

Sereno 1% For Good Believes All Students Deserve Quality Academic Support

That's why our **Sereno Palo Alto** team is supporting **DreamCatchers, Inc.** with a Community Impact Grant. DreamCatchers is leveraging the best of Palo Alto to help low-income middle school students thrive. Each student is paired with a personal tutor for the school year, allowing them to develop a close mentoring relationship. Tutors serve as role models and expose students to opportunities beyond middle school.
