**SUCCESS
 FOR EVERY
 STUDENT**

HERE
 FOR
 GOOD.™

JustREAD is a community of volunteers who believe that all students deserve the support they need in order to develop their academic skills and pursue their dreams.

JustREAD and JustMATH volunteers work with under-resourced students who are performing below grade level. We promote a love of learning and focus on strengthening basic literacy and math skills in order to accelerate student progress and build self-confidence.

Since 2005, we have provided over 32,000 tutoring sessions to elementary, middle and high school students in Mountain View, CA. Our programs provide individualized, structured support to students on campus during the school day.

To learn more about JustREAD and JustMATH programs and how you can support our students, please visit justreadcenters.org.

1% for Good provides grants to local organizations that are active in improving our communities. Sereno Group Los Altos will be supporting JustREAD from October through December 2018.
