

# MAKING COLLEGE POSSIBLE

MVLA Scholars helps local, high potential, low-income students achieve their dreams of earning college degrees and attaining professional positions. Since 2000, *MVLA Scholars* has provided multi-year renewable college scholarships and individual mentoring to more than 350 local students. It currently funds more than 100 Scholars, who are first in their family to go to college, and have powerful life stories. In addition to scholarships and mentoring, MVLA Scholars provides a community of support with over 100 volunteers. We are a 100% volunteer organization so all of the money that is raised goes directly to college scholarships.
