

# SERENO GROUP IS BUILDING CONFIDENCE

Westwind 4-H Riding  
for the Handicapped

The Westwind 4-H riding program provides horseback riding lessons to children with physical disabilities ranging from 5 to 19 years old. Their program helps children build confidence, develop balance and coordination, and have freedom of mobility not usually available to the handicapped.

Sereno Group has proudly teamed up with the Westwind 4-H Riding for the Handicapped to fund and provide support in their services to the youth of our community.
