

TYPICALLY, WE HELP PEOPLE BECOME HOME OWNERS, BUT WE ALSO HELP THOSE IN NEED MAINTAIN THE HOMES THEY ALREADY OWN.

Founded in 1989, *Rebuilding Together Peninsula* estimates there are approximately 94,000 low-income homeowners in San Mateo and Northern Santa Clara counties. Rebuilding Together Peninsula provides critical home repairs, modifications, and improvements for the area's low income homeowners in need, such as seniors or people with disabilities, as well as families, so they can live independently in warmth and safety.

We are honored to partner with *Rebuilding Together Peninsula* because of the heartfelt and important work they do: lending a helping hand to improve the lives of homeowners who will receive the support and care they need and deserve from such a worthy and noble organization.

**DURING THE MONTHS OF JANUARY, FEBRUARY, AND MARCH,  
SERENO GROUP PALO ALTO WILL BE CONTRIBUTING 1% OF THEIR  
GROSS COMMISSIONS TO REBUILDING TOGETHER PENINSULA.**
