

SERENO GROUP IS SUPPORTING VETERANS

Foothill College is committed to ensuring that veterans of all abilities have an opportunity to achieve their academic and career goals. This includes adequate access to courses, instructional equipment, counseling, tutoring and other critical student support services. Combined with strong academics, a comprehensive suite of student support services is available to help veterans achieve their academic and career goals.

Sereno Group has proudly teamed up with the Foothill College Veterans Resource Center and the Friends of American Veterans, which is spearheaded by the Los Altos Rotary Club, to fund multiple annual scholarships for returning military men and women.
