

SERENO GROUP IS HELPING PROVIDE *resources for a better future*

CSA has been the community's social service safety-net for over 57 years. They provide critical support services for low-income individuals, families and seniors in our community who are on the verge or already homeless. One out of 25 people in Northern Santa Clara County are assisted with CSA case management and/or food supplements.

CSA is particularly invested in the well-being of the children in our client families. Every August they host a Back-to-School backpack, school supplies and shoe voucher distribution day for over 900 children. If you are a parent, you know keeping kids in the right shoes is neither easy nor cheap.

Sereno Group is proud to support the commitment and service that CSA provides to our community.
