11 seasons as a Seminole coach (five as an assistant and six as the head coach), every student-athlete who has played golf at Florida State has earned her bachelor's degree and every one played on at least two NCAA Tournament teams during their careers. The Seminoles are among the NCAA leaders with a perfect APR rating during the first six seasons of Bond's head coaching tenure at Florida State.

RETURNING HOME

Amy Bond joined the long and illustrious list of Florida State alumni who have returned to coach their alma mater when she was named the Seminoles' head coach on June 25, 2010. She returned to her Seminole roots after an outstanding playing career at Florida State (1995-99) during which she finished in 30th place in the 1999 NCAA Championship Finals and a five-year career as an assistant coach (2001-06) when she helped lead the Seminoles to the NCAA Championships

three times. Bond is one of three Florida State University alumni who are current head coaches at their alma mater joining Jennifer Hyde (women's tennis) and Mike Martin (baseball).

FIRST SIX YEARS AT FLORIDA STATE

Florida State head coach Amy Bond has guided each of her first six Seminole teams to the NCAA Tournament. Including her four years as a Seminole player (1996-99), her five years as a Seminole assistant coach (2002-06) and five as Florida State's head coach, Bond has participated in 13 of 15 NCAA Regional Championships while wearing the Garnet and Gold. The Seminoles will look to play in their school record 12th consecutive NCAA Championship Tournament in 2017.

FLORIDA STATE EARNED OUTSTANDING SUCCESS IN 2016

Florida State finished the 2015-16 season ranked 19th nationally by Golfstat, 24th nationally by Golfweek, finished 15th nationally in the NCAA Division I Championship Finals, finished in second at the NCAA Division I Shoal Creek Regional, won team championships in the fall 2015 Jacksonville Classic and the spring 2016 Florida State Match-Up, finished in the top five of nine of its 13 matches, had two players earn NCAA Shoal Creek All-Region honors (Matilda Castren and Kim Metraux) and had two players earn All-ACC honors (Castren and Kim Metraux). Academically, the Seminoles had each member of its team named to the ACC Academic Honor Roll, saw four players named to the ACC All-Academic Women's Golf Team (Castren, Lydia Gumm, Kim and Morgane Metraux) and had two players (Kim and Morgane Metraux) named to the WGA All-American Scholar Athlete team.

BOND AS A TOURNAMENT HOST

Bond's passion for growing the game of golf has increased her desire to plan and host large-scale tournaments at Florida State. She hosted the NCAA East Regional Championship in 2014, a 24-team event that showcased the best in women's collegiate golf for the first time in school history. Bond will play host to the fifth Annual Florida State Match-Up in February of 2016 as she continues to attract high level competition to the city of Tallahassee on an annual basis. Bond and the Seminoles will host the NCAA Tallahassee Regional in 2018.

SUCCESS AT PRINCETON

Bond was successful in her first head coaching position at Princeton (2006-10) as she guided the Tigers to eight tournament victories and top four finishes in four Ivy League championship tournaments. The Tigers finished in second place in the Ivy League championship in 2007. Bond coached Susannah Aboff to consecutive Ivy League individual championships in 2008 and 2009. It marked only the third time in league history that a player had won consecutive individual conference championships. Aboff earned All-Ivy League honors three times during her career in becoming just the second player in school history to be named to the all-league team three times in her career. During her four seasons at Princeton, only the Tigers and Harvard performed consistently well in the conference championship by finishing in the top four of the team championship from 2007-10.

RECRUITING SUCCESS AT FLORIDA STATE

During her first six seasons as the head coach at Florida State, she has continued the tradition of recruiting talented players and outstanding student-athletes to Tallahassee. Her list of top recruits includes Matilda Castren, who earned All-American Second Team Honors in 2014, and four players who have been named to the WGA All-America Scholar Athlete team. Kim and Morgane Metraux, two of the top rising amateur players in the world, were also recruited by Bond to attend Florida State. In five years as an assistant coach at Florida State, Bond helped recruit four players who earned All-ACC honors a total of eight times and formed the nucleus of two top 20 ranked teams. The Seminoles finished in a tie for 16th nationally in 2006 and in a tie for 19th nationally in 2004. She was also instrumental in recruiting Caroline Westrup - the only four-time All-American and four-time All-ACC selection in school history.

