

How is 1% FOR GOOD working to stop the sexual exploitation of children in the Bay Area?

BY SUPPORTING

SPECIAL OPERATIONS

Special Operations has made it their mission to stop sex trafficking of kids in the Bay Area by hiring private investigators and working closely with law enforcement, Federal agencies, and private safe homes as well as the National Center of Missing and Exploited Children. Their network allows them to proactively search for, rescue, and help special victims re-build their lives.
