

All Students Matter

Helping 1600 Low Income Students Every Week All School Year

All Students Matter volunteers believe that all children deserve an equal chance to learn. Since 2008 we've provided trained volunteers to work in the same K-4 classrooms every week for the entire school year in east Menlo Park and East Palo Alto schools. Our volunteers bring much needed consistent, reliable and customized support to meet the academic challenges of the students and the goals of the district. This year, we have over 200 volunteers serving 1600 students every week.

During the months of October through December 2016, Sereno Group Real Estate and its Palo Alto agents will be contributing 1% of their gross commissions to All Students Matter.