PROFESSIONAL PLAYERS

Bond has recruited and coached seven players who have played, or who are currently playing professional golf. She recruited and coached Kristin Tamulis (Florida State) who is currently playing on the LPGA Tour. She also recruited and coached four-time All-American Caroline Westrup (Florida State) who earned her LPGA Tour Card for the 2014 season (and who played in the 2013 U.S. Open), another who is playing on the LPGA Tour (Lacey Agnew), two who earned success on the Symetra Tour (Jaclyn Burch and Macarena Silva), one who is playing on the Symetra Tour (Alex Milan), one (Maria Salinas) on the European Tour and three players (Susannah Aboff, Marlowe Boukis and Michelle Grilli) who began their professional careers on the LPGA Symetra Tour.

COMMUNITY SERVICE CHAMPIONS

The Seminoles women's golf team has won 13 of the last 15 Athletic Director's Cups for Service at Florida State's annual Golden Nole Banquet. The Athletic Director's Cup for Service is presented annually and is the most prestigious award given to the Seminole student-athletes. It goes to the team that contributes the most service hours to the community over the course of an entire year. The Seminoles won the Athletic Director's Cup for Service in each of Bond's five years as an assistant coach and in four of her first six seasons as the Seminoles' head coach.

PERSONAL

An Ocala, Fla., native, Bond earned a bachelor's degree in sport management from Florida State in 1997 before earning her master's degree in sport administration from Florida State in 1999. Bond's twin brother, Tommy, is the Director of Athletics and head baseball coach at Trinity Catholic in Ocala, Fla. Tommy led Trinity Catholic to the 4A state championship in 2014.

ANOTHER TOURNAMENT TITLE

The 2015-16 golf season began in fantastic fashion when the Seminoles steam-rolled their way to the Olympia Fields Invitational title on Sept. 18-20, 2015. FSU won the tournament by three strokes at 6-over par (273-294-279), including being the only team in the field to shoot under par in two of the three rounds played. FSU recorded a single-day tournament record 273 in the first round, and was bolstered by freshman Bennett Baker's 1-over final score in what was his tournament debut.

RECOGNIZED FOR THE RIGHT REASONS

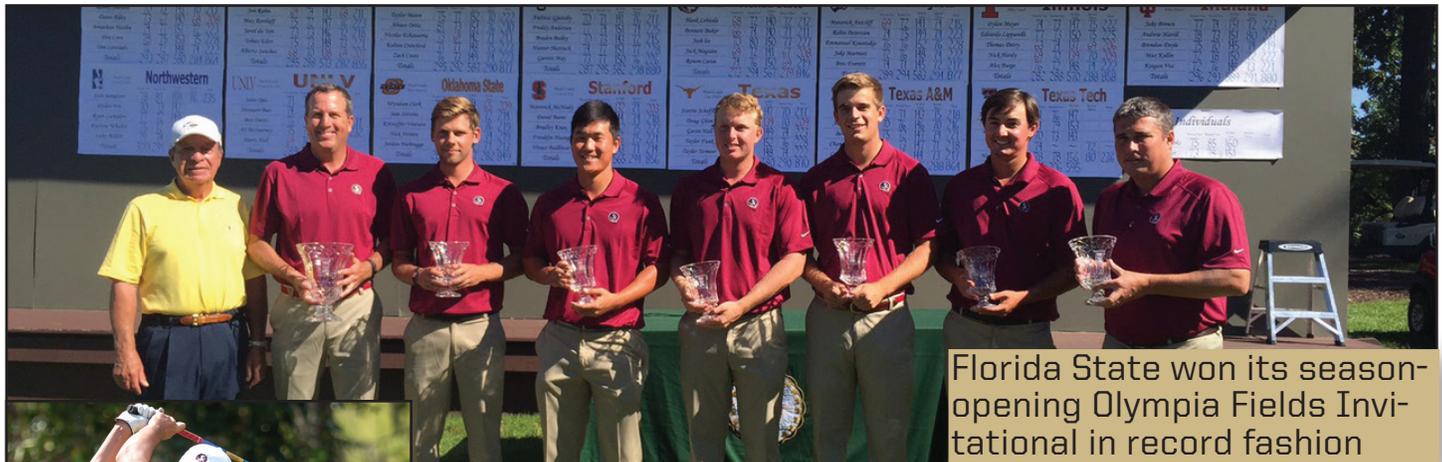

Two Florida State Men's Golfers in Hank Lebioda and Josh Lee exemplify all that is right with the program, and the proof is in the hardware. Lee, who is a senior in the 2016-17 season, was named a Cleveland Golf/Srixon All-American Scholar on July 22, 2016. Lee also earned a spot on the All-ACC Academic Team as he finishes up his double major in management and marketing. Lebioda also earned a spot on the All-ACC Academic Team, joining Lee as a two-time honoree on the team.

LEBIODA ENJOYS BIG SENIOR YEAR

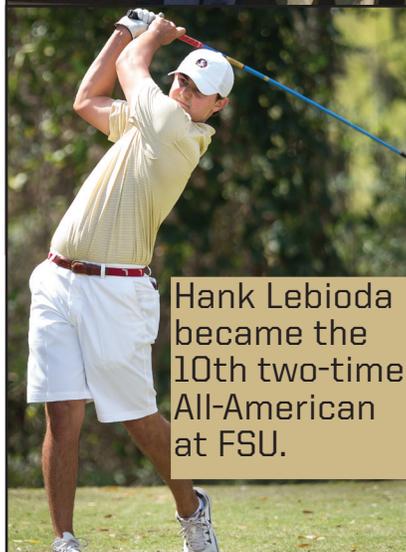

Senior golfer Hank Lebioda proved that his loyalty to the program would be rewarded, earning several accolades in his senior season. The Winter Springs, Fla., native was a PING Honorable Mention All-American, the ACC Player of the Year, an All-ACC Team member, a semifinalist for the Jack Nicklaus Player of the Year Award and the Ben Hogan Award Watch List. Lebioda leaves the program as the career leader in par or better rounds (76), percentage of counting scores (93.4 percent) and birdies (467).

NOLES MAKE 11TH STRAIGHT NCAA POSTSEASON

The Seminoles earned its 11th consecutive NCAA Regional bid in 2015-16, all under the guidance of head coach Trey Jones. Prior to Jones' arrival, FSU had not been to more than five consecutive NCAA trips. Furthermore, the Seminoles punched their ticket to their fifth consecutive NCAA Championship consisting of the final 30 teams - the longest active streak in the ACC and tied for the sixth-longest nationally.

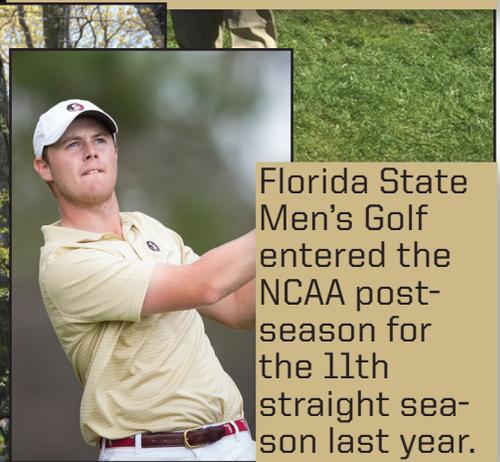

Florida State won its season-opening Olympia Fields Invitational in record fashion

Hank Lebioda became the 10th two-time All-American at FSU.

Josh Lee was named a Cleveland Golf/Srixon All-American Scholar.

Florida State Men's Golf entered the NCAA post-season for the 11th straight season last year.
